Yes, Ma'am! Sep 09 2020 Officer Susan L. Bickett invites readers into her squad for a ride-along in the city of Green Bay, Wisconsin. Not unlike the good, the bad and the ugly; readers will experience The Routine, The Tones and The Unbelievable. In this candid, day-in-the-life memoir, readers will experience the humanness of police officers as they serve

and protect their communities. In an occupation where no two days are the same, being prepared is a unique challenge, especially as a female officer. Officer Bickett shares her journey from under the headset, to beat cop and even a brief detective stint. Buckle up! This is a ride full of stories with a glimpse behind the badge while riding the thin blue line.- **UNIQUE PERSPECTIVE** - You will definitely be impressed by the unique perspective presented by this memoir. Officer Susan Bickett is a woman thriving in a profession that is dominated by men. This memoir narrates experiences from the point of view of a tough female cop.- **RELATABLE** -

Just like any other person, cops are people too. You will realize that cops are humans who feel emotions like anger, sadness, joy, and compassion.- EXCITING - With 22 years of experience, Officer Susan Bickett is guaranteed to surprise you with every page. You will be taken into an exciting ride of action and emotions with this fantastic memoir! Sit back, relax, and let this book take you to exciting places!- INSPIRING - This memoir, aside from narrating the daily life of a cop, is also filled with life lessons that will inspire you to do good and to be a better person. You will come to know that cops appreciate the little gestures like smiles and nods of thanks that acknowledge their hard work.- BEHIND THE SCENES - Officer Bickett's memoir will take you behind the scenes of a cop's daily life. It's not always full of action like what you see on television. Each day is different and unique in their own way and most of the time cops help people without need for force or violence.

In this study, Judith Aikin examines the exceptionally well-documented actions of one such woman, Aemilia Juliana of Schwarzburg-Rudolstadt (1637-1706), in order to expand our understanding of the role of ruler's consort in the small principalities characteristic of Germany during this period. Aikin explores a wide range of writings by her subject, including informal letters to another woman, hundreds of devotional song texts, manuscript books both devotional and practical, and published pamphlets and books. Also important for this study are the plays, paintings, and musical works that adorned the court under Aemilia Juliana's patronage; the books, poems, and sermons published in her honor; and the massive memorial volume printed and distributed soon after her death. This material, when coupled with the more scanty record in official documents, reveals the nature and scope of Aemilia Juliana's role as full partner in the ruling couple. Among the most important findings based on this evidence are those related to Aemilia Juliana's advocacy for women of all social classes through her authorship and publications, her support for the education of girls, her efforts to ameliorate the fear and suffering of pregnant and birthing women, and her contributions to female support networks. In examining the career of a consort whose various activities are so well documented, this study helps to fill in the blanks in the documentary record of numerous consorts across early modern Europe, and serves as a model for future research on other consorts at other courts.

Hand to Eye Jun 06 2020 A sequel to the highly successful Pen & Mouse, Hand to Eye features forty-five illustrators from around the world. Including both commissioned artwork and experimental projects, the work collected here shows that cutting-edge computer illustration is still thriving and continues to push boundaries. In the last two years, however, there has been a noticeable move towards a handcrafted style, perhaps a logical reaction to the torrent of digital imagery. More and more image-makers are turning to traditional tools and techniques, and their methods vary widely: some work solely with pen, pencil and paint; others create images using tapestry and embroidery, and many incorporate digital elements into handmade art. Hand to Eye reflects these diverse approaches to image-making, from the cleanness of slick, vector-based work, through photorealism, to a lo-fi, handcrafted aesthetic; from exquisitely detailed, brightly coloured collages to simple, single-colour sketches.

The Fox and the Hound Feb 12 2021 Tod, a young fox, and Copper, a hound pup, love to play together every chance they get. When they get lost in the woods during a game of hide-and-seek, they learn that a true friend always sticks by you!

The Old Witcheroo Jul 28 2019 Just when you think you know your one-time International Man of Mystery turned ghostly confidant...When last we met, dear friends, a man had come calling, claiming to be Crispin Alistair Winterbottom, my dead British ex-spy. A notion I'd find ludicrous, if the handsome imposter didn't, in fact, look exactly like my dead British ex-spy. But there's no time for that mystery when a quiet walk on our

private stretch of beach turns up something far more pressing--another tragedy in my beloved small Washington town. That's right. I, Stevie Cartwright, ex-witch turned amateur sleuth, have stumbled upon another murder. But this time it's closer to home, more personal, a victim who'd touched the hearts of so many in Ebenezer Falls, young and old. In fact, there's only thing more surprising than the victim...The good man who's become the number one suspect. Along with my Spy Guy Win, my bat familiar Belfry, our rescue dog Whiskey, and even an unexpected new friend or two, I'm jumping back into my Sherlock shoes to catch the cleverest killer yet!

