It will not waste your time. give a positive response me, the e-book will utterly sky you additional event to read. Just invest little epoch to entre this on-line message Guide Plus as with ease as review them wherever you are now.

Eros Plus Massacre May 05 2020 The decade of the 1960s encompassed a "New Wave" of films whose makers were rebels, challenging cinematic traditions and the culture at large. The films of the New Wave in Japan have, until now, been largely overlooked. Eros plus Massacre (taking its title from a 1969 Yoshida Yoshishige film) is the first major study devoted to the examination and explanation of Japanese New Wave film. Dessler organizes his volume around the defining motifs of the New Wave. Chapters examine in depth such themes as youth, identity, sexuality, and women, as they are revealed in the Japanese film of the sixties. Dessler's research in Japanese film archives, his interviews with major figures of the movement, and his keen insight into Japanese culture combine to offer a solid and balanced analysis of films by Oshima, Shinoda, Imamura, Yoshida, Suzuki, and others.

PHIGS and PHIGS PLUS May 29 2022 The Programmer's Hierarchical Interactive Graphics System (PHIGS), has become the standard language for graphics programming succeeding the previous market leader and ISO standard -GKS. This book is a practical tutorial on how to write graphics applications using PHIGS and PHIGS+. It covers the basic theory of PHIGS and 3D graphics including colour theory, transformations, splines and rendering, and also contains examples of how to implement practical graphics functionality such as using structure networks, creating viewing transformations and using input devices in a real application environment. The numerous example programs cover both the ISO C and FORTRAN language bindings. The text contains eight pages of colour plates, and has six appendices of reference.

Death Plus Ten Years Oct 29 2019 "Roger Cooper was arrested at gunpoint for alleged espionage while on a business trip to Tehran in December 1985. So began an extraordinary mental and physical struggle with his Iranian captors that was to last five years, three months and 25 days. Long after his parody of a trial in Evin gaol, Cooper learnt of his sentence: 'Death plus ten years.' Asking 'Which comes first?' he was told he would be held for ten years and then hanged. He replied: "Please don't make it the other way round." "For 25 years Cooper had worked in Iran as a journalist, teacher, Persian translator, business consultant and Middle Eastern expert. Now he found himself beaten and blindfolded and threatened with indefinite gaol unless he 'confessed'."--BOOK JACKET. Title Summary field provided by Blackwell North America, Inc.
