[The Passion of Christ, Strengthen Us...](#) Jan 07 2021 As a result of our "insensitivity" to the will of God Mel Gibson's movie *The Passion of the Christ* may perhaps awaken our spiritual values and challenges us about the reality of heaven and hell in the afterlife. *The Passion of Christ, Strengthen Us...*, written by Dr. E. M. Abear, tells us that if we have for a moment what St. Faustina saw in her visions the brutalities done to Christ in Mel Gibson's film may pale in comparison to how sin offends God. However, the image of Christ on the cover gives us hope of His infinite divine mercy and introduces us to the "Kingdom of Heaven." What sets Dr. Abear's book apart from other writers is his scientific explanation about the death of the human blood in relationship to Christ's own divinity as He dies on the cross. The entire book tries to supplement what movies about Christ cannot fully articulate in words. Thus, after perhaps reading this scholarly dissertation of love and obedience, of sin and forgiveness, of Pope John Paul II's joy and suffering one may hopefully arrive to a better understanding and appreciation about *The Passion of Christ*. Book Review *PASSION OF CHRIST, Strengthen Us* Reviewed by J.R. Pingol The main message of this book is to make us understand that *The Passion of Christ* is the autobiography of our own life. The book starts by defining what is genuine love. The freedom of love according to the author is limited within the confine of God's will by which we all are obligated as creatures to obey, His Ten Commandments. Since we often fail to obey God's ten commandments (priests, nuns, lay persons alike) in our journey through

life God bestows upon us, the gift of our conscience (which the author constantly makes references to Pope John Paul II's concept). Since conscience is often subjective to the will of man there are failures and successes when tested in a world that has gone increasingly secular. Forgiveness and generosity (chapter 3-4) heal the wounds of our misdeeds so we won't lose hope in our search for perfect happiness. By this the author introduces to us the kingdom of heaven (chapter 5). In this chapter we should not miss his beautiful insight of heaven as based from Christ's teaching nor his practical understanding of Christ's eight beatitudes in relationship with our daily struggle in life. Having said that Dr. Abear points out the necessity of our knowing the ugliness of sin (chapter 7) so that no matter how we have sunk into the abyss of sins the two rays from the heart of Jesus (see cover) would show to us the abundance of His divine mercy, particularly available by those who would repent before He comes as a Judge. Chapter 12 opines with a new idea about the Passion of Christ which sets Dr. E. Abear's book apart from other writers. He writes about the physiology of human blood, how it separates into "blood and serum" and its scientific implication to the "blood and water" mentioned in the bible. In the absence of this scientific explanation for centuries most theologians had regarded the divinity of Christ as a mystery. No man in history has lived long after the blood in his heart turns into "water and blood." Indeed, the suffering of Christ in terms of our sinfulness is so brutal that it dwarfs the brutalities in Mel Gibson's movie. Mel Gibson is right: Christ dies to redeem 'the sins of humanity,' past, present and future, regardless of religion, color, or creed. Reflecting on the crucified Jesus reveals to us the autobiography of our own life. The 7th canticle of conversion concludes the book: Out of your divine mercy, oh Christ Comes my little faith Which out of my unbelief you deliver me from evil and embrace me for a new start.

The Passion and Death of Our Lord Jesus Christ Apr 22 2022 Archbishop Alban Goodier, S.J. fills in the many blanks in the historical narratives about the Passion of Jesus Christ with a riveting account based on history, culture and his own deep spiritual insights. He brings to life and unifies the many observations, emotions and subtle and not-so-subtle actions that revolve around the person of God the Son as he faces his most tragic and triumphant moment. The author's unique approach intersperses Scripture accounts with the commentary of an incisive narrator who sifts and judges from the span of hundreds of years. He draws from the obvious as well as the obscure, and finds supernatural meaning in the most mundane actions that surround the suffering Christ. In the hands of this writer, the Lord's few words, accompanied by the author's commentary, challenge contemporary believers as much as they did those who first followed in the footsteps of Christ and his apostles. The author was born in 1869 in Lancashire, northern England and educated at the prominent Catholic college, Stonyhurst, which has been the source of many English Catholic politicians, intellectuals and business people. After a degree from the University of London, he was ordained a Jesuit in 1903. He served as archbishop of Bombay from 1919 to 1926 and returned to England to write and serve as a chaplain until his death in 1939.

