**Undeath & Taxes** Dec 07 2020 The sequel to the Amazon bestseller

**THE UTTERLY UNINTERESTING AND UNADVENTUROUS TALES OF FRED, THE VAMPIRE ACCOUNTANT.** After discovering just how filled with magic, intrigue, and adventure the parahuman world of being an Undead American can be, Fredrick Frankford Fletcher did exactly what was expected--he became a certified parahuman accountant. Myths and legends, as it turns out, are not so great at taking appropriate deductions and keeping their receipts, and Fred is more than happy to return to a life others view as woefully dull, expanding his accounting business to cater to various monsters and their respective financial needs. Said monsters are, unfortunately, still spectacular at pulling Fred into trouble, though. And despite merely wanting to stick with simple paperwork, Fred once again finds he is going to have to deal with enchanted weaponry, government agents, possessed houses, and one enigmatic dragon's interest. In the parahuman world, any business can turn deadly, even one as mundane as accounting.

**Bones of the Past** Dec 19 2021 After her apprenticeship was done and a place in the guild of villains secured, Tori's life was supposed to get simpler. Unfortunately, a poorly timed errand sees Tori caught in the debut of a new team of capes, one wearing an all-too-familiar name. Thrust into the spotlight, Tori will have to navigate her unwanted fame as well as the suspiciously superheroic new neighbors down the hall, all while keeping up with her own villainous enterprises. With the guild no longer a secret, Hephaestus needs to grow as strong as possible to face her mounting threats. Ambitious gangs, battling against mechanized traps, and brawling with capes are only the beginning. Behind the scenes, a hidden enemy works to settle an old score, one that has burned for decades. This secret scheme will not only endanger Tori, her friends, and the guild, but the very world itself.

**Corpies** Jul 26 2022 Titan was one of the nation's most loved and respected Heroes, until an infidelity scandal tore his image and family apart. After decades spent out of the limelight, Owen Daniels has decided to take up the mantle of Titan once again to try and make amends for his years away. Unfortunately, the Titan Scandal is still common knowledge, and no Hero team wants such a polarizing figure. With no other options, Owen is forced to take a job overseeing a group

of corpies, corporate-sponsored Supers who do rescue work... as long as there are cameras around. Between a team that doesn't want him, fellow Heroes who don't trust him, and a nation that might not be ready to forgive the sins of the past, the return of Titan could prove even harder than the scandal that drove him away. But Owen will have to push on, because his new city is far from a peaceful one. A mysterious enemy is attacking Heroes and growing steadily stronger. An enemy that only the once-legendary Titan might be able to stop. If he can manage to stick around this time.

The Case of the Haunted Haunted House Mar 22 2022 Sherman Holmes has officially settled into his new city, and the World's Greatest Detective Agency has opened its doors. While his put-upon partner, Watson, would be happy to keep the jobs as simple as missing pets, when a worried worker with an outlandish tale of ghosts walks in, there's no stopping Sherman from taking the case. Now, the new duo must investigate a local "haunted" tourist site where the scares are going off-script and otherworldly interference is suspected. With Sherman lost in the history of the mystery, Watson finds himself needing to adapt quickly to his new job's unique challenges. Facing booby-trapped halls to navigate, pesky former co-workers popping in without warning, and growing attention from a local criminal element, even an operative of Watson's talents is going to need some help getting through this case alive. Instead, he has Sherman Holmes.

*Superpower* Oct 05 2020 Meet Michael Skelly, the man boldly harnessing wind energy that could power America's future and break its fossil fuel dependence in this "essential, compelling look into the future of the nation's power grid" (Bryan Burrough, author of *The Big Rich*). The United States is in the midst of an energy transition. We have fallen out of love with dirty fossil fuels and want to embrace renewable energy sources like wind and solar. A transition from a North American power grid that is powered mostly by fossil fuels to one that is predominantly clean is feasible, but it would require a massive building spree—wind turbines, solar panels, wires, and billions of dollars would be needed. Enter Michael Skelly, an infrastructure builder who began working on wind energy in 2000 when many considered the industry a joke. Eight years later, Skelly helped build the second largest wind power company

in the United States—and sold it for \$2 billion. Wind energy was no longer funny—it was well on its way to powering more than 6% of electricity in the United States. Award-winning journalist, Russel Gold tells Skelly's story, which in many ways is the story of our nation's evolving relationship with renewable energy. Gold illustrates how Skelly's company, Clean Line Energy, conceived the idea for a new power grid that would allow sunlight where abundant to light up homes in the cloudy states thousands of miles away, and take wind from the Great Plains to keep air conditioners running in Atlanta. Thrilling, provocative, and important, *Superpower* is a fascinating look at America's future.

