Do You Believe Is It Real or Fiction? Jul 06 2020 This is a real-life story. You will read and get an in-depth look of my childhood, family, my teen years, the years I spent in the service, running a business and all the good and bad in my life, that I had, clear up till I had lost it, where I was put in the hospital and then diagnosed with bipolar affective disorder/schizo affective disorder. It all started forty days before Easter of 2006, having visions or insights into the Bible while making a new law for the people, also having vibes and connections with spirits that allowed me to believe that the end of the world was upon us. This true life story takes you on a journey, which is believed to have come from God. During the second part of the story, I fight against evil or Satan himself, which makes me believe that I may possibly be the Antichrist if I dont do the right thing in order to save the world. I would tell people that Im the Chosen One Jesus Christ, the Second Coming, the Messiah, the Son of God or even the Lamb of God.
