Sport and Society Jan 14 2021 'This third edition of Sport and Society, with contributions from some of the field's most highly respected scholars, covers the myriad of complex, pervasive and global issues confronting sport in the 21st century. It continues to be a foundation text for students across most sport disciplines' - Russel Hoye, La Trobe University, Australia 'The third edition of Sport and Society reinforces its place as one of the most valuable texts for students and others engaging in social scientific study of sport. Overall, the book continues to achieve an unrivalled balance between different social science disciplines that have been applied to sport; between local, national and international issues; and between broad overviews and specific detail on every topic. The end result is a book that is "a must" on many academic reading lists!' - Iain Lindsey, Durham University, UK Fully updated and revised, the Third Edition of Barrie Houlihan and Dominic Malcolm's groundbreaking Sport and Society provides students and instructors with a one-stop text that is comprehensive, accessible, international, and engaging. This popular book: Approaches the study of sport from a multi-disciplinary perspective Presents the importance of social structure, power, and inequality in analysing the nature and significance of sport in society Addresses the rapid commercialization and regulation of sport Engages in comparative analysis to understand problems clearly and produce sound solutions Expands students' knowledge through chapter summaries, guides to further reading, and extensive bibliographies Offers five new chapters addressing the key contemporary issues of: lifestyle sport; sport for development and peace; the governance of international sport organisations; sports fandom; and sport in East Asia. A superb teaching text, this new edition will be relished by instructors seeking an authoritative introduction to sport and society and students who want a relevant, enriching text for their learning and research needs.

Managing Sport Across Borders Mar 04 2020 Sport is both a global business and a vehicle for social inclusion and community development. This book examines key performance areas in sport management that cut across cultural, economic and geographical borders, from both commercial and social justice perspectives. Written by leading sport management and sport development scholars from around the world, the book highlights international management challenges, suggests appropriate management practices, and raises questions to stimulate further debate. From a commercial sport management perspective it explores key topics including the management of sport communication in an age of digital media, crowd funding in sport, managing government and commercial alliances, and managing power and politics in sport. From a social justice perspective, it examines issues including sport volunteer management, the management of sport for inclusion, and academic partnerships in international sport management. Offering an authoritative survey of contemporary international sport management, as well as signposts for future research and practice,

this is fascinating reading for all students, researchers and practitioners working in sport management or sport development.

**The Real Estate Rehab Investing Bible** May 30 2022 THE HOUSE-FLIPPING HOW-TO THAT TURNS EVERYDAY PEOPLE INTO ENTREPRENEURS Everyone likes the idea of turning the ugliest house on the block to the best house on the block and making a profit. Until now a system has not been shared on how to successfully complete this task on time and budget without getting your hands dirty. This book not only cracks the code but shares the proven path and system to have a systems based rehab business that makes consistent profits for ordinary everyday people. The Real Estate Rehab Investing Bible reveals the lucrative seven-stage system that allows author Paul Esajian, and his students all across North America, to manage multiple rehab projects at once, while staying on time and under budget to build and grow their wealth. No experience? No problem. You'll learn strategies to find the right properties, negotiate the right offer, identify the right licensed and insured contractor for the job, and get the property sold to a happy homeowner for a profit. No capital? No problem. You'll learn how you can use other people's money to fund your deals and the IRS guidelines that help you keep more of the money you make. By learning and leveraging the principals of rehabbing and real estate, you'll start thinking like a business owner rather than a consumer. Breaking into residential real estate provides an amazing opportunity for those with little, or no experience, and using other people's money. This book gives you the information, education, and systems every investor needs to start flipping and rehabbing houses without doing the work yourself, and without losing your shirt to contractors and bad investing decisions. Find Deals: where and how to find deals, analyzing deals, and estimating repairs in minutes to acquire a rehab Fund Deals: where and how to borrow money, creative financing, and the finance request template to present to asset based lenders and private lenders to fund your deal Fix Deals: how to run a rehab with a proven system without lifting a hammer, identify A+ licensed and insured contractors at wholesale pricing, and what to focus on to maximize your profit Flip Deals: how to properly price, stage, and add the sizzle features to get properties sold within weeks of listing the property by properly analyzing comparables and staging the rehab properly The proven techniques Paul shares work in any location, in any market. If you're ready to get in the game, The Real Estate Rehab Investing Bible teaches you how to play.

