Following the success of Postcards from Penguin this is a must-have box of beautifully produced postcards with memorable, often iconic photographs of writers such as Camus, Steinbeck, Orwell, Waugh, Nabokov. Each postcard is designed to evoke the iconic look of the Modern Classics series.

**Killers of the King** Aug 29 2022 January, 1649. After seven years of fighting in the bloodiest war in Britain's history, Parliament had overpowered King Charles I and now faced a problem: what to do with a defeated king, a king who refused to surrender? Parliamentarians resolved to do the unthinkable, to disregard the Divine Right of Kings and hold Charles I to account for the appalling suffering and slaughter endured by his people. A tribunal of 135 men was hastily gathered in London, and although Charles refused to acknowledge the power of his subjects to try him, the death sentence was unanimously passed. On an icy winter's day on a scaffold outside Whitehall, in an event unique in English history, the King of England was executed. When the dead king's son, Charles II, was restored to the throne, he set about enacting a deadly wave of retribution against all those - the lawyers, the judges, the officers on the scaffold - responsible for his father's death. Some of the 'regicides' - the killers of the king - pleaded for mercy, while others stoically awaited their sentence. Many went into hiding in England, or fled to Europe or America. Those who were caught and condemned suffered agonising and degrading ends, while others saw out their days in hellish captivity. Bestselling historian Charles Spencer explores this violent clash of ideals through the

individuals whose fates were determined by that one, momentous decision. A powerful tale of revenge from the dark heart of royal history and a fascinating insight into the dangers of political and religious allegiance in Stuart England, these are the shocking stories of the men who dared to kill a king.

**Fearless Intelligence** May 26 2022 "The best parts of you are hidden where you're most afraid to look." --Michael Benner, Fearless Intelligence "Fear is a doorway to understanding yourself better. The secret is to plumb the depth and breadth of your anxiety and confusion in relaxed levels of expanded awareness. Becoming more self-aware of your anxious feelings reveals the personal wisdom hidden within heartache and upset. "As we understand our self better, we become less alienated and more content -- calmer, happier, and more self-confident. Fewer random thoughts demand our attention. This or that occurs as this and that, and behavior becomes less reflexive -- more appropriate, even-tempered and well reasoned. Soon, defensiveness yields to acceptance, competition surrenders to cooperation -- lines fade, borders dissolve, and your perspective expands to include the 'Wholeness' of life."

**Horse Anatomy for Performance** Feb 29 2020 Examine the anatomy of a horse from an entirely different perspective. This intriguing and original explanation of the 11 internal body systems of horses shows them painted on the outside to describe everything on the inside. The horse is a highly sophisticated living organism so to enable him to reach his full athletic performance and give him a happy, healthy quality of life it is vital to understand both his capabilities and limitations within the context of his structure and function. Gillian Higgins turns her trademark technique of painting internal diagrams directly onto live horses to show how all the systems work, and work together, to influence performance and reduce the risk of injury. Divided into 12 chapters, Horse Anatomy for Performance combines high quality photographs and intricate paintings with top tips and fascinating

facts to provide a practical and useful guide to horse anatomy. Visually appealing, original and easily understandable, the book explains how anatomy influences the way we manage, ride and train our horses. This book is a sequel to *How Your Horse Moves* by Gillian Higgins; together the books provide a comprehensive guide to horse anatomy in action "Finally a book where you can learn how your horse ticks - inside out - and it is easy to understand and fun to read. A must for every serious equestrian." --Dr W. Bechtolsheimer

Annual Report of the Executive Committee of the Indian Rights Association for the Year Ending ... Jul 16 2021

*Meeting Your Match Online* Dec 21 2021 Recent studies show that more than 20 million people will visit at least one online dating service a month. Internet dating has several advantages, among them the ability to discover everything about a potential partner before ever meeting them. You can learn their age, religious affiliations, education, expectations, interests, hobbies, and so on. Internet dating allows you to chat online and get to know someone before meeting them. There is also the ability to meet people on a varied schedule you do not have to meet them face-to-face right away.

Other advantages include protection of your personal identity, the exchange of photos, the ability to be yourself, less cost, and the ability to search by sexual or ethnic preference, all of which will increase the chances of finding that special someone. Aside from the many advantages, online dating has disadvantages as well. For example, you could be starting an online relationship with someone who, in actuality, does not look like they do in their photos or their personality is not as they described, it might have to be a long distance relationship, or they have a hidden criminal agenda. This is why you need the assistance of this groundbreaking new book that covers it all, allowing you to find the right partner and make your online dates safe and secure. The book features many available online dating services, such as PerfectMatch, which employs a scientific method to locate matches. eHarmony has a compatibility system that only pairs you with compatible singles. Yahoo Personals helps you choose from thousands of members to find singles in your area. True.com is likely the only dating site that checks new members for criminal activity and marriage history. Match.com guarantees you will meet someone special within six months or they will extend your membership by six months at no cost to you. Also detailed are AmericanSingles.com, FriendFinder.com, Metrodate.com, Lavalife.com, Date.com, JDate.com, Great Expectations at GE-Dating.com and Chemistry.com. Also included are true stories from couples and singles who have been through the online dating process and have found it either worked or didn't work for them. Atlantic Publishing is a small, independent publishing company based in Ocala, Florida. Founded over twenty years ago in the company president's garage, Atlantic Publishing has grown to become a renowned resource for non-fiction books.
