**The Hollywood Commandments** Mar 03 2020 DeVon Franklin, New York Times bestselling author of *The Wait* and prominent Hollywood producer, reveals that secular and spiritual success are not opposites. To have one, you need the other. Are you tired of living a life paralyzed by fear? Are you anxious to break free of the “beware mentality” that has kept generations of well-meaning people living beneath the fullness of their calling? You’re unfulfilled because you’ve been convinced that you would lose your faith if you pursued the secular ambitions God has put in your heart. However, until you pursue those ambitions you will miss out on the fullness of God and the success you were created to have. For too long there’s been a line drawn between the spiritual and the secular, and we have been conditioned to believe that if we cross this line in either direction, we will have gone too far. It’s time to break down this barrier so you are free to go further than any believer has gone before. **The Success Commandments** combines spiritual teachings with secular strategies to help you achieve unprecedented success and live the life you were destined to live.

**The Truth about Men Will Set You Free** Apr 15 2021 (Hardback) Women who are looking to improve their dating experience. More effective dating happens by accepting, versus ignoring, our evolutionary design. Understanding our brain wiring and body reaction differences with men explains a lot. **The Truth about Cheating** Apr 03 2020 The New York Times bestselling look at the real reasons for male marital infidelity and what might prevent it Few events cause as much turmoil in a marriage as infidelity. It can shatter trust and breed insecurity and resentment from which some relationships never recover. People who think it won't happen to them are hit that much harder when it does. Why are men unfaithful? Can infidelity be prevented? What do men say they're getting from their mistresses that they're missing at home? Do a man's friends have anything to do with his willingness to cheat? In this New York Times bestselling book, experienced family counselor M. Gary Neuman shares the revealing and surprising findings of a cutting-edge research study in which he interviewed men across the country who have physically cheated on their wives. Neuman shares many shocking discoveries, including the prominent role of emotional dissatisfaction in motivating husbands who stray and how small a role sexual dissatisfaction plays. Based on a groundbreaking study of both cheating men and men who have remained faithful Reveals surprising findings on the contribution of sexual and emotional dissatisfaction to male infidelity Written by experienced family counselor M. Gary Neuman, coauthor of *In Good Times and Bad* and author of *Emotional Infidelity* Neuman and *The Truth about Cheating* were featured twice on *The Oprah Winfrey Show* Drawing on dramatic case stories of the author's own work with clients, *The Truth about Cheating* includes proactive strategies and action steps for married women to help them prevent infidelity and create a faithful and rewarding marriage.

**The Truth About Men** Dec 04 2022 The New York Times bestselling author of *The Wait* and “spiritual teacher for our times” (Oprah Winfrey) frankly and openly explores why men behave the way they do and what everyone—men and women alike—need to know about it. We hear it all the time. Men cheat. Men love power. Men love sex. Men are greedy. Men are dogs. But is this really the truth about men? In this groundbreaking book, DeVon Franklin dishes the real truth by making the compelling case that men aren’t dogs but all men share the same struggle. He provides the manual for how men can change, both on a personal and a societal level by providing practical solutions for helping men learn how to resist temptation, how to practice self-control, and how to love. But *The Truth About Men* isn’t just for men. DeVon tells female readers everything they need to know about men. He offers women a real-time understanding of how men’s struggles affect them, insights that can help them navigate their relationships with men and information on how to heal from the damage that some misbehaving men may have inflicted. This book is a raw, informative, and accessible look at an issue that threatens to tear our society apart yet it offers a positive way forward for men and women alike.

*Why Men Fake It* Nov 22 2021 Harvard Professor Abraham Morgentaler, MD, offers a rare view into the secret world of his patients, providing a startling new perspective on men, sex, and relationships What really drives men to do what they do? Why Men Fake It uses the real-life stories of Dr. Morgentaler's patients to let us in on the secrets of men and to examine the current state of male sexuality in science and medicine as well as in relationships and popular culture. In this frank and open discussion of the subject, Dr. Morgentaler will make men and women alike question what we think we know about gender, motivation, sexuality, relationships, and, ultimately, the definition of a "man." From the biology and science behind the "Bionic Penis," to the psychology behind men faking orgasms, Why Men Fake It will change the conversation about male sexual health, and will introduce the world to sex and relationships from a new point of view. Dr. Morgentaler's exploration of male sexuality, from the Masters and Johnson era through the introduction of Viagra, Feminism and the internet, provides the basis for his provocative and revolutionary ideas regarding men and sex- a topic that, until now, has been either sensationalized or stereotyped by the media—to give us the definitive guide to men, as we've never seen them before. From these stories you will gain a surprising perspective on the minds and motivations of men: committed, caring, loving and sometimes clumsy individuals doing their best to be great partners in their relationships.

