The Lion ' s RoarJun 12 2021 Anagarika Dharmapala (1864 – 1933) was a leading Sinhalese Buddhist reformer and national activist who ranks high among the makers of modern Buddhism. The Lion ' s Roar is one of the first detailed accounts of Anagarika Dharmapala ' s life and the pioneering role he played in the Sinhalese Buddhist nationalism at a time when resistance to colonial rule was mainly confined to the elite. The book explores his lifelong struggle for re-establishing Buddhist

management of their own sacred places under Hindu control, particularly the Mahabodhi site in Bihar, India. Dharmapala's association with the Bengali intelligentsia, the 'bhadrakalok', and close interactions with Gandhi and Nehru in India, where he spent a greater part of his life, form an interesting part of the narration. Using a rich variety of primary sources, most importantly, Dharmapala's diaries, the book situates his life within the socio-political and cultural ethos of Ceylon (Sri Lanka) and chronicles the zealous efforts of a Buddhist crusader and monk who wished to reform the religion in his native land and propagate it in the Western world.

The 5 Core Abilities of Highly Effective Leaders Mar 10 2021 Errol Lawson, a best selling author, publisher, and coach that works with a variety of individuals in education, entrepreneurship and church based ministry around the world, this week released his latest work, The 5 Core Abilities of Highly Effective Leaders, available on book distribution platforms today. In his first book aimed directly at a Christian audience, Errol went on a quest to discover what it takes for a Christian leader to become an influential and impactful leader in their generation. Lawson sat down with 106 of the most influential Christian leaders in the world right now to discover the keys to their influence and success. He said, "Imagine every member of your church executing their purpose and doing exactly what it was that they were called to do in the places where they are called to be and transforming lives all around the world." It was this idea that inspired him to pen the latest work. "For hundreds of years men and women of the church have been at the forefront of innovation and social reform," said Lawson. "In science, health care, education, social action and entrepreneurship Christians, inspired by their faith, have stepped out courageously to respond to the challenges of their times. Great organisations like Barnardo's, the Samaritans, The red cross, The YMCA, The salvation Army are some examples. Sir Isaac Newton, one of the greatest scientists of all time, Dr Martin Luther King Jr, CS Lewis, Mother Theresa and many other leaders in the modern day era." Leaders interviewed for Lawson's new book include niece of Dr Martin Luther King Jr, Dr Alveda King, notable Rabbi and best-selling author Rabbi Daniel Lapin, and online marketing strategist and best-selling author Perry Marshall, as well as many other

internationally recognised and outstanding leaders. After reviewing the information from the interviews, Lawson identified 5 key things that all leaders embody. He coined these 5 things "The 5 Core Abilities of Highly Effective Leaders: " 1. The ability to create and communicate a compelling vision 2. The ability to create and manage wealth 3. The ability to defy self-doubt and lead with conviction 4. The ability to get the best out of the people you lead 5. The ability to focus on the key activities and delegate or eliminate the rest Through this new book, Lawson teaches readers how to step into their biggest challenges, realise their leadership potential, and make an impact in their generation for Jesus.

Living a Successful Christian Life May 31 2020 This book is all about the revelation that God gave to me in a dream to the Church. The message is how the Church, the body of Christ should live a successful Christian life. God is telling the Church today that to live a Successful Christian life, the body of Christ must run away from evil, to embrace holiness and righteousness in a personal walk with Him. The Church is encouraged to go back to the basics which are the Word of God and to be Christ followers who practice His Word. The Word of God is the foundation of Christianity. Where the Church has lost it, God is calling His Church for true repentance to receive His forgiveness because He is willing to forgive His Church.. The Church today need to hear messages from the pulpit about holiness and righteousness to draw near to God. The introductory chapter attempts to define success and successful as viewed by the secular world and as explain by the Holy Bible, the Word of God. The secular world has a view of what success is all about. More often than not, the world view, definition of success leads to a meaningless life. Success as explained by the Word of God in the Holy Bible and revealed to the world by our Lord and Savior Jesus Christ leads to a meaningful successful living. The concept of living a successful Christian life as revealed by the Word of God is discussed. Here, ample scriptural keys to living a successful Christian life are explored. The book also deals with examples of people who successfully worked with God in the Holy Bible. It is clear that Christian's have no excuse not to follow the precepts ordered by God and further expounded on by Jesus Christ. It is possible to work with God and be successful, by His grace. Combining the scriptural keys and the examples of those that successfully worked with God should provide us with the needed impetus to live a successful Christian Life. Critical success factors in addition to the above are further discussed in this book. These are fearing the Lord God Almighty, knowing the Lord Jesus Christ, and honoring your father and mother. "The fear of the Lord is the beginning of wisdom; a good understanding have all they that do his commandments: his praise endureth forever." (Psalms 111:10 KJV). Divine understanding and wisdom comes from the power that is in the Word of God. To know Jesus Christ is the key to success and through Him the Church is made righteous. To live a long and satisfying life we must honor our fathers and mothers! My prayers are for you to read and meditate on this book, but keep in mind that the Holy Bible must always remain the primary guide of the Church. And by using this guide, I have no doubt that not only will you experience visible changes in your walk

