Searching for Peace Sep 01 2020 A revealing memoir by the Israeli leader who almost made peace with the Palestinians Written almost entirely from inside a prison cell, Searching for Peace is the compelling memoir of former Israeli prime minister Ehud Olmert. The child of parents who were members of the Irgun, the paramilitary group that fought for the establishment of Israel, Olmert became the youngest member of the Israeli Knesset in 1973, serving in the right-wing Likud party. He rose quickly in the party, serving in national government before being elected mayor of Jerusalem in 1993. As mayor he overcame decades of municipal malaise, inertia, and waves of terror attacks to bring huge improvements in the city's infrastructure, education, and welfare. Although a child of the Israeli right, it was during his mayoralty that he realized the inevitability of compromise and the need to divide the city in any future peace agreement with the Palestinians. Olmert rejoined the national government

in 2003 as a top aide to then-Prime Minister Ariel Sharon. After Sharon suffered a debilitating stroke in 2006, Olmert took over as acting prime minister, then led Sharon's new centrist party Kadima to victory in elections. Heading a coalition government, Olmert led Israel through the war with Lebanon in July 2006 and approved the dramatic strike on Syria's nuclear reactor the following year. From late 2006 through 2008, Olmert engaged in some three dozen negotiations with Palestinian leader Mahmoud Abbas. The talks, Olmert says, came "within a hair's breadth" of reaching a comprehensive peace deal. At the same time, Olmert was fighting allegations that he had illegally accepted large sums of money from a well-connected American businessman. He was acquitted of all but a minor charge against him, but in 2014 he was convicted on charges of taking \$15,000 in bribes involving the construction of an industrial park while he served as Minister of Industry and Trade. He served 16 months in prison, using his time to write these memoirs. Searching for Peace offers a riveting political story and an unparalleled window into Israeli history, peacemaking, politics, U.S.-Israel relations, and the future of the Middle East.

Hunger Apr 27 2020 'I ate and ate and ate in the hopes that if I made myself big, my body would be safe. I buried the girl I was because she ran into all kinds of trouble. I tried to erase every memory of her, but she is still there, somewhere. . . . I was trapped in my body, one that I barely recognized or understood, but at least I was safe.' New York Times bestselling author Roxane Gay has written with intimacy and sensitivity about food and bodies, using her own emotional and psychological struggles as a means of exploring our shared anxieties over pleasure, consumption, appearance, and health. As a woman who describes her own body as "wildly undisciplined," Roxane understands the tension between desire and denial, between self-comfort and self-care. In Hunger, she casts an insightful and critical eye on her childhood, teens, and twenties—including the devastating act of violence that acted as a turning point in her young life—and brings readers into the present and the realities, pains, and joys of her daily life. With the bracing candor, vulnerability, and authority that have made her one of the most admired voices of her generation, Roxane explores what it means to be overweight in a time when the bigger you are, the less you are seen. Hunger is a deeply personal memoir from one of our finest writers, and tells a story that hasn't yet been told but needs to be.

Bonjour Kale Sep 25 2022 A memoir of love, life, and recipes from the woman who brought kale to the City of Light The story of how one expat woman left her beloved behind when she moved to France—her beloved kale, that is. Unable to find le chou kale anywhere upon moving to the City of Light with her new husband, and despite not really speaking French, Kristen Beddard launched a crusade to single-handedly bring kale to the country of croissants and cheese. Infused with Kristen's recipes and some from French chefs, big and small (including Michelin star chef Alain Passard) Bonjour Kale is a humorous, heartfelt memoir of how Kristen, kale, and France collide.

