Eventually, you will totally discover a extra experience and capability by spending more cash. still when? get you agree to that you require to acquire those every needs behind having significantly cash? Why dont you try to acquire something basic in the beginning? Thats something that will lead you to comprehend even more around the globe, experience, some places, behind history, amusement, and a lot more?

It is your utterly own grow old to appear in reviewing habit. along with guides you could enjoy now is **Ryan Rivers Relationship Rewind Mind Calm** below.

River Styx Jan 19 2022

The Vickie M. Stringer Collection Dec 26 2019 From Vicki M. Stringer, "the reigning queen of urban fiction" (Publishers Weekly), three exciting novels that will keep you coming back for more. Let That Be the Reason Let That Be the Reason begins when a drug dealer abandons his girlfriend Pamela Xavier, leaving her with nothing but a stack of bills, an empty refrigerator, and an impending eviction notice. Backed in a corner and with no prospects in sight, Pamela decides to get her hustle on. Transforming herself into Carmen, she learns to deal with the streets, the playas, the drug lords, and of course the law—by any means necessary. In no time, she is running a call-girl service, a fencing operation, and a drug cartel—all while still being a mom. Carmen wants money, but she also wants happiness. The problem is, she doesn't quite understand what real happiness is and what real love means—or what it all costs. Imagine This Imagine This continues the saga of Pamela as she does jail time and has to decide who she really is: Pamela, a woman who, more than anything, loves her son and wants to be there to raise him; or Carmen, the ruthless baller, who does the crime, serves the time, and honors, at any expense, the code of the street. The Reason Why Pamela was a naive coed from Detroit, going to classes by day and clubs by night. The hottest spot was Jazzy Jay's and that's where one of the guys slipped his gun in her pocketbook, knowing that the police who had just descended on the club wouldn't check the girls for weapons. She didn't know his name or anything other than he was cute and charming. But, when she tracked him down to return his property, she found out his name was Chino, his game was hustling, and his plan was to make her his woman—and give her more than she ever bargained for out of life, love, and the pursuit of money.

Repeat Sep 03 2020 "A page-turning romantic feast that will have you desperate for more. I was immediately hooked." —#1 New York Times bestselling author Rachel Van Dyken From New York Times bestselling author Kylie Scott comes an irresistible new romance. When a vicious attack leaves 25-year-old Clementine Johns with no memory, she's forced to start over. Now she has to figure out who she was and why she made the choices she did - which includes leaving the supposed love of her life, tattoo artist Ed Larsen, only a month before. Ed can hardly believe it when his ex shows up at his tattoo parlor with no memory of their past, asking about the breakup that nearly destroyed him. The last thing he needs is more heartache, but he can't seem to let her go again. Should they walk away for good, or does their love deserve a repeat performance? "Kylie Scott delivers an utterly unputdownable, unique rendering of true love and second chances."—Natasha is a Book Junkie "A beautiful, realistic tale of one woman's courage, and strength, and the man that's brave enough to love her. Truly amazing." —Audrey Carlan, #1 New York Times bestselling author of the International Guy series "Kylie Scott has long been one of my favorite authors, and oh, did she crush it with Repeat! I loved every page. Witty, swoony, sexy romance weaved in a mystery that will have you hooked. This one goes to the top of my 2019 favorite reads." —A.L. Jackson, New York Times and USA Today bestselling author "This book. You need this book. Repeat is everything I wanted in a romance. I was not expecting the delicious intensity, the amazing heroine, the delicious hero, and the banter only Kylie Scott can write. This book is pure magic." —L.J. Shen, USA Today bestselling Author "Kylie Scott's vivid characters, amazing writing, and a plot to keep you glued to the pages makes Repeat a must read!" —Donna Grant, New York Times and USA Today bestselling author "Repeat is a totally intriguing and captivating story. I loved every word!! This was such a unique story about forgiveness and second chances. You will be sucked in right from the first page." —Jennifer, Book Bitches Blog "Sexy, sweet, and suspenseful, Repeat is everything I expected it to be and so much more! A top read of 2019!" —KL Grayson, USA Today bestselling author "Repeat is an outstanding imaginatively and sexy read that had me spellbound! Kylie Scott clearly outdid herself with her twist on a second chance romance." —Heather, Audio Loves "The perfect mix of comedy, suspense, and be still my swooning heart! Repeat is unique, addictive, and oh so hot!" —Monica James, International Bestselling Author "It's breathtaking watching these two deal with their issues and fall in love all over again." —Verna Loves Books