*The Theology of The Passion of the Christ* Oct 04 2020 A serious, scene by scene, indepth theological study of the Mel Gibson film "The Passion of the Christ, Dr. Miller's analysis not only focuses on the more obvious Marian, Eucharistic and Incarnational themes, but she also discusses and explains the more difficult images and gestures of the movie such as the demon child held by Satan, the decaying carcass behind Judas, and the raven above the thief's cross, etc. Written in a very readerfriendly style, the book also discusses the film's depiction of the Jews and Romans and examines the various sources of "The Passion, notably The Dolorous Passion of Our Lord Dolorous Passion of our Lord Jesus Chirst, by Anne Catherine Emmerich. One chapter examines how the movie has changed people's lives and an Appendix compares "The Passion of the Chirst to other movies about the life of Jesus. **The Dolorous Passion of Our Lord Jesus Christ** Oct 28 2022 The meditations in this book will probably rank high among many similar works which the contemplative love of Jesus has produced; but it is our duty here plainly to affirm that they have no pretensions whatever to be regarded as history. They are but intended to take one of the lowest places among those numerous representations of the Passion which have been given us by pious writers and artists, and to be considered at the very utmost as the Lenten meditations of a devout nun, related in all simplicity, and written down in the plainest and most literal language, from her own dictation. To these meditations, she herself never attached more than a mere human value, and never related them except through obedience, and upon the repeated commands of the directors of her conscience.

Do not allow yourself to be patted to sleep in a comfortable church, void of power and barren of fruit. Do not paint the cross nor deck it with flowers. Take it for what it is, as it is, and you fill find the rugged way to death and life. Let it slay you utterly." - A. W. **The Dolorous Passion of Our Lord Jesus Christ** Jul 13 2021 *The Mystical Visions of the Last Hours of Jesus Christ* This is an account of the events leading up to the Crucifixion of Christ by a 19th century German stigmatic and visionary, Anne Catherine Emmerich. This once-obscure book recently achieved a much higher profile because it was used as an inspiration for the screenplay of Mel Gibson's controversial movie, *The Passion of the Christ*. A riveting account of this pivotal event, the story is told with great attention to small details, many not mentioned in the Gospels. This is not a novelization; it is a recounting of Emmerich's ecstatic visions, which were accompanied by painful and mysterious physical torments. Emmerich was practically illiterate and this book was dictated by her, which makes the fact that the narrative is so internally coherent all the more compelling.

*The Passion in Art* Sep 22 2019 Jesus was not depicted on the cross until the early fifth century. Since then this scene has been painted or carved in sharply differing ways. With the aid of over thirty full-page plates, *The Passion in Art* explores the historical contexts and theologies that led to such differing depictions. Because the first Christians saw the Crucifixion and Resurrection of Jesus as different aspects of a unified victory over sin and death, scenes of the Passion are juxtaposed with some of the Resurrection, which again are highly varied in what they do and do not show. This is the first book to consider the Passion as portrayed in the whole sweep of Christian history. Each picture is considered both from the point of view of its context and its theological standpoint. Spanning the centuries, the images reproduced and discussed include: scenes from the Passion of Christ in the Catacombs of Domitilla, mosaics in Ravenna, the Rabbula Crucifixion and Resurrection, the Crucifixion Plaque from Metz, the Gero Crucifix, Cimabue's Crucifix, Giotto's Noli me Tangere, Piero della Francesca's Resurrection, the Isenheim altarpiece, Caravaggio's Supper at Emmaus, Rembrandt's Christ on the Cross, Chagall's White Crucifixion, contemporary paintings by Stanley Spencer, Graham Sutherland, Nicholas Mynheer, and many more works of great acclaim.

*From Judgment to Passion* Aug 22 2019 How and why did the images of the crucified Christ and his grieving mother achieve such prominence, inspiring unparalleled religious creativity as well such imitative extremes as celibacy and self-flagellation? To answer this question, Fulton ranges over developments in liturgical performance, private prayer, doctrine, and art.

**The Passion of Jesus in the Gospel of John** Aug 14 2021 With this volume on John the Passion series concludes its study of the meaning of Jesus' death in each of the Gospels. But though last, it is certainly not less important or a repetition of the other Gospels. In fact, John's portrayal of the death is as distinctive and unique as the rest of this maverick" Gospel. Father Senior explores how the rest of the Gospel prepares for the Passion story. He then gives a detailed analysis of the Passion narrative itself. Finally, he explores the theological motifs that dominate the Passion narrative. With scholarly finesse and deep pastoral awareness, he makes John's vibrant message of the Passion speak to our life and times. "