**Men Who Hate Women** Dec 24 2021 The extremism nobody talks about And how it affects us all ‘Laura Bates has done it again. From bantz to outright brutality, she exposes the landscape of misogyny. Passionate and forensic, Bates produces a powerful feminist clarion call. The world needs to take notice. Things must change.’ Anita Anand ‘Fascinating, mind-blowing and deeply intelligent book that should be recommended reading for every person on our planet.’ Scarlett Curtis ‘In *Men Who Hate Women*, Laura Bates offers the alternative red pill to those who favour love, logic and humanity over debilitating hate.’ Shami Chakrabarti? ‘A book of courage and tenacity.’ Robin Ince ‘This is how change is made: by looking at uncomfortable things directly in the eye and not turning away. This book is a rallying cry to end suffering, for both women AND men.’ Emma Gannon ‘*Men Who Hate Women* has the power to spark social change.’ Sunday Times Imagine a world in which a vast network of incels and other misogynists are able to operate, virtually undetected. These extremists commit deliberate terrorist acts against women. Vulnerable teenage boys are groomed and radicalised. You don't have to imagine that world. You already live in it. Perhaps you didn't know, because we don't like to talk about it. But it's time we start. In this urgent and groundbreaking book, Laura Bates, bestselling author and founder of *The Everyday Sexism Project*, goes undercover to expose vast misogynist networks and communities. It's a deep dive into the worldwide extremism nobody talks about. Interviews with former members of these groups and the people fighting against them gives unique insights on how this movement operates. Ideas are spread from the darkest corners of the internet – via trolls, media and celebrities – to schools, workplaces and the corridors of power, becoming a part of our collective consciousness. Uncensored, and sometimes both shocking and terrifying – this is the uncomfortable truth about the world we live in. And what we must do to change it. Laura's next book, *Isolated Incidents* (And other lies that shape women's lives) will be published in spring 2022.

Open this book and learn how to get away with Pu\$\$y Power at a level never before seen and change your life.

**The Good Guy, the Bad Guy, and the Ugly Truth** Nov 10 2020 *The Good Guy, the Bad Guy, and the Ugly Truth*, looks at the fact that when a man or woman is in more than one unhealthy relationship, be it physical, verbal or emotional abuse that comes to be seen as normal. While the person may state that they desire a healthy and loving relationship they tend to reject those potential partners where a healthy relationship is possible and tend to accept those partners who treat them poorly as that is what they understand. Two reasons exist for this 1. they have come to believe that the "good guy" (or girl) is an act and when the truly good person doesn't change into the "bad guy" or girl they feel they are still experiencing the act. 2. They have a damaged self esteem and self-worth and feel as though they don't deserve better and this leads to them rejecting the person. Generally it is a combination of the two. The book examines this idea and explains it in an easy to read way without losing therapeutic value. After the subjects and ideas have been explained there are multiple self-designed exercises which are intended to help the person examine him or herself as well as their past relationships and what they truly want. They include things like the person's strengths, their weaknesses, guilt, and resentments, accountability of self and other and many more. The last section of the book talks about how a healthy relationship should exist as far as communication, sharing, time apart, respect, sexuality, and other aspects. The book is designed not only for those who have been through unhealthy relationship, but also those who have been effected by attempting to or being in a relationship with those who had unhealthy relationships. The exercises work for both men and women no matter which side they were on as well as individuals of any sexual orientation.

**Women Are Crazy, Men Are Stupid** Jan 25 2022 Provides lighthearted insights into gender dynamics as presented by a pair of sitcom writers who explain that dysfunctional behavior is often due to interactions between men and women rather than their separate characteristics, in a guide that shares playful and real-world advice.

