We Made It All Up Oct 29 2022 A contemporary, high-stakes thriller about how reality becomes more twisted than the fantasy novel two friends are writing when the real-life subject of their fiction turns up dead and they're the suspects, for fans of Mare of Easttown and One of Us Is Lying. Celeste is the talk of the town when she moves to Montana from Montreal, but the only friend she makes is Vivvy, the heir to the town's founder and a social pariah. Inspired by a passion-fueled school incident, they begin writing a love-story fanfic between the popular guy and the school stoner, one that gradually reveals Celeste's past. While her bond with Vivvy makes Celeste feel safe and alive again, Vivvy keeps prodding Celeste to turn fantasy into reality. When they finally try, one drunken night on a dark mountainside, Celeste is the one who ends up kissing golden boy Joss. And Joss ends up dead. Celeste doesn't remember the end of that night and can't be sure she didn't deliver the killing blow. Could she still be that scared of getting close to a boy? Secrets are hard to keep in a small town, and even Vivvy seems to suspect her. Exploring the winding passages of the cave where Joss died, Celeste learns he had his own dark secrets, as does Vivvy. The town isn't as innocent as it appears.

Biblical Greek Made Simple Apr 22 2022 Diligent study of God's Word involves engaging with it in the language it was written. Learning Greek can be a challenging experience for seminary students, but it is a critical piece of their education. Engaging with the Bible in its original language will lead to deeper understanding, new insights, and provide tools to enter into the conversation surrounding God's Word. *Biblical Greek Made Simple* is a one-semester textbook that teaches the basics of biblical Greek. Designed with the modern student and curriculum in mind, this grammar introduces all the essential elements of biblical Greek while also utilizing the tools and features of Logos Bible Software to help retain and enhance knowledge of Greek. Each chapter includes exercises tailored to its contents as well as additional teaching material for further advancement. Daniel Zacharias provides a solid overview of the entire biblical Greek system, while challenging students to understand how this ancient language is relevant to meaning and translation.

It Was All a Dream Apr 30 2020 From a talented young journalist on the rise, a deeply reported, timely new biography of the Notorious B.I.G., publishing for what would have been his 50th birthday The Notorious B.I.G. was one of the most charismatic and talented artists of the 1990s. Born Christopher Wallace and raised in Clinton Hill/Bed Stuy, Brooklyn, Biggie lived an almost archetypal rap life: young trouble, drug dealing, guns, prison, a giant hit record, the wealth and international superstardom that came with it, then an early violent death. Biggie released his first record, Ready to Die, in 1994, when he was only 22. Less than three years later, he was killed just days before the planned release of his second record Life After Death. Journalist Justin Tinsley's It Was All a Dream is a fresh, insightful telling of the life beyond the legend. It is based on extensive interviews with those who knew and loved Biggie, including neighbors, friends, DJs, party promoters, and journalists. And it places Biggie's life in context, both within the history of rap but also the wider cultural and political forces that shaped him, including Caribbean immigration, the Reagan era disinvestment in public education, street life, the war on drugs, mass incarceration, and the booming, creative, and influential 1990s music industry. This is the story of where Biggie came from, the forces that shaped him, and the legacy he has left behind.

All Made Up Feb 06 2021 A fascinating journey through history and culture, examining how makeup affects self-empowerment, how people have used it to define (and defy) their roles in society, and why we all need to care There is a history and a cultural significance that comes with wearing cat-eye-inspired liner or a bold red lip, one that many women feel to this day, even if we don't realize exactly why. Increasingly, people of all genders are wrestling with what it means to be a woman living in a patriarchy, and part of that is how looking like a woman—whatever that means—affects people's real lives. Through the stories of famous women like Cleopatra, Empress Wu, Madam C. J. Walker, Elizabeth Taylor, and Marsha P. Johnson, Rae Nudson unpacks makeup's cultural impact—including how it can be used to shape a personal or cultural narrative, how often beauty standards align with whiteness, how and when it can be used for safety, and its function in the workplace, to name a few examples. Every woman has had to make a very personal choice about her relationship with makeup, and consciously or unconsciously, every woman knows that the choice is never entirely hers to make. This book also holds space for complicating factors, especially the ways that beauty standards differ across race, class, and culture. Engaging and informative, All Made Up will expand the discussion around what it means to participate in creating your own self-image.

