**Before Eden** Jun 16 2021 Before the creation of Earth, God's realm is peaceful and tranquil, and Lucifer is a trusted advisor of angels. Then Lucifer rebels, the heavenly world is irrevocably divided, and the angels must choose between good and evil. Based on 1 Corinthians 6:1-3, Before Eden shows how angels, like man, battle temptations, fears and doubts as they try to understand God's plan.

*God's Demon* Dec 11 2020 The powerful Lord Sargatanas, Brigadier-general in Beelzebub's host, is restless. For millennia Sargatanas has ruled dutifully over an Infernal metropolis, but he has never forgotten what he lost in the Fall. He is sickened by what he has done and what he has

become. Now, with a small event—a confrontation with a damned soul—he makes a decision that will reverberate through every being in Hell. Sargatanas decides to attempt the impossible, to rebel, to win his way Home and bring with him anyone who chooses to follow...be they demon or soul. He will stake everything on fighting all the abominable forces of Hell arrayed against him, when the prize is nothing less than redemption. **Fall of the Angels** Jul 30 2022 Presenting the Fall of the Angels, including Lucifer's fall from grace and the emergence of Satan. As Michael and Lucifer fight the tyrant King, sinister revelations and tragic distraction lead to the Lucifer's impending moment of ruin, which gives rise to his abandonment of God and determination to be evil.

*Lucifer's Fate* Jul 26 2019 I crowned her queen and lost everything. I gave everything to protect Evie from Heaven. And I won. Michael can torture me for eternity. But he will never touch her. Evie is safe in Hell while I am bound in Heaven. But my queen is stronger than the angels know. I will not be left here forever, and when we are reunited, Heaven will quake. When they learn of our child growing inside of her, they will know unimaginable fear. A battle is coming. And if Heaven claims Hell, Evie will burn. I won't let that happen. Michael should have remembered ... no one wins against the Devil.

**Why I Satan Hate The Woman** Nov 02 2022 Most of us have heard the story of Adam and Eve in the Garden of Eden and WHAT they did? Even more importantly, what Eve DID with the serpent, but not WHY she did it and WHY the serpent targeted her? In this book we talk about the "WHY" and the purpose behind this happening to her. Who is the woman and why her? She has been chosen for a far greater purpose than what we've seen. She has a much-needed voice to be heard. It's time to hear all sides of the story and for her to tell her side. She has the right to be heard, and not just "Be Silent!" She will be vindicated for all the right reasons. There's a much bigger picture here and a story that must be told! The enemy has proven from the beginning how much he hates marriage, love, unity and family. It's not by chance we have such an attack on the family structure. The first thing the devil did, was to divide Eve and Adam. God adds and multiplies, while this enemy subtracts and divides. God gives life, the relationship and family, the enemy takes life, the relationship and the family. Divorce and chaos are on the rise. This enemy is after your covenant, joy and peace. The enemy understands the woman has been given the power (glory) to give life, to build relationships and he targeted her to tear down her life and to help him build his kingdom. How long will the woman be silent? War or peace starts in the household before it hits the community, nation and ultimately the world. World wars started in a thought...the mind...in a room. Satan is going for the mind. We're on the brink of something much greater than we may care to admit, or acknowledgment, but it's here! With record breaking numbers, even in a pandemic! Women are becoming the new face to leaders of this modern world in which we live. To ignore facts, of a power much greater than her own that's driving her, we would be foolish, to say the least. It's as though something is in a hurry to establish her in power. She has come so far, but still, there's so much more work to

do. In this book are some acknowledgments of Great Women Achievements throughout history. Amazingly, throughout history she has been the target for rejection and abuse. While being the "Apple of God's Eye" she's still just an "Object" of someone else's desire. Woman you have come a long way, it's your time. Know your place! Don't allow anyone to use you as steps for only them to rise, leaving you down and under. The Woman is Lucifer's replacement! The greatest work God has ever done is hidden in her because she was made to produce. It is that creation! "God's Masterpiece" from heaven! She is destined for greatness she always has been. Now, we are seeing the fulfillment of prophesy of her being put in her proper place to lead. Which is above and not beneath. We are in desperate need for Great Leadership. Man has always tried to put her in her place according to what they thought that might be BUT God always had a place for her. From, the beginning God created her from greatness for greatness. This SPECIAL EDITION will highlight some of the events stemming from COVID-19 and its variants. We are all challenged to embrace a new normal because what used to be normal regrettably has become nothing more than a memory. History has proven that we are more receptive of change when we face tragedy. God has always been with us. Let "Why I Satan Hate The Woman" take you on a journey.

**A Layman's Ladder To Heaven Volume-I** Oct 28 2019 The book 'A layman's ladder to heaven', is a fundamental address to the nuances of Christianity. It covers the whole gamut of events right from creation, fall, redemption, and finally the end of the world. How God created this world and man as mortal, how sin emerged, what is sin and how mortality turned into immortality. The entrance of decay and death, its causes, and how to overcome it. The love of God for the doomed race on account of sin and how to circumvent the impending doom and once again live life as mortals have been examined. The book explains the plan of redemption. How God has salvaged man from death, through the crucifixion of Lord Jesus Christ on the cross of Calvary. How through his death the price of sin was paid for the entire humanity. What is the first and second death? And everlasting life is also explained in a nutshell. It is also explained how to tackle the various challenges in life. We can overcome our daily problems by merely following the teachings of Jesus highlighted in the book. Peace of mind, depression, prosperity, riches, power, health, etc can be overcome. How Lord Jesus can metamorphosize our lives, to live a life of contentment and enjoy the blessings of the Lord? Sharing and caring for the human race also finds a place in the book. The emanating and focal point of all the miseries of life and who is responsible for it is also discussed. Who is Satan and how he's trying to destroy our lives by bringing miseries, tragedies, sickness, and suffering, and how to overcome it? How the Lord Jesus has defeated death and paved the way for man for eternal life. Lastly, the creation that has been soured by Satan has to come to an end. Why, how, and when have also been explained. Who shall enter the new eternal life, what are the requirements for it, and how we can achieve this distinction has a special place in the book. What is the new, sin-free, and eternal life where the obedient go is also covered? The book in short is an answer to all our daily problems.