The Deep Places Nov 22 2019 NEW YORK TIMES EDITORS' CHOICE • In this vulnerable, insightful memoir, the New York Times columnist tells the story of his five-year struggle with a disease that officially doesn't exist, exploring the limits of modern medicine, the stories that we unexpectedly fall into, and the secrets that only suffering reveals. "A powerful memoir about our fragile hopes in the face of chronic illness."—Kate Bowler, bestselling author of Everything Happens for a Reason In the summer of 2015, Ross Douthat was moving his family, with two young daughters and a pregnant wife, from Washington, D.C., to a sprawling farmhouse in a picturesque Connecticut town when he acquired a mysterious and devastating sickness. It left him sleepless, crippled, wracked with pain--a shell of himself. After months of seeing doctors and descending deeper into a physical inferno, he discovered that he had a disease which according to CDC definitions does not actually exist: the chronic form of Lyme disease, a hotly contested condition that devastates the lives of tens of thousands of people but has no official recognition--and no medically approved cure. From a rural dream house that now felt like a prison, Douthat's search for help takes him off the map of official medicine, into territory where cranks and conspiracies abound and patients are forced to take control of their own treatment and experiment on themselves. Slowly, against his instincts and assumptions, he realizes that many of the cranks and weirdos are right, that many supposed "hypochondriacs" are victims of an indifferent medical

establishment, and that all kinds of unexpected experiences and revelations lurk beneath the surface of normal existence, in the places underneath. *The Deep Places* is a story about what happens when you are terribly sick and realize that even the doctors who are willing to treat you can only do so much. Along the way, Douthat describes his struggle back toward health with wit and candor, portraying sickness as the most terrible of gifts. It teaches you to appreciate the grace of ordinary life by taking that life away from you. It reveals the deep strangeness of the world, the possibility that the reasonable people might be wrong, and the necessity of figuring out things for yourself. And it proves, day by dreadful day, that you are stronger than you ever imagined, and that even in the depths there is always hope.

Hillbilly Elegy May 29 2020 THE #1 NEW YORK TIMES BESTSELLER IS NOW A MAJOR-MOTION PICTURE DIRECTED BY RON HOWARD AND STARRING AMY ADAMS, GLENN CLOSE, AND GABRIEL BASSO "You will not read a more important book about America this year."—The Economist "A riveting book."—The Wall Street Journal "Essential reading."—David Brooks, New York Times *Hillbilly Elegy* is a passionate and personal analysis of a culture in crisis—that of white working-class Americans. The disintegration of this group, a process that has been slowly occurring now for more than forty years, has been reported with growing frequency and alarm, but has never before been written about as searingly from the inside. J. D. Vance tells the true story of what a social, regional, and class decline feels like when you were born with it hung around your neck. The Vance family story begins hopefully in postwar America. J. D.'s grandparents were "dirt poor and in love," and moved north from Kentucky's Appalachia region to Ohio in the hopes of escaping the dreadful poverty around them. They raised a middle-class family, and eventually one of their grandchildren would graduate from Yale Law School, a conventional marker of success in achieving generational upward mobility. But as the family saga of *Hillbilly Elegy* plays out, we learn that J.D.'s grandparents, aunt, uncle, sister, and, most of all, his mother struggled profoundly with the demands of their new middle-class life, never fully escaping the legacy of abuse, alcoholism, poverty, and trauma so characteristic of their part of America. With piercing honesty, Vance shows how he himself still carries around the demons of his chaotic family history. A deeply moving memoir, with its share of humor and vividly colorful figures, *Hillbilly Elegy* is the story of how upward mobility really feels. And it is an urgent and troubling meditation on the loss of the American dream for a large segment of this country.

Francisco as well as an exquisitely moving account of a father's legacy and a daughter's love.

