Off Minor Feb 19 2022 The fourth DI Charlie Resnick novel, from the master of British crime writing. Little Gloria Summers' body has been found, hidden inside two plastic bin bags in a disused warehouse. Somewhere in the city, a child killer is on the loose, free to strike again. Then Emily Morrison vanishes on a sunny Sunday afternoon. A week later there are still no clues. Inspector Charlie Resnick is as appalled as the media. But years of patient police work have taught him a thing or two - including his conviction that those who jump to easy conclusions are often the last ones to solve a crime.

Zoo 2 Sep 21 2019 Will the last humans on Earth please turn out the lights? James Patterson's ZOO was just the beginning. The planet is still under violent siege by ferocious animals. Humans are their desperate prey. Except some humans are evolving, mutating into a savage species that could save civilization--or end it. BookShots LIGHTNING-FAST STORIES BY JAMES PATTERSON Novels you can devour in a few hours Impossible to stop reading All original content from James Patterson

Sophia, Princess Among Beasts Aug 01 2020 A princess who has lost her mother and father finds herself in a terrifying world that urgently needs a queen in this thrilling fantasy novel. Sophia is smart, beautiful, and accomplished, a beloved princess devoted to the people and to reading books. The kingdom is hers, until she is plunged into a nightmarish realm populated by the awful beasts she read about as a child. The beasts are real. And so is the great army marching on her castle. The people look to Sophia for protection. They will all perish unless she can unlock an ancient secret as profound as life and death itself. Sophia, Princess Among Beasts is a fabulous adventure, and a stunning mystery. Here again is proof of why James Patterson is the world's most trusted storyteller.

ThirdWay Aug 13 2021 Monthly current affairs magazine from a Christian perspective with a focus on politics, society, economics and culture.

Girl of the Year Sep 26 2022 Ambitious Megan Patterson finds fame as the host of her own cable TV talk show, but she could sacrifice love by alienating her boyfriend Tyler, who had supported her all along. Original.

The Store May 22 2022 When Jacob and Megan Brandeis plan to expose a secretive and evil corporation, the fallout threatens to destroy them. Jacob and Megan Brandeis have gotten jobs with the mega-successful, ultra-secretive Store. Seems perfect. Seems safe. But their lives are about to become anything but perfect, anything but safe. Especially since Jacob and Megan have a dark secret of their own. They're writing a book that will expose the Store-a forbidden book, a dangerous book. And if the Store finds out, there's only one thing Jacob, Megan and their kids can do: run for their bloody lives. Which is probably impossible, because the Store is always watching . . .

Handbook of Model Predictive Control Apr 09 2021 Recent developments in model-predictive control promise remarkable opportunities for designing multi-input, multi-output control systems and improving the control of single-input, single-output systems. This volume provides a definitive survey of the latest model-predictive control methods available to engineers and scientists today. The initial set of chapters present various methods for managing uncertainty in systems, including stochastic model-predictive control. With the advent of affordable and fast computation, control engineers now need to think about using "computationally intensive controls," so the second part of this book addresses the solution of optimization problems in "real" time for model-predictive control. The theory and applications of control theory often influence each other, so the last section of Handbook of Model Predictive Control rounds out the book with representative applications to automobiles, healthcare, robotics, and finance. The chapters in this volume will be useful to working engineers, scientists, and mathematicians, as well as

students and faculty interested in the progression of control theory. Future developments in MPC will no doubt build from concepts demonstrated in this book and anyone with an interest in MPC will find fruitful information and suggestions for additional reading.