Fall River-Lower Valley Transmission System Reinforcement Nov 29 2022

Dangerous Rescue May 23 2022 Just friends. I'd repeated the lie so many times I'd almost convinced myself it was the truth. Our friendship was accidental. A lost phone, a string of text messages that led to a once-a-year birthday text. The real trouble started when we upped the game and called each other. Those phone calls strengthened our connection and solidified our bond. Fourteen years later I was in love with a man who knew me down to the deepest depths of my soul—but I'd never seen him, not even a picture. That was our deal; no last names, no pictures, and the promise to never internet search the other. I upheld that promise. River did not. I was not prepared for the man who showed up at my bookstore. River Kent was tall—so damn tall, good-looking, so damn hot he took my breath, crystal blue eyes, so damn captivating I couldn't look away. But mostly he was a bossy, straightforward, tell-no-lies type of man. Which didn't work for me since I'd been lying through my teeth for years denying my true feelings. More than that, I was not prepared to face River months after my sister had been murdered. I wasn't ready to deal with the knowledge that she was gone and in the weeks leading up to her death I'd turned my back on her. The guilt was eating at me. River wasn't prepared to take no for an answer. Chaos and confusion had taken over my life. And to make matters worse, I found myself in the middle of a horrific child trafficking case. Okay, to be fair, I didn't find myself there, I'd purposefully inserted myself into the TAKEBACK investigation. And since I'd volunteered to go undercover, River did more than insert himself—he took over and declared himself my protector. Did I mention I was madly, deeply in love with him? Did I mention he was the man of my dreams? Did I mention River thought going undercover was dangerous, crazy, and not a good idea? Turns out River was right and just when all of my wildest dreams had come true they were torn away and I was left in shambles.

Chasing the Blues Oct 16 2021 Chasing the Blues explores the roots of the blues---the music birthed in the Mississippi Delta by African Americans who fashioned a new form of musical expression grounded in their shared experience of brutal oppression. They used the power of music to survive that oppression, creating a simple-in-structure, emotionally complex form that transformed and upended culture and became the bedrock of popular song. Tracing the music back to its geographical and cultural origins in the Delta is key to understanding how the blues were shaped. Over time, the Delta blues have touched virtually every form of popular music (rock and roll, soul, R&B, country-western, gospel), creating the soundscape of our lives. What makes this book unique? Fathoming how the music flowed from living and working conditions in the heart of the Deep South; appreciating how life-changing events like the Flood of 1927 sparked a mass migration away from plantation life, spreading the blues to the cities in the North and becoming the soundtrack to the civil rights movement; how blues musicians interacted, "cross-fertilizing" their music by learning, influencing, and imitating each other. The habits of travel are shifting, and there is more interest and a larger market for diving deep into destinations closer to home. Interest in Black history and culture and the role Black Americans played in shaping America is at an all-time high. By appreciating the roots of this most American style of music, readers will have a richer experience listening to songs and visiting blues' holy and sacred sites.

Rivers' Edge Jun 24 2022 infighting, power struggles, membership firings and resignations, lawsuits, settlements, non-disclosure agreements, oddball behaviour and fabulous rock music. Welcome to the weird world of Weezer, steered by brainchild Rivers Cuomo - a hair metal failure turned oddball rocker who has steered the ship of Weezer into uncharted territory with their bonkers sound, strange hiatuses and legendary comeback. Come feel the noise!

The Immortal Death May 11 2021 The narrator describes his religious journey quite skilfully. He in real terms is virtually dead and all his past occurrence that made him a past starts rewinding in front of his eyes which perhaps illustrates some known but unproven scientific theories. The book is full of Humor, grief, tragedy and Human behavior in addition there goes a huge suspense in the story which is quite sheenly maintained till the end. Its more of a brain thriller which will leave you dumbfound and the reader will enjoy every bit of it.

