French Ruled Notebook Jan 30 2020 Are you interested in spending some time on your handwriting? Then French ruled paper, or Seyes ruled paper, could be something to help you out. French ruled or Séyès paper is the standard lined paper used by students in France, as commonly used as college ruled paper in the USA. Not only useful for French cursive, it is an excellent tool for anyone to learn cursive writing, to improve their handwriting or practice calligraphy using the lines to help get a consistent size. It features an 8mm x 8mm grid, with lighter or thinner horizontal lines spaced 2mm apart inside the main grid. These thin lines help you keep the size and height of your letters consistent. There are also room at the top and bottom of the pages for notes or teacher's comments and a margin on the left marked with a vertical main line. It is a very interesting paper on its own but here are reasons why you should choose our French-ruled notebook: **VERSATILE USE** - Popular for regular writing and note taking, French-ruled has a lot more of uses. Some people use this paper to record lab results, do bookkeeping, create matrices, as well as creating grading rubrics. It can also be used for creating crossword or sudoku puzzles, or maybe even for practicing Chinese or Korean writing. Others use it simply because they love paper with narrow lines. **A NOTEBOOK BUILT TO LAST**- The sturdy cover is made of tough paperback with strong, secure professional trade binding so the pages won't fall out after a few months of use. **WELL-CRAFTED INTERIOR**- A good writing paper does not bleed. We used only thick, white paper to avoid ink bleed-through. Each page is printed with black, thick lines and three thin lines in between each. **COOL COVERS!**- To top it all, we have an array of cover designs for you to choose from. Get inspired by our collection of truly creative book covers. We stand for quality and aim to provide the best writing experience with our notebooks. Get this notebook, not only for practicing penmanship and writing in general but also for basic graphing, logging, data keeping and many more. Think outside the lines and give it a try to see why so many people love it!