Advances in Mass Spectrometry Oct 15 2021 This volume contains contributions based on many of the Invited Lectures given at the 16th triennial International Mass Spectrometry Conference (IMSC) in Edinburgh (September 2003) while the accompanying CD contains the Abstracts of all the accepted papers-Oral and Posters. Traditionally the IMSC has a strong emphasis on the fundamentals and new instrumentation of mass spectrometry and on instrumental developments, and this tradition has continued. There was, however, an equally strong emphasis in Edinburgh on key application areas in mass spectrometry like genomics, proteomics, metabonomics; drug metabolism and bioanalysis, discovery pharma, analysis in pharmaceutical development processes; environmental chemistry, food and nutrition, forensics, and engineering materials. The Invited Lecturers are all international experts. Their articles not only summarise the current state of mass spectrometry in their own areas of expertise but also highlight the current hot topics in mass spectrometry. A must-have for all libraries as an up-to-date summary. - Presents a current summary of mass spectrometry. - Covers both main mass spectrometric applications and developments. - International group of contributors.

Cross the Line Feb 25 2020 The twenty-fourth novel in the bestselling Alex Cross series _____
'No one gets this big without amazing natural storytelling talent - which is what Jim has, in spades. The Alex Cross series proves it.' LEE CHILD, international bestselling author of the Jack Reacher series _____ A killer with a twisted sense of justice has Washington DC under siege. Only Alex Cross can bring them down. When a police officer is killed, Detective Alex Cross steps up to take command of his force who are scrambling for answers. As a brutal crime wave sweeps the region, an intriguing connection links these deadly scenes. The victims are all criminals. The murderer has appointed themselves as judge, jury, and executioner, and it's up to Alex to take the law back into his hands before the city descends into chaos.

Mistress Oct 23 2019 This is an action-packed political thriller full of secrets, lies and a deadly conspiracy. How well can you ever really know someone? As Ben Casper watches his best friend plummet from her sixth-floor apartment balcony, he realises his life is about to change. Diana had no reason to kill herself, she had to have been pushed. Diana worked for the CIA, so the investigation into her death is kept tightly under wraps. But Ben is a political journalist, and can feel that something isn't right. Ben starts investigating for himself and soon discovers Diana was leading a double life he knew nothing about. But when more people involved die in questionable circumstances, it's clear that someone doesn't want the truth to be uncovered. And unless Ben drops his investigation, he could be next...

Ivan Illich Fifty Years Later May 10 2021 In 1971, priest, theologian, and philosopher Ivan Illich wrote *Deschooling Society*, a plea to liberate education from schooling and to separate schooling from the state. On the occasion of the fiftieth anniversary of its publication, *Ivan Illich Fifty Years Later* looks at the theological roots of Illich's thought and the intellectual and ideological strands that contributed to his ideas. Guided by the central question of how Illich reached the point of writing *Deschooling Society*, the book sheds light on how Illich produced a critique of schooling that can be defined by its eclecticism. Bruno-Jofré and Igelmo Zaldívar explore how this controversial book was framed by Illich's early neo-scholastic and anti-modern foundation, his discovery of St. Thomas through Jacques Maritain, and the existential turning points that influenced his public life and intellectual direction in moving from a critique of the Church as institution to a critique of schooling. Drawing from the interpretative theories of Quentin Skinner, Reinhart Koselleck, and William H. Sewell and from concepts such as educationalization, transnationality, and configuration, among other heuristic tools, the authors provide an original and cross-disciplinary analysis of *Deschooling Society* and its place in Illich's journey.

My Big Shouting Day May 30 2020 WINNER OF THE ROALD DAHL FUNNY PRIZE 2012 "Today I woke up and Bob was crawling around MY ROOM, licking MY JEWELLERY, so I shouted GET OUT OF MY ROOM! and that was the start of MY BIG SHOUTING DAY..." Bella is having one of those days - her biscuit is broken, she has a hurting foot and ballet is TOOOO itchy for words. All she can do is shout! But by the end of the day, when she's all tired out from being shouty, Bella knows there's one magic word and one magic mummy to make things better again...

Samantha's Silent Song Aug 25 2022 She's thirty-two, musically gifted, vivacious, and in love with Patrick Harrold, the voice teacher who hired her to play piano for his collection of off-kilter vocal students. Indeed, Samantha Eliot has long dreamed of devoting her life to music and song. But there's a problem. She can't speak, let alone sing. And she hasn't been able to since a terrible accident took her voice at the age of seven. Truth be told, she has two additional problems. She's never met—but is presently searching for—her birth mother. And the man she loves may, in fact, give up teaching voice, therefore no longer requiring her services. Can she rectify the second and third of these three problems, even though she must live with the first? Also featuring a collection of hilarious voice students with issues of their own, *Samantha's Silent Song* speaks to those who have made an honest attempt, but failed, at fully realizing their dreams.

