Honest Answers about the Murder of President John F. Kennedy Feb 24 2022 Thousands of books and articles have been written about the murder of JFK, many of which are large in volume and short on facts. This book seeks to separate the wheat from the chaff. It is 55-plus years later: it is time for real, honest answers in an easy-to-read and understand format. Proof of a conspiracy; no theories; to-the-point; a perspective on the assassination for the millennial age and beyond. Based on years—decades—of primary source research and having read countless books on the subject.