What Doesn't Kill Us May 31 2020 Surviving a traumatic experience is difficult and takes time to move on from, but this book makes the argument that with proper care and understanding, survivors can grow and reshape their lives in a positive way. For the past twenty years, pioneering psychologist Stephen Joseph has worked with survivors of trauma. His studies have yielded a startling discovery: that a wide range of traumatic events-from illness, divorce, separation, assault, and bereavement to accidents, natural disasters, and terrorism-can act as catalysts for positive change. Boldly challenging the conventional wisdom about trauma and its aftermath, Joseph demonstrates that rather than ruining one's life, a traumatic event can actually improve it. Drawing on the wisdom of ancient philosophers, the insights of evolutionary biologists, and the optimism of positive psychologists, What Doesn't Kill Us reveals how all of us can navigate change and adversity- traumatic or otherwise-to find new meaning, purpose, and direction in life.

The River of Doubt Sep 15 2021 NATIONAL BESTSELLER • At once an incredible adventure narrative and a penetrating biographical portrait—the bestselling author of *Destiny of the Republic* brings us the true story of Theodore Roosevelt's harrowing exploration of one of the most dangerous rivers on earth. The River of Doubt—it is a black, uncharted tributary of the Amazon that snakes through one of the most treacherous jungles in the world. Indians armed with poison-tipped arrows haunt its shadows; piranhas glide through its waters; boulder-strewn rapids turn the river into a roiling cauldron. After his humiliating election defeat in 1912, Roosevelt set his sights on the most punishing physical challenge he could find, the first descent of an unmapped, rapids-choked tributary of the Amazon. Together with his son Kermit and Brazil's most famous explorer, Cândido Mariano da Silva Rondon, Roosevelt accomplished a feat so great that many at the time refused to believe it. In the process, he changed the map of the western hemisphere forever. Along the way, Roosevelt and his men faced an unbelievable series of hardships, losing their canoes and supplies to punishing whitewater rapids, and enduring starvation, Indian attack, disease, drowning, and a murder within their own ranks. Three men died, and Roosevelt was brought to the brink of suicide. The River of Doubt brings alive these extraordinary events in a powerful nonfiction narrative thriller that happens to feature one of the most famous Americans who ever lived. From the soaring beauty of the Amazon rain forest to the darkest night of Theodore Roosevelt's life, here is Candice Millard's dazzling debut.

As Sure as the Dawn Jul 13 2021 When gladiator Atretes locates his missing son, his plans to return to Germania are upset by Rizpah, the young widow who adopted his abandoned baby and who will fight to keep the child she loves.

Rewire Your Brain Mar 09 2021 How to rewire your brain to improve virtually every aspect of your life-based on the latest research in neuroscience and psychology on neuroplasticity and evidence-based practices Not long ago, it was thought that the brain you were born with was the brain you would die with, and that the brain cells you had at birth were the most you would ever possess. Your brain was thought to be "hardwired" to function in predetermined ways. It turns out that's not true. Your brain is not hardwired, it's "softwired" by experience. This book shows you how you can rewire parts of the brain to feel more positive about your life, remain calm during stressful times, and improve your social relationships. Written by a leader in the field of Brain-Based Therapy, it teaches you how to activate the parts of your brain that have been underactivated and calm down those areas that have been hyperactivated so that you feel positive about your life and remain calm during

stressful times. You will also learn to improve your memory, boost your mood, have better relationships, and get a good night sleep. Reveals how cutting-edge developments in neuroscience, and evidence-based practices can be used to improve your everyday life Other titles by Dr. Arden include: Brain-Based Therapy-Adult, Brain-Based Therapy-Child, Improving Your Memory For Dummies and Heal Your Anxiety Workbook Dr. Arden is a leader in integrating the new developments in neuroscience with psychotherapy and Director of Training in Mental Health for Kaiser Permanente for the Northern California Region Explaining exciting new developments in neuroscience and their applications to daily living, Rewire Your Brain will guide you through the process of changing your brain so you can change your life and be free of self-imposed limitations.

Krishna-The God Who Lived As Man Aug 22 2019 The river was in high tide and the footprints of the Yadavas were more or less washed away. Big waves came rushing to the shore and wiped away some more footprints Suddenly Rukmini discovered a familiar footprint and sat beside it . Her eyes brimmed over with tears . These were the footprints her hair locks drooped over when she knelt at her Lord's feet every morning . These were the footprints she worshipped with chandan . the footprints of her Lord of Sri Krishna ! They were deeply immersed in the sand. the impression engraved in the sand was filled with water. Rukmini's streaming tears were making an offering in the water-filled footprints. Daruk arrived and stood beside her . He looked startled. He could not believe how the footprints filled to the brim with water could contain Rukmini's tears without spilling over. What was further surprising was that not a single tear had dropped out of the carved footprint .

