**The Pretty Good Jim's Journal Treasury** Mar 02 2020 Five books after the popular comic strip Jim's Journal was first bound, we now present The Pretty Good Jim's Journal Treasury-and it's okay. Actually, this collection is much more than okay. Comprehensive, featuring Jim's life as it progressed (or not) through his first five books, this special edition contains previously unpublished material including Jim in living color. No longer in syndication, the complete works of Jim's Journal will be a definitive must-have collection. College students rave about Jim's Journal, making it one of the most popular Generation X-oriented strips in history. Readers have grown along with Jim, as he moved from copy-store to grocery-store clerk, feigned interest in stamp collecting, faced frequent harassment from phone companies wanting him to switch his long distance service, and finally got married. From the beginning, Jim's message has been "Aren't comics dumb-even this one?" Yet even though it pokes fun at itself, the strip extols the virtues of a slacker lifestyle: Jim has a menial job, a cat, and a few friends. He doesn't do much. In fact, Jim's Journal was slacker before slacker was cool. Postmodern and minimalist, the quirky Jim's Journal has been featured inThe

book collections I Went to College and it was okay; I Got a Job and it wasn't that bad; I Made Some Brownies and they were pretty good; I Got Married if you can believe that; and I Feel Like a Grown-up Now. In this jam-packed Pretty Good Jim's Journal Treasury, readers will find the same understated and unpredictable style.

*The Peanuts Collection* Aug 07 2020 This fully authorized, one-of-a-kind illustrated book celebrates the 60th anniversary of the world's most beloved comic strip characters. A compendium of rare materials from the Charles M. Schulz Museum and family archives, The Peanuts Collection comes in a sturdy slipcase and features high-quality reproductions of original sketches, comics, and photographs from the world of Peanuts. Removable film cels, stickers, and booklets are included, as well as reproduction prints of Peanuts artwork ready for framing. Written by Peanuts aficionado Nat Gertler, with quotes from Schulz family members and a foreword by daughter Amy Schulz Johnson, the text offers insight into the making of the comic strip and its impact beyond the realms of newspapers and books to film, television, and popular culture. The Peanuts Collection is a must-own keepsake for anyone who loves Snoopy and the gang.

**Sam's Strip** Nov 21 2021 p.p1 [margin: 0.0px 0.0px 0.0px 0.0px; font: 13.9px Arial; color: #424242] A short-lived '60s comic strip starring the Yellow Kid, Jiggs and Charlie Brown! Sam's Strip broke fourth wall to a new level, playing with the basic elements of the cartoon form, experimenting with different art styles and featuring famous characters from other strips. Sam and his cartoonist assistant owned and operated the comic strip they inhabited. Krazy Kat, Dagwood, Charlie Brown and many other characters made walk-on appearances. Sam and his assistant discussed the inner workings and hidden secrets of life within the panel borders. This collection features the cult-classic's complete 20-month run, almost 510 daily strips. Mort Walker and Jerry Dumas provide first-hand accounts of the creation of the strip and other rare, behind-the-scenes material, including unpublished sketches, original artwork, photographs and sales brochures.

**Edge City** Nov 02 2022 More Info About Edge City: A Comic Strip Collection by Terry and Patty LaBan Edge City is the first cartoon to feature the Ardins, a Jewish family maneuvering to balance relationships and tradition with dual careers, overbooked kids, long commutes, and pervasive high-tech gadgetry. The Ardins are a hip Jewish-American family leading mile-a-minute lives with two kids, two careers, two cats, and several computers. This family epitomizes our decentralized, high-tech world where everything is literally a click away - everything but the time to enjoy a peaceful moment. The first book collection of Edge City introduces readers to husband, father, weekend rocker, and busy courier service owner Len and his constantly self-improving wife Abby, whose titles include professional therapist, mom to children Colin and Carly, and daughter to active older adults Morris and Edna. Edge City is nationally syndicated to papers ranging from the Chicago Sun-Times and the Philadelphia Inquirer to the Seattle Post-Intelligencer and Houston Chronicle.

**Frequently Asked Questions About the Universe** Nov 09 2020 You've got questions: about space, time, gravity, and the odds of meeting your older self inside a wormhole. All the answers you need are right here. As a species, we may not agree on much, but one thing brings us all together: a need to know. We all wonder, and deep down we all have the same big questions. Why can't I travel back in time? Where did the universe come from? What's inside a black hole? Can I rearrange the particles in my cat and turn it into a dog? Physics professor Daniel Whiteson and researcher-turned-cartoonist Jorge Cham are experts at explaining science in ways we can all understand, in their books and on their popular podcast, Daniel and Jorge Explain the Universe. With their signature blend of humour and oh-now-I-get-it clarity, Jorge and Daniel offer short, accessible, and lighthearted answers to some of the most common, most outrageous, and most profound questions about the universe they've been asked. This witty, entertaining, and fully illustrated book is an essential troubleshooting guide for the perplexing aspects of reality, big and small, from the invisible particles that make up your body to the identical version of you currently reading this exact sentence in the corner of some other galaxy. If the universe came with an FAQ, this would be it.