with Christ, it will also ultimately lead you to become a successful Christian by His grace. "Let us hear the conclusion of the whole matter: Fear God, and keep his commandments: for this is the whole duty of man. For God shall bring every work into judgment, with every secret thing, whether it be good, or whether it be evil." (Ecclesiastes 12:13-14 KJV). To live a successful Christian life is challenging but is possible by His grace. When a Christian takes the right decision to live for God, he or she realizes that there is no better life outside following Jesus Christ. Let us not be fooled by the glamour and the illusions of wealth, fame and self-righteousness or be religious without the power of God. Now is the time to decide to follow God; the alternative will lead to nowhere - a life in cycles. "And now dear brothers and sisters one final thing; Fix your thoughts on what is true and honorable, and right and pure, and lovely, and admirable. Think about things that are excellent and worthy of praise." (Philippians 4:8NLT). I sincerely pray for you and all reading this book that God in His infinite mercies will grant you the grace to live a successful Christian life, by the power of Holy Spirit. Amen.

The Bible: Bible Study - the 5 Habits of Highly Effective Christians... Jul 26 2022 Discover How You Can Develop a Stronger Relationship with God Through The Power of 5 Habits & The Bible! It's sad to think that there are Christians who easily take the Gospel for granted. As we continue to live complicated lives, we are often burdened by trivial things that we lose sight of God and His plans for our lives. We've become too focused on our own desires that we've forgotten about the creator who made us. It may seem like God is so far away and doesn't want to develop a relationship with us, but the reality is, we're the ones moving far away from Him. Instead of praying, reading the bible, worshipping, fellowshiping, and hearing His word preached, we choose to live our lives based on how we want to live them. No wonder there are times when it seems like we can't feel God's presence in our lives. We forget about the message of the Gospel and instead run after things that will never satisfy. We may be living comfortable and easy lives because of technology, but that doesn't make us any better than the Israelites during Moses time. Here we are, saved, and yet we still choose to ignore God's magnificent power in our lives. If you've always wanted to develop your resolve to becoming a better Christian, this book will teach you everything you need to know about the 5 Habits every believer

needs to cultivate. From what it really means to be saved to how we can best prepare our hearts and minds to listen to Sunday preaching, this book is packed with all the information you ever wanted to know about living an abundant and joyful Christian life. Here is a Preview of What You Will Learn: What it Means to be Saved Pray: How to Talk to God... Read and Study Scripture: Why we Need to Study the Bible... Worship: The Elements of Spirit filled and True Worship... Fellowship with other Believers: The Facets of Christian Fellowship... Listen to God's Word through Preaching: How to Prepare our Hearts and Minds to be Receptive to God's Message and so much more! Once we become part of God's family, we take on the responsibility of obeying Him and demonstrating our faith. We learn to put our trust and dependence on Him and Him alone. We hold on to His promise that He will bless us with joy and abundance if we draw closer to Him. By developing these 5 habits, it will be much easier to align our personal will with God's will. God doesn't desire for us to be far away from Him. In his Infinite grace and power, He wants to bless us with more than we ever thought would be possible. God has a plan for us all and it's only by drawing near to Him will that plan unfold. God has already made the first move to bridge the gap between us by offering His one and only son to pay for our sins. Who are we to refuse such an amazing gift? God is pleased by humility so if we learn to humble ourselves and develop these habits as an act of obedience towards Him, we will be favourable in His sight. Learn how you can fully enjoy His gift of salvation with this book. By following what Holy Scripture says and living your life accordingly, you can be a living testimony of how God can use anyone to bring glory to His name. ****Learn The 5 Habits - Get Your Copy NOW****

1 Timothy Jan 08 2021 An excellent study, combining sound theology with commonsense and practical Christian living, Paul's first letter to Timothy which is highly relevant for today's Church, is split thematically into the seven sessions. Its themes of sticking to the pure truth, being alert to false teaching, church organisation and living lives that relect Christ are issues that face all thinking Christians.

Successful Christianity and Basic Ministries Nov 05 2020 The first question is how Christianity is practiced even in a hostile environment. Next to that is the question about the potentials of Christians in spite of their apparent limitations. The other issues are connected to the successes, deliverance, callings, basic ministries of all Christians and evangelism. Various schools of thoughts have attempted these questions but many answers only portray Christianity as a form of religion instead of a way of life as specified by God. Some answers give room for compromise, hypocrisies, dogmas and denominational doctrines. The misconceptions about these areas of Christianity have brought about worldliness instead of righteousness and false achievements instead of fulfillment. This book which contains six different subjects had been used to hold seminars at various levels, train ministers and

Christian workers in Bible Schools and to equip the Church. It explains in simple terms the seemingly complex issues on practice of Christianity, Potentials, Deliverance, God's Kind Of Success, Evangelism and Basic Ministries of a Christian with Biblical principles, life transforming stories and illustrations.