Loose-Leaf Version for Fundamentals of Abnormal Psychology Mar 28 2022 The #1 bestselling author of introductory textbooks in abnormal psychology, Ron Comer is remarkably skillful at communicating the scientific foundations, the clinical realities, and the human cost of psychological dysfunction. Meeting Your Match Online Sep 21 2021 Recent studies show that more than 20 million people will visit at least one online dating service a month. Internet dating has several advantages, among them the ability to discover everything about a potential partner before ever meeting them. You can learn their age, religious affiliations, education, expectations, interests, hobbies, and so on. Internet dating allows you to chat online and get to know someone before meeting them. There is also the ability

to meet people on a varied schedule you do not have to meet them face-to-face right away. Other advantages include protection of your personal identity, the exchange of photos, the ability to be yourself, less cost, and the ability to search by sexual or ethnic preference, all of which will increase the chances of finding that special someone. Aside from the many advantages, online dating has disadvantages as well. For example, you could be starting an online relationship with someone who, in actuality, does not look like they do in their photos or their personality is not as they described, it might have to be a long distance relationship, or they have a hidden criminal agenda. This is why you need the assistance of this groundbreaking new book that covers it all, allowing you to find the right partner and make your online dates safe and secure. The book features many available online dating services, such as PerfectMatch, which employs a scientific method to locate matches. eHarmony has a compatibility system that only pairs you with compatible singles. Yahoo Personals helps you choose from thousands of members to find singles in your area. True.com is likely the only dating site that checks new members for criminal activity and marriage history. Match.com guarantees you will meet someone special within six months or they will extend your membership by six months at no cost to you. Also detailed are AmericanSingles.com, FriendFinder.com, Metrodate.com, Lavalife.com, Date.com, JDate.com, Great Expectations at GE-Dating.com and Chemistry.com. Also included are true stories from couples and singles who have been through the online dating process and have found it either worked or didn't work for them. Annual Report - Geological and Natural History Survey of Minnesota Feb 24 2022

Undersea Mar 16 2021 In a world flooded and irradiated by a nearly

forgotten cataclysm from generations passed, all that remains of civilization clings to life in two war-torn, city-sized submarines. For fifty years, the only peace between them had come from separation. Now, young council woman Ralla Gattley has uncovered mysteries that will bring these two factions face-to-face, initiating a series of events that will forever change their undersea world. She didn't expect to meet Thom Vargas, a bored fisherman and aspiring drunk who merely wants to climb one rung on the social ladder. Little did he know that single step may well put the fate of the world in his hands.

Ten Kings Oct 23 2021

Killers of the King May 30 2022 January, 1649. After seven years of fighting in the bloodiest war in Britain's history, Parliament had overpowered King Charles I and now faced a problem: what to do with a defeated king, a king who refused to surrender? Parliamentarians resolved to do the unthinkable, to disregard the Divine Right of Kings and hold Charles I to account for the appalling suffering and slaughter endured by his people. A tribunal of 135 men was hastily gathered in London, and although Charles refused to acknowledge the power of his subjects to try him, the death sentence was unanimously passed. On an icy winter's day on a scaffold outside Whitehall, in an event unique in English history, the King of England was executed. When the dead king's son, Charles II, was restored to the throne, he set about enacting a deadly wave of retribution against all those - the lawyers, the judges, the officers on the scaffold - responsible for his father's death. Some of the 'regicides' - the killers of the king - pleaded for mercy, while others stoically awaited their sentence. Many went into hiding in England, or fled to Europe or America. Those who were caught and condemned suffered agonising and degrading ends, while others saw out their days in hellish captivity. Bestselling historian Charles Spencer explores this violent clash of ideals through the individuals whose fates were determined by that one, momentous decision. A powerful tale of revenge

from the dark heart of royal history and a fascinating insight into the dangers of political and religious allegiance in Stuart England, these are the shocking stories of the men who dared to kill a king.