Bullshit Jobs Feb 27 2020 From bestselling writer David Graeber—“a master of opening up thought and stimulating debate” (Slate)—a powerful argument against the rise of meaningless, unfulfilling jobs...and their consequences. Does your job make a meaningful contribution to the world? In the spring of 2013, David Graeber asked this question in a playful, provocative essay titled “On the Phenomenon of Bullshit Jobs.” It went viral. After one million online views in seventeen different languages, people all over the world are still debating the answer. There are hordes of people—HR consultants, communication coordinators, telemarketing researchers, corporate lawyers—whose jobs are useless, and, tragically, they know it. These people are caught in bullshit jobs. Graeber explores one of society’s most vexing and deeply felt concerns, indicting among other villains a particular strain of finance capitalism that betrays ideals shared by thinkers ranging from Keynes to Lincoln. “Clever and charismatic” (The New Yorker), *Bullshit Jobs* gives individuals, corporations, and societies permission to undergo a shift in values, placing creative and caring work at the center of our culture. This book is for everyone who wants to turn their vocation back into an avocation and “a thought-provoking examination of our working lives” (Financial Times).

Hot and Heavy May 31 2020 He swore he wouldn’t touch her, but she’s about to test his restraint. Prim and proper secretary Melodie Turner has been in lust for her boss for years . . . and she’s finally going to do something about it. P.I. Cole Sommers might be able to barely resist her sexy new attitude and flirtatious behavior, but when she takes a cue from his current case and decides to seduce Cole’s mind with highly provocative letters, she knows his body won’t be very far behind . . . Cole is definitely in over his head. He’s got more cases than he can handle, but all he can think about is taking his secretary to bed, turning her over his knee, and showing her what happens to naughty girls who don’t behave. At every turn, Melodie is there, taunting him, teasing him, making him burn with a deep, undeniable need. But Cole promised her father that he’d protect her—even from himself—which means she’s off-limits. Only he hadn’t counted on being the target of Melodie’s irresistible sensual assaults. Nor had he planned to lose his hardened heart in the battle . . .

It’s All About Who You Hire, How They Lead...and Other Essential Advice from a Self-Made Leader Jan 08 2021 American business leader, entrepreneur, and noted philanthropist Morton Mandel shares lessons he gleaned from co-founding and leading, along with his brothers Jack and Joe, Premier Industrial Corporation, a major industrial parts and electronic components manufacturer and distributor. Now for readers everywhere who are interested in studying leadership development, *It’s All About Who* describes Mandel’s approach to finding, recruiting and cultivating “A” players. In his book, Mandel shares his fine-tuned set of practices to develop leaders that have proven to deliver dramatically better results. Containing sixteen core sections, “*It’s All About Who*” covers key strategic topics from “Building a Rich, Deep, and Ethical Culture” to “Killing Yourself for Your Customer” to “Using Business Ideas in the Social Sector.” What makes Mandel unique is his selflessness in pursuing a life of purpose. Mandel has lived in two worlds: the world of profit and the world of social impact. Even as chairman and CEO of a New York Stock Exchange company for more than three decades, he spent as much as a third of his time in the social sector. Mandel has personally founded more than a dozen non-profit organizations. His deep-seated passion is evident in the mission of his Foundation: “To

invest in people with the values, ability and passion to change the world.”

God Made All of Me Dec 31 2022 *God Made All of Me* by Justin and Lindsey Holcomb is an invaluable resource and beautifully illustrated story to help families talk about sensitive issues with two- to eight-year-old children. Because the private parts of our bodies are private, home is the ideal environment for a child to learn about his or her body and how it should be treated by others—without conveying a message of shame. Through carefully written language and relatable storytelling, *God Made All of Me* helps parents navigate discussion that can so easily be warped into confusion, embarrassment, and secrecy. Instead of instilling a message that their bodies are shameful—which can often prevent children from recognizing and reporting sexual abuse—Justin and Lindsey Holcomb equip parents to build a first line of defense against sexual abuse in the safety of their own homes. This helpful guide starts from the fundamental truth that God created everything and applies that truth—the doctrine of creation—to kids and their bodies. With the help of *God Made All of Me*, parents and caregivers can begin conversations with boys and girls about their bodies, helping kids understand the difference between the appropriate and inappropriate touch of others. This life-changing resource shows readers how to establish the foundation for a healthy bond with their children to meet increasing challenges of sexuality, which they will inevitably confront in childhood and adolescence. By teaching their children how to establish body and health boundaries, parents are imparting invaluable skills for their kids to express thoughts and feelings. *God Made All of Me* is the first children’s book written by Rid of My Disgrace authors, Justin and Lindsey Holcomb. Parents of young children themselves, the Holcombs are profoundly aware of the dangers kids face, and they regularly counsel victims of sexual abuse. Explore *God Made All of Me* and find encouragement, clear guidance, and the tools necessary to facilitate open conversations about how your children can protect their bodies, an important step in keeping them as safe as possible.

