Retours of Services of Heirs 1544-1699 Vol B Feb 25 2020 This book and the accompanying

Volume A (Aberdeen-Kirkcudbright) are composed from the three volumes together called *Inquisitionum ad Capellam Domini Regis Retornatarum, quae in Publicis Archivis Scotiae Adhuc Servantur* (Inquiries Returned to the Chancery of our Lord the King which are Held in the Archives of Scotland) from 1544 to 1699). These records, informally known as *Retours of Services of Heirs*, represent possibly the greatest unused resource for Scottish genealogy and land history, but are not widely available and thus are largely unknown. Essentially, they are abbreviated abstracts of the records of inheritance, the continuity of heritable possession of land and certain associated rights and responsibilities. The original *Retours* themselves are often long and complicated, and mostly in Latin, but they were indexed and abbreviated into the form presented here. The *Retours* can be searched by County, then by surname and placename. With additional material and a Latin glossary by Dr. Bruce Durie

The Railroads of Kentucky During the 1940s & 1950s Sep 26 2022 Kentucky claims to be the birthplace of railroading west of the Appalachian Mountains. In 1832, the Lexington & Ohio Railroad (L&O) began to build track from Lexington to Louisville. Unfortunately the L&O got no further than Frankfort on the Kentucky River when it ran out of money. Railroad construction in Kentucky would stagnate until the 1850s when four companies started to build track, three were north-south and one east-west. An amalgamation of railroads using the name Kentucky Central would push south from Covington opposite Cincinnati OH, toward Chattanooga TN, but stalled at Nicholasville due to the Civil War. The Louisville & Nashville Railroad (L&N) would build southward from Louisville for Nashville TN, and Memphis TN, reaching both cities as the Civil War started. The Mobile & Ohio Railroad (M&O) during the same period completed a railroad from Mobile AL, to Columbus KY, on the Mississippi River. The east-west track reached from Louisville eastward to a junction at Frankfort KY.
