**Comeback** Jan 13 2021 The thirty-seventh book in the Cliff Hardy series Cliff Hardy has his PI licence back - but does he still have what it takes to cut it on the mean streets of Sydney? Cliff reckons the skills are still there, if a little rusty, and actor Bobby Forrester's case looks promising. Bobby's a nice-enough guy, but why is he being stalked by a red-hot brunette? And why did he have to go online to find a date? When Bobby is murdered, it comes as a shock. Cliff's only solid lead is a white Commodore, the most ubiquitous car around. When a surprising connection with his own past surfaces, Cliff is forced to put some of his skills to the test. But is he heading in the wrong direction? Somehow he has to put it all together without losing his licence again, but in true Hardy fashion he's managing to find his way into trouble, not out of it.

**UNDERBELLY - MIKKELSEN** Sep 28 2019 Dana Mikkelsen, niece of notorious killer, Vincent (Vinnie) Mikkelsen (as featured on Underbelly), An extraordinary story as it unfolds - detailing Dana growing up amongst violence and crime - moving regularly to escape police suspicion, having to change her name for her own safety and living on the street after being abandoned by her mother at the age of fifteen. In an attempt to maintain the 'normal' existence of a young girl her age, and with a firm belief that education might just be her saviour - she attends school. At seventeen she meets the very seductive school-chaplain and is soon putty in his hands. He brainwashes her and she spends 10 years in a cult. When she gets out he keeps her as his 'sex-slave'. The deception is shocking with a calculated cunning plan. A plan of pure evil that keeps Dana trapped as his 'sex-slave', as the, 'girl in the closet' who no one knows about for some years... Whilst he continues to charm the Christian-community, get married and work as a Christian-leader. Not something to be expected from a school-chaplain, especially not the 'Director' of all school- chaplain's within South Australia - Haydn Lush. The puzzle of her past finally comes together with the unsolved murder case of Brian Kane being re-opened by the police. The fear that terrorised her night and day as a child makes sense as she reflects back on her childhood and pieces together what really happened...especially, the link between the Kane brother murders and murderer. It is all too close to home for comfort.
