The Children's Story Nov 03 2022 "What does 'allegiance' mean?" the New Teacher asked, hand over her heart. In this classic and chilling tale about an elementary school classroom in post-war occupied America, James Clavell brings to light the vulnerability of children and the power educators have to shape and change young minds. Originally written in the Cold War era, Clavell's extraordinary and enduringly relevant allegory on the impressionability of the human mind is still read in schools around the globe today, and is a call to every person to keep questioning and keep learning.

Sleep Tight, Little Wolf. Bilingual Children's Book (English - Anglo-Saxon/Old English) Nov 10 2020 Bilingual children's book (age 2 and up) Tim can't fall asleep. His little wolf is missing! Perhaps he forgot him outside? Tim heads out all alone into the night - and unexpectedly encounters some friends... "Sleep Tight, Little Wolf" is a heart-warming bedtime story. It has been translated into more than 50 languages and is available as a bilingual edition in all conceivable combinations of languages. www.childrens-books-bilingual.com

The Children's Hour (Acting Edition) Jan 05 2023 Cast 2 men, 12 women. One of the great successes of this distinguished writer. A serious and adult play about two women who run a school for girls. After a malicious youngster starts a rumor about the two women, the rumor soon turns to scandal. As the young girl comes to understand the power she wields, she sticks by her story, which precipitates tragedy for the women. It is later discovered that the gossip was pure invention, but it is too late. Irreparable damage has been done.

Talks to Mothers Apr 03 2020

The Children Aug 20 2021 This early work by Edith Wharton was originally published in 1928 and we are now republishing it with a brand new introductory biography. 'The Children' is a comic novel about the seven Wheeler children and their association with a bachelor that leads to several misadventures. Edith Wharton was born in New York City in 1862. Wharton's first poems were published in Scribner's Magazine. In 1891, the same publication printed the first of her many short stories, titled 'Mrs. Manstey's View'. Over the next four decades, they - along with other well-established American publications such as Atlantic Monthly, Century Magazine, Harper's and Lippincott's - regularly published her work.

An Unfinished Woman Mar 15 2021 Caustic, brilliant, uncompromising, accomplished, Lillian Hellman, one writer noted, can "take the tops off bottles with her teeth". Her career as a playwright began in 1938 with *The Children's Hour*, the first of seven plays that would bring her international attention and praise. Thirty years later, Hellman unleashed her peerless wit and candor on the subject she knew best: herself. *An Unfinished Woman* is a rich, surprising, emotionally charged portrait of a bygone world -- and of an independent-minded woman coming into her own. Wendy Wasserstein's introduction to this new edition provides a fascinating literary and historical context for reexamining Lillian Hellman's life and achievement.

Films of Endearment May 29 2022 "A lovely and loving book."—Will Schwalbe, New York Times bestselling author of *The End of Your Life Book Club* "I'm not sure I have ever read a book about movies that is as tender and open-hearted as *Films of Endearment*."—Mark Harris, New York Times bestselling author of *Mike Nichols: A Life* A poignant memoir of family, grief and resilience about a young man, his dynamic mother and the '80s movies they shared together Michael Koresky's most formative memories were simple ones. A movie rental. A mug of

few shared hours with his mother. Years later and now a successful film critic, Koresky set out on a journey with his mother to discover more about their shared cinematic past. They rewatched ten films that she first introduced to him as a child, one from every year of the '80s, each featuring women leads. Together, films as divergent as *9 to 5*, *Terms of Endearment*, *The Color Purple* and *Aliens* form the story of an era that Koresky argues should rightly be called "The Decade of the Actress." *Films of Endearment* is a reappraisal of the most important and popular female-driven films of that time, a profound meditation on loss and resilience, and a celebration of the special bond between mothers and their sons.