***I Never Promised You a Goodie Bag* Oct 14 2021 When Jennifer Gilbert was twenty-two years old, someone tried to cut her life short in the most violent way. Not wanting this traumatic encounter to define her life, she buried it within and bravely launched a fabulous career in New York as an event planner. Always the calm in the storm—from fixing a ripped dress to relocating a lavish party on two days' notice—she was convinced she'd never again feel joy herself. Yet these weddings, anniversaries, and holiday parties slowly brought her back to life. No one's entitled to an easy road, Gilbert learned, but instead of anticipating our present in a goodie bag, it's our presence that is the real gift.**

***Our Story* Dec 28 2022 Begun by the author when he was eighty-seven years old and mourning the loss of his wife, *Our Story* is a graphic memoir like no other: a celebration of a marriage that spanned the twentieth century in China, told in vibrant, original paintings and prose. Rao Pingru was twenty-four-year-old soldier when he was reintroduced to Mao Meitang, a girl he'd known in childhood and now the woman his father had arranged for him to marry. One glimpse of her through a window as she put on lipstick was enough to capture Pingru's heart: a moment that sparked a union that would last almost sixty years. *Our Story* is Pingru and Meitang's epic but unassuming romance. It follows the couple through the decades, in both poverty and good fortune—looking for work, opening a restaurant, moving cities, mending shoes, raising their children, and being separated for seventeen years by the government when Pingru is sent to a labor camp. As the pair ages, China undergoes extraordinary growth, political turmoil, and cultural change. When Meitang passes away in 2008, Pingru memorializes his wife and their relationship the only way he knows how: through painting. In an outpouring of love and grief, he puts it all on paper. Spanning 1922 through 2008, *Our Story* is a tale of enduring love and simple values that is at once tragic and inspiring: an old-fashioned story that unfolds in a nation undergoing cataclysmic change. (With gorgeous full-color illustrations throughout, and a distinctive exposed spine emulating the original Chinese design.)**

***Motherland* Mar 27 2020 "I'm reading this book right now and loving it!"—Cheryl Strayed, #1 New York Times bestselling author of *Wild* How can a mother and daughter who love (but don't always like) each other coexist without driving each other crazy? "Vibrating with emotion, this deeply honest account strikes a chord."—People "A wry and moving meditation on aging and the different kinds of love between women."—O: *The Oprah Magazine* After surviving a traumatic childhood in nineteen-seventies New York and young adulthood living in the shadow of her flamboyant mother, Rita, a makeup-addicted former television singer, Elissa Altman has managed to build a very different life, settling in Connecticut with her wife of nearly twenty years. After much time,**

therapy, and wine, Elissa is at last in a healthy place, still orbiting around her mother but keeping far enough away to preserve the stable, independent world she has built as a writer and editor. Then Elissa is confronted with the unthinkable: Rita, whose days are spent as a flâneur, traversing Manhattan from the Clinique counters at Bergdorf to Bloomingdale's and back again, suffers an incapacitating fall, leaving her completely dependent upon her daughter. Now Elissa is forced to finally confront their profound differences, Rita's yearning for beauty and glamour, her view of the world through her days in the spotlight, and the money that has mysteriously disappeared in the name of preserving youth. To sustain their fragile mother-daughter bond, Elissa must navigate the turbulent waters of their shared lives, the practical challenges of caregiving for someone who refuses to accept it, the tentacles of narcissism, and the mutual, frenetic obsession that has defined their relationship. Motherland is a story that touches every home and every life, mapping the ferocity of maternal love, moral obligation, the choices women make about motherhood, and the possibility of healing. Filled with tenderness, wry irreverence, and unforgettable characters, it is an exploration of what it means to escape from the shackles of the past only to have to face them all over again. Praise for Motherland "Rarely has a mother-daughter relationship been excavated with such honesty. Elissa Altman is a beautiful, big-hearted writer who mines her most central subject: her gorgeous, tempestuous, difficult mother, and the terrain of their shared life. The result is a testament to the power of love and family."—Dani Shapiro, author of Inheritance

The Speckled People Jan 25 2020 "We wear Aran Sweaters and Lederhosen. We are forbidden from speaking English. We are trapped in a language war. We are the Speckled People." In one of the most original memoirs to emerge in years, Hugo Hamilton tells the haunting story of his German-Irish childhood in 1950s Dublin. His Gaelic-speaking, Irish nationalist father rules the home with tyranny, while his German-speaking mother rescues her children with cakes and stories of her own struggle against Nazi Germany. Out on the streets of Dublin is another country, where they are taunted as Nazis and subjected to a mock Nuremberg trial. Through the eyes of a child, this rare and shockingly honest book gradually makes sense of family, language, and identity, unlocking at last the secrets that his parents kept in the wardrobe.