God Made All Your Feelings Sep 27 2022 God made me and God made you. God made our minds and our feelings, too! We all have lots and lots of feelings. For young children, feelings can be overwhelming and difficult to manage. This sweet picture book explores the wide variety of emotions kids experience--happiness, sadness, anger, fear, and others--and gently reassures them that it is okay to feel these feelings and that God is with us through all the ups and downs. The book affirms young children with the message that all our emotions help us grow and that no matter how we are feeling, God loves us.

The Fourth Industrial Revolution Oct 05 2020 The founder and executive chairman of the World Economic Forum on how the impending technological revolution will change our lives We are on the brink of the Fourth Industrial Revolution. And this one will be unlike any other in human history. Characterized by new technologies fusing the physical, digital and biological worlds, the Fourth Industrial Revolution will impact all disciplines, economies and industries - and it will do so at an unprecedented rate. World Economic Forum data predicts that by 2025 we will see: commercial use of nanomaterials 200 times stronger than steel and a million times thinner than

human hair; the first transplant of a 3D-printed liver; 10% of all cars on US roads being driverless; and much more besides. In *The Fourth Industrial Revolution*, Schwab outlines the key technologies driving this revolution, discusses the major impacts on governments, businesses, civil society and individuals, and offers bold ideas for what can be done to shape a better future for all.

The Little Book of Stock Market Profits Aug 27 2022 A timely guide to making the best investment strategies even better A wide variety of strategies have been identified over the years, which purportedly outperform the stock market. Some of these include buying undervalued stocks while others rely on technical analysis techniques. It's fair to say no one method is fool proof and most go through both up and down periods. The challenge for an investor is picking the right method at the right time. *The Little Book of Stock Market Profits* shows you how to achieve this elusive goal and make the most of your time in today's markets. Written by Mitch Zacks, Senior Portfolio Manager of Zacks Investment Management, this latest title in the Little Book series reveals stock market strategies that really work and then shows you how they can be made even better. It skillfully highlights earnings-based investing strategies, the hallmark of the Zacks process, but it also identifies strategies based on valuations, seasonal patterns and price momentum. Specifically, the book: Identifies stock market investment strategies that work, those that don't, and what it takes for an individual investor to truly succeed in today's dynamic market Discusses how the performance of each strategy examined can be improved by combining into them into a multifactor approach Gives investors a clear path to integrating the best investment strategies of all time into their own personal portfolio Investing can be difficult, but with the right strategies you can improve your overall performance. *The Little book of Stock Market Profits* will show you how.

All Things Made New Dec 19 2021 A brilliant kaleidoscope on the Reformation from its leading scholar and 'one of the best historians writing in English today' (Sunday Telegraph) The Reformation which engulfed England and Europe in the sixteenth century was one of the most highly-charged, bloody and transformative periods in their history. Ever since, it has remained one of the most contested. Diarmaid MacCulloch is one of the leading British historians of this turbulent and endlessly fascinating era. Many essays in this volume expand upon his now classic *Reformation: Europe's House Divided*, tracing, for example, the evolution of the English Prayer Book and Bible or reassessing the impact of the Reformation on Catholicism. Henry VIII and his archbishop, Thomas Cranmer, are both central presences, and MacCulloch swiftly dispatches some of the received wisdom about them. Throughout the book, he brilliantly undermines one persistent English tradition of interpreting the Reformation - that it never really happened - and establishes that Anglicanism was really a product of Charles II's Restoration in 1660 rather than the 'Elizabethan Settlement' of 1559. The inexhaustible variety of the Reformation is seen in a

delightful mix of writings on angels, Protestant opinions about the Virgin Mary and such diverse personalities as William Byrd, John Calvin and the extraordinary seventeenth-century forger Robert Ware, some of whose malicious fantasies have polluted parts of Reformation history ever since. *All Things Made New* shows Diarmaid MacCulloch at his best - learned, far-seeing, sometimes subversive, and often witty. At the end of his essay on the great Elizabethan divine Richard Hooker, he writes 'The disputes which currently wrack Western Christianity are superficially about sexuality, social conduct or leadership style: at root, they are about what constitutes authority for Christians. The contest for the soul of the Church in the West rages around the question as to how a scripture claiming divine revelation relates to those other perennial sources of human revelation, personal and collective consciousness and memory; whether, indeed, there can be any relationship between the two.' There is much wisdom, as well as much enjoyment, in this book.