Sail Nov 23 2019 A mother and her three children struggle to survive on the most shocking vacation of their lives. James Patterson, America's #1 bestselling thriller writer, presents his most suspenseful, explosive tale ever. Only an hour out of port, the Dunne family's summer getaway to paradise is already turning into the trip from hell. The three children are miserable, and not shy about showing it. Katherine Dunne had hoped this vacation would bring back the togetherness they'd lost when her husband died four years earlier. Maybe if her new husband had joined them it would all have been okay. Suddenly, a disaster hits—and it's perfect. Faced with this real threat, the Dunes rediscover the meaning of family. But this catastrophe is just a tiny taste of the true danger that lurks ahead: somewhere out there, someone wants to make sure that the Dunne family never leaves paradise alive.

Women in Clothes Dec 17 2021 THE NEW YORK TIMES BESTSELLER *Women in Clothes* is a book unlike any other. It is essentially a conversation among hundreds of women of all nationalities—famous, anonymous, religious, secular, married,

single, young, old—on the subject of clothing, and how the garments we put on every day define and shape our lives. It began with a survey. The editors composed a list of more than fifty questions designed to prompt women to think more deeply about their personal style. Writers, activists, and artists including Cindy Sherman, Kim Gordon, Kalpona Akter, Sarah Nicole Prickett, Tavi Gevinson, Miranda July, Roxane Gay, Lena Dunham, and Molly Ringwald answered these questions with photographs, interviews, personal testimonies, and illustrations. Even our most basic clothing choices can give us confidence, show the connection between our appearance and our habits of mind, express our values and our politics, bond us with our friends, or function as armor or disguise. They are the tools we use to reinvent ourselves and to transform how others see us. *Women in Clothes* embraces the complexity of women's style decisions, revealing the sometimes funny, sometimes strange, always thoughtful impulses that influence our daily ritual of getting dressed.

Velocity Weapon Nov 04 2020 NOMINATED FOR THE PHILIP K. DICK AWARD FOR BEST NOVEL * Dazzling space battles, intergalactic politics, and rogue AI collide in *Velocity Weapon*, the first book in this epic space opera trilogy by award-winning author Megan O'Keefe. Sanda and Biran Greeve were siblings destined for greatness. A high-flying sergeant, Sanda has the skills to take down any enemy combatant. Biran is a savvy politician who aims to use his new political position to prevent conflict from escalating to total destruction. However, on a routine maneuver, Sanda loses consciousness when her gunship is blown out of the sky. Instead of finding herself in friendly hands, she awakens 230 years later on a deserted enemy warship controlled by an AI who calls himself Bero. The war is lost. The star system is dead. Ada Prime and its rival Icarion have wiped each other from the universe. Now, separated by time and space, Sanda and Biran must fight to put things right. The

Advanced Monitoring and Procedures for Small Animal Emergency and Critical Care Mar 08 2021 *Advanced Monitoring and Procedures for Small Animal Emergency and Critical Care* is a comprehensive yet practical reference, providing hands-on information essential to veterinarians and veterinary technicians involved in emergency and critical care. Written by an expert team of veterinarians and veterinary technicians, this well-referenced book offers step-by-step protocols for performing advanced emergency and critical care procedures and monitoring techniques. Packed with practical guidance in an easy-to-use format, this book is ideally suited for quick access in emergency rooms or intensive care units. Organized primarily by body system, each chapter covers general principles, indications, equipment, techniques, basic interpretation, troubleshooting, and contraindications. Standardized protocols supply equipment lists and step-by-step instructions throughout, and a companion website offers images from the book in PowerPoint and protocols as downloadable Wordfiles. *Advanced Monitoring and Procedures for Small Animal Emergency and Critical Care* is a valuable resource for any veterinary staff member with an interest in improving the standard of care in emergency and critical care medicine.