All of This Feb 06 2021 "Beautifully written, complex, provocative, painful, genuine...an unforgettable memoir."—ROXANE GAY "Wonderfully lyrical and uncomfortably honest in a way that is so rare, yet so needed."—JENNY LAWSON "Disturbing and profound, this intimate book also reveals the sometimes-labyrinthine nature of the bonds that unite people in love...A provocative and memorable work."—Kirkus Reviews
After years of struggling in a tumultuous marriage, writer Rebecca Woolf was finally ready to leave her husband. Two weeks after telling him she wanted a divorce, he was diagnosed with stage four pancreatic cancer. Four months later, at the age of forty-four, he died. In All of This, Woolf chronicles the months before her husband's death—and her rebirth after he was gone. From Scratch Jan 05 2021 Now a limited Netflix series starring Zoe Saldana! This Reese Witherspoon Book Club Pick and New York Times bestseller is "a captivating story of love lost and found" (Kirkus Reviews) set in the lush Sicilian countryside, where one woman discovers the healing powers of food, family, and unexpected grace in her darkest hours. It was love at first sight when actress Tembi met professional chef, Saro, on a street in Florence. There was just one problem: Saro's traditional Sicilian family did not approve of his marrying a black American woman. However, the couple, heartbroken but undeterred, forged on. They built a happy life in Los Angeles, with fulfilling careers, deep friendships, and the love of their lives: a baby girl they adopted at birth. Eventually, they reconciled with Saro's family just as he faced a formidable cancer that would consume all their dreams. From Scratch

chronicles three summers Tembi spends in Sicily with her daughter, Zoela, as she begins to piece together a life without her husband in his tiny hometown hamlet of farmers. Where once Tembi was estranged from Saro's family, now she finds solace and nourishment—literally and spiritually—at her mother-in-law's table. In the Sicilian countryside, she discovers the healing gifts of simple fresh food, the embrace of a close knit community, and timeless traditions and wisdom that light a path forward. All along the way she reflects on her and Saro's romance—an incredible love story that leaps off the pages. In Sicily, it is said that every story begins with a marriage or a death—in Tembi Locke's case, it is both. "Locke's raw and heartfelt memoir will uplift readers suffering from the loss of their own loved ones" (Publishers Weekly), but her story is also about love, finding a home, and chasing flavor as an act of remembrance. From Scratch is for anyone who has dared to reach for big love, fought for what mattered most, and those who needed a powerful reminder that life is...delicious.

Wasted Jun 22 2022 Why would a talented young woman enter into a torrid affair with hunger, drugs, sex, and death? A vivid, honest, and emotionally wrenching memoir, Wasted is the story of one woman's travels to reality's darker side -- and her decision to find her way back on her own terms.

Them Oct 26 2022 Tatiana du Plessix, the wife of a French diplomat, was a beautiful, sophisticated "white Russian" who had been the muse of the famous Russian poet Vladimir Mayakovsky. Alexander Liberman, the ambitious son of a prominent Russian Jew, was a gifted magazine editor and aspiring artist. As part of the progressive artistic Russian émigré community living in Paris in the 1930s, the two were destined to meet. They began a passionate affair, and the year after Paris was occupied in World War II they fled to New York with Tatiana's young daughter, Francine. There they determinedly rose to the top of high society, holding court to a Who's Who list of the midcentury's intellectuals and entertainers. Flamboyant and outrageous, bold and brilliant, they were irresistible to friends like Marlene Dietrich, Salvador Dalí, and the publishing tycoon Condé Nast. But to those who knew them well they were also highly neurotic, narcissistic, and glacially self-promoting, prone to cut out of their lives, with surgical precision, close friends who were no longer of use to them. Tatiana became an icon of New York fashion, and the hats she designed for Saks Fifth Avenue were de rigueur for stylish women everywhere. Alexander Liberman, who devotedly raised Francine as his own child from the time she was nine, eventually came to preside over the entire Condé Nast empire. The glamorous life they shared was both creative and destructive and was marked by an exceptional bond forged