**Passion of Christ** Dec 26 2019 Meet Jesus as a gay man of today in a contemporary city with *The Passion of Christ: A Gay Vision*. In stunning new images, the modern Christ figure is jeered by fundamentalists, tortured by Marine look-alikes, and rises again to enjoy homoerotic moments with God. His surprisingly diverse friends join him on a journey from suffering to freedom. Readers call it "accessible but profound." Some are moved to tears. The 24 paintings in the gay Passion cover Jesus' final days, including his arrest, trial, crucifixion, and resurrection. A queer Passion is important now because Christianity is being used to justify hate and discrimination against lesbian, gay, bisexual and transgender people. Each image is accompanied by insightful commentary, plus a short prayer and scripture. If Jesus came back today, would he be crucified all over again? Would we even recognize him? See for yourself in the gay vision of the Passion.

*The Trials and Passion of Christ* May 31 2020 Description: The Passion of Christ is observed by people all around the world as one of the more significant days on the Christian calendar. In certain parts of the world, such as the Philippines, the re-enactments of the crucifixion can go so far as to include actual nails driven through the hands of participants as they wail in pain. Is this the way we are to learn about the crucifixion? Will a re-enactment teach us the truth of the cross? The text of John 18 and 19 teaches us clearly the facts of the crucifixion and is surrounded by intrigue and mystery. For too long, Protestant Christianity has neglected the years of scholarship in pre-reformation and post-reformation Roman research. In *The Trials and Passion of Christ*, Michael Cannon brings together the best of Protestant and Roman scholasticism to uncover significant details surrounding the trials and the drama of the crucifixion on Golgotha. This book is a journey, reading nearly like an eye-witness report, through the trials, the suffering, and the passion of Christ. Endorsements: ""The Trials and Passion of Christ reads as easily as a series of sermons and is written by one who clearly has a pastor's heart for relating the Word to life for the sake of encouraging discipleship."" --Daniel M. Bell Jr. Lutheran Theological Southern Seminary ""Michael Cannon is a master of biblical exposition, framing each chapter of *The Trials and Passion of Christ* with the perspective of a watchful first-century eye, blending the colors and tones of historical details and biblical insights with just the right shades of illustrative material to illuminate a vivid and compelling portrait of the suffering Lamb of God."" --R. J. Gore Jr. Professor of Systematic Theology Erskine Theological Seminary ""Michael Cannon has written *The Trials and Passion of Christ* with scholarly attention, pastoral awareness, and devotional sensitivity to help the disciple of Jesus move closer to the divinely inspired revelation of the anointing work of Jesus Christ on the Cross. In writing this, the author helps us also move closer to Christ Himself. For this reason alone, though there are many others, I am bound to commend this work."" --Michael A. Milton James M. Baird Chair of Pastoral Theology Reformed Theological Seminary ""The Trials and Passion of Christ brings you into the

presence of each event as they unfold. Michael Cannon has written an insightful and inspiring treasure that will benefit Christians all over the world. His approach makes it easy to follow and allows the reader to gain tremendous revelation of John 18 and 19. This book should be used by ministers, adult class teachers, and Bible teachers. I highly recommend this book and I can't wait to get my copy!" --Albert L. Downing Senior Pastor, Oak Grove Baptist Church Pontiac, South Carolina ""Mike Cannon's The Trials and Passion of Christ is a wonderful study of our Lord's last moments on earth. His down to earth stories are those that many readers can relate to. I was able to close my human eyes and see the examples via 'spiritual eyes.' The study will be valuable to any minister preparing for sermons or Bible studies during the days leading up to our Lord's triumph over the grave and death. Any reader will be inspired by Jesus' suffering endured on our behalf. I strongly recommend this work."" --Samuel J. T. Boone Chaplain (Colonel) USA--Retired About the Contributor(s): Michael E. Cannon Jr. is ordained as a minister in the Presbyterian Church in America and serves as an instructor and supervisor at the U. S. Army Chaplain Center and School. *A Passion for Christ* Nov 29 2022 In a culture increasingly secular in its pursuits and indifferent to the voice of the church, how may we ignite the fire for ministry that will bring the gospel to the world? How can weary pastors be sustained amidst a climate of doubt and resistance? For more than half a century, three remarkable brothers have offered a vision that has inspired thousands in churches and seminaries. Today, their message remains fresh and relevant as we enter a new millennium. And for one reason: The Brothers Torrance share a passion for Christ--the Christ of the Scriptures, the Christ of the historic Nicene faith. These essays distill the essence of their thought, and shine with the clarity of their shared vision. A Passion for Christ is a light of encouragement for ministers and lay people elsewhere.