Where Football Is King Jun 11 2021 Arguably the best football conference in America, the Southeastern Conference (SEC) contains some of the most storied programs in the history of college football. In *Where Football is King*, Christopher Walsh provides a team-by-team history of the SEC and describes the classic games, players and coaches in the conference's seventy-three-year history. The genesis of the SEC really begins with the introduction of football to the University of Georgia in 1891 by a chemistry professor, Charles Herty. While Georgia's first game was against Mercer University that Fall, the South's oldest rivalry was born when Georgia took on Auburn on February 20, 1892 at Atlanta's Piedmont Park. From there, Walsh recounts, the sport took off like wildfire, and the SEC was able to formally organize some four decades later. Originally a thirteen-team conference, through attrition and addition the SEC eventually became comprised of Georgia, Auburn, Vanderbilt, Florida, Alabama, Mississippi, LSU, Kentucky Tennessee, Mississippi State, South Carolina, and Auburn. From his unique vantage point as beat writer for Alabama football for the *Tuscaloosa News*, Walsh also gives insight into the culture and traditions of football in the South, where, it is said (and probably widely believed), the game is "greater than religion." Legendary figures and legendary games pass through the pages *Where Football is King*: players such as Joe Namath, Ken Stabler, Herschel Walker, Terrell Davis, and Payton Manning, and games such as the "Iron Bowl," the intense annual rivalry between Auburn and Alabama. As colorful as the SEC is competitive, this history will be essential reading for any fan of the game of football.

The Jailhouse Lawyer Apr 28 2020 From James Patterson, the world's #1 bestselling author: a young lawyer takes on the judge who is destroying her hometown—and ends up in jail herself. In picture-perfect Erva, Alabama, the most serious crimes are misdemeanors. Speeding tickets. Shoplifting. Contempt of court. Then why is the jail so crowded? And why are so few prisoners released? There's only one place to learn the truth behind these incriminating secrets. Sometimes the best education a lawyer can get is a short stretch of hard time.

Sinking City Jun 23 2022 "Sinking City is an imaginative, fast-paced urban fantasy. Do yourself a favor and move this one to the top of your list." -Brandon Sanderson, Author of *Skyward* On the streets of Venice, magic burns and wars wage, while powerful illusions and mind-bending magic keep the world of *The Skilled* hidden from ordinary people—or typics. The powerful Mardova Family rules Venice with an iron fist, keeping their powers secret and their eyes on their enemies. Zan Mardova would rather use his magical Skills to do tricks on his motorcycle or fly over buildings than involve himself in Family politics, but when he discovers a rival Family has brainwashed a beautiful typic girl named Ellie, he begins to unravel a web of dangerous secrets with Ellie at the center. Zan's loyalty has always been to the Mardovas and the fate of Venice, but as Zan's feelings for Ellie grow, he can no longer ignore his suspicions about members of his own Family. Zan fears there's a traitor among the Mardovas—and it might be him.

The Social Turn in Moral Psychology Sep 14 2021 An argument that moral psychology can benefit from closer integration with the social sciences, offering a novel ethical theory bridging the two. In this book, Mark Fedyk offers a novel analysis of the relationship between moral psychology and allied fields in the social sciences. Fedyk shows how the social sciences can be integrated with moral philosophy, argues for the benefits of such an integration, and offers a new ethical theory that can be used

to bridge research between the two. Fedyk argues that moral psychology should take a social turn, investigating the psychological processes that motivate patterns of social behavior defined as ethical using normative information extracted from the social sciences. He points out methodological problems in conventional moral psychology, particularly the increasing methodological and conceptual inconsistency with both philosophical ethics and evolutionary biology. Fedyk's "causal theory of ethics" is designed to provide moral psychology with an ethical theory that can be used without creating tension between its scientific practice and the conceptual vocabulary of philosophical ethics. His account aims both to redirect moral psychology toward more socially realistic questions about human life and to introduce philosophers to a new form of ethical naturalism—a way of thinking about how to use different fields of scientific research to answer some of the traditional questions that are at the heart of ethics.