**Going Rogue** Feb 27 2020 Adventuring is a costly affair, and while the tolls are often paid in blood, gold can drain away just as quickly. The party's trek out of Solium and across the lands of Alcatham has left them with only a handful of gold between them. Fortunately, they have drawn near Camnarael, Alcatham's capital, where all manner of quests--and rewards--await. But all is not as expected in the capital. Unusual occurrences have been happening throughout Camnarael: figures in the shadows making unsavory bargains, attackers harassing innocent parishioners, and adventurers from all over the land gathering to partake in a Grand Quest offered by the royal family. Most curious of all are the rumors that speak of a strange artifact serving as the reward for this rare and legendary quest... an artifact that sounds just a bit too familiar to the former NPCs.

*Super Powered*s Aug 27 2022 Despite having their secret revealed, the residents of Melbrook Hall return to Lander University for another year in the Hero Certification Program. Good thing the focus of this year is teamwork, because with their origins known they'll have to lean on each other more than ever. Now finally sophomores, their curriculum expands, allowing them to train in the majors that Heroes specialize in. The new classes will test their minds, bodies, and determination in ways never anticipated. In a year filled with the unveiling of secrets, unexpected entanglements, and, of course, super-powered battles, who will be left standing is anyone's guess. Because if all that weren't enough, more light is being shed on last year's kidnapping attempt, and the results point at something far bigger than mere rogue educators.

Something that isn't even close to being over with.

**Steelheart** Jan 08 2021 Ten years ago, Calamity came. It was a burst in the sky that gave ordinary men and women extraordinary powers. The awed public started calling them Epics. But Epics are no friend of man. With incredible gifts came the desire to rule. And to rule man you must crush his wills. Nobody fights the Epics... nobody but the Reckoners. A shadowy group of ordinary humans, they spend their lives studying Epics, finding their weaknesses, and then assassinating them. And David wants in. He wants Steelheart - the Epic who is said to be invincible. The Epic who killed David's father. For years, like the Reckoners, David's been studying, and planning - and he has something they need. Not an object, but an experience. He's seen Steelheart bleed. And he wants revenge.

*Bloody Acquisitions* Nov 05 2020 The third book in Drew's outrageously adventurous and satirical series, including **THE UTTERLY UNINTERESTING AND UNADVENTUROUS TALES OF FRED**, **THE VAMPIRE ACCOUNTANT (Book 1)** and **UNDEATH & TAXES (Book 2)**. With a thriving parahuman accounting practice, a steady relationship, and a circle of trusted friends, Fred's undead life has become more enjoyable than his normal one ever was. Unfortunately, it also seems that he's no longer the only vampire to appreciate the up-and-coming city of Winslow, Colorado. A new clan of vampires is moving in, and they aren't well known for tolerating outsiders in their territory. Now, Fred must cope with the growing presence-and threat-of other vampires even as he struggles to keep up with his business's demands and make time for his friends. Between hidden parahuman towns, crazed vampire hunters, quarreling mages, and the world's least subtle spy, it will take all of Fred's wiles just to keep his head above water. And as the new clan sinks their fangs deeper and deeper into his city, the undead accountant is faced with a choice between two equally unappealing options: flee his home, or stand against an entire clan of fellow vampires.

**Almost Infamous** Aug 03 2020 Eighteen-year-old Aidan Salt isn't a superhero. With his powerful (and unpredictable) telekinetic abilities he could be one if he wanted to, but he doesn't. He's unambitious, selfish, and cowardly, and he doesn't want to have to deal with all the paperwork

required to become a professional superhero. But since the money, fame, and women that come with wearing the cape are appealing, he decides to become the first supervillain the world has seen in more than twenty years: Apex Strike. However, he soon finds villainy in a world where the heroes have long since defeated all the supervillains. While half the world's heroes seem to want him dead, the other half want to hire him as their own personal villain to keep them relevant. Choosing the latter course, Aidan enters a world of fame, fortune, and staged superhero fights that is seemingly everything he ever dreamed of . . . at least until he sees what truly hides behind the cape-and-mask lifestyle.

