Masters of Disaster Nov 18 2021 “Let’s face facts: We may be the most boring twelve-year-olds on the planet.” Henry Mosley decides that he and his pals Riley and Reed have got to liven things up. They need to go on some earth-shaking adventures and make a name for themselves. Henry is the mastermind; Riley’s the cautious researcher who’s prepared for anything. And somehow fearful Reed always ends up with the scariest, craziest assignments. Roped into wacky attempts to break world records, reenact scenes from books, solve a hundred-year-old murder, and carry out Henry’s other inspired ideas, Riley and Reed follow their fearless leader everywhere: into the wilderness (truly terrifying), inside a bull-riding ring, into a haunted house, off the neighbors’ roof, and into a cataclysmic collision with explosive life-forms. Gary Paulsen brings all his trademark humor to this fast-paced novel of fun and disaster.

Sideways Stories From Wayside School Dec 08 2020 There has been a terrible mistake. Instead of having thirty classrooms side by side, Wayside School is thirty storeys high! (The builder said he was sorry.) Perhaps that's why all sorts of strange and unusual things keep happening – especially in Mrs Jewls's classroom on the very top floor. There's the terrifying Mrs Gorf, who gets an unusually fruity comeuppance; Terrible Todd, who always gets sent home early; and Mauricia, who has a strange ice-cream addiction. Meanwhile, John can only read upside down, and Leslie is determined to sell her own toes. From top to bottom, Wayside is packed with quirky and hilarious characters who are all brought to life in this new edition with delightful illustrations by Aleksei Bitskoff throughout. This is an unmissable, irrepressible story of mixed-up mayhem from Louis Sachar, the bestselling author of Holes.

Using Picture Books for Standards-Based Instruction, Grades K–2 Feb 19 2022 This practical handbook provides ready-to-use lesson plans that connect picture books to the Common Core standards and are ready to roll out on Monday. Elementary school librarians today are working harder than ever, sometimes serving in two or more libraries. Most have very little time to develop lesson plans, particularly the task of relating them to standards. Elementary school librarians need materials aligned with Common Core standards that are ready to go. Written by working school librarians with 44 years of combined experience, this instructional book is designed for use with primary grade students and offers 37 library lessons that have been tested and refined in the authors' elementary school libraries. The lessons are constructed with follow-up materials and recommended book lists to encourage classroom teacher collaboration and continuation of the lesson. Each lesson is accompanied by reproducible patterns and worksheets and includes complete bibliographic information. Also included in each lesson are a description of the standards applied, skills and objectives addressed, recommended grade levels, lists of props and materials needed, a step-by-step lesson description, and follow-up activities. Provides lessons that are linked to national standards and appeal to teachers and librarians needing to have weekly plans that identify the specific standards taught. Supplies accompanying patterns and reproducible handouts. Suggests fun follow-up activities and book titles appropriate for further instruction.