Views from Our Shoes Dec 25 2019 Offers advice to siblings of developmentally disabled children, assuring them that they are not alone, and that other kids have had similar experiences

Bright Kids Who Can't Keep Up Oct 27 2022 A book filled with vivid stories and examples, explains what low cognitive processing speed in children actually is and provides practical tools for parents of children ages 5 to 18 to help their kids perform better in school, keep pace with friends and family and maintain a healthy self-esteem. Simultaneous. Hardcover available.

Under the Influence Nov 16 2021 Eve Hardy is exactly where she wants to be in life. She is a successful concert cellist for the Royal Opera, living with her handsome partner in his London apartment. Everything is possible. Sarah lives in Sydney with her husband and two young children. She thrives on being the centre of their world. When the sudden death of their old school friend Meg brings them back together for her funeral in country New South Wales, it is time to face the past and the secret they all shared. A secret that began at boarding school with that girl, Rebecca Thornton - beautiful, wanted, gifted at maths, English and spotting losers who didn't know they were losers yet. A schoolgirl secret that changed the women they became. Sometimes, you can bury your past. Sometimes, the past tries to bury you.

Drowning City Feb 07 2021 Read the sequel to the book Brandon Sanderson calls "an imaginative, fast-paced urban fantasy." In the wake of the battle that tore his Family apart, Zan Mardova wants nothing more than to put a stop to the centuries of hatred and war, but replacing his father as Il Capo is more difficult than Zan imagined. Old friends have become new enemies, and foreign Skilled are setting their sights on Venice, hoping to take advantage of the unrest and claim the city for themselves. Zan needs Ellie by his side more than ever, but Venice is the one place he can't keep her safe. Zan is desperate to end the legacy of violence and bloodshed once and for all- But in becoming the person he needs to be to hold his Family together, will he lose everyone that he loves?

The Girlfriend Stage Jan 26 2020 "Anna-Marie Halsey loves her job as a regular on the soap opera Southern Heat almost as much as she loves living the LA lifestyle: clubbing and partying and casually dating gorgeous men—most recently powerhouse agent Josh Rios. When Anna-Marie starts feeling more-than-casual about Josh—her signature cue to break things off—she finds a much-needed excuse to get away: a family reunion in small-town Wyoming. In Wyoming, Anna-Marie remembers why she's spent years avoiding her crazy family and claustrophobic hometown—and her ex-boyfriend, up-and-coming rock musician Shane Beckstrom, provides the perfect distraction. But when a Boy Scout troop films them nude in a hot spring, Anna-Marie finds Wyoming even more nerve-racking than her paralyzing fear of commitment. To make matters worse, Josh Rios appears, and it's clear that commitment is exactly what he's hoping for. Anna-Marie isn't sure what she wants, but being trapped in Everett, Wyoming, with Josh, Shane, and her crazy family when her impromptu sex-tape hits the internet sure isn't it." --Page 4 of cover.

Nerve Surgery Jan 06 2021 Representing the treatment and management philosophy of Dr. Susan Mackinnon, Nerve Surgery provides extensive coverage of innovative surgical options as well as guidance on the management of complicated compression neuropathies. In addition to detailed information on tried-and-true as well as cutting-edge surgical techniques, it contains chapters on the basic principles of nerve surgery, such as Anatomy and Physiology for the Peripheral Nerve Surgeon and Evaluation of the Patient with Nerve Injury or Nerve Compression. This book is a core reference for all plastic surgeons, neurosurgeons, orthopedic surgeons, hand surgeons, residents, and allied health specialists treating patients with nerve injuries.