We Are All Made of Stars Mar 29 2020 "Fans of Jojo Moyes will love *We Are All Made of Stars*" (Good Housekeeping). "A beautiful web of a book" (Jodi Picoult), this life-affirming novel tells an unforgettable story about second chances, the power of words, and the resilience of the heart. A dedicated nurse, Stella finds comfort at the hospice where she works the late shift, especially since her husband returned from Afghanistan—cold, distant, and shattered by painful memories he refuses to share. The hospice at night is another world, where the dying receive closure by creating the letters that Stella helps them write. The pages are filled with love and humor, sometimes regret, and, occasionally, even instructions for a perplexed husband on how to run appliances. There's one rule: The letters are mailed only after the patient has passed. Suddenly Stella is faced with a dilemma: A woman under her care, Grace, has written a confession to the son she abandoned many years before. The letter clearly needs to be read before Grace dies. But if Stella mails it now, she breaks the rule—and risks tampering not only with Grace's wishes but also with fate. Navigating passion and grief, loyalty and loss, and a marriage threatened by silence and secrets, Stella discovers that letters hold a special power: granting solace, saving memories, nurturing relationships. As the words endure, love redeems. Praise for *We Are All Made of Stars* "A beautiful web of a book that reminds us of how we are all connected, and how to die—and live—without regrets. Is that a tear in my eye? No, that's a tear in your eye."—Jodi Picoult, New York Times bestselling author of *Leaving Time* and *The Storyteller* "We Are All Made of Stars will break your heart and put the pieces back together—fans of Jojo Moyes's *Me Before You*, this one is right up your alley."—Refinery29 "Coleman uses several voices and perspectives to turn a potentially dark story into one filled with light. Fans of Jojo Moyes will love this beautifully written, deeply engaging novel that understands death and celebrates life." —Booklist (starred review) "A powerful, emotional read."—RT Reviews "Fans of Jojo Moyes will love *We Are All Made of Stars*."—Good Housekeeping "Coleman has written a poignant story that examines the value of life, love, and forgiveness. . . . A tear-jerking but ultimately uplifting story."—Kirkus Reviews

We Are All Made of Glue Nov 17 2021 *We Are All Made of Glue* is the wickedly funny third novel from bestselling author Marina Lewycka. Georgie Sinclair's life is coming unstuck. Her husband's left her. Her son's obsessed with the End of the World. And now her elderly neighbour Mrs Shapiro has decided they are related. Or so the hospital informs her when Mrs Shapiro has an accident and names Georgie next of kin. This, however, is not a case of a quick ward visit: Mrs Shapiro has a large rickety house full of stinky cats that needs looking after and that a pair of estate agents seem intent on swindling from her. Plus there are the 'Uselesses' trying to repair it (uselessly). Then there's social worker who wants to put her in a nursing home. Not to mention some letters that point to a mysterious, painful past. As Georgie tries her best to put Mrs Shapiro's life back together somehow she much stop her own from falling apart. . . 'Vibrant dialogue, a family meltdown, a clash of cultures and a wonderful cast of expertly observed characters. Pure laugh-out-loud social comedy' Daily Mail 'Excellent, irresistible' Scotland on Sunday 'Hilarious. A big-hearted confection of the comic and the poignant' Literary Review 'A big, bustling novel, told with enthusiasm by a narrator who is warm, winningly disaster-prone and, crucially, believable' Spectator Bestselling author Marina Lewycka has received great critical acclaim since the publication of her hilarious first novel *A Short History of Tractors in Ukrainian* in 2005, which was the winner of the Bollinger Everyman Prize for Comic Fiction 2005, winner of the Saga Award for Wit 2005, shortlisted for the Orange Prize for Fiction 2005 and longlisted for the Booker prize 2005. The Lord God Made Them All Jan 26 2020 The fourth volume of memoirs from the author who inspired the BBC and Channel 5 series All Creatures Great and Small. Finally home from London after his wartime service in the RAF, James Herriot is settling back into life as a country vet. While the world has changed after the war, the blunt Yorkshire clients and menagerie of beasts with weird and wonderful ailments remain the same. But between his young son, Jimmy, trailing him around copying his every move, stubborn farmers refusing to try his 'new-fangled' treatments and a goat that has eaten 293 tomatoes, Darrowby is far from quiet. And with another baby on the way, life is about to get even more chaotic . . . Since they were first published, James Herriot's memoirs have sold millions of copies and entranced generations of animal lovers. Charming, funny and touching, The Lord God Made Them All is a heart-warming story of determination, love and companionship from one of Britain's best-loved authors. 'I grew up reading James Herriot's books and I'm delighted that thirty years on, they are still every bit as charming, heartwarming and laugh-out-loud funny as they were then.' - Kate Humble