**Out of House and Home** Feb 18 2022 With his wedding behind him, Fred is looking forward to nightly life finally settling down.

Unfortunately, someone from his past has other, far less peaceful, plans in mind. Finding his clan under attack, Fred must scramble to discover who is working against him and how to fight back. Between securing shelter, trading favors, and keeping up with his accounting business, it won't be easy to stay out of trouble; let alone uncover the identity of his adversary. Faced with an enemy who has no interest in diplomacy, Fred and his friends will have to make hard choices if they want to survive. Choices that could forever change The House of Fred.

*Forging Hephaestus* Jun 24 2022 Gifted with metahuman powers in a world full of capes and villains, Tori Rivas kept away from the limelight, preferring to work as a thief in the shadows. But when she's captured trying to rob a vault that belongs to a secret guild of villains, she's offered a hard choice: prove she has what it takes to join them or be eliminated. Apprenticed to one of the world's most powerful (and supposedly dead) villains, she is thrust into a strange world where the lines that divide superheroes and criminals are more complex than they seem. The education of a villain is not an easy one, and Tori will have to learn quickly if she wants to survive. On top of the peril she faces from her own teacher, there are also the capes and fellow apprentices to worry about, to say nothing of having to keep up a civilian cover. Most dangerous of all, though, are those who loathe the guild's very existence. Old grudges mean some are willing to go to any length to see the guild turned to ash, along with each one of its members. Even the lowly apprentices

**Super Powereds** Oct 29 2022 The final year at Lander has finally arrived for the Melbrook students and their peers, and with it comes a whole new set of challenges. Still reeling from the events of their junior year, the remaining students will have to push past their pain - and so much more - if they hope to be one of the ten to claim the title of Hero upon graduation. Constant tests and trials await the senior students. Beyond simulated missions and classes, they'll also have to buckle down to learn about agents, prospective teams, internships, and other seemingly endless elements of being a Hero. For some, however, the classroom is only one aspect of the trouble that lies ahead. Long-buried secrets have been unearthed; old mysteries are finally unraveling; and what lies at the center of it all has the potential to rock the realm of Heroes to its very foundation.

**Chasing The Monsoon** Jul 02 2020 On 20th May the Indian summer monsoon will begin to envelop the country in two great wet arms, one coming from the east, the other from the west. They are united over central India around 10th July, a date that can be calculated within seven or eight days. Alexander Frater aims to follow the monsoon, staying sometimes behind it, sometimes in front of it, and everywhere watching the impact of this extraordinary phenomenon. During the anxious period of waiting, the weather forecaster is king, consulted by pie-crested cockatoos, and a joyful period ensues: there is a period of promiscuity, and scandals proliferate. Frater's journey takes him to Bangkok and the cowboy town on the Thai-Malaysian border to Rangoon and Akyab in Burma (where the front funnels up between the mountains and the sea). His fascinating narrative reveals the exotic, often startling, discoveries of an ambitious and irresistibly romantic adventurer.

**Super Powereds** Dec 31 2022 Knowledge is power. That would be the motto of Lander University, had it not been snatched up and used to death by others long before the school was founded. For while Lander offers a full range of courses to nearly all students, it also offers a small number of specialty classes to a very select few. Lander is home to the Hero Certification Program, a curriculum designed to develop student with superhuman capabilities, commonly known as Supers, into official Heroes. Five of this year's freshmen are extra special. They have a secret aside from their abilities, one that they must guard from even their

classmates. Because for every one person in the world with abilities they can control, there are three who lack such skill. These lesser super beings, Powered as they are called, have always been treated as burdens and second class citizens. Though there has been ample research in the area, no one has ever succeeded in turning a Powered into a regular human, let alone a Super. That is, until now...

**Dreaming in Code** Aug 15 2021 Their story takes us through a maze of dead ends and exhilarating breakthroughs as they and their colleagues wrestle not only with the abstraction of code but with the unpredictability of human behavior, especially their own. Along the way, we encounter black holes, turtles, snakes, dragons, axe-sharpening, and yak-shaving—and take a guided tour through the theories and methods, both brilliant and misguided, that litter the history of software development, from the famous “mythical man-month” to Extreme Programming. Not just for technophiles but for anyone captivated by the drama of invention, *Dreaming in Code* offers a window into both the information age and the workings of the human mind.

