Our easy to understand study guide will TEACH you the information. We've condensed what you need to know into a manageable book - one that will leave you completely prepared to tackle the test. This study guide includes sample test questions that will test your knowledge AND teach you new material. Your Ethics in America study guide also includes flashcards. Use these to memorize key concepts and terms. Anyone can take and pass a DANTES test. What are you waiting for?

[America's Original Sin](#) Dec 06 2022 America's problem with race has deep roots, with the country's foundation tied to the near extermination of one race of people and the enslavement of another. Racism is truly our nation's original sin. "It's time we right this unacceptable wrong," says bestselling author and leading Christian activist Jim Wallis. Fifty years ago, Wallis was driven away from his faith by a white church that considered dealing with racism to be taboo. His participation in the civil rights movement brought him back when he discovered a faith that commands racial justice. Yet as recent tragedies confirm, we continue to suffer from the legacy of racism. The old patterns of white privilege are colliding with the changing demographics of a diverse nation. The church has been slow to respond, and Sunday morning is still the most segregated hour of the week. In [America's Original Sin](#), Wallis offers a prophetic and deeply personal call to action in overcoming the racism so ingrained in American society. He speaks candidly to Christians--particularly white Christians--urging them to cross a new bridge toward racial justice and healing. Whenever divided cultures and gridlocked power structures fail to end systemic sin, faith communities can help lead the way to grassroots change. Probing yet positive, biblically rooted yet highly practical, this book shows people of faith how they can work together to overcome the embedded racism in America, galvanizing a movement to cross the bridge to a multiracial church and a new America.

[The American Dream](#) Aug 10 2020 The first "narrative history" traces the thread that binds the dreams and aspirations of most Americans together, exploring shared history and sacred texts--the Constitution and the Declaration of Independence--in search of the origins of these ideas. Study Guide for The American Economy Jan 07 2023

[The Coddling of the American Mind](#) Dec 02 2019 Something is going wrong on many college campuses in the last few years. Rates of anxiety, depression, and suicide are rising. Speakers are shouted down. Students and professors say they are walking on eggshells and afraid to speak honestly. How did this happen? First Amendment expert Greg Lukianoff and social psychologist Jonathan Haidt show how the new problems on campus have their origins in three terrible ideas that have become increasingly woven into American childhood and education: what doesn't kill you makes you weaker; always trust your feelings; and life is a battle between good people and evil people. These three Great Untruths are incompatible with basic psychological principles, as well as ancient wisdom from many cultures. They interfere with healthy development. Anyone who embraces these untruths--and the resulting culture of safetyism--is less likely to become an autonomous adult able to navigate the bumpy road of life. Lukianoff and Haidt investigate the many social trends that have intersected to produce these untruths. They situate the conflicts on campus in the context of America's rapidly rising political polarization, including a rise in hate crimes and off-campus provocation. They explore changes in childhood including the rise of fearful parenting, the decline of unsupervised play, and the new world of social media that has engulfed teenagers in the last decade. This is a book for anyone who is confused by what is happening on college campuses today, or has children, or is concerned about the growing inability of Americans to live, work, and cooperate across party lines.

[The Making of America](#) Mar 05 2020 The United States of America has been blessed with the world's greatest political success formula. In a little over a century, this formula allowed a small segment of the human family--less than 6 percent--to become the richest nation on earth. It allowed them to create more than half of the world's total output in production and enjoy the highest standard of living in the history of the world. In this book, we learn how the Founding Fathers discovered this success formula. Much of this discovery is told in the words of the Founders themselves, so that the reader can feel the power of their minds sweeping away thousands of years of bad government and illogical laws to formulate a whole new society based on human freedom. By returning to the roots of the Founders' thinking, and contemplating the logic that they used in establishing the Constitution, we can better understand the challenges and solutions that confront us in today's political world. This eBook includes the original index, illustrations, footnotes, table of contents and page numbering from the printed format.

