Emphasis is placed on communication in real contexts.

BTS Aug 28 2019 BTS is the breakthrough K-pop band. For the first time, this unofficial biography tells the story of the Korean boy band with a global army of fans, who have propelled their heroes to the top of the charts all over the world. Seven good-looking boys - RM, Jin, Suga, J-Hope, Jimin, V and Jungkook - who can dance as well as they can rap and sing, are tearing up the global music charts. Nothing new? Think again. BTS, who rose to fame in their native South Korea in 2013 and who sing almost entirely in Korean, are now a sensation in the US, the UK and the rest of the world. K-pop is a growing phenomenon in the West, and over the last few years, it has steadily gathered a huge global following. With their talent, dedication, good looks, fabulous choreography, and catchy blend of pop, hip hop and RnB, BTS are leading the advance. - BTS's latest album 'Love Yourself: Answer' went straight to #1 in the US charts, following the success of their previous album, 'Love Yourself: Tear', which was the first ever Korean album to achieve this - Over 17 million followers on Twitter - They have been profiled in US Vogue - the first K-pop band to be granted such an honour - The music video for IDOL broke YouTube streaming records, being viewed 46 million times in the first 24 hours; the view count is now in the hundreds of millions - They won the 2018 Billboard Music Award for 'Top Social Artist' for the second year in a row - Listed by Forbes as the most retweeted artist on Twitter in March 2016 - and their fanbase has ballooned since then - Named in Time magazine's 'Top 25 Most Influential People on the Internet 2017' list - Their 2018-2019 world tour sold out within minutes of tickets going on sale Extensively researched, and written in an upbeat and accessible style, this book interweaves the success stories of each of the boys with how the band got together, while documenting their amazing rise to fame in Southeast Asia, and then the world. It includes 16 pages of full colour photographs of the band playing live, posing and having fun. Also available: 9781780556017 **BTS: Test Your Super-Fan Status** 9781789291339 **BTS and Me: Your Unofficial Fill-In Fan Book**

CD-Art Feb 12 2021 Now in Paperback! The best-selling CD-Art captures the finest CD cover and packaging design from around the world, and provides an international showcase of innovative work. This timely updated version of the original hardcover book looks at developments in the music industry today, and includes new work produced for the growing download and interactive market. The book looks at the ways in which designers excite the senses of sight and touch to create a fuller experience of a product more commonly associated with sound. Through a wealth of case studies, it shows how designers exploit the two- and three-dimensional qualities of CD packaging to create unique, collectable items. It explores not only the traditional elements of design-image, illustration, typography, and packaging-but also innovative materials. Case studies look at how artwork is selected, created, and applied to CD packages; how designers make the most of the standard dimensions for CD packages; and at the use of special formats, unusual materials, slipcases, etc.

Complete IELTS Bands 4-5 Student's Book Without Answers with CD-ROM Jun 18 2021 This text prepares students for the IELTS test at B1 (foundation level). It is designed to introduce students to the critical thinking required for IELTS and provide strategies and skills to maximise their score.

Windows XP in a Nutshell Nov 23 2021 Discusses how to install, run, and configure Windows XP for both the home and office, explaining how to connect to the Internet, design a LAN, and share drives and printers, and includes tips and troubleshooting techniques.

Dictionary of Food Compounds with CD-ROM, Second Edition Dec 13 2020 The increasing world population, competition for arable land and rich fishing grounds, and environmental concerns mandate that we exploit in a sustainable way the earth's available plant and animal resources for human consumption. To that end, food chemists, technologists, and nutritionists engage in a vast number of tasks related to food availability, quality, safety, nutritional value, and sensory properties—as well as those involved in processing, storage, and distribution. To assist in these functions, it is essential they have easy access to a collection of information on the myriad compounds found in foods. This is particularly true because even compounds present in minute concentrations may exert significant desirable or negative effects on foods. Includes a foreword by Zdzislaw E. Sikorski, Gdańsk University of Technology, Poland; Editor of the CRC Press Chemical & Functional Properties of Food Components Series. Dictionary of Food Compounds, Second Edition is presented in a user-friendly format in both hard copy and fully searchable CD-ROM. It contains entries describing natural components of food raw materials and products as well as compounds added to foods or formed in the course of storage or processing. Each entry contains the name of the component, the chemical and physical characteristics, a description of functional properties related to food use, and nutritional and toxicological data. Ample references facilitate inquiry into more detailed information about any particular compound. Food Compounds Covered: Natural Food Constituents Lipids Proteins Carbohydrates Fatty acids Flavonoids Alkaloids Food Contaminants Mycotoxins Food Additives Colorants Preservatives Antioxidants Flavors Nutraceuticals Probiotics Dietary Supplements Vitamins This new edition boasts an additional 12,000 entries for a total of 41,000 compounds, including 900 enzymes found in food. No other reference work on food compounds is as complete or as comprehensive.