**Angel Investing** Jun 06 2020 Achieve annual returns of 25% or more with a well-designed angel portfolio Written by David S. Rose, the founder of Gust—the global platform that powers the world of organized professional angel investing—Angel Investing is a comprehensive, entertaining guide that walks readers through every step of the way to becoming a successful angel investor. It is illustrated with stories from among the 90+ companies in which David has invested during a 25 year career as one of the world's most active business angels and includes instructions on how to get started, how to find and evaluate opportunities, and how to pursue and structure investments to maximize your returns. From building your reputation as a smart investor, to negotiating fair deals, adding value to your portfolio companies and helping them implement smart exit strategies, David provides both the fundamental strategies and the specific tools you need to take full advantage of this rapidly growing asset class. He details the advantages of joining an angel group, explains how seed and venture funds can help leverage an investor's resources, and reveals how recent regulatory changes and new online platforms are making startup investing accessible to millions of Americans. Making money is no longer about sitting back and reading stock listings, David says. It is now about being part owner of an exciting startup that can be fun and financially rewarding. Angel Investing teaches investors how to carefully select and manage investments, establish a long term view, and approach angel investing as a serious part of an alternative asset portfolio while also enjoying being an integral part of an exciting new venture.

Unlocking the Bible Story: New Testament Aug 21 2021 For all who are wondering how the pieces fit into the jigsaw of God's revelation, Colin Smith has provided an answer, which is refreshingly simple, biblically accurate, and will prove phenomenally helpful to the serious Bible student and the new beginner alike. — Alistair Begg, senior pastor, Parkside Church In Unlocking the Bible Story, Colin Smith moves gradually through portions of the Bible to unfold its narrative and explain major themes. In volume 4 he moves through the New Testament epistles, which contain the most crystalized expression of Christian theology and practice. Christ is the crux of the entire Bible story, from the first page to the last. Volume 4 encourages and strengthens readers to discover the life-changing truth of the gospel as articulated in the New Testament epistles. Includes the study guide formerly sold separately. One of the most urgent needs in the church today is for a crisp and comprehensive knowledge of the Bible's storyline. To grasp how the sacred history moves from Genesis to Revelation not only brings fresh insight into how the Bible hangs together, and what each part contributes to the whole, but also is crucial for developing a Christian worldview. Colin Smith has met these needs admirably. I hope these volumes will circulate widely and be read and re-read. — D. A. Carson, research professor New Testament at Trinity Evangelical Divinity School, cofounder of The Gospel Coalition

**Rape Myths, the Bible, and #MeToo** Feb 12 2021 Biblical studies is increasingly interdisciplinary and frequently focuses on how the Bible is read, received, and represented in the contemporary world, including in politics, news media, and popular culture. Rape Myths, the Bible and #MeToo illustrates this with particular and critical assessment of #MeToo and its rapid and global impact. Rape myths - in particular the myth that rape victims are complicit in the violence they encounter, which consequently renders sexual violence 'not so bad' - are examined both with regard to current backlash to #MeToo and to biblical texts that undermine the violence perpetrated by rape. This includes aggressive media attacks on the accusers of powerful men, as well as depictions of biblical rape victims such as Dinah (Genesis 34), Bathsheba, and Tamar (2 Samuel 11-13). Biblical studies channels and expresses wider cultural and political manifestations. This exemplifies that the influence of ancient texts is abiding and the study of the past cutting edge.