**What Men Don't Want Women To Know** Mar 15 2021 If you are a woman who doesn't want to know the truth about the men in your life, then put this book down immediately. Don't even think of reading further. But if you are a woman who believes that knowledge is power, that to be forewarned is to be forearmed, then Smith and Doe are here to give you an unvarnished, no-holds-barred, unadulterated first-time look into the mind of male animal. You will learn about their sexual fantasies (the real ones), the secrets they keep, and the lies they tell when it comes to sex, love, and fidelity, and what they will and will not do to hole on to the women in their lives. But take heed. As Smith and Doe reveal: "Our sexual fantasies are everything you pray they are not. Our deepest desires are darker than your darkest fears. Our wet dreams are your worst nightmares." This is the book men pray women won't read.

**Of Beards and Men** Feb 11 2021 Beards—they're all the rage these days. Take a look around: from hip urbanites to rustic outdoorsmen, well-groomed metrosexuals to post-season hockey players, facial hair is everywhere. The New York Times traces this hairy trend to Big Apple hipsters circa 2005 and reports that today some New Yorkers pay thousands of dollars for facial hair transplants to disguise patchy, juvenile beards. And in 2014, blogger Nicki Daniels excoriated bearded hipsters for turning a symbol of manliness and power into a flimsy fashion statement. The beard, she said, has turned into the padded bra of masculinity. *Of Beards and Men* makes the case that today's bearded renaissance is part of a centuries-long cycle in which facial hairstyles have varied in response to changing ideals of masculinity. Christopher Oldstone-Moore explains that the clean-shaven face has been the default style throughout Western history—see Alexander the Great's beardless face, for example, as the Greek heroic ideal. But the primacy of razors has been challenged over the years by four great bearded movements, beginning with Hadrian in the second century and stretching to today's bristled resurgence. The clean-shaven face today, Oldstone-Moore says, has come to signify a virtuous and sociable man, whereas the beard marks someone as self-reliant and unconventional. History, then, has established specific meanings for facial hair, which both inspire and constrain a man's choices in how he presents himself to the world. This fascinating and erudite history of facial hair cracks the masculine hair code, shedding light on the choices men make as they shape the hair on their faces. Oldstone-Moore adeptly lays to rest common misperceptions about beards and vividly illustrates the connection between grooming, identity, culture, and masculinity. To a surprising degree, we find, the history of men is written on their faces.

**The Doctrines of Men - A Terrible Truth** Dec 12 2020 *The Doctrines of Men* is an in-depth look into the long ignored, but truly amazing realities, of the Bible. The hidden history of the Bible and the man-made foundations of the churches that claim its authority are revealed. The contradictions in the doctrines and practices presented by those churches are exposed by simple comparison to scripture. The wondrous and incredible gospel Jesus brought to the world is presented in way never before considered, and the promise of mankind's ultimate destiny unfolds with biblical clarity. Hundreds of verses, comprising the most extensive collection ever assembled and documented, reveal the unimaginable concepts veiled by the greatest deception in human history. If you do believe in the Bible, you will be amazed by what has been hidden from you. If you do not believe in the Bible, you will learn it is not the book you think it is.

**Why Men Earn More** Jul 19 2021 What are the real reasons women earn less than men? What can they do about it? Find out in a new expos(r) from the bestselling author of "The Myth of Male Power."

**The Truth About Men** Jun 29 2022 What do men really want? Wouldn't you like to know? Anyone in a relationship with a man has spent time wondering what things "mean". Men can be confusing. What are they thinking about? Do they mean what they say? And what are they not saying? Is it good that he called instead of texting? What does it mean that he introduced me to his sister but not his mother or his best friend? Why hasn't he said anything about my birthday yet when it's two weeks from now? Finally, a man who understands has written a book to decode men for you. It lets you into a man's brain and gives advice you can use today to make your relationship better tomorrow. Smith's fascinating, sometimes surprising topics include: --The Subtle Art of Hooking Us (men really do want to be in committed relationships, even if they don't always show it) --Beauty Matters (but beauty may not be exactly what you think it is) --Beware of Titles (why you shouldn't label yourself his "girlfriend" until certain conditions are met) --Sex is More Powerful than an AK-47 (but it doesn't always have to be a home run) --Mean What You Say (and why sex lies are always--always--a bad idea) Any man who picks up *The Truth About Men* will nod in agreement, and any woman who puts its insights into practice will have an instantly happier mate and a stronger, longer relationship.

