Constitution - All Sails Up and Flying Mar 09 2021 It was 1989 when I started building a large 114' = 1 foot scale model of Constitution and today, 16 years and 18,000 hours later, I honestly believe this is how she was rigged during her last chase, exactly one hour prior to her last battle against the British HMS Levant and HMS Cyane. I had already invested more than four thousand hours in the construction of this model, and had intended, upon completion of the hull, to proceed with the stepping of masts and rigging her just as I had done previously on other models. However, in February 1992, when Commander Martin presented me with an original typescript of Midshipman Edward Clifford Anderson's notes on the rigging of the ship in 1834-35 at Boston, the earliest such specific information known, I decided I would follow Midshipman Anderson's directions and record the progress, step by step, discovering for myself what was done and how. This meant creating additional scaled parts relating to sheer poles, etc. to simulate exactly how the masts and the bowsprit, etc. were stepped in this era, and for this reason. Due to the equipment available today, and rightfully so, I do not believe that Constitution, or any ship's from this era, will ever again be rigged, including the stepping of the masts, using sheer poles and tackle only, and so I chose, while this one and only opportunity lent itself, to show this pictorially.

Dead Boys Sep 22 2019 These hard-hitting, deeply felt stories follow straight arrows and outlaws, have-it-all and outcasts, as they take stock of their lives and missteps and struggle to rise above their turbulent pasts. A salesman re-examines his tenuous relationship with his sister after she is brutally attacked. A house painter plans a new life for his family as he plots his last bank robbery. A drifter gets a chance at love when he delivers news of a barfly's death to the man's estranged daughter. A dissatisfied yuppie is oddly evasive of his ex-con brother as they celebrate their first Christmas together. Set in a Los Angeles depicted with aching clarity, Lange's stories are gritty, and his characters often less than perfect. Beneath their macho bravado, however, they are full of heart and heartbeat.

The thoughts of my mind wander around and are put to paper. They come from a heart that has been trampled on and being released to a new beginning. There are adult descriptions and language. A Cry for Justice Aug 02 2020 Everyone has gone through life's struggles and triumphs. Being the eldest of four boys had a way of making me the leader in more ways than one. All the ventures I have encountered were of unselfishness and more of the need to be wanted. I made the best of all my encounters even though being the victim profoundly raised its head. The best thing you can do is keep moving forward and not to look back. This story of tragic and sometimes happy times will possibly be an answer to some that things do get better with persistence and loyalty to ones self-reliance. All things happen for a reason and I am here to let you know, everything eventually, will be okay.

A Statistical History of Rugby League - Nov 29 2022 The Greatest Game of All or Rugby League as it is known to some has given me nearly a half a century of pleasure and a little pain. In 1966 at the ripe old age of 6 I was introduced to our game when my Uncle Harry moved into the bedroom I shared with my younger brother in a 2 bedroom fibro joint in Rockdale(Dragon Territory). Harry was playing lower grades for Jack Gibsons Roosters and went on to play for St George in the 1971 Grand Final against my other front rower mate John Sattler and his Rabbits. By the age of 9 I had memorized every player in the Big League magazine. The game became my obsession. Even if I had not been lucky enough to play over 100 games in the best competition in the world(arguably in any sport) Rugby League was in my blood. As a Rothmans Medal winner (the official player of the year award in 1983 succeeded by The Dally M Medal) I have always been aware of the history of our great game and its effect on society especially in the northern states of Australia. Apart from obtaining a Law degree at Sydney University I studied the Politics in Sport while completing my Arts Degree at Macquarie University. I believed our game was ahead of sports like baseball, gridiron and basketball that relied heavily on statistics to rate their great players. Ours is a game of passion made for the blue collar working classman relying on guts and determination not on how many yards and minutes someone makes or plays. However as we get older we all like to dig deep into history and see who had the ability and drive to play even one game in the toughest competition playing the greatest game of all. This book does what none other has attempted to do tell a story using numbers and statistics about our great game. It is something every player and fan would do well to study. Stephen Kane the author of this book could be a reincarnation of Stephen Harold Gascoigne, better known as Yabba whose statue stands proudly at the Sydney Cricket Ground. Yabba was known for his knowledgeable witticisms shouted loudly from The Hill, a grassy general admissions area of the SCG. A lot like Yabba Kaney can be found every winter Sunday on the hill at Greenfield Park Albury(or away in Junee, Temora or Wagga) cheering his beloved Thunder to victory in the Group 9 Premiership loudly and clearly from 10 am to 5.30pm. In his spare time since breaking his back 7 years ago he has collected statistics on players in the NSWRL(now known as the NRL) dating back to 1908. The first words Kaney said to me was I have every Rugby League Week ever published as he showed me his EELS tattoo. You got sin binned once in your career at North Sydney Oval in 1983 or was it 1984? I knew I was in the company of a Rugby League tragic. This study of our game will help all of us who love the game and those of us lucky enough to have played it a better insight into the players of the greatest game of all from the top to the bottom. Written by Mike Eden, who played 110 Games for Manly, Easts, Parramatta and Gold Coast, is Gold Coast Player Number 1, and Won the Dally M award for Player of the Year in 1983

That same statement can be applied today when coaches want instant gratification bypassing basic fundamentals of the sport they are coaching.