Sleep Disorders in Children Nov 30 2019 This book is both an exam guide to children's sleep medicine and a practical manual for diagnosis and management of sleep disorders in children. An overview of the most frequent sleep disorders encountered in newborns, infants, children and adolescents is provided. This book discusses the main sleep disorders in detail, including insomnia, respiratory disturbances, movement disorders during sleep, circadian rhythm disorders, parasomnias, and disorders associated with increased sleepiness. It also covers sleep disorders associated with neurological, psychiatric, and medical diseases. This book is divided into two parts. The first part is an introduction to childhood sleep physiology and pathology, epidemiology of sleep disorders, and diagnostic procedures. The second part describes the most frequent sleep disorders in greater depth. *Sleep Disorders in Children* is aimed at sleep researchers, pediatricians, child neurologists and child psychiatrists, as well as patient organizations and families with affected children.

Scoundrel Time Oct 10 2020 In 1952, Hellman joined the ranks of intellectuals and artists called before Congress to testify about political subversion. Terrified yet defiant, Hellman refused to incriminate herself or others, and managed to avoid trial.

Nonetheless the experience brought devastating controversy and loss. First published in 1972, her retelling of the time features a remarkable cast of characters, including her lover, novelist Dashiell Hammett, a slew of famous friends and colleagues, and a pack of "scoundrels" -- ruthless, ambitious politicians and the people who complied with their demands.

From Aphra Behn to Fun Home Aug 27 2019 Theatre has long been considered a feminine interest for which women consistently purchase the majority of tickets, while the shows they are seeing typically are written and brought to the stage by men.

Furthermore, the stories these productions tell are often about men, and the complex leading roles in these shows are

Written for
m.winnetnews.com on

and performed by male actors. Despite this imbalance, the feminist voice presses to be heard and has done so with more success than ever before. In *From Aphra Behn to Fun Home: A Cultural History of Feminist Theatre*, Carey Purcell traces the evolution of these important artists and productions over several centuries. After examining the roots of feminist theatre in early Greek plays and looking at occasional works produced before the twentieth century, Purcell then identifies the key players and productions that have emerged over the last several decades. This book covers the heyday of the second wave feminist movement—which saw the growth of female-centric theatre groups—and highlights the work of playwrights such as Caryl Churchill, Pam Gems, and Wendy Wasserstein. Other prominent artists discussed here include playwrights Paula Vogel Lynn and Tony-award winning directors Garry Hynes and Julie Taymor. The volume also examines diversity in contemporary feminist theatre—with discussions of such playwrights as Young Jean Lee and Lynn Nottage—and a look toward the future. Purcell explores the very nature of feminist theater—does it qualify if a play is written by a woman or does it just need to feature strong female characters?—as well as how notable activist work for feminism has played a pivotal role in theatre. An engaging survey of female artists on stage and behind the scenes, *From Aphra Behn to Fun Home* will be of interest to theatregoers and anyone interested in the invaluable contributions of women in the performing arts.

Lisa Murphy on Play Sep 01 2022 Discover why playing is school readiness with this updated guide. Timely research and new stories highlight how play is vital to the social, physical, cognitive, and spiritual development of children. first level referral hospitals. This second edition is based on evidence from several WHO updated and published clinical guidelines. It is for use in both inpatient and outpatient care in small hospitals with basic laboratory facilities and essential medicines. In some settings these guidelines can be used in any facilities where sick children are admitted for inpatient care. The Pocket Book is one of a series of documents and tools that support the Integrated Managem.

Indian Summer Jul 07 2020 Some memories are best forgotten . . . Others won't ever go away. For Kit, the quiet Devon village she visits every year is the perfect retreat. But this summer, she arrives with a heart in turmoil: years have passed since Kit last saw Jake, but now he has written asking to meet again. For Mungo, the village is simply home and the ideal getaway for friends, like Kit, even if he aches at the old memories they bring – and the secrets they stir in him. As the summer unfolds, hidden truths are uncovered that will shatter the sleepy community. But those involved soon realize that the only way to move forward might be to confront the past . . . Praise for Marcia Willett: 'A beautifully woven tale of families, secrets, love and loss' Liz Fenwick 'A genuine voice of our times' The Times 'Riveting, moving and utterly feel-good' Daily Mail