out of their highly charged love and raging self-centeredness. Their obsessive adulation of success and elegance was elevated to a kind of worship, and the high drama that characterized their lives followed them to their deaths. Tatiana, increasingly consumed with nostalgia for a long-lost Russia, spent her last years addicted to painkillers. Shortly after her death, Alexander, then age eighty, shocked all who knew him by marrying her nurse. *Them: A Portrait of Parents* is a beautifully written homage to the extraordinary lives of two fascinating, irrepressible people who were larger than life emblems of a bygone age. Written with honesty and grace by the person who knew them best, this generational saga is a survivor's story. Tatiana and Alexander survived the Russian Revolution, the fall of France, and New York's factory of fame. Their daughter, Francine, survived them.

Fresh Off the Boat Nov 15 2021 NOW AN ORIGINAL SERIES ON ABC • "Just may be the best new comedy of [the year] . . . based on restaurateur Eddie Huang's memoir of the same name . . . [a] classic fresh-out-of-water comedy."—People "Bawdy and frequently hilarious . . . a surprisingly sophisticated memoir about race and assimilation in America . . . as much James Baldwin and Jay-Z as Amy Tan . . . rowdy [and] vital . . . It's a book about fitting in by not fitting in at all."—Dwight Garner, *The New York Times* NATIONAL BESTSELLER • NAMED ONE OF THE BEST BOOKS OF THE YEAR BY KIRKUS REVIEWS *Assimilating ain't easy. Eddie Huang was raised by a wild family of FOB ("fresh off the boat") immigrants—his father a cocksure restaurateur with a dark past back in Taiwan, his mother a fierce protector and constant threat. Young Eddie tried his hand at everything mainstream America threw his way, from white Jesus to macaroni and cheese, but finally found his home as leader of a rainbow coalition of lost boys up to no good: skate punks, dealers, hip-hop junkies, and sneaker freaks. This is the story of a Chinese-American kid in a could-be-anywhere cul-de-sac blazing his way through America's deviant subcultures, trying to find himself, ten thousand miles from his legacy and anchored only by his conflicted love for his family and his passion for food. Funny, moving, and stylistically inventive, *Fresh Off the Boat* is more than a radical reimagining of the immigrant memoir—it's the exhilarating story of every American outsider who finds his destiny in the margins. Praise for *Fresh Off the Boat* "Brash and funny . . . outrageous, courageous, moving, ironic and true."—*New York Times* Book Review "Mercilessly funny and provocative, *Fresh Off the Boat* is also a serious piece of work. Eddie Huang is hunting nothing less than Big Game here. He does everything with style."—Anthony Bourdain "Uproariously funny . . . emotionally honest."—*Chicago Tribune* "Huang is a fearless raconteur. [His] writing is at once hilarious and provocative; his incisive wit pulls through like a perfect plate of dan dan noodles."—Interview "Although writing a memoir is an audacious act for a thirty-year-old, it is not nearly as audacious as some of the things Huang did and survived even earlier. . . . Whatever he ends up doing, you can be sure it won't look or sound like*

anything that's come before. A single, kinetic passage from Fresh Off the Boat . . . is all you need to get that straight."—Bookforum

Where Tomorrows Aren't Promised Apr 08 2021 "A memoir of survival and hope"--Jacket.