American Character Oct 31 2019 The author of American Nations examines the history of and solutions to the key American question: how best to reconcile individual liberty with the maintenance of a free society The struggle between individual rights and the good of the community as a whole has been the basis of nearly every major disagreement in our history, from the debates at the Constitutional Convention and in the run up to the Civil

War to the fights surrounding the agendas of the Federalists, the Progressives, the New Dealers, the civil rights movement, and the Tea Party. In *American Character*, Colin Woodard traces these two key strands in American politics through the four centuries of the nation's existence, from the first colonies through the Gilded Age, Great Depression and the present day, and he explores how different regions of the country have successfully or disastrously accommodated them. The independent streak found its most pernicious form in the antebellum South but was balanced in the Gilded Age by communitarian reform efforts; the New Deal was an example of a successful coalition between communitarian-minded Eastern elites and Southerners. Woodard argues that maintaining a liberal democracy, a society where mass human freedom is possible, requires finding a balance between protecting individual liberty and nurturing a free society. Going to either libertarian or collectivist extremes results in tyranny. But where does the "sweet spot" lie in the United States, a federation of disparate regional cultures that have always strongly disagreed on these issues? Woodard leads readers on a riveting and revealing journey through four centuries of struggle, experimentation, successes and failures to provide an answer. His historically informed and pragmatic suggestions on how to achieve this balance and break the nation's political deadlock will be of interest to anyone who cares about the current American predicament—political, ideological, and sociological.

The Book of Unknown Americans May 31 2022 "Illuminate[s] the lives behind the current debates about Latino immigration." —The New York Times Book Review When fifteen-year-old Maribel Rivera sustains a terrible injury, the Riveras leave behind a comfortable life in Mexico and risk everything to come to the United States so that Maribel can have the care she needs. Once they arrive, it's not long before Maribel attracts the attention of Mayor Toro, the son of one of their new neighbors, who sees a kindred spirit in this beautiful, damaged outsider. Their love story sets in motion events that will have profound repercussions for everyone involved. Here Enriquez seamlessly interweaves the story of these star-crossed lovers, and of the Rivera and Toro families, with the testimonials of men and women who have come to the United States from all over Latin America. *The Book of Unknown Americans* is a stunning novel of hopes and dreams, guilt and love—a book that offers a resonant new definition of what it means to be American. Named a New York Times and Washington Post Notable Book, an NPR Great Read, The Daily Beast's Novel of the Year, and a Mother Jones, Oprah.com, School Library Journal, and BookPage Best Book of the Year

White Trash Apr 05 2020 The New York Times bestseller A New York Times Notable and Critics' Top Book of 2016 Longlisted for the PEN/John Kenneth Galbraith Award for Nonfiction One of NPR's 10 Best Books Of 2016 Faced Tough Topics Head On NPR's Book Concierge Guide To 2016's Great Reads San Francisco Chronicle's Best of 2016: 100 recommended books A Washington Post Notable Nonfiction Book of 2016 Globe & Mail 100 Best of 2016 "Formidable and truth-dealing . . . necessary." —The New York Times "This eye-opening investigation into our country's entrenched social hierarchy is acutely relevant." —O Magazine In her groundbreaking bestselling history of the class system in America, Nancy Isenberg upends history as we know it by taking on our comforting myths about equality and uncovering the crucial legacy of the ever-present, always embarrassing—if occasionally entertaining—poor white trash. "When you turn an election into a three-ring circus, there's always a chance that the dancing bear will win," says Isenberg of the political climate surrounding Sarah Palin. And we recognize how right she is today. Yet the voters who boosted Trump all the way to the White House have been a permanent part of our American fabric, argues Isenberg. The wretched and landless poor have existed from the time of the earliest British colonial settlement to today's hillbillies. They were alternately known as "waste people," "offals," "rubbish," "lazy lubbers," and "crackers." By the 1850s, the downtrodden included so-called "clay eaters" and "sandhillers," known for prematurely aged children distinguished by their yellowish skin, ragged clothing, and listless minds. Surveying political rhetoric and policy, popular literature and scientific theories over four hundred years, Isenberg upends assumptions about America's supposedly class-free society—where liberty and hard work were meant to ensure real social mobility. Poor whites were central to the rise of the Republican Party in the early nineteenth century, and the Civil War itself was fought over class issues nearly as much as it was fought over slavery. Reconstruction pitted poor white trash against newly freed slaves, which factored in the rise of eugenics—a widely popular movement embraced by Theodore Roosevelt that targeted poor whites for sterilization. These poor were at the heart of New Deal reforms and LBJ's Great Society; they haunt us in reality TV shows like *Here Comes Honey Boo Boo* and *Duck Dynasty*. Marginalized as a class, white trash have always been at or near the center of major political debates over the character of the American identity. We acknowledge racial injustice as an ugly stain on our nation's history. With Isenberg's landmark book, we will have to face the truth about the enduring, malevolent nature of class as well.