Devotions for the Childrens Hour Jun 05 2020 Prepare your children to stand strong in this age of questions and contradictions. David and Goliath. Noah and the ark. Jonah and the whale. Children love stories of Bible characters. Yet they need more than just the stories. They need to understand the truths that lie behind these stories. Truth that will answer tough questions such as: Who is God? What if I'm a Christian and I still sin? What does God want me to do? Why did Jesus have to die? How will I know if others love Jesus? For many years, Ken Taylor has been giving children this biblical foundation through his books. While containing profound truth, they are written in simple and plain language that kids can understand. Full of stories and

straight talk and complete with suggested Bible reading, questions for thought, relevant prayers, and songs to sing, Devotions for the Children's Hour will give your children the head start they need to stand on the Rock of Salvation in this shaky world.

The Children's Book May 17 2021 From the renowned author of Possession, The Children's Book is the absorbing story of the close of what has been called the Edwardian summer: the deceptively languid, blissful period that ended with the cataclysmic destruction of World War I. In this compelling novel, A.S. Byatt summons up a whole era, revealing that beneath its golden surface lay tensions that would explode into war, revolution and unbelievable change — for the generation that came of age before 1914 and, most of all, for their children. The novel centres around Olive Wellwood, a fairy tale writer, and her circle, which includes the brilliant, erratic craftsman Benedict Fludd and his apprentice Phillip Warren, a runaway from the poverty of the Potteries; Prosper Cain, the soldier who directs what will become the Victoria and Albert Museum; Olive's brother-in-law Basil Wellwood, an officer of the Bank of England; and many others from every layer of society. A.S. Byatt traces their lives in intimate detail and moves between generations, following the children who must choose whether to follow the roles expected of them or stand up to their parents' "porcelain socialism." Olive's daughter Dorothy wishes to become a doctor, while her other daughter, Hedda, wants to fight for votes for women. Her son Tom, sent to an upper-class school, wants nothing more than to spend time in the woods, tracking birds and foxes. Her nephew Charles becomes embroiled with German-influenced revolutionaries. Their portraits connect the political issues at the heart of nascent feminism and socialism with grave personal dilemmas, interlacing until The Children's Book becomes a perfect depiction of an entire world. Olive is a fairy tale writer in the era of Peter Pan and Kenneth Grahame's The Wind in the Willows.

Willows, not long after Alice's Adventures in Wonderland. At a time when children in England suffered deprivation by the millions, the concept of childhood was being refined and elaborated in ways that still influence us today. For each of her children, Olive writes a special, private book, bound in a different colour and placed on a shelf; when these same children are ferried off into the unremitting destruction of the Great War, the reader is left to wonder who the real children in this novel are. The Children's Book is an astonishing novel. It is an historical feat that brings to life an era that helped shape our own as well as a gripping, personal novel about parents and children, life's most painful struggles and its richest pleasures. No other writer could have imagined it or created it.

into the world hardwired to learn in virtually any setting and about any matter. Yet in today's preschool and kindergarten classrooms, learning has been reduced to scripted lessons and suspect metrics that too often undervalue a child's intelligence while overtaxing the child's growing brain. These mismatched expectations wreak havoc on the family: parents fear that if they choose the "wrong" program, their child won't get into the "right" college. But Yale early childhood expert Erika Christakis says our fears are wildly misplaced. Our anxiety about preparing and safeguarding our children's future seems to have reached a fever pitch at a time when, ironically, science gives us more certainty than ever before that young children are exceptionally strong thinkers. In her pathbreaking book, Christakis explains what it's like to be a young child in America today, in a world designed by and for adults, where we have confused schooling with learning. She offers real-life solutions to real-life issues, with nuance and direction that takes us far beyond the usual prescriptions for fewer tests, more play. She looks at children's use of language, their artistic expressions, the way their imaginations grow, and how they build deep emotional bonds to stretch the boundaries of their small worlds. Rather than clutter their worlds with more and more stuff, sometimes the wisest course for us is to learn how to get out of their way. Christakis's message is energizing and reassuring: young children are inherently powerful, and they (and their parents) will flourish when we learn new ways of restoring the vital early learning environment to one that is best suited to the littlest learners. This bold and pragmatic challenge to the conventional wisdom peels back the mystery of childhood, revealing a place that's rich with possibility.

