**Nine Months** Dec 23 2021 36 Hours Serial As a devastating summer storm hits Grand Springs, Colorado, the next thirty-six hours will change the town and its residents forever.... **Nine Months Part 1** Sex with a stranger isn't what Paige Summers expected when she was trapped in an elevator with hot cowboy Jared Montgomery, but he unleashed her wild side. It all seemed like a great adventure. Until she reported to her new boss, J. L. Montgomery—her elevator cowboy in a suit and tie! Jared is on the fast track to success. He'll need a wife, but his adorable redheaded assistant is more bedroom than boardroom. Still, he can't get her, and the stormy night they shared together, out of his mind. When Jared overhears Paige telling a friend she's pregnant, he wants to do the right thing. But Paige isn't willing to settle. Marriage means love—and until that's on the table, there's no deal. The story continues in **Nine Months Parts 2 and 3.**

**Chrysler TorqueFlite A-904 & A-727** Feb 10 2021 The A-904 and A-727, debuting in 1960 and 1962, respectively, are 3-speed automatic Chrysler TorqueFlite Transmissions. In Mopar circles, they have become synonymous with strength, durability, and performance. In fact, 43 years after its first application, A-904s were still found in the Jeep lineup! TorqueFlites are known for their dependability, but many have endured a tremendous amount of abuse over 50-plus years when hooked up to V-8 Mopar powerplants. There is little doubt that some of these automatics

could be prone to failure, or at least need a thorough rebuild. Tom Hand shares his decades of experience rebuilding TorqueFlite transmissions with chapters dedicated to troubleshooting, disassembly and reassembly, performance modifications, post-installation procedures, and the most thorough source guide offered in print, ever. The author walks you through the TorqueFlite rebuild with color photos showcasing step-by-step procedures with highly detailed, easy-to-follow text. This book will keep money in your pocket and add experience to your résumé, but more important, it will help you get your Mopar back on the road! p.p1 {margin: 0.0px 0.0px 0.0px 0.0px; font: 12.0px Arial}

**Citroen Xsara** Jun 28 2022 Hatchback, Estate & Coupe, inc. special/limited editions. Does NOT cover 2.0i 16-valve VTS Coupe, Picasso, or facelifted range introduced October 2000. This is a handy, low-cost publication that will be invaluable to all new riders.

*Painting the Digital River* Aug 26 2019 "This book is as much about painting as it is about the digital world. But beyond both it's really about visual intelligence. What makes it a joy to read is the lovely match between Faure Walker's subject and his style of writing: apparently artless, just making itself up as it goes along, but actually always with a witty spring, and never slack." -- MATTHEW COLLINGS, artist, critic, author, and television host "As a painter himself, James Faure Walker opens up a provocative dialogue between painting and digital computing that is essential reading for all painters interested in new technologies." - IRVING SANDLER, author, critic, and art historian "Faure Walker has a distinguished background as both a painter and digital artist. He is an early adopter of digital technology in this regard, so has lived the history of the ever-accelerating embrace of the digital. On top of this, he is a good storyteller and a clear writer who avoids the pitfalls of pretentious art-world jargon." -- LANE HALL, digital artist and professor "Using a wide stream of fresh water as a metaphor, Faure Walker depicts a flow of ideas, concepts, and solutions that result in digital art. All the core elements of an art-style-in-making are here: ties with mainstream and traditional art, stages of technological progress, and reflections on the bright and varied personalities of digital artists. With a personal approach, Faure Walker presents vibrant, exciting, emotionally overpowering art works and describes them with empathy and imagination. This entertaining, sensitive, and observant book itself flows like a river." -- ANNA URSYN, digital artist and professor "Something like this book is overdue. I am not aware of any comparable work. Lots of 'how to do,' but nothing raising so many interesting and critical questions." -- HANS DEHLINGER, digital artist and professor "Here is the intimate narrative of a passionate yet skeptical explorer who unflinchingly records his artistic discoveries and personal reflections.

Faure Walker's decades of experience as a practicing painter, art critic, and educator shine through on every page. The book is an essential resource for anyone interested in digital visual culture." -- ANNE MORGAN SPALTER, digital artist, author, and visual computing researcher This book is about art, written from an artist's point of view. It also is about computers, written from the perspective of a painter who uses them. *Painting the Digital River* is James Faure Walker's personal odyssey from the traditional art scene to fresh horizons, from hand to digital painting--and sometimes back again. It is a literate and witty attempt to make sense of the introduction of computer tools into the creation of art, to understand the issues and the fuss, to appreciate the people involved and the work they produce, to know the promise of the new media, as well as the risks. Following his own winding path, Faure Walker tells of learning to paint with the computer, of misunderstandings across the art and science divide, of software limitations, of conversations between the mainstream and digital art worlds, of emerging genres of digital painting, of the medieval digital, of a different role for drawing. As a painter and computer enthusiast, the author recognizes the marvels of digital paint as well as anyone. But he also challenges the assumption that digital somehow means different. The questions he raises matter to artists of every background, style, and disposition, and the answers should reward anyone seeking insight into contemporary art.

**Citroën C4 Petrol and Diesel (04-10) 54 to 60** Feb 22 2022 This title covers Citroen C4 hatchback and coupe models from 2004 to 2010."