English for Business Communication Audio CD Set (2 CDs) Sep 29 2019 This short course is for learners who need to improve their ability to communicate when socialising, telephoning, presenting, taking part in meetings and negotiating. The course aims to build confidence and fluency by encouraging students to analyse tasks and take part in practice activities. This second edition has been redesigned and now includes a page of self-study tasks for each of the 15 units.

Economic Survey of Singapore May 06 2020

Italian Oct 23 2021 Complete course, including 40 language lessons, a conversation manual with all translated phrases from the lessons, and a dictionary/phrasebook with frequently-used words highlighted.

Radiohead's OK Computer Aug 09 2020 Seemingly granted 'classic album' status within days of its release in 1997, OK Computer transformed Radiohead from a highly promising rock act into The Most Important Band in the World - a label the band has been burdened by (and has fooled around with) ever since. Through close musical analysis of each song, Dai Griffiths explores the themes and ideas that have made this album resonate so deeply with its audience, and argues that OK Computer is one of the most successfully realized CD albums so far created. EXCERPT But then 'Karma Police' changes. After the second chorus the track lifts, in various ways. Harmonically, there's a key change of sorts (the sheet music charmingly follows the convention of preparing the reader for the new key signature), from E minor to B minor, although in truth both sections use similar chords. Then vocally or melodically, the key change takes Thom Yorke to his angelic register. Texturally, there's a big shift, with all the instruments doing lighter things. Best to my mind though, there's the one word, phew. Phew's great: it's a cartoon word, like 'gulp' or 'zzzz' or 'bah'. Its precision matters, the fact that it's really there, properly pronounced, not just sort-of-breathed...

English Pronunciation in Use Audio CD Set (4 CDs) Sep 21 2021 The best-selling English Pronunciation in Use is a comprehensive reference and practice title suitable for self-study or classroom work. Sixty easy-to-use units covering all aspects of pronunciation, including individual sounds, word stress, connected speech and intonation are supported by this audio CD material in a range of accents. The CDs support the English Pronunciation in Use book, which is available to

purchase separately.

American More! Six-Level Edition Level 2 Combo with Audio CD/CD-ROM Mar 28 2022 American MORE! Six-Level Edition is a version of a course from a highly respected author team that's bursting with features for lower secondary students. Key language for each unit is introduced in a photostory and put to use through the 'Language Focus'. There is thorough coverage of grammar via a dedicated section in each unit. The 'Learn MORE through English' pages introduce cross-curricular learning (CLIL) while the 'Learn MORE about Culture' sections explore English speaking countries. Students learn to 'Read MORE for pleasure' with the extra reading pages and the Audio CD/CD-ROM enables students to practice vocabulary, grammar, and skills. The Combo contains the Student's Book and Workbook material together, providing 50-60 class hours of material.

CD-ROM Standards Jul 28 2019

Touchstone 1 A Workbook A Level 1 Jul 08 2020 Easy and enjoyable to teach, Touchstone is packed with new and exciting ideas, offering a fresh approach to the teaching and learning of English.

More! Level 3 Testbuilder CD-ROM/Audio CD Nov 11 2020 MORE! Second edition is a four-level English course from highly respected authors that inspires young teenagers to learn. The Testbuilder CD-ROM/Audio CD Level 3 helps you assess your students' progress with unit tests, skills and revision tests. It previews each exercise before inclusion, and it can create 'A' and 'B' versions of each test so that students sitting next to each other do not share answers.