Why Beethoven Threw the Stew Sep 08 2020 In Why

Beethoven Threw the Stew, renowned cellist Steven Isserlis sets out to pass on to children a wonderful gift given to him by his own cello teacher - the chance to people his own world with the great composers by getting to know them as friends. Witty and

informative at the same time, Isserlis introduces us to six of his favourite composers: the sublime genius Bach, the quicksilver Mozart, Beethoven with his gruff humour, the shy Schumann, the prickly Brahms and that extraordinary split personality, Stravinsky. Isserlis brings the composers alive in an irresistible manner that can't fail to catch the attention of any child whose ear has been caught by any of the music described, or anyone entering the world of classical music for the first time. The lively black and white line illustrations provide a perfect accompaniment to the text, and make this book attractive and accessible for children to enjoy on their own or share with an adult.

Harry Potter and the Cursed Child Jan 31 2020 The official playscript of the original West End production of Harry Potter and the Cursed Child. It was always difficult being Harry Potter and it isn't much easier now that he is an overworked employee of the Ministry of Magic, a husband, and father of three school-age children. While Harry grapples with a past that refuses to stay where it belongs, his youngest son Albus must struggle with the weight of a family legacy he never wanted. As past and present fuse ominously, both father and son learn the uncomfortable truth: sometimes, darkness comes from unexpected places. The playscript for Harry Potter and the Cursed Child was originally released as a 'special rehearsal edition' alongside the opening of Jack Thorne's play in London's West End in summer 2016. Based on an original story by J.K. Rowling, John Tiffany and Jack Thorne, the play opened to rapturous reviews from theatregoers and critics alike, while the official playscript became an immediate global bestseller. This revised paperback edition updates the 'special rehearsal edition' with the conclusive and final dialogue from the play, which has subtly changed since its rehearsals, as well as a conversation piece between director John Tiffany and writer Jack Thorne, who share stories and insights about reading playscripts. This edition also includes useful background

Escargot Aug 08 2020 Bonjour! Escargot is a beautiful French snail who wants only two things: 1. To be your favorite animal. 2. To get to the delicious salad at the end of the book. But when he gets to the salad, he discovers that there's a carrot in it. And Escargot hates carrots. But when he finally tries one—with a little help from you!—he discovers that it's not so bad after all! A charming and interactive picture book ideal for picky eaters and animal lovers alike.

The Children Act Sep 28 2019 A brilliant, emotionally wrenching novel from the Booker Prize winner and bestselling author of *Atonement* about a leading High Court judge who must resolve an urgent case—as well as her crumbling marriage. Fiona Maye is a leading High Court judge who presides over cases in the family division. She is renowned for her fierce intelligence, exactitude, and sensitivity. But her professional success belies private sorrow and domestic strife. There is the lingering regret of her childlessness, and now her marriage of thirty years is in crisis. At the same time, she is called on to try an urgent case: Adam, a beautiful seventeen-year-old boy, is refusing for religious reasons the medical treatment that could save his life, and his devout parents echo his wishes. Time is running out. Should the secular court overrule sincerely expressed faith? In the course of reaching a decision, Fiona visits Adam in the hospital—an encounter that stirs long-buried feelings in her and powerful new emotions in the boy. Her judgment has momentous consequences for them both. Don't miss Ian McEwan's new novel, *Lessons*, coming in September!

small children they played with their sisters and brothers in the gardens and the woods and the nearby beach while their mother read them stories and their father visited at weekends. It was, in retrospect, an idyllic time, when tragedy seemed far distant. Now they welcome their children and grandchildren, and especially young Lyddie, their niece, who lives in Cornwall with her handsome husband Liam. But when their sister Georgie, now somewhat frail and forgetful, comes to stay with them, aspects of their past start to revisit them. For Georgie knows all their secrets, secrets which she wants to share... A glorious novel about half-forgotten memories and childhood secrets in the tradition of Rosamunde Pilcher, and perfect for fans of Victoria Hislop, Erica James and Santa Montefiore

