CDM Regulations 2015 Procedures Manual Apr 20 2022 CDM REGULATIONS CDM REGULATIONS 2015 PROCEDURES MANUAL The Construction (Design and Management) Regulations (CDM Regulations) initially came into force on 31 March 1995 to promote an integrated, holistic approach to the consideration of health and safety issues associated with all aspects of construction projects. The Regulations were updated in 2007, with the current version coming into force on 6 April 2015. The Regulations require all those involved in construction to adopt a team-based approach to health and safety, to be delivered through dutyholder responsibilities via project team risk management, accountability and effective, timely communication. The CDM Regulations 2015 Procedures Manual articulates and explains the statutory duties, and provides a documentation system to ensure associated compliance. It has been thoroughly revised to take account of the amendments to the CDM Regulations brought about by the 2015 update, which requires both subtle and significant changes in the management of health and safety within the construction industry.
