Better Git It in Your Soul Nov 05 2020 "This biography traces the output of jazz master Charles Mingus--his recordings, his compositions, and his writings--highlighting key moments in his life and musicians who influenced him and were

influenced by him. As a young man, Mingus played with Louis Armstrong as well as with Kid Ory. Mingus also played in bands led by Duke Ellington, Charlie Parker, Lionel Hampton, Red Norvo, Art Tatum, and many others. He began leading his own bands in New York City in 1955. Eric Dolphy, Rahsaan Roland Kirk, Jimmy Knepper, Jackie McLean, Toshiko Akiyoshi, Cat Anderson, and Jaki Byard are among the many distinguished jazz artists who made music with Mingus during the 1950s, 1960s, and 1970s. In addition to leaving behind a large collection of compelling recordings by large and small units, Mingus was also a talented writer. His autobiography, *Beneath the Underdog: His World Composed* by Mingus, is unlike any other book by a major jazz artist. Mingus creates vivid portraits of the many people who passed through his life and tells his story with compelling prose. Mingus also wrote a good deal of poetry and prose, all of it reflecting his unique vision. In 1977 he was diagnosed with amyotrophic lateral sclerosis. After several months of steady deterioration, he died in 1979 in Mexico"--Provided by publisher.

Features an introduction with photos.

Upon the Gardens of Epicurus Jul 01 2020 Sir William Temple, diplomat, statesman,

and writer, retired to his garden in the 1680s and wrote what has become one of the key texts, not only of gardening, but also of the English aesthetic. It was he who introduced the idea of the charm of irregularity, and who gave it the allegedly Chinese name sharawadgi. The English style of landscape gardening can be traced in a direct line to this essay, which has not been in print for over 95 years.

**American Musicians** Jan 27 2020 In the 1950s Lee Friedlander arrived in New York and began work as a house photographer for Atlantic Records. Over the next two decades, he would create some of their most famous album covers, and his picture style--including portraits of Ray Charles, Aretha Franklin, Ruth Brown, Charles Mingus, John Coltrane, the Modern Jazz Quartet, and countless others--became forever associated with that golden era of American music. This book is Friedlander's tribute to the great musicians of the post-war years. It includes work from his trips through the Deep South, where he met Delta Blues musicians like Mississippi Fred McDowell, New Orleans marching bands and Nashville performers such as Johnny Cash, the

Carter Sisters and Flatt & Scruggs. There are photographs of unknown bluegrass guitarists in Appalachia, photographs from tours with Count Basie's Orchestra, and images of Jazz geniuses like Thelonius Monk, Duke Ellington, Ornette Coleman and Yusef Lateef. Interviews by Friedlander with R&B legend Ruth Brown and modern jazz pioneer Steve Lacy are included along with an introduction by music impresario Joel Dorn.

*Three Wishes* Dec 06 2020 Offers an unprecedented look inside the lives and music of legendary jazz musicians--including Thelonious Monk, Miles Davis, Charlie Parker, Art Blakey, and many others--in a volume that brings together more than two hundred candid photographs with the personal dreams and wishes of the musicians, as recorded by a renowned patron of the jazz scene.

**Country Music Records** Sep 03 2020 More than twenty years in the making, Country Music Records documents all country music recording sessions from 1921 through 1942. With primary research based on files and session logs from record companies, interviews with surviving musicians, as well as the 200,000 recordings archived at the

Country Music Hall of Fame and Museum's Frist Library and Archives, this notable work is the first compendium to accurately report the key details behind all the recording sessions of country music during the pre-World War II era. This discography documents--in alphabetical order by artist--every commercial country music recording, including unreleased sides, and indicates, as completely as possible, the musicians playing at every session, as well as instrumentation. This massive undertaking encompasses 2,500 artists, 5,000 session musicians, and 10,000 songs. Summary histories of each key record company are also provided, along with a bibliography. The discography includes indexes to all song titles and musicians listed.

**Knossos** Sep 22 2019 The main aims of the research which led to the publication of this book were to place the ceramics from the first major palace period at Knossos, in a 'relative and continuous sequence, based on their immediate archaeological context'. MacGillivray reassesses much of the material assigned by Evans and Mackenzie. Extensive appendices detailing the ceramic types and provenance, with many black and white plates.

*Canada and the West Indies* Apr 10 2021 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. To ensure a quality reading experience, this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy-to-read typeface. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

**Sorcery at Caesars** Nov 17 2021 On the night of April 6, 1987, Sugar Ray Leonard stole a fight. A couple of million witnesses saw him get away with it. Leonard's theft was so slick that the victim, Marvelous Marvin Hagler, didn't know until it was too

late. His middleweight title was picked clean and gone, forever.... In its own way, it was a perfect Sting. Of course, Hagler did not see it that way. But if winners write history, a salesman, a con, a Sweet Scientist, and a sorcerer wrote this one. Leonard was each and all in the parking lot behind Caesars. This is the story of sorcery at Caesars, and how Sugar Ray put the Fight Game on Marvelous Marvin.