Do You Remember Me Now? Mar 20 2022 Their fifteen-year high school reunion proves fatal for The Six, a clique of popular bullies who made school hell for their classmates. Is one of their victims exacting revenge more than a decade later? Plastic surgeon Kate Dalton, who was the victim of bullying during high school, is the prime suspect in a murder investigation after members of the bullying clique, known as the Six, are killed. "A bullied teenager returns home to find someone killing off her former tormentors. Stuyck (A Novel Way to Die, 2008, etc.) offers a peek back into the creepy side of high school, with an equally creepy puzzle thrown in." —Kirkus Reviews

Catalyst Gate Jul 20 2019 The universe is under threat and an ancient alien intelligence threatens to bring humanity down unless Major Sanda Greeve and her crew can stop it in the final book of this explosive Philip K. Dick award nominated space opera. The code has been cracked. The secrets of the Casimir gates have been revealed. But humanity still isn't safe. The alien intelligence known as Rainier and her clones are still out there, hell-bent on its destruction. And only Sanda can stop them. With the universe's most powerful ship under her command and some of the most skilled hackers, fighters, and spies on her team, it will still take everything she has to find the key to taking down an immortal enemy with seemingly limitless bodies, resources, and power.

Waterlog Jul 12 2021 Roger Deakin set out in 1996 to swim through the British Isles. The result a uniquely personal view of an island race and a people with a deep affinity for water. From the sea, from rock pools, from rivers and streams, tarns, lakes, lochs, ponds, lidos, swimming pools and spas, from fens, dykes, moats, aqueducts, waterfalls, flooded quarries, even canals, Deakin gains a fascinating perspective on modern Britain. Detained by water bailiffs in Winchester, intercepted in the Fowey

estuary by coastguards, mistaken for a suicide on Camber sands, confronting the Corryvreckan whirlpool in the Hebrides, he discovers just how much of an outsider the native swimmer is to his landlocked, fully-dressed fellow citizens. Encompassing cultural history, autobiography, travel writing and natural history, *Waterlog* is a personal journey, a bold assertion of the native swimmer's right to roam, and an unforgettable celebration of the magic of water.

The Coast-to-Coast Murders Dec 05 2020 A detective and an FBI agent join forces on what seems like an open-and-shut case—but a new rash of killings sends them on a pulse-pounding race against time in this intense thriller. Michael and Megan Fitzgerald are siblings who share a terrifying past. Both adopted, and now grown—Michael is a long-haul truck driver, Megan a college student majoring in psychology—they trust each other before anyone else. They've had to. Their parents are public intellectuals, an Ivy League clinical psychologist and a renowned psychiatrist, and they brought up their adopted children in a rarefied, experimental environment. It sheltered them from the world's harsh realities, but it also forced secrets upon them, secrets they keep at all costs. In Los Angeles, Detective Garrett Dobbs and FBI Agent Jessica Gimble have joined forces to work a murder that seems like a dead cinch. Their chief suspect is quickly identified and apprehended—but then there's another killing just like the one they've been investigating. And another. And not just in Los Angeles—the spree spreads across the country. The Fitzgerald family comes to the investigators' attention, but Dobbs and Gimble are at a loss—if one of the four is involved, which Fitzgerald might it be? From coastal California to upstate New York, Dobbs and Gimble race against time and across state lines to stop an ingenious and deeply deranged killer—one whose dark and twisted appetites put them outside the range of logic or experience.