*Fat Vampire* Mar 10 2021 Now a new series on SYFY, *Reginald The Vampire! Death Has a Brand New Appetite...* When overweight treadmill salesman Reginald Baskin finally meets a co-worker who doesn't make fun of him, it's his own bad luck that tech guy Maurice turns out to be a two-thousand-year-old vampire. And when Maurice turns Reginald to save his life, it's just Reginald's further bad luck that he wakes to discover he's become the slowest, weakest, most out-of-shape vampire ever created ... doomed to "heal" to his corpulent self for all of eternity. But as Reginald struggles with the downsides of being a fat vampire (too slow to catch people to feed on, mocked by those he tries to glamour, assaulted by his intended prey, and left for undead), he discovers rare powers in himself that few vampires have ... and just in time, because the Vampire Council wants him destroyed as an inferior representative of their race. Read the first book of Johnny B. Truant's blockbuster series, and you'll never look at vampires (or vampire stories) the same way again. ?????? "Laugh out loud funny and the laughs just keep coming. I am in for the whole series because I need to know what happens next to Reginald, the Fat Vampire. It is absurd, and yet oddly comforting and believable that even the Vampire world has out of shape

and awkward individuals." -- AJ ????? "I love a good vampire novel and Johnny B. Truant delivers on all levels. Humorous, suspense, action, gore, love story... it has all of these and excels at them. Twists and turns near the end of the story had me shouting out loud in my head towards certain characters and cheering Reginald, Maurice, and Nikki on! Looking for a new vampire story to sink your fangs into... buy this book!" -- Christian Burch ????? "Truant has authored the most unique vampire novella I have ever read... I sincerely predict The Fat Vampire would become a most popular television series when producers learn of Truant's work." -- vinnieg ????? "Just when you think you'll never find a vampire novel again that doesn't involve bloodsuckers that look like they moonlight at American Apparel, here comes Reginald, 350-lb. office worker who, because he's in the wrong place at the wrong time, is turned into a vampire; now he's destined to be the out of shape, fat slob he's been all his life... forever. What, you thought he'd suddenly turn into Edward Cullen?" -- Phoenix59 ????? "Reginald is a very relatable character. He's been hammered down his whole life because of his weight, and he just doesn't see an end in sight. Even after being turned into a vampire things are looking down. But despite everything he perseveres. Having grown up over-weight myself I felt this character was a great role-model, despite a few instances where let his stomach make decisions for him." -- Michael Loring Perfect for fans of Rick Gualtieri's Tome of Bill series or Drew Hayes' Fred the Vampire Accountant series, Fat Vampire is the story of an unlikely hero who, after having an imperfect eternity shoved into his grease-stained hands, must learn to turn the afterlife's lemons into tasty lemon danishes. *He Who Fights with Monsters* 3 Jan 26 2020 For all that Jason's new life is amazing, he is about to learn that his new power, wealth, and influence comes at a price... Riding high on success, he and his team are looking to the future, preparing themselves for the challenges to come. Nothing, however, could prepare him for the lessons his enemies have to teach. When magic is involved, the stakes can be even greater than life and death. While Jason's personal enemies make plans, the greater foes plaguing his new home have been pushed to the brink. With one powerful card left to play, they are on a collision course with Jason and

his team. With no one to help and more than their lives on the line, Jason and his companions must fight with more monsters than ever in the race to grow stronger. With an invincible enemy already anticipating them, they will learn that sometimes winning the battle is more important than surviving it. Book 3 in the bestselling He Who Fights With Monsters Series, coming Fall 2021!

*Super Villain Dad* Aug 22 2019 You're probably wondering why we're trying to be so quiet. Well there's a reason. A really BIG reason. He's standing over there--no--to your right--no, THROUGH the fence. Yes, on the other side of the big, nasty looking security fence that is literally shaking because of electric jolts. Yes, him. He's pretty scary looking, right? He's got to be six five, and he's got the face of a serial murderer. It's all sharp and needing shaved. And that whole skin tight prison body suit thing--it's really not fashionable at all, I admit. What? Why's he got a streak of white in his hair? Well, see, that's why we're here. He's a super villain. So why is an innocent little freshman like me and her annoying twin brother sneaking peeks at him through a prison fence? Well... He's our father. At least, that's what we think.