The Little Book of Common Sense Investing Apr 28 2022 The best-selling investing "bible" offers new information, new insights, and new perspectives The Little Book of Common Sense Investing is the classic guide to getting smart about the market. Legendary mutual fund pioneer John C. Bogle reveals his key to getting more out of investing: low-cost index funds. Bogle describes the simplest and most effective investment strategy for building wealth over the long term: buy and hold, at very low cost, a mutual fund that tracks a broad stock market Index such as the S&P 500. While the stock market has tumbled and then soared since the first edition of Little Book of Common Sense was published in April 2007, Bogle's investment principles have endured and served investors well. This tenth anniversary edition includes updated data and new information but maintains the same long-term perspective as in its predecessor. Bogle has also added two new chapters designed to provide further guidance to investors: one on asset allocation, the other on retirement investing. A portfolio focused on index funds is the only investment that effectively guarantees your fair share of stock market returns. This strategy is favored by Warren Buffett, who said this about Bogle: "If a statue is ever erected to honor the person who has done the most for American investors, the hands-down choice should be Jack Bogle. For decades, Jack has urged investors to invest in ultra-low-cost index funds. . . . Today, however, he has the satisfaction of knowing that he helped millions of investors realize far better returns on their savings than they otherwise would have earned. He is a hero to them and to me." Bogle shows you how to make index investing work for you and help you achieve your financial goals, and finds support from some of the world's best financial minds: not only Warren Buffett, but Benjamin Graham, Paul Samuelson, Burton Malkiel, Yale's David Swensen, Cliff Asness of AQR, and many others. This new edition of The Little Book of Common Sense Investing offers you the same solid strategy as its predecessor for building your financial future. Build a broadly diversified, low-cost portfolio without the risks of individual stocks, manager selection, or sector rotation. Forget the fads and marketing hype, and focus on what works in the real world. Understand that stock returns are generated by three sources (dividend yield, earnings growth, and change in market valuation) in order to establish rational expectations for stock returns over the coming decade. Recognize that in the long run, business reality trumps market expectations. Learn how to harness the magic of compounding returns while avoiding the tyranny of compounding costs. While index investing allows you to sit back and let the market do the work for you, too many investors trade frantically, turning a winner's game into a loser's game. The Little Book of Common Sense Investing is a solid guidebook to your financial future.

Nothing else in our culture produces so much passion and intrigue. Such obsession, for the Christian, must produce critical reflection. How should the Christian think about sports? What does Christ have to do with athletic competition? Can sports be redeemed? In the Arena will answer these questions so that readers: Understand how the gospel of Christ shapes our understanding and enjoyment of sports. Receive practical instruction on how to use sports in parenting and discipleship. Become confident in using the arena of sports for discipleship, parenting, and recreation.

**The Cryptocurrency Investing Bible** May 18 2021 Cryptocurrency, Bitcoin, ICO, blockchain, mining... When hearing those words just a couple of years back, people used to say: It's a scam, financial bubble IThere is no point in investing, the price is too low INo country will ever recognize cryptocurrency Iit's an obvious pyramid scheme Iit's a sort of amusement for nerds Iit's not serious, it will collapse in a couple of years. Until recently, cryptocurrency had been viewed as a sort of amusement for a handful of the chosen who bought and sold something and believed that a new currency would make a hit one day! You surely were also among those people who did not take Bitcoin and cryptocurrency seriously, but the current events gag even the biggest skeptics. Current Bitcoin price is 6,644\$\* The price of the most popular cryptocurrency repeatedly breaks all the unthinkable records. Capitalization is about \$120 billion World recognition The world's largest economies - India and Japan - recognized Bitcoin as the official currency. The US authorities recognized cryptocurrency as the asset. And this is just the beginning. Mining on an industrial scale The cryptocurrency market is extremely fast-changing, and it is almost impossible to monitor the situation and make the right decisions on your own. Most people have no proper experience, time and money for that. My book gives basic yet quite extensive information for those people who do not chase a rainbow but want to build a long-term profitable business in one of the cryptocurrency areas: from mining to investing. So, this book is not about: Illegal ways of making money Praising cryptocurrency and urging you to invest in it to the last penny Fraud techniques and making a fast buck Boring and pointless theory Ways to earn millions without investments and risks This book will

help you get to learn the following: Which way of making money in cryptocurrency market suits you best. Where should you start if you have just \$500. What information about cryptocurrency the experts withhold (Take the rose-colored glasses off!). How to elaborate a personal strategy, set up your own cryptocurrency business and earn your first \$3,000-10,000 as early as 2018. I can also guarantee that you: Puzzle out the main present-day currency trend even if you are clueless about economics, finance and technology. Understand whether you really want to invest in cryptocurrency (perhaps, this type of business doesn't suit you at all and you will save your time) Get to learn how to check the risks and not to invest in the first available currency Having considered my experience, protect yourself from possible failures and pouring money down the drain which will inevitably happen if you go it blind. Thus, my goal is fairly simple: help you set up and develop business in one of the cryptocurrency areas. Find out 7 cryptocurrency investment strategies + 2 perfect strategies today!