The DCI Reece Thrillers Books One to Three Mar 28 2020 DISCOVER THE COMPLETE DCI REECE SERIES TODAY. There are three unmissable crime thrillers in this great value boxset: *The Other Her* A detective on the edge. A killer on the loose. When DCI Bran Reece is called to the bloody crime scene of a murdered woman, he thinks the case is his. But the new Chief Superintendent has other ideas. She sees the recently widowed Reece as a volatile risk-taker and puts him on leave, forcing him to watch from the sidelines. Or so she thinks. DS Elan Jenkins soon realises her boss's replacement is out of his depth and takes matters into her own hands. But Elan unknowingly puts herself and others in grave danger. Can Reece and Jenkins overcome their personal issues and solve the case? The truth might be closer to home than either of them is willing to admit... *She's Next* He knows her name . . . Where she lives . . . And wants her dead. Dr Richard Wellman is a Consultant Anaesthetist at the University Hospital in Cardiff. He's also a disturbed serial killer with a grudge. Back at work after being shot, DCI Bran Reece is still struggling following his wife's murder nearly eighteen months earlier. As Reece and his team investigate a number of separate murders, he suspects they are linked, despite the evidence suggesting otherwise. With Reece fast closing in on the doctor, can he bring the man to justice without ending up in the firing line for a second time? Or will his preoccupation with an old foe blind him to the fact that a member of his own team might be in mortal danger? *Isla's Missing* Some secrets are best taken to the grave. Jailed thirty years ago for a murder he didn't commit, Arvel Baines has been plotting his revenge ever since. He's going to ruin the lives of all those responsible for framing him. And one man, in particular, will be made to suffer more than the rest. When the son of the true killer wakes up on his kitchen floor to find his wife dead and teenage daughter missing, so begins a deadly game of cat and mouse. Soon the Murder Squad are tasked with finding the missing girl, drawing DCI Reece into the mix. Can Baines carry out his gruesome vendetta before he's caught? Will Reece outsmart another killer? And what happens to the missing Isla? Praise for the DCI Reece Thrillers "A great read, twists and turns and bodies galore." "This is what I call a top-notch crime thriller. Gritty, graphic and laced with one-liners" "This is an excellent, fast-paced, crime mystery that keeps you on your toes." "Gritty Welsh noir with a side order of dark humour." "Excellent, fast-paced gritty police procedural."

Her Perfect Twin Sep 02 2020 The next sensationally gripping thriller by Sarah Bonner, *HER SWEET REVENGE*, is available to pre-order now! *HER PERFECT TWIN. YOUR NEW OBSESSION.* 'Sarah Bonner's debut novel made my jaw drop. There are so many twists in this story, I never knew what was coming next. You won't want to miss this one!' Samantha Downing, author of *My Lovely Wife* 'A wonderfully twisty, and twisted, thriller that'll have you up until the early hours, and with an ending that you will NOT see coming. Brilliant' S J Watson, author of *Before I Go To Sleep* 'A terrifyingly vivid psychological thriller - paranoid, claustrophobic and captivating' Janice Hallett, bestselling author of *The Appeal* When Megan discovers photographs of her estranged identical twin sister on her husband's phone, she wants answers. Leah already has everything Megan has ever wanted. Fame, fortune, freedom to do what she wants. And when Megan confronts Leah, an argument turns to murder. The only way Megan can get away with killing her twin is to become her. But then lockdown hits. How can she continue living two lives? And what happens if someone else knows her secret too? *HER PERFECT TWIN IS THE MOST ADDICTIVE, TWISTY THRILLER YOU'LL READ IN 2022. DON'T MISS THIS WILD RIDE OF A NOVEL.* 'Brilliantly twisty and thoroughly entertaining - an extremely impressive debut' TM Logan, bestselling author of *The Holiday* 'A deliciously sticky web of a tale that snared me from the very first page and didn't let me go until the shocking end' C. L. Pattison, author of *The Housemate* 'Intense, sharp, and surprising. Everything I love in a thriller' Jo Jakeman, author of *Safe House* 'A perfect storm of sly revenge and rivalry' LV Matthews, author of *The Prank* 'Twisty, compelling and clever, this is a fabulous debut with a heroine you'll root for' Penny Batchelor, author of *Her New Best Friend* 'I was gripped by this unpredictable rollercoaster of a novel! Full of conniving characters, clever twists and high stakes. It had me constantly wondering what the characters were going to try next and who was going to prevail' Helen Cooper, author of *The Downstairs Neighbour* 'More deliciously twisty than *Gone Girl* . . . Dark and compelling, *Her Perfect Twin* is the perfect thriller. Sharp as a knife and so twisty, it hooked me from the very first page' Vikki Patis, author of *In The Dark* Real readers love *Her Perfect Twin*: 'An outstanding debut from Sarah Bonner. I have never read anything quite like it' 'Cleverly plotted with great characters . . . A top notch thriller!' 'This book definitely had me hooked. It's one of those that gets under your skin' 'A devious, twisty story laced with dark humour, with characters you'll love and love to hate . . . Echoes of Hitchcock and du Maurier, but also more contemporary thrillers like *Gone*