Study Guide Student Workbook for A Border Passage From Cairo to America A Woman's Journey Jun 07 2020 The Student Workbooks are designed to get students thinking critically about the text they read and provide a guided study format to facilitate in improved learning and retention. Teachers and Homeschool Instructors may use the activities included to improve student learning and organization. Students will construct and identify the following areas of knowledge. Character Identification Events Location Vocabulary Main Idea Conflict And more as appropriate to the text.

The Soul of America Oct 24 2021 #1 NEW YORK TIMES BESTSELLER • Pulitzer Prize–winning author Jon Meacham helps us understand the present moment in American politics and life by looking back at critical times in our history when hope overcame division and fear. ONE OF OPRAH'S "BOOKS THAT HELP ME THROUGH" • NAMED ONE OF THE BEST BOOKS OF THE YEAR BY NPR • The Christian Science Monitor • Southern Living Our current climate of partisan fury is not new, and in *The Soul of America* Meacham shows us how what Abraham Lincoln called the "better angels of our nature" have repeatedly won the day. Painting surprising portraits of Lincoln and other presidents, including Ulysses S. Grant, Theodore Roosevelt, Woodrow Wilson, Franklin D. Roosevelt, Harry S. Truman, Dwight Eisenhower, and Lyndon B. Johnson, and illuminating the courage of such influential citizen activists as Martin Luther King, Jr., early suffragettes Alice Paul and Carrie Chapman Catt, civil rights pioneers Rosa Parks and John Lewis, First Lady Eleanor Roosevelt, and Army-McCarthy hearings lawyer Joseph N. Welch, Meacham brings vividly to life turning points in American history. He writes about the Civil War, Reconstruction, and the birth of the Lost Cause; the backlash against immigrants in the First World War and the resurgence of the Ku Klux Klan in the 1920s; the fight for women's rights; the demagoguery of Huey Long and Father Coughlin and the isolationist work of America First in the years before World War II; the anti-Communist witch-hunts led by Senator Joseph McCarthy; and Lyndon Johnson's crusade against Jim Crow. Each of these dramatic hours in our national life have been shaped by the contest to lead the country to look forward rather than back, to assert hope over fear—a struggle that continues even now. While the American story has not always—or even often—been heroic, we have been sustained by a belief in progress even in the gloomiest of times. In this inspiring book, Meacham reassures us, "The good news is that we have come through such darkness before"—as, time and again, Lincoln's better angels have found a way to prevail. Praise for *The Soul of America* "Brilliant, fascinating, timely . . . With compelling narratives of past eras of strife and disenchantment, Meacham offers wisdom for our own time."—Walter Isaacson "Gripping and inspiring, *The Soul of America* is Jon Meacham's declaration of his faith in America."—Newsday "Meacham gives readers a long-term perspective on American history and a reason to believe the soul of America is ultimately one of kindness and caring, not rancor and paranoia."—USA Today

Whistleblower 211 Jan 03 2020 This study guide reveals the secrets of increasing your knowledge in African American History. It includes 211+ essential multiple choice and critical thinking questions. Topics are African History, Antebellum America, Reconstruction, the Civil Rights Movement, Black Women's History, the Black Arts Movement, Sports, Quantitative History . . . and more!

The First Americans Jul 01 2022 Discusses the United States' prehistory, including Native American life and early explorers such as Christopher Columbus and Ponce de Leon.

Americas: Study Guide Apr 29 2022 The study guide bridges all course components and lists the learning objectives of each of the course units. Each chapter corresponds directly to one of the 13 course units. The first two chapters provide essential background on the series themes, including general history and geography. The succeeding 10 chapters follow the progression of the television series, expanding on the material covered in the programs and providing cross-references for textbook assignments. The final unit sums up the main points presented in the television course and reviews students' knowledge. Each chapter of the study guide begins with a brief unit summary, followed by a list of critical thinking questions that address the learning objectives and an overview that integrates the program with the readings. In addition, each study guide chapter includes a glossary of key English, Spanish, and Portuguese words, with pronunciations, learning objectives, self-test questions and references to books, films, and other activities.