Shoe Dog Sep 13 2021 In this instant and tenacious New York Times bestseller, Nike founder and board chairman Phil Knight "offers a rare and revealing look at the notoriously media-shy man behind the swoosh" (Booklist, starred review), illuminating his company's early days as an intrepid start-up and its evolution into one of the world's most iconic, game-changing, and profitable brands. Bill Gates named *Shoe Dog* one of his five favorite books of 2016 and called it "an amazing tale, a refreshingly honest reminder of what the path to business success really looks like. It's a messy, perilous, and chaotic journey, riddled with mistakes, endless struggles, and sacrifice. Phil Knight opens up in ways few CEOs are willing to do." Fresh out of business school, Phil Knight borrowed fifty dollars from his father and launched a company with one simple mission: import high-quality, low-cost running shoes from Japan. Selling the shoes from the trunk of his car in 1963, Knight grossed eight thousand dollars that first year. Today, Nike's annual sales top \$30 billion. In this age of start-ups, Knight's Nike is the gold standard, and its swoosh is one of the few icons instantly recognized in every corner of the world. But Knight, the man behind the swoosh, has always been a mystery. In *Shoe Dog*, he tells his story at last. At twenty-four, Knight decides that rather than work for a big corporation, he will create something all his own, new, dynamic, different. He details the many risks he encountered, the crushing setbacks, the ruthless competitors and hostile bankers—as well as his many thrilling triumphs. Above all, he recalls the relationships that formed the heart and soul of Nike, with his former track coach, the irascible and charismatic Bill Bowerman, and with his first employees, a ragtag group of misfits and savants who quickly became a band of swoosh-crazed brothers. Together, harnessing the electrifying power of a bold vision and a shared belief in the transformative power of sports, they created a brand—and a culture—that changed everything.

Morotai Dec 04 2020 Stationed on an obscure South Pacific atoll, *Morotai*, during World War II, aviator Boeman presents a fascinating, understated portrait of his fellow wartime fliers and their missions against the Japanese

Made in China Oct 02 2020 A young girl forced to work in a Queens sweatshop calls child services on her mother in this powerful debut memoir about labor and self-worth that traces a Chinese immigrant's journey to an American future. As a teen, Anna Qu is sent by her mother to work in her family's garment factory in Queens. At home, she is treated as a maid and suffers punishment for doing her homework at night. Her mother wants to teach her a lesson: she is Chinese, not American, and such is their tough path in their new country. But instead of acquiescing, Qu alerts the Office of Children and Family Services, an act with

consequences that impact the rest of her life. Nearly twenty years later, estranged from her mother and working at a Manhattan start-up, Qu requests her OCFS report. When it arrives, key details are wrong. Faced with this false narrative, and on the brink of losing her job as the once-shiny start-up collapses, Qu looks once more at her life's truths, from abandonment to an abusive family to seeking dignity and meaning in work. Traveling from Wenzhou to Xi'an to New York, *Made in China* is a fierce memoir unafraid to ask thorny questions about trauma and survival in immigrant families, the meaning of work, and the costs of immigration. *More, Now, Again* Nov 27 2022 The author offers an account of her descent into Ritalin addiction, her experiences as an addict, and her difficult struggle to gain control over the drug and her life.

The Point of Vanishing* Apr 20 2022 *Into the Wild* meets *Walden*—a lyrical memoir for nature lovers and for anyone who has wondered what it would be like to disconnect from our hyper-connected culture and seek more meaningful connections After losing vision in one eye and becoming estranged from his family and friends, a young man spent two years searching for identity in self-imposed solitude in the backwoods of northern Vermont, where he embarked on a project of stripping away facades and all social ties--and learned to face himself. On a clear May afternoon at the end of his junior year at Harvard, Howard Axelrod played a pick-up game of basketball. In a skirmish for a loose ball, a boy's finger hooked behind Axelrod's eyeball and left him permanently blinded in his right eye. A week later, he returned to the same dorm room, but to a different world. A world where nothing looked solid, where the distance between how people saw him and how he saw had widened into a gulf. Desperate for a sense of orientation he could trust, he retreated to a jerry-rigged house in the Vermont woods, where he lived without a computer or television, and largely without human contact, for two years. He needed to find a more lasting sense of meaning away from society's pressures and rush. Named one of the best books of the year by *Slate*, *Chicago Tribune*, *Entropy Magazine*, and named one of the top 10 memoirs by *Library Journal