Girl and The Girl on the Train. Brilliant' 'Absolutely amazing'

Honestly Elliott Oct 03 2020 Highly-acclaimed author of Caterpillar Summer, Gillian McDunn explores boyhood in a funny, big-hearted story about a kid trying to find the best way to be his best self. Elliott has been struggling since his closest friend moved away, and he's not too sure where he fits into his own family, especially since his newly remarried dad and stepmom are expecting a baby. His grades aren't too great, he's always forgetting things, and he doesn't really like sports. All together, the result is someone the complete opposite of his dad--a fact they're both very aware of. Elliott's only solace is cooking, where he can control the outcome, testing exciting recipes and watching his favorite cooking shows. When he's paired with the super smart and popular Maribel for a school-wide project, Elliott worries they won't see eye to eye. But Maribel is also looking for a new way to show others her true self and this project could be the chance they've both been waiting for. Sometimes the least likely friends help you see a new side to things . . . and sometimes you have to make a few mistakes before you figure out what's right. SQL Queries for Mere Mortals Apr 21 2022 The #1 Easy, Common-Sense Guide to SQL Queries—Updated with More Advanced Techniques and Solutions Foreword by Keith W. Hare, Vice Chair, USA SQL Standards Committee SQL Queries for Mere Mortals has earned worldwide praise as the clearest, simplest tutorial on writing effective queries with the latest SQL standards and database applications. Now, author John L. Viescas has updated this hands-on classic with even more advanced and valuable techniques. Step by step, Viescas guides you through creating reliable queries for virtually any current SQL-based database. He demystifies all aspects of SQL query writing, from simple data selection and filtering to joining multiple tables and modifying sets of data. Building on the basics, Viescas shows how to solve challenging real-world problems, including applying multiple complex conditions on one table, performing sophisticated logical evaluations, and using unlinked tables to think “outside the box.” In two brand-new chapters, you learn how to perform complex calculations on groups for sophisticated reporting, and how to partition data into windows for more flexible aggregation. Practice all you want with downloadable sample databases for today’s versions of Microsoft Office Access, Microsoft SQL Server, and the open source MySQL and PostgreSQL databases. Whether you’re a DBA, developer, user, or student, there’s no better way to master SQL. Coverage includes: Getting started: understanding what relational databases are, and ensuring that your database structures are sound SQL basics: using SELECT statements, creating expressions, sorting information with ORDER BY, and filtering data using WHERE Summarizing and grouping data with GROUP BY and HAVING clauses Drawing data from multiple tables: using INNER JOIN, OUTER JOIN, and UNION operators, and working with subqueries Modifying data sets with UPDATE, INSERT, and DELETE statements Advanced queries: complex NOT and AND, conditions, if-then-else using CASE, unlinked tables, driver tables, and more NEW! Using advanced GROUP BY keywords to create subtotals, roll-ups, and more NEW! Applying window functions to answer more sophisticated questions, and gain deeper insight into your data Software-Independent Approach! If you work with database software such as Access, MS SQL Server, Oracle, DB2, MySQL, Ingres, or any other SQL-based program, this book could save you hours of time and aggravation—before you write a single query!

Flare Jun 30 2020 As the Titan Cartel brings two hundred trillion tons of liquid natural gas down to Earth, maverick astrophysicist Hannibal Freede searches for signs of strange phenomena on the sun. Original.

Jacaranda Magic Jan 18 2022 Five friends are feeling bored on a hot sticky day. Just when they think theyll never find anything fun to place, a simple gust of wind changes everything Jacaranda Magic is a unique rhyming picture book that celebrates imaginative play and highlights the value of boredom and nature in inspiring creativity.
