[Snatched](#) Aug 06 2020 "Six single, semi-retired, 'older' women are inseparable friends. But their lives start to go haywire when mischievous Rosie submits her friend's names to an ad soliciting 'Mail Order Brides for Farmers & Miners - Distant Locations.' A few weeks later, as the six women are driving along a lonely beach road, their vehicle suddenly begins to shake, the sky grows dark, an eerie light envelops the van, and ZAP -- it's gone! Exactly three years later, the van reappears on the same road. But this time, the women appear to be thirty years younger -- and they're all pregnant! The 'distant locations' advertised were, in fact, elsewhere in our galaxy. A process, required for deep space travel, has somehow reversed their aging. They are happy with their new lives. However, a universal law requires that babies of 'mixed-mating' be born on the mother's home planet, forcing their return. But as they re-adapt to life on earth, surprises and problems arise as they're faced with a media circus, doctors, nurses, police, priests, and nuns, not to mention their new humanoid mates." --Publisher's description.

Grave Sight Jan 23 2022 The first Harper Connelly mystery from #1 New York Times bestselling author Charlaine Harris! Harper Connelly has what you might call a strange job: she finds dead people. She can sense the final location of a person who's passed, and share their very last moment. Harper and her stepbrother Tolliver are experts at getting in, getting paid, and then getting out of town fast—because the people who hire Harper have a funny habit of not really wanting to know what she has to tell them. At first, the little Ozarks town of Sarne seems like no exception. A teenage girl has gone missing, but the secrets of her death—and the secrets of the town—are deep enough that even Harper's special ability can't uncover them. With hostility welling up all around them, she and Tolliver would like nothing better than to be on their way. But then another woman is murdered. And the killer's not finished yet...

The Rosary Girls Jun 03 2020 In his sleek, visceral novels *Deviant Way*, *Kiss of Evil*, and *The Violet Hour*, Richard Montanari slammed into the suspense field like a force of nature. Now Montanari has written an astounding novel that pits two besieged detectives against a fiercely intelligent serial killer. Sprawling beneath the statue of William Penn, Philadelphia is a city of downtrodden crack houses and upscale brownstones. Somewhere in this concrete crazy quilt, one teenage Catholic girl is writing in her diary, another is pouring her heart out to a friend, and yet another is praying. And somewhere in this city is a man who wants these young women to make his macabre fantasy become reality. In a passion play of his own, he will take the girls—and a whole city—over the edge. Kevin Byrne is a veteran cop who already knows that edge: He's been living on it far too long. His marriage failing, his former partner wasting away in a hospital, and his heart lost to mad fury, Byrne loves to take risks and is breaking every rule in the book. And now he has been given a rookie partner. Jessica Balzano, the daughter of a famous Philly cop, doesn't want Byrne's help. But they will need each other desperately, since they've just caught the case of a lifetime: Someone is killing devout young women, bolting their hands together in prayer, and

committing an abomination upon their otherwise perfect bodies. Byrne and Balzano spearhead the hunt for the serial killer, who leads them on a methodically planned journey. Suspects appear before them like bad dreams—and vanish just as quickly. And while Byrne’s sins begin to catch up with him, and Balzano tries to solve the blood-splattered puzzle, the body count rises. Meanwhile, the calendar is approaching Easter and the day of the resurrection. When the last rosary is counted, a madman’s methods will be revealed, and the final crime will be the one that hurts the most. Relentlessly paced and vividly told, *The Rosary Girls* is a smart, emotionally complex, fiercely gripping thriller from an author who takes chances, breaks new ground, and leaves readers haunted and moved long after the last page is turned. **BONUS:** This edition contains an excerpt from Richard Montanari's *The Echo Man*.