American History 2 Apr 17 2021 American History 2 covering the end of Civil War to 2021. Aligned to college course coverage of U.S. History 2, this essential reference to facts includes key events arranged in a succinct yet comprehensive timeline offering easy access to significant turning points, people, politics and places that shaped the U.S. as a nation. The broad scope of time includes so much that it will inspire you to research beyond the

guide when you find history that you've never known before. Arranged by bold dates in color coded sections, this 6-page laminated guide will help any reader get the facts they need as a history buff or to boost grades whether studying in college or high school. This durable and thorough guide has a high value for a small price with more facts per page than any book or website. 6 page laminated reference guide includes: Wounds of the Civil War 1865-1898 Expansion at Home & Abroad 1867-1917 The Gilded Age 1876-1899 The Progressive Era 1900-1914 World War I & Normalcy 1914-1928 Victorian to Modern America 1884-1928 Depression & the New Deal 1929-1941 Global Origins of World War II 1922-1941 World War II 1941-1945 The Cold War Begins 1946-1959 The Baby Boom Generation 1944-1969 The Rise & Fall of Postwar Liberalism 1960-1979 Conservatism Ascendant 1980-1989 The Cold War Ends, New Challenges Begin 1989-2000 America in the 21st Century 2001-2021

The Harbinger Companion With Study Guide Feb 25 2022 The New York Times best seller The Harbinger now has an indispensable companion that will enable you to go deeper into the prophetic revelations and decode the mysteries that have caused a stir throughout the nation.

America for Beginners Feb 02 2020 Recalling contemporary classics such as Americanah, Behold the Dreamers, and The Brief Wondrous Life of Oscar Wao, a funny, poignant, and insightful debut novel that explores the complexities of family, immigration, prejudice, and the American Dream through meaningful and unlikely friendships forged in unusual circumstances. Pival Sengupta has done something she never expected: she has booked a trip with the First Class India USA Destination Vacation Tour Company. But unlike other upper-class Indians on a foreign holiday, the recently widowed Pival is not interested in sightseeing. She is traveling thousands of miles from Kolkata to New York on a cross-country journey to California, where she hopes to uncover the truth about her beloved son, Rahi. A year ago Rahi devastated his very traditional parents when he told them he was gay. Then, Pival's husband, Ram, told her that their son had died suddenly—heartbreaking news she still refuses to accept. Now, with Ram gone, she is going to America to find Rahi, alive and whole or dead and gone, and come to terms with her own life. Arriving in New York, the tour proves to be more complicated than anticipated. Planned by the company's indefatigable owner, Ronnie Munshi—a hard-working immigrant and entrepreneur hungry for his own taste of the American dream—it is a work of haphazard improvisation. Pival's guide is the company's new hire, the guileless and wonderfully resourceful Satya, who has been in America for one year—and has never actually left the five boroughs. For modesty's sake Pival and Satya will be accompanied by Rebecca Elliot, an aspiring young actress. Eager for a paying gig, she's along for the ride, because how hard can a two-week "working" vacation traveling across America be? Slowly making her way from coast to coast with her unlikely companions, Pival finds that her understanding of her son—and her hopes of a reunion with him—are challenged by her growing knowledge of his adoptive country. As the bonds between this odd trio deepens, Pival, Satya, and Rebecca learn to see America—and themselves—in different and profound new ways. A bittersweet and bighearted tale of forgiveness, hope, and acceptance, America for Beginners illuminates the unexpected enchantments life can hold, and reminds us that our most precious connections aren't always the ones we seek.

Latin American History I Mar 29 2022

American Like Me Jan 15 2021 INSTANT NEW YORK TIMES BESTSELLER From award-winning actress and political activist America Ferrera comes a vibrant and varied collection of first-person accounts from prominent figures about the experience of growing up between cultures. America Ferrera has always felt wholly American, and yet, her identity is inextricably linked to her parents' homeland and Honduran culture. Speaking Spanish at home, having Saturday-morning-salsa-dance-parties in the kitchen, and eating tamales alongside apple pie at Christmas never seemed at odds with her American identity. Still, she yearned to see that identity reflected in the larger American narrative. Now, in American Like Me, America invites thirty-one of her friends, peers, and heroes to share their stories about life between cultures. We know them as actors, comedians, athletes, politicians, artists, and writers. However, they are also immigrants, children or grandchildren of immigrants, indigenous people, or people who otherwise grew up with deep and personal connections to more than one culture. Each of them struggled to establish a sense of self, find belonging, and feel seen. And they call themselves American enthusiastically, reluctantly, or not at all. Ranging from the heartfelt to the hilarious, their stories shine a light on a quintessentially American experience and will appeal to anyone with a complicated relationship to family, culture, and growing up. Italian Americans Oct 04 2022 An outline of Italian American history with suggested titles for an in-depth study of each phase.

