Jimmy Jun 01 2020 This is a book filled with laughter, fun and curiosity for its readers. It tells the story of Jimmy, his brothers and friends growing with the freedom to explore in Kalida, Ohio, a community comprised of people who participated together to improve the lives of everyone. Family and friends make up the central theme. They all knew each other so the sense of support and confidence always prevailed. This is a biographical look at a small town during the 1950's. It shows how the residents of Ohio

Putnam County, and nearby areas lived. The fun they shared playing at Big Bend and the stories about the church socials, Pioneer Days and the county fairs will make you laugh out loud. The lives of these young boys will entertain you. Family vacations filled with fishing, swimming and the make do rental cabins are comical. This story portrays how one family lived their lives and how the community was the backdrop for Jimmy's innocent freedom.

control method developed here is based on the analysis of human operators' performance; it applies neural networks, fuzzy logic and finite state machines to embody human excavation strategies for on-line bucket digging trajectory design. A behavior-based control architecture organizes operation of the modules to achieve quick system response.

Tattoo—Journeys on My Mind Jun 13 2021 Sometimes exploring places and meeting people outside your familiar world can reveal who you are or where you're from—perhaps even more clearly than looking in a mirror. We recommend it! Most likely, you will eventually harden to the retort, “Why are you going there?” After a lifetime of exploring on her own terms, author Tina Marie L. Lamb calls this delightful collection of stories her midlife crisis. And she's determined to pull you along with her. Embark with Tina Marie from the peacefulness of an overnight in a South Carolina tree house (albeit with spiders and snakes) to being held captive on the Ganges River by a boatman haggling for extra Rupees before he'll navigate her ashore. Or, accompany Tina Marie as she wrestles a halibut off the Alaskan coast, wears bruises like medals after a stint on a dog sled team, and ventures into narrow cave tunnels where a single wave could scatter hundreds of bats. And just keep still as she tries to avoid buying a cow at a cattle auction. Perhaps in an unconscious effort to justify her life, Tina Marie shares this eclectic mix of stories that have become deeply imbedded in her. With dry wit and deep insight, you'll be alternately entertained and pleasantly jolted by her perceptions. Tina Marie swears there is not much to tell about her. But these pages will likely tell you more about Tina Marie than she intended. She's clear about her intent: “How fortunate I am to live in a time and place where an ordinary person like me can act on her wanderlust! I'm not looking for someplace better. I'm just looking.” ...the world is just waiting for you to come dance. -Tina Marie L. Lamb **Tattoo—Journeys on My Mind**