**The Truth** Aug 27 2019 NO MORE GAMES. IT'S TIME FOR THE TRUTH. Neil Strauss made a name for himself advocating freedom, sex and opportunity as the author of *The Game*. Then he met the woman who forced him to question everything. Neil's search for answers took him from Viagra-laden free-love orgies to sex addiction clinics, from cutting-edge science labs to modern-day harems, and, most terrifying of all, to his own mother. What he discovered changed everything he knew about love, sex, relationships and, ultimately, himself. *The Truth* may have the same effect on you.

**Money Men** May 17 2021 "The financial investigation of the decade... Money Men instantly enters the canon of great financial crime books' Bradley Hope, author of *The Billion Dollar Whale* 'A rip-roaring ride into the underworld of the global economy'

Tom Burgis, author of *Kleptopia* 'Required reading' *The Economist* 'A cross between the Enron scandal and Rosemary's Baby' John Lanchester, *London Review of Books* 'Reads like a crime drama' *New Statesman* 'The culmination of years of careful investigative work... Gripping' *Evening Standard* 'A thrilling, head-spinning book' *Irish Times* 'A rollercoaster read that reveals everything that's wrong with our financial system' Catherine Belton *Now* adapted as the Netflix documentary *Skandal!*, this is the stranger-than-fiction story of Wirecard, once a \$30 billion tech darling, now a smouldering wreck, by the journalist who brought it crashing down - perfect for those who loved *Bad Blood* and *Empire of Pain*. When journalist Dan McCrum followed a tip to investigate the hot new tech company challenging Silicon Valley, everything about Wirecard looked a little too good to be true: offices were sprouting up around the world, it was reporting runaway growth and the CEO even wore a black turtleneck in tribute to Steve Jobs. In the space of a few short years, the company had come from nowhere to overtake industry giants like Commerzbank and Deutsche Bank on the stock market. As McCrum dug deeper, he encountered a story stranger and more dangerous than he ever imagined: a world of short sellers and whistleblowers, pornographers and private militias, hackers and spies. Before long he realised that he wasn't the only one in pursuit. Shadowy figures were following him through the streets of London, high-flying lawyers were sending ominous letters to his boss, and he was named as the prime suspect in a criminal inquiry. The race was on to prove his suspicions and clear his name. *Money Men* is the astonishing true story of Wirecard's multi-billion-dollar fraud, Europe's biggest new tech darling revealed as a house of cards. Uncovering fake bank accounts, fake offices and possibly even a fake death, McCrum offers a searing exposé that will finally lay bare the truth.

**Lies Men Believe** Jul 31 2022 "If there ever was such a thing as a 'shortcut' to the wisdom of the ages, you're holding it in your hands. This is the kind of wisdom that can only be earned over a lifetime of trial and error, trial and error, and, finally, trial and success." -Patrick Morley Author, *The Man in the Mirror* "In 2001, I wrote a book called *Lies Women Believe*. Since then this message has reached millions of women and been translated into dozens of languages. But I've often been asked about a 'male counterpart' to the book. When God brought Robert into my life in 2015, I soon realized he was the ideal choice to pen this message for men. You'll find that reading *Lies Men Believe*, with its warm, relatable style, is like having a conversation with a good friend. Be prepared, in the process, to grapple with some tough issues. And be prepared to experience the liberating power of the Truth—in your own life, and in the lives of those you influence." -Nancy DeMoss Wolgemuth *Revive Our Hearts* Teacher & Host; *Lies Books* Series Editor You are being hunted. Like a seasoned angler, our enemy opens his tackle box and selects the lure most likely to attract his intended prey—usually the one you and I are least likely to consider harmful. Each lie we bite on causes us to feel pain, lose or injure relationships, and miss out on the abundant life that God wants us to have. *Lies Men Believe* exposes the lies that men most commonly believe, and shows you how to combat those lies with the truth. Lies like: Pleasure and Entertainment Can Truly Satisfy Me If I Mean Well, That's Good Enough If I Discipline My Children, They'll Rebel. I'm Measured by How I Compare with Other Men. Find out how lies are holding you back from freedom, joy, and intimacy with God and others. Discover the power of the truth. Because once you fully embrace the truth, nothing is ever the same.

*Quiet Desperation* Aug 08 2020 This highly acclaimed book explodes the myths we have about men and success and shows what it really takes to succeed--both professionally and personally. An honest book, with fresh insights into today's successful men.--Kirkus Reviews.

