The Luxe May 27 2022 The Luxe is the first book in the New York Times bestselling Luxe series by Anna Godbersen. In a world of luxury and deception, where appearance matters above everything and breaking the social code means running the risk of being ostracized forever, five teenagers lead dangerously scandalous lives. This thrilling trip to the age of innocence is anything but innocent. Pretty girls in pretty dresses, partying until dawn. Irresistible boys with mischievous smiles and dangerous intentions. White lies, dark secrets, and scandalous hook-

ups. This is Manhattan, 1899. Beautiful sisters Elizabeth and Diana Holland rule Manhattan's social scene. Or so it appears. When the girls discover their status among New York City's elite is far from secure, suddenly everyone—from the backstabbing socialite Penelope Hayes to the debonair bachelor Henry Schoonmaker to the spiteful maid Lina Broud—threatens Elizabeth's and Diana's golden future. With the fate of the Hollands resting on her shoulders, Elizabeth must choose between family duty and true love. But when her carriage overturns near the East River, the girl whose glittering life lit up the city's gossip pages is swallowed by the rough current. As all of New York grieves, some begin to wonder whether life at the top proved too much for this ethereal beauty, or if, perhaps, someone wanted to see Manhattan's most celebrated daughter disappear... “Mystery, romance, jealous, betrayal, humor, and gorgeous, historically accurate details. I couldn't put *The Luxe* down!” —Cecily von Ziegesar, author of the #1 New York Times bestselling *Gossip Girl* series

Tantric Transformation Sep 06 2020 In the 'Tantric Transformation' we are introduced to the sacred and ancient tradition of Tantra by a contemporary Tantric master, Osho. We are given a detailed map of Tantra: inner man, inner woman; the meeting of man and woman; the transformation of energy through sex, love and meditation. Based on the Royal Song of Saraha, we are not just introduced to an

Asian sex tradition but with Osho we enter the higher levels of transformation. Here we find Tantra as a door to freedom: freedom from all mind-constructs, mind games; freedom from all structures and freedom from the other. Love and meditation merge and provide a path to liberation. 'Tantric Transformation' is a very alive, concrete book for exploration of our own energy, of our own inner space. You don't just read Osho, you undefine yourself.

Path(os) of Redemption Jan 11 2021 What is the true depth of love and commitment? On the road to being forgiven, and tasked to aid those that are lost, Blaeciel, a newly 'born' Cherub seeks to answer just that when his charge, a girl named Deirdre, commits suicide. While battling demons from his own past, Blaeciel attempts to find his beloved in the lowest depths of the universe—Tartarus. On his journey he confronts many foes, friends, and unlikely allies, but on his quest to find one he runs the risk of losing himself. This novel explores the true path, and pains, of redemption, and how true love can help one to see paradise even in the darkest regions of Hell.

The Battle Within Nov 08 2020 A soldier struggles with post-traumatic stress disorder, risking his marriage, career, and life itself in a bid for redemption.

“I Am with You Always” Aug 30 2022 Is God real? If He is real, who is He? Where is He? What is He like? Does He see me? Do I matter to Him? This book contains the testimony of Perla Apolonio—a true story of her supernatural encounter with the Lord Jesus Christ. Perla was blessed to see the Lord Jesus Christ on June 8, 2014, at a time when she was about to give in to temptation. And sadly, despite meeting the King of Kings, she still yielded to sin. At such a time when she deserved to be punished, she was blessed to personally experience the love and grace of our forgiving God. Instead of condemning her, God has used this event to explain to her the truth about sin and its consequences, and the depth of His love for all of us that He chose to die on the cross to save us from suffering for it. After this event, she also then started to receive other revelations about God’s love for us, which she also shares in this book. And be sure of this: I am with you always, even to the end of the age. —Matthew 28:20 (NLT)

What Christians Have Always Believed: Essentials of the Christian Faith Jan 03 2023 " . . . An excellent resource for old and new alike to immerse ourselves in and having done so go out with a new song to sing, a flag to follow and a story to tell,

that may once more change the world." Revd Marcus Nelson Vicar St Marks Evangelical Anglican Church Cardiff, Wales "This book, full of biblical truth, will assist with the growing up aspect of our Christian lives. Good theology, plainly presented, is essential for the disciple of Jesus. Here is a tool for both those new in the faith and for those who want to go deeper into the essentials." The Good Times Jun 15 2021 A "superb [and] often hilarious" memoir of a life in journalism, from the Pulitzer Prize–winning author of *Growing Up* (The New York Times Book Review). "Baker here recalls his years at the Baltimore Sun, where, on 'starvation wages,' he worked on the police beat, as a rewrite man, feature writer and White House correspondent. Sent to London in 1953 to report on the coronation, he spent the happiest year of his life there as an innocent abroad. Moving to the New York Times and becoming a 'two-fisted drinker,' he covered the Senate and the national political campaigns of 1956 and 1960, and, just as he was becoming bored with routine reporting and the obligation to keep judgments out of his stories, was offered the opportunity to write his own op-ed page column, 'The Observer.' With its lively stories about journalists, Washington politicians and topical scandals, the book will delight Baker's devotees—and significantly expand their already vast number." —Publishers Weekly "Aspiring writers will chuckle over