***The Present Heart* May 09 2021** After a chance encounter with a handsome, idealistic stranger on a plane in 1969, Polly Young-Eisendrath rediscovered Ed Epstein a decade later when she least expected it. After untangling themselves from their existing relationships, they married in 1985 and spent the next 25 years together. They were soul mates, but in 2001, Ed (at the vital age of 53) began to show signs of Alzheimer's disease. Over the next 10 years, as her husband gradually reversed his mental maturity, Young-Eisendrath was faced with the question, what is love? *The Present Heart* is an insightful journey of living in the present moment. In a deeply moving yet unsentimental voice, Young-Eisendrath draws on her lifelong practices of Buddhism and psychoanalysis and her own unique view of love, as well as a circle of profound thinkers including author Abigail Thomas, psychoanalyst Nancy McWilliams, and Buddhist teacher Shinzen Young. A thoughtful meditation on the human experience, *The Present Heart* shows how our most intimate relationships, often the source of our greatest pain, can prove to be our path to spiritual enlightenment. The book offers a new perspective on how to maintain engaged, reciprocal relationships—with a partner, parent, child, or friend—under any and all circumstances.

***A Memoir of the Warsaw Uprising* Feb 24 2020** On August 1, 1944, Miron Białoszewski, later to gain renown as one of Poland's most innovative poets, went out to run an errand for his mother and ran into history. With Soviet forces on the outskirts of Warsaw, the Polish capital revolted against five years of Nazi occupation, an uprising that began in a spirit of heroic optimism. Sixty-three days later it came to a tragic end. The Nazis suppressed the insurgents ruthlessly, reducing Warsaw to rubble while slaughtering some 200,000 people, mostly through mass executions. The Red Army simply looked on. Białoszewski's blow-by-blow account of the uprising brings it alive in all its desperate urgency. Here we are in the shoes of a young man slipping back and forth under German fire, dodging sniper bullets, collapsing with exhaustion, rescuing the wounded, burying the dead. An indispensable and unforgettable act of witness, *A Memoir of the Warsaw Uprising* is also a major work of literature. Białoszewski writes in short, stabbing, splintered, breathless sentences attuned to "the glaring identity of 'now.'" His pages are full of a white-knuckled poetry that resists the very destruction it records. Madeline G. Levine has extensively revised her 1977 translation, and passages that were unpublishable in Communist Poland have been restored.

***A Freewheelin'* Time Aug 12 2021** "The girl with Bob Dylan on the cover of *Freewheelin'* broke a forty-five-year silence with this affectionate and dignified recalling of a relationship doomed by Dylan's growing fame."

-UNCUT magazine Suze Rotolo chronicles her coming of age in Greenwich Village during the 1960s and the early days of the folk music explosion, when Bob Dylan was finding his voice and she was his muse. A shy girl from Queens, Suze was the daughter of Italian working-class Communists, growing up at the dawn of the Cold War. It was the age of McCarthy and Suze was an outsider in her neighborhood and at school. She found solace in poetry, art, and music—and in Greenwich Village, where she encountered like-minded and politically active friends. One hot July day in 1961, Suze met Bob Dylan, then a rising musician, at a concert at Riverside Church. She was seventeen, he was twenty; they were both vibrant, curious, and inseparable. During the years they were together, Dylan transformed from an obscure folk singer into an uneasy spokesperson for a generation. *A Freewheelin' Time* is a hopeful, intimate memoir of a vital movement at its most creative. It captures the excitement of youth, the heartbreak of young love, and the struggles for a brighter future in a time when everything seemed possible.

