Managerial Economics and Strategy, Global Edition Sep 21 2021 For courses in Managerial Economics. A Problem-based Approach that Uses Modern Theories

and Real-world Examples Managerial Economics and Strategy uses real-world issues and examples to illustrate how economic principles impact business decisions. Emphases on agency and contract theory, managerial behavioral economics, game theory, and pricing are especially valuable to future managers. In-text examples and boxed mini-cases use actual data to illustrate the use of basic economic models, while Q&As pose important managerial or economic problems and demonstrate a step-by-step approach to solving them. The Second Edition has been fully revised and updated to reflect new supply-and-demand curves and include discussions of corporate social responsibility, opportunistic behavior, and innovation. It also features new learning objectives, examples, end-of-chapter questions, and spreadsheet exercises.

The Economic Way of Thinking Jun 26 2019 Intended primarily for one semester survey courses in general economics, this text also provides practical content to current and aspiring industry professionals. Learn how to think like an economist. The Economic Way of Thinking goes beyond explaining the basic principles of micro- and macroeconomic analysis by showing readers a method of reasoning that teaches them how to apply these principles as tools. The authors expose readers to a method of reasoning that makes them think like an economist through example and application and also shows them how not to think, by exposing errors in popular economic reasoning. The latest edition has been thoroughly updated with current material.

Personal Finance Jan 26 2022 For courses in Personal Finance. A Hands-On Approach to Financial Planning The main feature of Personal Finance is its hands-on approach keyed to the concepts readers need to build their own financial plans. The text's seven parts are all pieces of a financial plan; Chapter 21 is the capstone. A running example throughout the book and a variety of end-of-chapter cases reinforce the practical aspects of planning. The Sixth Edition is fully updated with recent financial trends, such as lower interest rates, changing salaries, and rules for credit card use. With case studies and workable examples throughout, this book is an active tool readers can use to become comfortable managing their finances into the future. Also Available with MyFinanceLab™ MyFinanceLab is an online homework, tutorial, and assessment program designed to work with this text to engage students and improve results.