**Super Powereds** Nov 29 2022 Junior year has come for the remaining students of Melbrook Hall, and it promises to be the most difficult one yet. With one of their own gone and another under serious investigation, none of the former Powereds knows how many days remain for them in the Hero Certification Program. The time they do have will be filled with more trials and classes, honing their skills as they work toward the increasingly difficult goal of becoming Heroes. Ample new challenges await them, and not all of them can be met on the safety of Lander's campus. Fallout from last year's final exam has stirred the interest of many parties, not all of them friendly. With enemies pressing in from all directions, it's going to take new alliances, dedication, and countless hours of training if they want to last another year.

Zero.Hero 2 Jul 14 2021 Terra's Heroes are zeroes no more. For Claire and her RPG hero friends, the spring semester was loaded with PR interviews, sponsorship requests, and paparazzi. Summer has come and it's finally their chance to unwind in Italy. Or is it? The Hero Olympics will test Claire on and off the field as an evil plot unfolds in the shadow of the games. Augur's visions can only get them so far as Terra's Heroes

fight not just to claim victory for their guild, the Stewards of Light, but to foil the plans of an unknown agent who's pulling the strings of the massive corporation XHRI, an Olympic sponsor. The line between friend and foe will blur as Claire navigates new waters of fame and fandom. Can Terra's Heroes prevent the games from falling into the grip of a deadly plot, or will they succumb to the wiles of their mysterious enemy? From J.D. Astra, author of the LitRPG Epic Viridian Gate Online: Firebrand, comes a new universe of heroes and monsters. If you loved Super Powered by Drew Hays, I Alone Level-Up, or you crave more anime like One Punch Man and My Hero Academia (with a healthy serving of RPG elements) then Zero.Hero is for you!

**Super Powered** May 24 2022 Junior year has come for the remaining students of Melbrook Hall, and it promises to be the most difficult one yet. **Dungeon Crawler Carl** Sep 23 2019 The apocalypse will be televised! A man. His ex-girlfriend's cat. A sadistic game show unlike anything in the universe: a dungeon crawl where survival depends on killing your prey in the most entertaining way possible. In a flash, every human-erected construction on Earth--from Buckingham Palace to the tiniest of sheds--collapses in a heap, sinking into the ground. The buildings and all the people inside have all been atomized and transformed into the dungeon: an 18-level labyrinth filled with traps, monsters, and loot. A dungeon so enormous, it circles the entire globe. Only a few dare venture inside. But once you're in, you can't get out. And what's worse, each level has a time limit. You have but days to find a staircase to the next level down, or it's game over. In this game, it's not about your strength or your dexterity. It's about your followers, your views. Your

clout. It's about building an audience and killing those goblins with style. You can't just survive here. You gotta survive big. You gotta fight with vigor, with excitement. You gotta make them stand up and cheer. And if you do have that "it" factor, you may just find yourself with a following. That's the only way to truly survive in this game--with the help of the loot boxes dropped upon you by the generous benefactors watching from across the galaxy. They call it Dungeon Crawler World. But for Carl, it's anything but a game.

Master of Formalities Oct 24 2019 Even when finding oneself engaged in interstellar war, good form must be observed. Our story is set thousands of years after the Terran Exodus, where two powerful, planet-dominating families the elegant House Jakabitus and the less refined Hahn Empire have reached a critical point in their generations-long war. Master Hennik, the Hahn ruler's only son, has been captured, and the disposition of his internment may represent a last and welcome chance for peace. Enter Wollard, the impeccably distinguished and impossibly correct Master of Formalities for House Jakabitus. When he suggests that Master Hennik be taken in as a ward of the House, certain complications arise. Wollard believes utterly and devotedly in adhering to rules and good etiquette. But how does one inform the ruler of a planet that you are claiming his son as your own and still create enough goodwill to deescalate an intergalactic war?"

*The Innkeeper Chronicles* Apr 30 2020 Subterranean Press is pleased to present, from NYT #1 bestselling author Ilona Andrews, an omnibus of the first three novels in the Innkeeper series. Our edition will be huge (over 760 pages), with an original full-color wraparound dust jacket, as well as full-color and black-and-white interior illustrations by Doris Mantair.