The Color of Compromise Study Guide Aug 02 2022 In The Color of Compromise, Jemar Tisby takes readers back to the roots of sustained racism and injustice in the American church. Filled with powerful stories and examples of American Christianity's racial past, Tisby's historical narrative highlights the obvious ways people of faith have actively worked against racial justice, as well as the complicit silence of racial moderates. The Color of Compromise Study Guide, used together with The Color of Compromise Video Study, unpacks the content of the video study for an in-depth diagnosis of a racially divided American church, suggesting ways to foster a more equitable and inclusive environment among God's people.

The American Journey to World War 1, Reading Essentials and Study Guide, Workbook Sep 10 2020 Reading Essentials, Student Edition provides concise content of the Student Edition written at a lower grade level, making it perfect for struggling readers and ELL students.

Reconstructing America Aug 29 2019 Chronicles the history of the United States from the end of the Civil War through the difficult years of the Reconstruction.

The United States of War Dec 14 2020 2020 L.A. Times Book Prize Finalist, History A provocative examination of how the U.S. military has shaped our entire world, from today's costly, endless wars to the prominence of violence in everyday American life. The United States has been fighting wars constantly since invading Afghanistan in 2001. This nonstop warfare is far less exceptional than it might seem: the United States has been at war or has invaded other countries almost every year since independence. In The United States of War, David Vine traces this pattern of bloody conflict from Columbus's 1494 arrival in Guantánamo Bay through the 250-year expansion of a global U.S. empire. Drawing on historical and firsthand anthropological research in fourteen countries and territories, The United States of War demonstrates how U.S. leaders across generations have locked the United States in a self-perpetuating system of permanent war by constructing the world's largest-ever collection of foreign military bases—a global matrix that has made offensive interventionist wars more likely. Beyond exposing the profit-making desires, political interests, racism, and toxic masculinity underlying the country's relationship to war and empire, The United States of War shows how the long history of U.S. military expansion shapes our daily lives, from today's multi-trillion-dollar wars to the pervasiveness of violence and militarism in everyday U.S. life. The book concludes by confronting the catastrophic toll of American wars—which have left millions dead, wounded, and displaced—while offering proposals for how we can end the fighting.

Track Finder Jul 09 2020 Pocket guide to mammal tracks. Includes keys to print shapes and track patterns, discussion of scat and other signs, habitat information, range maps, and drawings of the animals and their tracks. For identifying tracks in mud or snow. Covers the eastern half of U.S. and Canada.

AP* U.S. History Review and Study Guide Aligned With American Pageant 15th Edition Oct 12 2020 Study guide and review for Advanced Placement United States History for the student serious about doing well in the course. It serves as a great resource either while going through the course, or at the end of the course as a review before the AP exam. This book is directly aligned with "American Pageant" (15th Edition) so the student will do as well as possible during the course. Included are detailed outlines. The outlines link directly to each chapter and to each chapter's sub-sections, thus making it great for a student taking U.S. History and using Bailey and Kennedy's "American Pageant" as his or her main text and who strives to excel in the course. Note: this is the ebook/epub/ipad version.

A Study Guide for Shirley Geok-lin Lim's "Learning to Love America" Sep 22 2021 A Study Guide for Shirley Geok-lin Lim's "Learning to Love America", excerpted from Gale's acclaimed Poetry for Students. For any literature project, trust Poetry for Students for all of your research needs.

AP* U.S. History Review and Study Guide for American Pageant 12th edition Jun 19 2021

America's Jewish Women: A History from Colonial Times to Today May 07 2020 A groundbreaking history of how Jewish women maintained their identity and influenced social activism as they wrote themselves into American history. What does it mean to be a Jewish woman in America? In a gripping historical narrative, Pamela S. Nadell weaves together the stories of a diverse group of extraordinary people—from the colonial-era matriarch Grace Nathan and her great-granddaughter, poet Emma Lazarus, to labor organizer Bessie Hillman and the great justice Ruth Bader Ginsburg, to scores of other activists, workers, wives, and mothers who helped carve out a Jewish American identity. The twin threads binding these women together, she argues, are a strong sense of self and a resolute commitment to making the world a better place. Nadell recounts how Jewish women

have been at the forefront of causes for centuries, fighting for suffrage, trade unions, civil rights, and feminism, and hoisting banners for Jewish rights around the world. Informed by shared values of America's founding and Jewish identity, these women's lives have left deep footprints in the history of the nation they call home.