Modern British Drama on Screen Mar 27 2022 This collection of essays offers the first comprehensive treatment of British and American films adapted from modern British plays. Offering insights into the mutually profitable relationship between the newest performance medium and the most ancient. With each chapter written by an expert in the field, *Modern British Drama on Screen* focuses on key playwrights of the period including George Bernard Shaw, Somerset Maugham, Terence Rattigan, Noel Coward and John Osborne and the most significant British drama of the past century from *Pygmalion* to *The Madness of George III*. Most chapters are devoted to single plays and the transformations they underwent in the move from stage to screen. Ideally suited for classroom use, this book offers a semester's worth of introductory material for the study of theater and film in modern Britain, widely acknowledged as a world center of dramatic productions for both the stage and screen.

library to find the book of his dreams. Bonjour! It is moi, Escargot, your favorite French snail. Today I am going on a trip to the library, where there are so many stories to choose from! Stories about dog superheroes... guinea pig detectives.... and flamingo astronauts. But sadly, none of these books is about a daring snail hero who saves the day. What is that you say? Perhaps this is the book about the snail hero? Ooh-la-la!

Lesbian Teachers Dec 12 2020 Teachers, in general, are hired to conform with set values of the community which hires them. They are expected to reflect conventions which correspond with an ideological model of behavior sanctioned by the state and by the community in which they work. In a publicly funded educational system, not only are teachers expected to transmit dominant ideologies, but, as representatives of the state, they are assumed to embody the dominant values of the society which hires them. The notion of lesbian teachers inevitably contradicts mainstream assumptions about female teachers--women whose image stereotypically corresponds with and implicitly conveys traditional female "virtues" of purity, dedication, and nurturance. Using an analysis that combines feminist concepts of patriarchy with Gramsci's notion of hegemony, this book is an institutional ethnography which begins from the standpoint of lesbian teachers, but, at the same time, locates their experiences in the immediate social organization from which they arise and which gives them meaning. Through intensive interviews with nineteen lesbian teachers, Khayatt explores these womens' lives as they themselves describe them: How do they conceal their sexuality? How do lesbian teachers cope in the classroom? How do they deal with their perceived need to live a double life? To whom do they come out? Why do they feel unsafe to be out despite the potential protection of legal rights? And, finally, what would they stand to lose if found out?

that captures the magic of The Red Riding Hood along with a dual language storytelling that is perfect for parents who want to raise their children in a bilingual environment.

Eager to Learn Oct 29 2019 Clearly babies come into the world remarkably receptive to its wonders. Their alertness to sights, sounds, and even abstract concepts makes them inquisitive explorers and learners every waking minute. Well before formal schooling begins, children's early experiences lay the foundations for their later social behavior, emotional regulation, and literacy. Yet, for a variety of reasons, far too little attention is given to the quality of these crucial years. Outmoded theories, outdated facts, and undersized budgets all play a part in the uneven quality of early childhood programs throughout our country. What will it take to provide better early education and care for our children between the ages of two and five? *Eager to Learn* explores this crucial question, synthesizing the newest research findings on how young children learn and the impact of early learning. Key discoveries in how young children learn are reviewed in language accessible to parents as well as educators: findings about the interplay of biology and environment, variations in learning among individuals and children from different social and economic groups, and the importance of health, safety, nutrition and interpersonal warmth to early learning. Perhaps most significant, the book documents how very early in life learning really begins. Valuable conclusions and recommendations are presented in the areas of the teacher-child relationship, the organization and content of curriculum, meeting the needs of those children most at risk of school failure, teacher preparation, assessment of teaching and learning, and more. The book discusses: Evidence for competing theories, models, and approaches in the field and a hard look at some day-to-day practices and activities generally used in preschool. The role of the teacher, the importance of peer interactions, and other relationships in the child's life. Learning needs of minority