*Super Sales on Super Heroes* Nov 17 2021 In a world full of super powers, Felix had a pretty crappy one. After learning to harness his ability to modify any item he owns, he now runs a corporation that is rapidly expanding. Legion. After tangling with the local Heroes guild they've finally settled into a semblance of stability. Sounds great on paper. Run your company, make money, be your own boss, settle down. Except that with running a business, comes an inordinate amount of responsibilities. Like making sure everything keeps running and your people are paid. Worrying about the longevity of his company, Felix begins to expand into other cities. So they've packed up the car, put in all the requisite forms, gotten the approvals, and set out to start Legion up in a new city. The problem though is the local government had no idea

who they were selling permits to. Approving forms for. To Felix and Legion. And now they're about to find out.

**The Rules of Supervillainy** Feb 06 2021 Gary Karkofsky is an ordinary guy with an ordinary life living in an extraordinary world. Supervillains, heroes, and monsters are a common part of the world he inhabits. Yet, after the death of his hometown's resident superhero, he gains the amazing gift of the late champion's magical cloak. Deciding he prefers to be rich rather than good, Gary embarks on a career as Merciless: The Supervillain Without Mercy. But is he evil enough to be a villain in America's most crime-ridden city? Gary soon finds himself surrounded by a host of the worst of Falconcrest City's toughest criminals. Supported by his long-suffering wife, his ex-girlfriend turned professional henchwoman, and a has-been evil mastermind, Gary may end up being not the hero they want but the villain they need.

**Corpies** Jan 20 2022 Titan was one of the nation's most loved and respected Heroes, until an infidelity scandal tore his image and family apart. After decades spent out of the limelight, Owen Daniels has decided to take up the mantle of Titan once again to try and make amends for his years away. Unfortunately, the Titan Scandal is still common knowledge, and no Hero team wants such a polarizing figure. With no other options, Owen is forced to take a job overseeing a group of corpies, corporate-sponsored Supers who do rescue work... as long as there are cameras around. Between a team that doesn't want him, fellow Heroes who don't trust him, and a nation that might not be ready to forgive the sins of the past, the return of Titan could prove even harder than the scandal that drove him away. But Owen will have to push on, because his new city is far from a peaceful one. A mysterious enemy is attacking Heroes and growing steadily stronger. An enemy that only the once-legendary Titan might be able to stop. If he can manage to stick around this time.

**Superhero School** Apr 10 2021 It's Math Curse meets The Incredibles! Leonard is no ordinary kid—he's enrolled in Superhero School, where leaping tall buildings in a single bound is considered child's play. If only division, fractions, and multiplication came as naturally, and weren't so, well, ordinary. But when the kids' math teacher, Mr. Tornado, and the rest of the staff get kidnapped by ice zombies, Leonard and his pals find themselves using every superhero trick in the book—not to mention a few unexpected math skills—to divide (and conquer!) the enemy.

The Utterly Uninteresting and Unadventurous Tales of Fred, the Vampire Accountant Oct 17 2021 Some people are born boring. Some live boring. Some even die boring. Fred managed to do all three, and when he woke up as a vampire, he did so as a boring one. Timid, socially awkward, and plagued by self-esteem issues, Fred has never been the adventurous sort. One fateful night - different from the night he died, which was more inconvenient than fateful - Fred reconnects with an old friend at his high school reunion. This rekindled relationship sets

off a chain of events thrusting him right into the chaos that is the parahuman world, a world with chipper zombies, truck driver wereponies, maniacal necromancers, ancient dragons, and now one undead accountant trying his best to "survive." Because even after it's over, life can still be a downright bloody mess.

**The Case of the Damaged Detective** Jun 12 2021 A mystery/road trip/buddy comedy/action adventure from the author of *Second Hand Curses*. A dance club full of bodies. Cause of death - a mystery. The lone survivor - a man, raving like a lunatic, wearing only a deerstalker hat. Now, the man who calls himself Sherman Holmes is being studied like a lab rat by a top-secret government agency. How is it he can be barely clinging to reality one minute - yet be a seeming genius the next? Within his brain might just be the greatest scientific breakthrough of the millennium, if anyone can figure out how to access it. Enter the agent code named Watson. Once a rising star, a deadly betrayal sent him spiraling into uncertainty and paranoia. Now saddled with moving Sherman to a more-secure facility, he must prove he's still up to the task. With enemies on their heels, a whole country to cross, and Sherman ranting in his ear, the job proves to be more of a challenge than Watson ever anticipated. With Watson's experience and the bizarre insights of his own twisted mind, Sherman just might survive. But can Watson survive Sherman?