All American Boys Aug 22 2021 I just wanted him to stop beating me. I just wanted to live. After a violent act that leaves their community and, ultimately, the country divided, Rashad and Quinn - one Black, one White - face the truth that racism and prejudice are all around us. And there's a future at stake, a future where no one will have deal with police brutality. They just have to risk everything they've ever known to speak out. With evocative black and white illustrations from Akhran Girmay.

Everything You Need to Ace American History in One Big Fat Notebook Sep 03 2022 It's the revolutionary American history study guide just for middle school students from the brains behind Brain Quest. Everything You Need to Ace American History . . . covers Native Americans to the war in Iraq. There are units on Colonial America; the Revolutionary War and the founding of a new nation; Jefferson and the expansion west; the Civil War and Reconstruction; and all of the notable events of the 20th century—World Wars, the Depression, the Civil Rights movement, and much more. The BIG FAT NOTEBOOK™ series is built on a simple and irresistible conceit—borrowing the notes from the smartest kid in class. There are five books in all, and each is the only book you need for each main subject taught in middle school: Math, Science, American History, English Language Arts, and World History. Inside the reader will find every subject's key concepts, easily digested and summarized: Critical ideas highlighted in neon colors. Definitions explained. Doodles that illuminate tricky concepts in marker. Mnemonics for memorable shortcuts. And quizzes to recap it all. The BIG FAT NOTEBOOKS meet Common Core State Standards, Next Generation Science Standards, and state history standards, and are vetted by National and State Teacher of the Year Award-winning teachers. They make learning fun, and are the perfect next step for every kid who grew up on Brain Quest.

The Quiet American Nov 24 2021 I have asked permission to dedicate this book to you not only in memory of the happy evenings I have spent with you in Saigon over the last five years, but also because I have quite shamelessly borrowed the location of your flat to house one of my characters, and your name, Phuong, for the convenience of readers because it is simple, beautiful and easy to pronounce, which is not true of all your countrywomen's names. You will both realise I have borrowed little else, certainly not the characters of anyone in Viet Nam. Pyle, Granger, Fowler, Vigot, Joe— these have had no originals in the life of Saigon or Hanoi, and General The is dead : shot in the back, so thfcy say. Even the historical events have been rearranged. For example, the big bomb near the Continental preceded and did not follow the bicycle bombs. I have no scruples about such small changes. This is a story and not a piece of history, and I hope that as a story about a few imaginary characters it will pass for both of you one hot Saigon evening.

100 Bible Verses That Made America Jan 27 2022 Bestselling author Robert Morgan explores 100 Bible verses that powerfully impacted our leaders during defining moments in American history and reflects upon what these verses mean for us as a nation today. 100 Bible Verses That Made America is a tour through the biblical roots of American history—a powerful exploration of our country's founders, leaders, and the critical moments that laid the foundation for the formation of the USA. Had there been no Bible, there would be no America as we know it. It is the Bible that made America. When George Washington was sworn into office as our first president, he did not place his hand on the Declaration of Independence or the Constitution of the United States, as important as those documents are. Instead, he swore upon and even kissed the Bible to sanctify this important moment. The Bible, Washington knew, had ushered American history to this point. While not every Founding Father was a Christian, each was knowledgeable about the Bible. And while none of them was perfect, many embraced a deep faith in the unfailing Word of God. 100 Bible Verses That Made America contains: Short, devotional-style chapters, each featuring a Bible verse and how it influenced a historical figure Engaging stories spanning from the Mayflower to modern day Vivid segments that emphasize the Bible as the cornerstone of American history Journey with Robert J. Morgan as he shares the Bible's role in the defining moments of American history and its impact on the people of our nation, reminding us of the beauty of faith and country and reigniting our passion for both.

A Study Guide for Isaac Bashevis Singer's "The Son From America" Jul 21 2021 A Study Guide for Isaac Bashevis Singer's "The Son from America," excerpted from Gale's acclaimed Short Stories for Students. This concise study guide includes plot summary; character analysis; author biography; study questions; historical context; suggestions for further reading; and much more. For any literature project, trust Short Stories for Students for all of your research needs.

Student study guide May 19 2021 Describes the time in America prior to the first World War, the vast differences between the wealthy and the poor, the changing from farming to factory work, and the inventions of conveniences such as electric lights, telephones, and bicycles.