Breaking Night* Feb 18 2022 "Breaking Night" Urban slang for: staying up through the night, until the sun rises "Breaking Night reads more like an adventure story than an addiction-morality tale. It's a white-knuckle account of survival. . . . Murray's stoicism has been hard-earned; it serves her well as a writer. *Breaking Night* itself is full of heart, without a sliver of ice, and deeply moving." —The New York Times Book Review (Editors' Choice) "From runaway to Harvard student, Murray tells an engaging, powerfully motivational story about turning her life around. . . . In this incredible story of true grit, Murray went from feeling like 'the world was filled with people who were repulsed by me' to learning to receive the bountiful generosity of strangers who truly cared." —Publishers Weekly (starred review) "The admirable story of a teen who overcame homelessness through sheer grit and the kindness of friends. . . . An uplifting story of survival." —Kirkus Reviews "Education was the miracle that saved Murray's life. . . . Her story is inspirational, and her description of [her high school], and its role in her life, should be read by everyone concerned about education." —Washington Post Book World "Truly uplifting. . . . Liz Murray has shown us the worst, and the very best, of America." —Haven Kimmel, author of *A Girl Named Zippy* and *She Got Up Off the Couch

***The Last Asylum* Jul 31 2020** *The Last Asylum* is Barbara Taylor's haunting memoir of her journey through the UK mental health system. **A RADIO 4 BOOK OF THE WEEK SHORTLISTED FOR THE RBC TAYLOR PRIZE** In July 1988, Barbara Taylor, then an acclaimed young historian, was admitted to what had once been England's largest psychiatric institution: Colney Hatch Lunatic Asylum, later known as Friern Hospital. This searingly honest, thought-provoking and beautifully written memoir is the story of the author's madness years, set inside the wider story of the death of the asylum system in the twentieth century. A great achievement, full of life and hope' *Sunday Telegraph* Barbara Taylor's previous books include an award-winning study of nineteenth-century socialist feminism, *Eve and the New Jerusalem*; an intellectual biography of the pioneer feminist Mary Wollstonecraft; and *On Kindness*, a defence of fellow feeling co-written with the psychoanalyst Adam Phillips. ***In My Skin* Jun 29 2020** This is the frank, harrowing, and true story of one young woman's descent into addiction and prostitution, and the long arduous struggle to reclaim her life. A shy, bookish college graduate, a nice girl from a solid middle-class home but uncertain of her way in life, Kate Holden tried her first hit of heroin as a one-time experiment—an adventure with friends—but the drug took over. Hooked, she lost her job and her apartment, and she stole from her family. Desperation drove her onto the streets, where she became "Lucy," offering her body for cash to

the first car to stop, risking arrest and, worse, the human predators—anything for her next fix. With her name on the police blotter, she eventually left the streets and offered her services to a high-class brothel. There she discovered hidden strengths, as well as parts of herself that frightened her. Throughout, however hurt and dismayed, her family never abandoned her, and their acceptance and unyielding love helped her defeat the drug and leave her netherworld behind. In taut, devastating prose, Kate Holden recounts her journey with an emotional honesty and genuineness that will leave no reader untouched.

Against All Hope Nov 03 2020 Against All Hope is Armando Valladares' account of over twenty years in Fidel Castro's tropical gulag. Arrested in 1960 for being philosophically and religiously opposed to communism, Valladares was not released until 1982, by which time he had become one of the world's most celebrated "prisoners of conscience." Interned all those years at the infamous Isla de Pinos prison (from whose windows he watched the failure of the Bay of Pigs invasion), Valladares suffered endless days of violence, putrid food and squalid living conditions, while listening to Castro's firing squads eliminating "counter revolutionaries" in the courtyard below his cell. Valladares survived by prayer and by writing poetry whose publication in Europe brought his case to the attention of international figures such as French President Francois Mitterand and to human rights organizations whose constant pressure on the Castro regime finally led to his release.