Rewind to You Aug 26 2022 "A rapturous, beautiful debut with a romance that seeps into you like a sizzling Georgia summer." —Amber Hart, author of *Before You Wish You Were Here* One last summer before college on beautiful Tybee Island is supposed to help Sienna forget. But how can she? This is where her family spent every summer before everything changed, before the world as she knew it was ripped away. But the past isn't easily left behind. Especially when Sienna keeps having episodes that take her back to the night she wants to forget. Even when she meets the mysterious Austin Dobbs, the guy with the intense blue eyes, athlete's body, and weakness for pralines who scooped her out of trouble when she blacked out on River Street. When she's with Austin, Sienna feels a whole new world opening up to her. Austin has secrets, and she has history. But caught between the past and the future, Sienna can still choose what happens now. . . "A fabulous, fresh new voice in YA." —Kay Lynn Mangum, author of *The Secret Journal of Brett Colton* "Laura Johnston scores a touchdown with this coming-of-age love story." —Kelly Nelson, author of *The Keeper's Saga* "This poignant, sweet romance gripped my heart from beginning to end."—Jennette Green, author of *The Commander's Desire* 90,000 Words

Advances in Energy Systems Apr 10 2021 A guide to a multi-disciplinary approach that includes perspectives from noted experts in the energy and utilities fields *Advances in Energy Systems* offers a stellar collection of articles selected from the acclaimed journal *Wiley Interdisciplinary Review: Energy and Environment*. The journal covers all aspects of energy policy, science and technology, environmental and climate change. The book covers a wide range of relevant issues related to the systemic changes for large-scale integration of renewable energy as part of the on-going energy transition. The book addresses smart energy systems technologies, flexibility measures, recent changes in the marketplace and current policies. With contributions from a list of internationally renowned experts, the book deals with the hot topic of systems integration for future energy systems and energy transition. This important resource: Contains contributions from noted experts in the field Covers a broad range of topics on the topic of renewable energy Explores the technical impacts of high shares of wind and solar power Offers a review of international smart-grid policies Includes information on wireless power transmission Presents an authoritative view of micro-grids Contains a wealth of other relevant topics Written forenergy planners, energy market professionals and technology developers, *Advances in Energy Systems* is an essential guide with contributions from an international panel of experts that addresses the most recent smart energy technologies.

White Magic Nov 17 2021 "White Magic is magnificent." —Kristen Arnett Bracingly honest and powerfully affecting, *White Magic* establishes Elissa Washuta as one of our best living essayists. Throughout her life, Elissa Washuta has been surrounded by cheap facsimiles of Native spiritual tools and occult trends, "starter witch kits" of sage, rose quartz, and tarot cards packaged together in paper and plastic. Following a decade of abuse, addiction, PTSD, and heavy-duty drug treatment for a misdiagnosis of bipolar disorder, she felt drawn to the real spirits and powers her dispossessed and discarded ancestors knew, while she undertook necessary work to find love and meaning. In this collection of intertwined essays, she writes about land, heartbreak, and colonization, about life without the escape hatch of intoxication, and about how she became a powerful witch. She interlaces stories from her forebears with cultural artifacts from her own life—*Twin Peaks*, the *Oregon Trail II* video game, a Claymation *Satan*, a YouTube video of Stevie Nicks and Lindsey Buckingham—to explore questions of cultural inheritance and the particular danger, as a Native woman, of relaxing into romantic love under colonial rule.

Death, Ecstasy, and Other Worldly Journeys Apr 29 2020 This is a psychological and historical exploration of belief in a spirit world, imperceptible to the senses, as a pervasive and deeply-rooted characteristic of religion.

Tree Planters' Notes Jun 12 2021

Proceedings of the Western Snow Conference Sep 22 2019

Rewind Apr 22 2022 When Adele Morrison's body is found in the swimming pool of the Crown House hotel, her estranged husband stands to inherit everything he had been fighting to claim as part of a divorce settlement. DI Ian Preston, however, is unable to get past the coroner's verdict of accidental death -- until the body of Adele's lover is found floating in the Thames.

