Christianity's Family Tree Participant's Guide Jun 10 2021 This book is excellent for individual reading or can be used as the small group study book for the Christianity's Family Tree DVD based study. Adam Hamilton is, in my opinion, a national treasure. He embodies the kind of generous orthodoxy so many of us have been dreaming of and praying for. This book provides something truly unique—a kind of orientation to Christianity in its wide array of forms that not only educates but inspires. It's one of the few books I wish every single Christian would read and share with their friends. - Brian McLaren, author of *A New Kind of Christian* In this wise and practical book, Adam Hamilton serves as a trusted guide to some of the rich diversity of Christian belief and practice. It is a rare feat to acknowledge differences and distinctiveness appreciatively, and Hamilton does it with exceptional grace and insight. - L. Gregory Jones, Dean and Professor of Theology, Duke Divinity School I love this book. Adam Hamilton teaches us that we are far richer than we know, because the beauty and the fullness of the whole church is ours. Read, learn, and be happy. - John Ortberg, author of *God Is Closer Than You Think* In this book, Adam Hamilton presents a welcoming, inspiring vision of eight Christian denominations and faith traditions. Comparing the Christian family to our own extended families, he contends that each denomination has a unique, valuable perspective to offer on the Christian faith. The traditions he examines are Orthodoxy, Catholicism, Lutheranism, Presbyterianism, Anglicanism, Baptists, Pentecostalism, and Methodism. For each group, Hamilton gives a brief history, outlines major beliefs, and describes some things we can learn from that tradition to strengthen our own Christian faith. Also available is the planning kit for this video-based small-group study *Christianity's Family Tree: What Other Christians Believe and Why*. Adam Hamilton is pastor of the United Methodist Church of the Resurrection, one of the fastest growing, most highly visible churches in the country. Named by PBS's Religion and Ethics Newsweekly as one of the top "Ten People to Watch," Hamilton is the author of numerous video based small group studies and books from Abingdon Press.

Eternity Is Now in Session Participant's Guide Aug 20 2019 A 5-session journey to discover what it really means to be "saved." For Christians, perhaps the deepest expression of what we're waiting for is found in the phrase "eternal life." But what is eternal life? Why do we want it? And how do we know if we have it? In the *Eternity Is Now in Session Participant's Guide*, bestselling author John Ortberg takes you on a radical journey of rediscovery, dispelling the myth that eternal life is something way out in outer space that we can only hope to experience after we die. Instead, John unpacks the reality that the moment we trust Christ, we are initiated into "eternal living" with God as a here-and-now reality, one that will continue beyond our life on this earth. We can truly know God, experiencing His presence, favor, and resurrection power right here on this earth—in the details, tasks, and challenges of daily, ordinary life. And as we begin to know God this way, we'll realize each moment of our lives is a vehicle to the eternity we've been longing for all along. Note: This is a companion piece to the *Eternity Is Now in Session* DVD Experience (9781496431684) and John Ortberg's book *Eternity Is Now in Session* (9781496431646).

The Struggle Is Real Participant's Guide Nov 15 2021 The *Struggle Is Real Participant's Guide* is a six-session workbook designed for use with *The Struggle Is Real DVD Experience* (sold separately), based on the new book by popular speaker and Bible teacher Nicole Unice. A great resource for church groups, Bible studies, and anyone who's ever felt life just shouldn't be this hard! Raise your hand if you've ever had a day where everything that could go wrong does go wrong—you lock your keys in the car while it's running, lose control with your kids, make a mistake at the office that results in hours' more work. And just when you think not one more thing could possibly happen . . . well, fill in the blank. The struggle is real, friends. It may not be major stuff. Lives are not on the line here. But it makes us feel awful . . . and then we feel guilty for stressing when other people have "real" problems that are so much more serious. Yet the fact remains: We live in a world that often feels harder than we think it should be. And so it can be easy to believe the stories we tell ourselves—that we're doing it wrong, that we'll be stuck in this place forever, that God doesn't love us. We struggle practice gratitude, to make godly choices, and to live our daily lives with confidence and contentment. So what can we do? Join Nicole Unice to discover why the struggle is real . . . and what to do about it. In *The Struggle Is Real Participant's Guide* Nicole offers practical tools to help you navigate the daily ups and downs, and ways to rewrite your struggle into a new, God-centered life story. Includes access to free online video streaming for 90 days!

Real Marriage Participant's Guide May 29 2020 Pastor Mark Driscoll and his wife, Grace, talk about sex and marriage in down-to-earth terms, hitting issues other Christian books won't. While a wonderful wedding day is important, it's the last day of marriage that really counts. Will the last day of your marriage come prematurely through divorce? Will it be filled with regrets as you sit at the funeral of your spouse? Or, by God's grace, will the last day be a day to rejoice in the life you lived together? Pastor Mark Driscoll and his wife, Grace, want you to finish well on the last day. In this interactive DVD-based study, they share private and painful issues that damaged their own marriage—including his introduction to pornography in elementary school and her abuse as a teenager at the hands of a boyfriend—and how they overcame them to experience healing and joy with each other again. Together they tackle the tough issues, such as: Should I confess my pre-marital sexual sin to my husband/wife? Is it okay to have a "work husband/wife"? Can I say no to my husband when I really do have a headache? What does the Bible say about masturbation and oral sex? From fun date night tips to the most tricky "can we do that?" sex questions, Mark and Grace share practical help and hope with people just like them—who entered marriage a complete mess or who are planning to be married someday and want to avoid some sticky pitfalls.

Christianity and World Religions - Participant's Book May 09 2021 Adam Hamilton, named by PBS's Religion and Ethics Newsweekly as one of the top "Ten People to Watch," has created an inviting new series of video-and-book studies on love and marriage, life issues, world religions, and Christian denominations. Hamilton calls these small-group studies "fishing expeditions," because they include tools for congregation wide and communitywide programs to draw in new members. Components include DVD, participant's book, leader's guide, and pastor's guide with CD-ROM. 6-8 sessions / 60-90 minutes Christianity and World Religions: Wrestling With Questions People Ask is a video-based small-group study and outreach program that explores four major world religions- Hinduism, Buddhism, Islam, and Judaism – and compares the beliefs of each with those of Christianity. This six-week study deals openly and honestly with questions people ask about other religions, including why we should believe the claims of Christianity over those of other faiths. As part of the study, author and presenter Adam Hamilton interviews a religious leader from each tradition. He treats the world religions with great respect, recognizing the unique contributions of each. In examining these major world religions and the beliefs of their followers, the Reverend Hamilton urges us as Christians to build bridges with others so that we might grow in our faith, seek peace in our world, love our neighbor, and find positive ways to share the gospel. For group or individual study, the book can be used by class participants during the study group meeting or at home for additional reflection. Includes detailed content for the six sessions.
