But there is a cost to being raised: the Dead must remain shrouded. If even a hint of flesh is exposed, a grotesque transformation begins, turning the Dead into terrifying, bloodthirsty Shades. A dramatic uptick in Shade attacks raises suspicions and fears around the kingdom. Soon, a crushing loss of one of her closest companions leaves Odessa shattered, and reveals a disturbing conspiracy in Karthia: Someone is intentionally creating Shades by tearing shrouds from the Dead--and training them to attack. Odessa is forced to contemplate a terrifying question: What if her magic is the weapon that brings the kingdom to its knees? Fighting alongside her fellow mages--and a powerful girl as enthralling as she is infuriating--Odessa must untangle the gruesome plot to destroy Karthia before the Shades take everything she loves. FantasticLand May 08 2020 Since the 1970s, FantasticLand has been the theme park where "Fun is Guaranteed!" But when a hurricane ravages the Florida coast and isolates the park, the employees find it anything but fun. Five weeks later, the authorities who rescue the survivors encounter a scene of horror. Photos soon emerge online of heads on spikes outside of rides and viscera and human bones littering the gift shops, breaking records for hits, views, likes, clicks, and

shares. How could a group of survivors, mostly teenagers, commit such terrible acts? Presented as a fact-finding investigation and a series of first-person interviews, FantasticLand pieces together the grisly series of events. Park policy was that the mostly college-aged employees surrender their electronic devices to preserve the authenticity of the FantasticLand experience. Cut off from the world and left on their own, the teenagers soon form rival tribes who viciously compete for food, medicine, social dominance, and even human flesh. This new social network divides the ravaged dreamland into territories ruled by the Pirates, the ShopGirls, the Freaks, and the Mole People. If meticulously curated online personas can replace private identities, what takes over when those constructs are lost? FantasticLand is a modern take on Lord of the Flies meets Battle Royale that probes the consequences of a social civilization built online.