**Life Hereafter** Sep 27 2019 In this book, Paul Crittenden offers a critical guide to the problematic origins of biblical teaching about the afterlife and

the way in which it was subsequently developed by Church authorities and theologians—Origen, Augustine, and Thomas Aquinas in particular. In the post-Reformation era the focus falls on the challenges set by modern secularism. The tradition encompasses a body of interconnected themes: an apocalyptic war in which the Kingdom of God triumphs over Satan's powers of darkness; salvation in Christ; the immortality of the soul; and finally the resurrection of the dead and the last judgment, ratifying an afterlife of eternal bliss for the morally good and punishment in hell for wrongdoers. The critique questions these beliefs on evidential, ethical, and philosophical grounds. The argument overall is that what lies beyond death is beyond knowledge. The one fundamental truth that can be distilled from the once compelling body of Christian eschatological belief—for believers and unbelievers alike—is the importance of living ethically.

*Satanic Feminism* Aug 19 2021 According to the Bible, Eve was the first to heed Satan's advice to eat the forbidden fruit and thus responsible for all of humanity's subsequent miseries. The notion of woman as the Devil's accomplice is prominent throughout Christian history and has been used to legitimize the subordination of wives and daughters. In the nineteenth century, rebellious females performed counter-readings of this misogynist tradition. Lucifer was reconceptualized as a feminist liberator of womankind, and Eve became a heroine. In these reimaginings, Satan is an ally in the struggle against a tyrannical patriarchy supported by God the Father and his male priests. Per Faxneld shows how this Satanic feminism was expressed in a wide variety of nineteenth-century literary texts, autobiographies, pamphlets, newspaper articles, paintings, sculptures, and even artifacts of consumer culture like jewelry. He details how colorful figures like the suffragette Elizabeth Cady Stanton, gender-bending Theosophist H. P. Blavatsky, author Aino Kallas, actress Sarah Bernhardt, anti-clerical witch enthusiast Matilda Joslyn Gage, decadent marchioness Luisa Casati, and the Luciferian lesbian poetess Renée Vivien embraced these reimaginings. By exploring the connections between esotericism, literature, art and the political realm, *Satanic Feminism* sheds new light on neglected aspects of the intellectual history of feminism, Satanism, and revisionary mythmaking.

**The Call** Jun 04 2020 The atmosphere within the United States and most of the world is ripe for another great spiritual awakening. The current state

of affairs is one of profound division, even within the church. The saints themselves have a difficult time distinguishing what is right and what is wrong because we have abandoned our first love and have embraced the love of the world. In this season, the Lord exhorts His people to prepare themselves like a bride adorned for her husband and beckons the church to answer "The Call" toward revival that will spread like a holy fire in the hearts of many. Who will answer "The Call" to battle this present darkness with weapons of righteousness? Only when God's own people are revived can we expect to see transformation in America and throughout the world. The Call: An Invitation to Revival and Transformation takes the reader on a journey of spiritual awakening alongside the author. Each chapter inspires the reader to answer "The Call" of God toward freedom, holiness, and purpose. This book will mentor people to hear the voice of God, think with the mind of Christ, be alert to the tactics of Satan, engage in spiritual warfare, learn to pray and meditate on the promises of God, and much more.

A breathtaking gem of spiritual fiction and a tour de force of imaginative writing, this work reminds readers that Satan's biggest deceptions are the ones that seem closest to truth.

*The P.O.D.'s Conspiracy* May 28 2022 The Father said that the law was necessary; the Gifted One questioned its validity. The Father's character has been called into question; his right to rule has been challenged. Is it true what some are saying about him? Is he truly a tyrant, or is there some other agenda? How can the Father prove otherwise without taking away the right to choose? Will the accusations of a powerful angel bring down the government of love or will the character of the Father be strong enough to prove the truth and expose once and for all, the P.O.D.'s conspiracy?

**Rome Reborn on Western Shores** Aug 26 2019 Rome Reborn on Western Shores examines the literature of the Revolutionary era to explore the ways in which American patriots employed the classics and to assess antiquity's importance to the early political culture of the United States. Where other writers have concentrated on political theory and ideology, Shalev demonstrates that classical discourse constituted a distinct mode of historical thought during the era, tracing the role of the classics from roughly 1760 to 1800 and beyond. His analysis shows how the classics provided a critical perspective on the management of the British Empire, a common fund of legitimizing images and organizing assumptions during the revolutionary conflict, a medium for political discourse in the process of state construction between 1776 and 1787, and a usable past once the Revolution was over. Rome Reborn examines the extent to which classical antiquity, especially Rome, molded understandings of history, politics, and time, even as the experience of the Revolution reshaped patriots' understanding of the classics. The book studies the historical sensibilities that enabled revolutionaries to imagine themselves continuing a historical process that originated with classical Greece and Rome. In particular, their attitudes toward, and understandings of, time provided revolutionaries with a distinct historical consciousness that connected the classical past to the revolutionary present and shaped their expectations about America's future.