Baker's first, horrible day on police beat, his panicked interview with Evelyn Waugh, and his arrival at Queen Elizabeth's coronation in top hat, tails, and brown-bag lunch." —Library Journal "A wonderful book." —Kirkus Reviews

Warning: Mild violence. For mature teens and young adults. Quotes The zombie apocalypse has swept in like a violent storm, and every day is a fight to survive. Yes, it's scary, and we have no guarantees that we'll live to see the next sunrise. But there's

nothing we can do to stop it. We just have to let it run its course and pray that the zombies rot out soon. I'm not Rambo, Supergirl, or Xena, but I can't let worry consume me either. Just because I'm not made out of titanium, that doesn't mean I won't make it to the finish line. I've gotta stay brave and keep fighting as hard as I can and never, ever give up hope. — Val Bennett – zombie fighter & survivor I have to keep my footing, catch my breath, and keep walking the twisting path ahead. There are many huge hurdles to face. I don't know what life holds for me, but I will survive as long as I can, and I won't go down without a fight. — Sammy Evans – survivor & zombie fighter Humans are a rare and endangered species. Swallowing down our fear, we must fight to protect humanity at all costs. Protecting the human race must be our number one priority. We need to fight for the future we want, not the one that's been delivered to us. Taking back our world is a fight I will never give up on. And in my opinion, that makes every zombie hunter a very special breed of warrior. — Dean Walters - survivor & zombie hunter

Nourishment for the Spiritual Pilgrimage Apr 01 2020 "In the morning, while it was still very dark, he got up and went out to a deserted place, and there he

prayed" (Mark 1:35). Jesus taught by his words and actions. He went by himself to pray when he was tired, when faced with upcoming trying events, or when he just wanted to be alone in the presence of his Lord. He gave us guidance about what to pray, how to pray, and why to pray, and was very familiar with the Hebrew Scriptures. Thus, if we want to become Jesus' disciple we should follow his model and invest time and emotional energy into prayer, Bible study, and reflection.

>Nourishment For The Spiritual Pilgrimage provides an aid for those who want to participate in the spiritual pilgrimage of becoming a lifelong disciple of Jesus Christ. It offers insight and support for those who daily want to turn their hearts, souls, and minds to God's will in their lives, as they strive to help in bringing about God's kingdom in this present time. There are countless other devotionals, but hopefully this can offer something that many of the others may not, a specific focus on the concept of discipleship.

The Millennial Makeover Oct 27 2019 Millennial generation. Generation Y. The underdeveloped generation. The lazy kids. The tweeters. The ones always on their smart phones. The ones who feel entitled. It is no secret that millennials--young adults born between 1980 and 2000--are stereotyped. Some think we're lazy, some think we are so engrossed in technology that we don't have the drive to be successful (don't forget to tweet that), and some believe that we are the most

optimistic generation around. Whether positive or negative, this book has been designed to help tear down those stereotypes and help focus on what truly matters: who we are as young adults and who we can become. It only takes one person, one soul, and one stand to change nations; and that one person is you. This book will unveil what it takes to be a leader of this generation by uncovering the innate possibilities within ourselves. My mission is to bridge the gap between the millennial generation and the generation before us by teaching instruments of communication. Are you a person who desires to step out in courage and follow your passion so that your dreams can become a reality? If your answer is yes, then it's time for a millennial makeover.

Blue-Skinned Gods Dec 10 2020 From the award-winning author of *Marriage of a Thousand Lies* comes a brilliantly written, globe-spanning novel about identity, faith, family, and sexuality. In Tamil Nadu, India, a boy is born with blue skin. His father sets up an ashram, and the family makes a living off of the pilgrims who seek the child's blessings and miracles, believing young Kalki to be the tenth human incarnation of the Hindu god Vishnu. In Kalki's tenth year, he is confronted with three trials that will test his power and prove his divine status and, his father tells him, spread his fame worldwide. While he seems to pass them, Kalki begins to

question his divinity. Over the next decade, his family unravels, and every relationship he relied on—father, mother, aunt, uncle, cousin—starts falling apart. Traveling from India to the underground rock scene of New York City, *Blue-Skinned Gods* explores ethnic, gender, and sexual identities, and spans continents and faiths, in an expansive and heartfelt look at the need for belief in our globally interconnected world.

The Jefferson Lies Dec 02 2022 "Thomas Jefferson stands falsely accused of several crimes, among them infidelity and disbelief. Noted historian David Barton now sets the record straight. Having borne the brunt of a smear campaign that started more than two centuries ago, the reputation and character of American president Thomas Jefferson shows considerable tarnish, as lies and misunderstandings have gathered on his legacy. Noted early-America historian David Barton scours out the truth. Jefferson and Sally: Did he really have children by his slave, Sally Hemings? Jefferson and Jesus: Did he really abandon the faith of his family? Jefferson and the Bible: Did he really want to rewrite the Scripture? Jefferson and the church: Did he really advocate separation? Jefferson and slaves: What is the truth about his slaveholding and his statements that all are created equal? Jefferson and education: Did Jefferson really found the first secular, irreligious university? All of these questions deserve the cleansing light of truth. Barton has gone through the historical records, combed the original documents and letters, and examined the recent evidence, and his findings will upset the establishment. Barton shows the true man, the real Thomas Jefferson. Most

readers will have the joy and surprise of meeting him for the very first time"--