*Second Hand Curses* Sep 03 2020 When your fairy godmother threatens to enslave you with a curse - when a malevolent piper solves your rat problem but steals your children - when you seek revenge on the prince who turned you into a frog - who can you turn to in your hour of need? The band of scoundrels known far and wide as the Bastard Champions - the swashbuckling trio who travel a world of legend, seeking adventure and righting wrongs - as long as there's enough gold to be earned. They are Jack, the seemingly unkillable leader whose ever-present grin belies a dark past; Marie, who fights with fury but battles more fiercely to control the beast within; and Frank, the master of logistics, whose cloak hides horrific scars that are far more than skin-deep. As they slash and scheme through kingdom and village alike, the Bastard Champions uncover tantalizing clues to their ultimate quarry: the powerful Blue Fairy, who has made each of their lives a living hell. *Second Hand*

Curses adds a dash of sly wit and a heaping portion of action to the fairy tales you thought you knew.

*Ex-Heroes* Mar 29 2020 Book One in the EX Series The Mighty Dragon. Stealth. Gorgon. Regenerator. Cerberus. Zzzap. They were superheroes fighting to make Los Angeles a better place. Then the plague of living death spread. Billions died, civilization fell, and the City of Angels was left a desolate zombie wasteland. But the ex-humans aren't the only threats the heroes face. Another group is amassing power . . . led by an enemy with the most terrifying ability of all.

*Zeroes* Dec 27 2019 A gripping sci-fi adventure from the New York Times bestselling author, Scott Westerfeld, and award-winning co-authors Margo Lanagan and Deborah Biancotti about a group of teens with amazing abilities. 'Zeroes is expansive and evocative' -- NPR Who are the Zeroes? Six teens with powers that set them apart from the ordinary, and definitely not heroes. When a bank robber goes wrong, the scattered Zeroes must agree to come back together to save one of their own. But what if there was someone else that could help too? Perhaps there's a new Zero on the block? Filled with high-stakes action and drama, Zeroes unites three powerhouse authors for the opening installment of a thrilling series.

See These Bones Sep 15 2021 There are many words to describe necromancers, but superhero isn't one of them. 18-year-old Damian Banach's only talent is the power that's driving him insane. Yet somehow Damian just became the Academy of Heroes' newest student. Accompanied by his mom's ghost, he'll have to survive the Academy (and his fellow classmates), while battling the insanity that doomed every Crow before him. Superhero school just got scary.

*Zero.Hero* May 12 2021 The greatest Heroes have already fallen... Now it's up to Claire and her ragtag crew of Zeroes to save the city. Low-ranked contractors Claire, Elise, Norah, and Piper dream of making it to the top twenty with the Stewards of Light, but their weird RPG powers have them trapped near the bottom instead. Balancing college, part-time jobs, and family matters leaves the girls without much time to fight crime and grind out the experience they need to climb the ranks. When a new threat emerges, the gamer girls are left standing in a city turned upside down with no hero to save them. The underclassmen are

outclassed, but they're also the only ones who can stop the spread of chaos. Claire and her friends will have to unravel the mess with clever teamwork and determination, and find the top-rank heroes in themselves to save the city before it falls into darkness. From J.D. Astra, author of the LitRPG Epic *Viridian Gate Online: Firebrand*, comes a new universe of heroes and monsters. If you loved *Super Powered*s by Drew Hays, *I Alone Level-Up*, or you crave more anime like *One Punch Man* and *My Hero Academia* (with a healthy serving of RPG elements) then *Zero.Hero* is for you! Note from the Publisher: *Zero.Hero Book 1* was previously released under the title *Neon Dark: Zero.Hero 1*. This new version has undergone a major rewrite of the first act, though the rest of the story remains largely unchanged. If you've previously purchased *Neon Dark* and would like to read the updated version, please contact the Publisher at [ShadowAlleyPress.com](http://ShadowAlleyPress.com)