Hindsight Dec 18 2021 The International Bestseller 'I can't help that my music shows who I am in this moment, what I'm drawn to, what I'm wondering about. I don't want to help it. What you hear in the words, what you feel in those songs - that's what I was feeling when I wrote them. I want you to see me, just like I want to see you.' - Justin Timberlake In his first book, Justin Timberlake creates a characteristically dynamic experience, one that combines intimate reflections and observations on his life and work, with hundreds of candid photographs from his personal archives. He looks back on his childhood and his very early love of music, and reveals the inspiration behind many of his songs and albums. He explores his internal songwriting process, and his collaborations with other artists and directors. He also reflects on who he is, examining what makes him tick, speaking candidly about fatherhood, family, close relationships, struggles, and his search to find an inner calm and strength. This is the Prince of Pop as you've never seen him before.

MLA International Bibliography of Books and Articles on the Modern Languages and Literatures Aug 02 2020

The Complete Poems of Louis Daniel Brodsky: Volume Four, 1981-1985 Oct 24 2019 Tracing the days of the writer edging into middle age, the 888 poems presented in volume four of *The Complete Poems of Louis Daniel Brodsky* offer a glimpse into the frenzied life of a man compelled, by his discipline and inner passion, to capture the elements of his existence and explode them upon the page ... Startlingly honest and bristling with the energy of Brodsky's discontent, this book records the poet gaining momentum, as a writer, even as his personal life spirals out of control. --Time Being

Books.

Communication Perspectives on Popular Culture Feb 26 2020 Communication Perspectives on Popular Culture contains all new writings from many important established scholars as well as brilliant young scholars in the communication field. Contributors explore new and emerging ways to approach popular culture – from case studies to emerging theories – as they examine how popular culture, media, and communication influence our everyday lives.

The Best We Could Do Feb 20 2022 National bestseller 2017 National Book Critics Circle (NBCC) Finalist ABA Indies Introduce Winter / Spring 2017 Selection Barnes & Noble Discover Great New Writers Spring 2017 Selection ALA 2018 Notable Books Selection An intimate and poignant graphic novel portraying one family's journey from war-torn Vietnam, from debut author Thi Bui. This beautifully illustrated and emotional story is an evocative memoir about the search for a better future and a longing for the past. Exploring the anguish of immigration and the lasting effects that displacement has on a child and her family, Bui documents the story of her family's daring escape after the fall of South Vietnam in the 1970s, and the difficulties they faced building new lives for themselves. At the heart of Bui's story is a universal struggle: While adjusting to life as a first-time mother, she ultimately discovers what it means to be a parent—the endless sacrifices, the unnoticed gestures, and the depths of unspoken love. Despite how impossible it seems to take on the simultaneous roles of both parent and child, Bui pushes through. With haunting, poetic writing and breathtaking art, she examines the strength of family, the importance of identity, and the meaning of home. In what Pulitzer Prize-winning novelist Viet Thanh Nguyen calls “a book to break your heart and heal it,” *The Best We Could Do* brings to life Thi Bui's journey of understanding, and provides inspiration to all of those who search for a better future while longing for a simpler past.

No One Asked for This Mar 21 2022 From writer/director Cazzie David comes a series of comedic essays about anxiety, social media, generational malaise, and growing up in a famous family.

Plant Engineers and Managers Guide to Energy Conservation Aug 14 2021 Completely revised and updated, this tenth edition of a bestseller covers both management and technical strategies for slashing energy costs by as much as 40 percent in industrial facilities. It discusses cogeneration, gas distributed generation technologies, steam system optimization, geothermal heat pumps, energy outsourcing, electricity purchasing strategies, and power quality case studies. It also provides guidelines for life cycle costing, electrical system optimization, lighting and HVAC system efficiency improvement, mechanical and process system performance, building energy loss reduction, financing energy projects, and more.

Michael Jackson: Rewind Oct 28 2022 With over 300 stunning photographs, Michael Jackson: Rewind tells the story of the King of Pop's life, in reverse.

The Negro Motorist Green Book Oct 04 2020 The idea of "The Green Book" is to give the Motorist and Tourist a Guide not only of the Hotels and Tourist Homes in all of the large cities, but other classifications that will be found useful wherever he may be. Also facts and information that the Negro Motorist can use and depend upon. There are thousands of places that the public doesn't know about and aren't listed. Perhaps you know of some? If so send in their names and addresses and the kind of business, so that we might pass it along to the rest of your fellow Motorists. You will find it handy on your travels, whether at home or in some other state, and is up to date. Each year we are compiling new lists as some of these places move, or go out of business and new business places are started giving added employment to members of our race.