*Cold Hard Truth On Men, Women, and Money* Oct 02 2022 The star of ABC's *Shark Tank* presents a foolproof financial guide that will help readers make solid financial decisions at any age or stage of life. Reprint.

**Cheap Sex** Oct 29 2019 Sex is cheap. Coupled sexual activity has become more widely available than ever. Cheap sex has been made possible by two technologies that have little to do with each other - the Pill and high-quality pornography - and its distribution made more efficient by a third technological innovation, online dating. Together, they drive down the cost of real sex, and in turn slow the development of love, make fidelity more challenging, sexual malleability more common, and have even taken a toll on men's marriageability. *Cheap Sex* takes readers on an extended tour inside the American mating market, and highlights key patterns that characterize young adults' experience today, including the timing of first sex in relationships, overlapping partners, frustrating returns on their relational investments, and a failure to link future goals like marriage with how they navigate their current relationships. Drawing upon several large nationally-representative surveys, in-person interviews with 100 men and women, and the assertions of scholars ranging from evolutionary psychologists to gender theorists, what emerges is a story about social change, technological breakthroughs, and unintended consequences. Men and women have not fundamentally changed, but their unions have. No longer playing a supporting role in relationships, sex has emerged as a central priority in relationship development and continuation. But unravel the layers, and it is obvious that the emergence of "industrial sex" is far more a reflection of men's interests than women's.

*The Naked Truth about Men (and Romance)* Apr 27 2022 From hormones to brain structure, women and men differ. The author explains how testosterone, lesser empathy, and being a "Systemizer" affect men in romances. A psychologist, Dr. Foster uses both composite stories from her practice and fascinating research findings to illustrate *The Naked Truth About Men*. Many women suffer silently in romances and women initiate two thirds of divorces. The book gives voice to why this is true and what you can do about it. One chapter is devoted to what a woman can actually and specifically expect from a man. This includes understanding his main source of connection, how he communicates for different reasons than she does, why conflict is threatening to him but not her, and how his personal growth will look different than hers. Finding a life partner is getting harder for women and the author tells why. Finally, Dr. Foster speaks of the emerging woman: how she'll restore balance to the work world, find fulfillment in friendships, is headed toward overcoming an aversion to risk taking, and will restore joyous sex. Women aren't done rustling the social order yet. As they come to terms with the truth about men and the dilemma female-male relationships pose, they are breaking away from former mores to find something new. This sea change will strike at the soul of romance and how females and males couple. Having female hormones and brain structure is about more than the capacity to supply breast milk. It's about values: tolerance, relationship closeness, being genuine, seeing the big picture, and nurturing everything from Planet Earth to a new style of politicking. The rise of the feminine will bring the values we need now. Men, by and large, did not fair well in the evolutionary machine, as they cut off from their relational and emotional selves through centuries of killing animals, the silent stocking of prey, and combat. But when a woman is asked to make a man her primary source of love, affection, and emotional intimacy, she has to figure out what to do. Never before have women been positioned to so radically change the world. It all begins with women's shifting their expectations of romance. *What Women Want* is the companion book especially for men and *When Your Relationship Changes* is the follow up to *The Naked Truth About Men*.

*10 Lies Men Believe* Jun 17 2021 *DIV 10 Lies Men Believe* is a compassionate but confrontational look at the reasons why so many Christian men today are in serious crisis. The author, who has spent eight years confronting the abuse of women in more than twenty countries, believes men are failing in marriage, fatherhood, friendships, and careers because of ten wrong mind-sets inherited from culture. With gut-level honesty, the author offers practical answers for men who struggle with a variety of issues, including addiction, abusive tendencies, pornography, controlling behavior, and emotional problems rooted in a lack of proper fathering. The book is also an excellent resource for women who are suffering because of mistreatment by the men in their lives. /div

*Cold Hard Truth* May 05 2020 Kevin O'Leary shares invaluable secrets on entrepreneurship, business, money and life. Can you make millions just by "visualizing yourself rich" as some business prophets suggest? Don't buy it, says Kevin O'Leary. If you want to be a successful entrepreneur and amass wealth, you're going to have to work for it. But the good news is: with the right guidance, focus and perseverance, you can turn entrepreneurial vision into lucrative reality and have the personal freedom that only wealth can buy. Kevin O'Leary would know. The much-feared and revered *Dragon* on the immensely popular show *Dragons' Den* (and *Shark Tank* in the U.S.) started his company in his basement with a \$10,000 loan from his financially savvy mother. A few years later, Kevin sold that company for more than four billion dollars. In this compelling, candid and, above all else, brutally honest business memoir, Kevin provides engaging, practical advice and lessons that will give anyone a distinct competitive edge.

