King Christian's Rock Jul 26 2019 Life on a Caribbean island brings both pleasures and pitfalls. For Elaine Carpelan, there's a comfortable place for her on the Danish Caribbean island of King Christian. Her love of old and exquisite items blends well with her career as an antiques appraiser and manager of a small auction house where she's worked with the owner Tom Haskin for the last ten years. With her African Gray parrot Barley and her mutt Zeke, Elaine relishes island life and the surprises each day brings—both on and off the job. She is well aware that auctions have drama, but when an alligator crashes one of her auctions Elaine finds herself fodder for the local newspaper. Then there's the local furniture restorer who dies suspiciously and the fire at a recently restored historic home. Drugs are uncovered at another auction, while tourists continue to ignore the undertow warnings at a local beach. Elaine hasn't thought about leaving this idyllic setting until Chay, a Londoner in his mid-sixties, offers her a lucrative business proposition. Elaine wonders if she can leave this tropical paradise and move to England. She remembers a friend telling her, "You take yourself with you wherever you go, you know."

Stunts Dec 31 2019 It happens without warning. The shadow of the wolf fails on an ordinary man, and death begins to walk within him. Everyone he hates will die. The senior class of New Jersey's Port Richmond High School is busy planning Halloween "stunts"—practical jokes on a town-wide scale. The school's new principal has outlawed stunts, but that won't keep Brian Oakland and his friends out of mischief. After all, they're not planning anything serious, nothing damaging (except to the principal's reputation). Others have different ideas. Dominic Pastore's waited all year for Halloween. His rifle is ready, but Dorn hasn't decided

if he'll fire blanks or bullets. Rich little Mickie Farwood wants to pull a stunt too, but first must choose between Dorn's danger and Brian's innocence. None of them knows that this Halloween will alter their lives forever. The shadow of the wolf has fallen on two men. In England, visiting lecturer Evan Kendal flees a murderous madman once his best friend flees for Port Richmond and home. And in Port Richmond, in the woods that surround the town, another killer waits ... waits for Halloween, when those he hates will die. At his bidding the whole town will die.

Gods of Desterrados & the Vengeance of Tunui Realm Dec 23 2021 The chorus of frightening voices began to cackle maniacally and chanted in a strange language. Diana picked up the fruit but dropped it when it burned her hand to the touch. To Greta's horror, an upside-down cross was beginning to sear into the palm of Diana's hand. Her eyes were solid white before she crumpled to the ground. "AHHH... FRESH MEAT, SO SWEET. WE'LL MAKE THE GODDESS PURR... PURR... PURR!" sniggered the evil being in a cacophony of guttural sounds. It took all the courage inside Greta to leap onto the levitated bed. While she struggled with the entity possessing her teammate, she was amazingly able to force the blood amulet over the demon's neck. In that instant, the bed slammed to the ground. Diana sat up looking quite dazed as well. Greta inspected them before breaking her silence. "Are you both okay?" Shade was sobbing. "What happened? Why am I tied up? Please untie me. I'm

so scared." Diana was about to release Shade, but Greta immediately grew concerned. She wisely chose to keep it to herself because Diana still had the telling mark on her hand. I need to get Priest. He's the only person who can fix this issue religiously.

Waveland Jan 30 2020 Set amidst the tatters of post-Katrina Gulf Coast Mississippi, *Waveland* is a brilliantly observed portrait of our times from one of the most incisive novelists at work today. Add in Vaughan's annoyingly successful younger

brother, who carries a torch for Vaughn's ex-wife, and lingering suspicions about Greta's involvement in her husband's murder and the result is an emotionally resonant tale of mortality, love, regret, and redemption that only Barthelme could unwind.

Cecil took the rose home to England, framed it in silver and hung it above his bed. Fifteen years later Greta and Cecil met again. For her it was an idle flirtation. For him it fuelled his ambition to photograph her, to be like her and to marry her - an obsession that became a betrayal. Greta Thunberg and Climate Change Sep 19 2021 Greta Thunberg born 3 January 2003 is a Swedish environmental activist who is credited with raising global awareness of the risks posed by climate change, and with holding politicians to account for their lack of action on the climate crisis. 'Stylish, sharp, with wicked hairpin turns...pure fun' Maria Semple *Our House Is on Fire* May 28 2022 "A must-read ecological message of hope . . . Everyone with an interest in the future of this planet should read this book." --David Mitchell, *The Guardian* When climate activist Greta Thunberg was eleven, her parents Malena and Svante, and her little sister Beata, were facing a crisis in their own home.
