The New Teacher's Guide to Overcoming Common Challenges Jun 01 2020 This practical, hands-on guidebook offers support for your first years in the classroom by presenting strategies to overcome ten common challenges. Expertly curated by experienced educators, this book delivers quick access to timely advice, applicable across a range of educational settings. With contributions from National Board-Certified Teachers, National Teachers of the Year, and other educators involved in robust induction

and mentoring programs, *The New Teacher's Guide to Overcoming Common Challenges* provides: Wise and practical tips from accomplished veterans and successful new teachers from across rural, suburban, and urban settings; Web access to an online teacher community and customizable resources created by the book's authors that can be quickly downloaded for immediate use in the classroom; Newly commissioned material that addresses the shift to remote learning brought about by the world pandemic. Accessible and stimulating, this book is designed for a wide range of users, including PK-12 school districts who offer new teacher induction programming, traditional and alternative teacher preparation programs and teacher cadet programs, and individual in-service teachers. Don't face the challenges alone—learn from those who have been there!

The Teacher's Guide to Media Literacy Sep 28 2022 Use media literacy to reach all students! This book starts by asking, "What does it mean to be literate in today's world, and how can those literacy skills be developed?" The authors answer those questions by providing concrete, innovative ways to integrate media literacy across the curriculum and teach students to be independent, skilled, and reflective thinkers. Through dozens of suggested activities, teaching strategies, lessons, and a companion

Website, the authors' unique vision allows schools to: Integrate media literacy into teaching at all grade levels and core content areas Address key education standards
Teach 21st-century skills and higher-order critical thinking Engage students by bridging schoolwork with their lives outside the classroom