**Ain't I A Woman?** Oct 10 2020 'I am a woman's rights. I have plowed and reaped and husked and chopped and mowed, and can any man do more than that? I am as strong as any man that is now' A former slave and one of the most powerful orators of her time, Sojourner Truth fought for the equal rights of Black women throughout her life. This selection of her impassioned speeches is accompanied by the words of other inspiring African-American female campaigners from the nineteenth century. One of twenty new books in the bestselling Penguin Great Ideas series. This new selection showcases a diverse list of thinkers who have helped shape our world today, from anarchists to stoics, feminists to prophets, satirists to Zen Buddhists.

**The Truth About Feminism** Feb 23 2022 This book rejects Greer, Friedan, Mead, Freud; examines the way social engineers and manipulators have produced unhappy women, hurting men, lost teenagers; reveals the nature of women; explores the nature of men; and champions a new marriage contract and a new life pattern.

**Beasts of Prey** Jan 01 2020 "Beasts of Prey" asserts that men cannot be bound in lengthy relationships for good without crossing the line from time to time. The writer refers to well established theories, social, and biological research on men's hormonal and psychological structures to show how men's inclination to have sex with multiple women outside their bonds is at the heart of the matter. "Beasts of Prey" delves into the basics of males' cheating habits, tactics and schemes, and their sexual, social and cultural monopoly in the world. Following history of relationships from ancient times to the Internet revolution of our postmodern generation, "Beasts of Prey" exposes the stereotypes that lurk beneath the surface of male manipulated societies and their cultural taboos.

**The Essential Difference** Jun 05 2020 We all know the opposite sex can be a baffling, even infuriating, species. Why do most men use the phone to exchange information rather than have a chat? Why do women love talking about relationships and feelings with their girlfriends while men seem drawn to computer games, new gadgets, or the latest sports scores? Does it really all just come down to our upbringing? In *The Essential Difference*, leading psychologist Simon Baron-Cohen confirms what most of us had suspected all along: that male and female brains are different. This groundbreaking and controversial study reveals the scientific evidence (present even in one-day-old babies) that proves that female-type brains are better at empathizing and communicating, while male brains are stronger at understanding and building systems-not just computers and machinery, but abstract systems such as politics and music. Most revolutionary of all, *The Essential Difference* also puts forward the compelling

new theory that autism (and its close relative, Asperger's Syndrome) is actually an example of the extreme male brain. His theory can explain why those who live with this condition are brilliant at analyzing the most complex systems yet cannot relate to the emotional lives of those with whom they live. Understanding our essential difference, Baron-Cohen concludes, may help us not only make sense of our partners' foibles, but also solve one of the most mysterious scientific riddles of our time.

**The Equality Illusion** Jan 13 2021 In *The Equality Illusion*, 'the most influential young feminist in the country' (Guardian) and UK Feminista founder Kat Banyard argues passionately and articulately that feminism continues to be one of the most urgent and relevant social justice campaigns today. Women have made huge strides in equality over the last century. And yet: Women working full-time in the UK are paid on average 17% less an hour than men 1 in 3 women worldwide has been beaten, coerced into sex, or otherwise abused because of her gender Of parliamentary seats across the globe only 15% are held by women and fewer than 20% of UK MPs are women 96% of executive directors of the UK's top hundred companies are men Structuring the book around a normal day, Banyard sets out the major issues for twenty-first century feminism, from work and education to sex, relationships and having children. She draws on her own campaigning experience as well as academic research and dozens of her own interviews. The book also includes information on how to get involved in grassroots action.