The Controlled Flood in Grand Canyon Jul 01 2020 Published by the American Geophysical Union as part of the Geophysical Monograph Series, Volume 110. The natural flow of almost every river in the United States has been modified to meet various socioeconomic goals—navigation, irrigation, power generation and flood control. The success of the dams and reservoirs built to achieve these goals has been accompanied by changes in the status of riverine resources downstream, a cause of growing environmental and ecological concern. For example, before Glen Canyon Dam was completed, the Colorado River transported large quantities of sediment in floods as large as 8500 m³/s. After the dam was closed in 1963, dam releases typically were less than the powerplant capacity of 890 m³/s and exhibited large daily flow fluctuations. The river carried little sediment. The daily fluctuations in flow eroded sand bars, and the smaller, controlled flow did not redeposit them. The clear, cold water resulted in increased aquatic productivity such that rainbow trout and other nonnative fishes thrived while most native species were lost or endangered.

Learning from SARS Jan 07 2021 The emergence of severe acute respiratory syndrome (SARS) in late 2002 and 2003 challenged the global public health community to confront a novel epidemic that spread rapidly from its origins in southern China until it had reached more than 25 other countries within a matter of months. In addition to the number of patients infected with the SARS virus, the disease had profound economic and political repercussions in many of the affected regions. Recent reports of isolated new SARS cases and a fear that the disease could reemerge and spread have put public health officials on high alert for any indications of possible new outbreaks. This report examines the response to SARS by public health systems in individual countries, the biology of the SARS coronavirus and related coronaviruses in animals, the economic and political fallout of the SARS epidemic, quarantine law and other public health measures that apply to combating infectious diseases, and the role of international organizations and scientific cooperation in halting the spread of SARS. The report provides an illuminating survey of findings from the epidemic, along with an assessment of what might be needed in order to contain any future outbreaks of SARS or other emerging infections.

Roadmap to the Regents Feb 08 2021 Offers test-taking tips and strategies to improve performance on New York State's Regents Examination in Global History and Geography and includes four full-length practice exams with answers and explanations.

The Guinness Encyclopedia of Popular Music: Threepenny Opera-Z.Z. Top Jul 25 2022

Paralian Nov 05 2020 *Paralian* has won best debut book at the 2016 Rainbow Awards. It has also been named as “Recommended Read” by several book review platforms including Bookmuse,

Bookbag, Reader's Favorite, etc.

Where the River Parts Dec 30 2022 But these things haven't happened before. It's August 1947, the night before India's independence. It is also the night before Pakistan's creation and the brutal partition of the two countries. Asha, a Hindu in a newly created Muslim land, must flee to safety. She carries with her a secret she has kept even from Firoze, her Muslim lover. But Firoze must remain in Pakistan and increasing tensions between the two countries mean the couple can never reunite. Fifty years later in New York, Asha's Indian granddaughter falls in love with a Pakistani and Asha and Firoze, meeting again at last, are faced with one more final choice.

Imagine This Nov 24 2019 Imagine This is the sequel to Vickie Stringer's bestselling *Let That Be the Reason*, her stunning debut novel based on life as she knew it in the shocking underworld of the sex and drug trade. Vickie Stringer has gained a legion of fans for her portrayal of Pamela, a.k.a. Carmen, a woman who had it all but lost out when the love of her life left her penniless and alone to raise their son. Pamela refuses to remain powerless, though. She pulls herself up, becomes a major hustler in the street game, gains independence, and makes big money -- but the consequences are more dreadful than she ever imagined. *Imagine This* continues the saga of Pamela as she does jail time and has to decide who she really is: Pamela, a woman who, more than anything, loves her son and wants to be there to raise him; or Carmen, the ruthless baller, who does the crime, serves the time, and honors, at any expense, the code of the street.

The Ultimate Girls' Movie Survival Guide Dec 06 2020 More than a movie rental guide, this book is arranged to address universal themes such as love complications, troubled friendships, family strife, body image angst, and more--a true manual for finding the answers to life's questions through film. Two-color illustrations throughout.

River of Love Sep 27 2022 Meg, a teacher on summer break, plans to have a relaxing summer working at River's View Resort. Can she endure the summer working with the new manager who irritates and fascinates her? As she begins to love, can she survive losing James, a man she can never have-or is love even possible?