**The Truth about Alicia and Other Stories** Nov 30 2019 "The truth about Alicia was that she wasn't that stable to begin with. So when she did what she did, no one was very surprised. Still it was shocking, the way she followed them from the hardware store to the woman's house, the way she broke the sliding glass door with the tire jack, the way she found them in bed. It was more than she could take, her being seven months pregnant and all. It only took two shots. . . ." Alicia is not the only woman with problems. In these stories about contemporary and traditional Latinas, Ana Consuelo Matiella uses sensitivity and wit to address issues faced by women of color and women everywhere. Issues largely having to do with love: between men and women, mothers and daughters, women and friends. In engaging stories about family myths, gossip, and lies, comadres converse over afternoon caf  con leche. "I'm sure that I was the only wife whose husband was teaching their daughter to do Cheech Marin imitations," remarks one of Matiella's characters. Another sings the praises of the chocolate milkshake diet: "That's one advantage of living on the border. You get to try all the latest gringo inventions as soon as they hit the streets." Through encounters with angels, conversations with dogs, and relationships with men overly concerned with the dimensions of their manhood, Matiella offers a new exploration of the human condition. None showing us that if we cannot laugh at life, no matter how tragic the circumstances, we are surely doomed. With humor and insight that come only through close observation of her fellow human beings, this gifted writer brings new twists to familiar scenes. *The Truth about Alicia and Other Stories* is an authentic portrayal of the world of contemporary Chicanas that will delight everyone who enters it.

**She Reads Truth** Mar 27 2022 She wants faith, hope, and love. She wants help and healing. She wants to hear and be heard, to see and be seen. She wants things set right. She wants to know what is true—not partly true, or sometimes true, or almost true. She wants to see Truth itself, face-to-face. But here, now, these things are all cloudy. Hope is tinged with hurt. Faith is shaded by doubt. Lesser, broken things masquerade as love. How does she find something permanent when the world around her is always changing, when not even she can stay the same? And if she finds it, how does she hold on? *She Reads Truth* tells the stories of two women who discovered, through very different lives and circumstances, that only God and His Word remain unchanged as the world around them shifted and slipped away. Infused with biblical application and Scripture, this book is not just about two characters in two stories, but about one Hero and one Story. Every image points to the bigger picture—that God and His Word are true. Not because of anything we do, but because of who He is. Not once, not occasionally, but right now and all the time. Sometimes it takes everything moving to notice the thing that doesn't move. Sometimes it takes telling two very different stories to notice how the Truth was exactly the same in both of them. For anyone searching for a solid foundation to cling to, *She Reads Truth* is a rich and honest Bible-filled journey to finally find permanent in a world that's passing away.

**The Men Who Stare at Goats** Jul 07 2020 Bizarre military history: In 1979, a crack commando unit was established by the most gifted minds within the U.S. Army. Defying all known laws of physics and accepted military practice, they believed that a soldier could adopt the cloak of invisibility, pass cleanly through walls, and—perhaps most chillingly—kill goats just by staring at them. They were the First Earth Battalion, entrusted with defending America from all known adversaries. And they really weren't joking. What's more, they're back—and they're fighting the War on Terror. An uproarious exploration of American military paranoia: With investigations ranging from the mysterious "Goat Lab," to Uri Geller's covert psychic work with the CIA, to the increasingly bizarre role played by a succession of U.S. presidents, this might just be the funniest, most unsettling book you will ever read—if only because it is all true and is still happening today.

**The Truth About Men and Sex** Sep 01 2022 Do men actually fake orgasms? How? And why would they? At the heart of these questions lie provocative new insights into men, sex and relationships that defy society's accepted thinking. *The Truth About Men and Sex* changes the conversation about male sexual health, introducing the world to sex and relationships from a previously untold point of view.

**The Truth About Men** Jan 05 2023 The New York Times bestselling author of *The Wait* and "spiritual teacher for our times" (Oprah Winfrey) frankly and openly explores why men behave the way they do and what everyone—men and women alike—need to know about it. We hear it all the time. Men cheat. Men love power. Men love sex. Men are greedy. Men are dogs. But is this really the truth about men? In this groundbreaking book, DeVon Franklin dishes the real truth by making the compelling case that men aren't dogs but all men share the same struggle. He provides the manual for how men can change, both on a personal and a societal level by providing practical solutions for helping men learn how to resist temptation, how to practice self-control, and how to love. But *The Truth About Men* isn't just for men. DeVon tells female readers everything they need to know about men. He offers women a real-time understanding of how men's struggles affect them, insights that can help them navigate their relationships with men and information on how to heal from the damage that some misbehaving men may have inflicted. This book is a raw, informative, and accessible look at an issue that threatens to tear our society apart yet it offers a positive way forward for men and women alike.
