Chandimangal Oct 10 2020 The greatest mangal kavya in worship of the great goddess The Chandimangal of Kavikankan Mukundaram Chakravarti is an exemplary work of epic scale that recounts the story of the Goddess Chandi's constant battle to establish her cult among humans. Through the three books of the kavya—The Book of the Gods, The Book of the Hunter and The Book of the Merchant—we are introduced to Chandi in all her manifestations, from the benevolent to the wrathful, from

Abhaya to Chamunda. Mukundaram's captivating tales and vivid imagery bring together the enchanting world of the gods with the more challenging world of the mortals while critiquing sixteenth-century Bengali society. In his exquisite rendering of the Chandimangal, Edward Yazijian manages to capture not only the performative and humorous but also the reverent aspects of the text.

Cosmic Puja Mar 03 2020 The Samashti Upasana or Cosmic Puja, is the meditation and worship of all the forms of divinity in existence; all the deities of the universe. Pu is punya, which means merit. Ja is jata, which means

giving birth. Puja is activity that gives birth to merit. The action of the greatest merit is to guide one's awareness into the presence of God and to maintain that presence for as long as possible. Through puja we offer all that we possibly can to God and thereby experience peace. This worship is intended to lead us to that objective. Swami Satyananda Saraswati has translated the Cosmic Puja so that we may use it to instill within us that quality of true reverence for all of life in which we actually pay attention. By performing this worship we become so absorbed in the union between the perceiver and the object of perception that we go beyond all duality. Derived from the Chandi Path, the Cosmic Puja describes methods of worship the Divine Mother in her forms as Mahakali, Mahalakshmi, and Mahasaraswati. Included is the "Panch Devata Puja," the worship of the five divisions of the Hindu Dharma: Shiva, Shakti, Vishu, Ganesh, and the nine planets. Other pujas in this book include: bhuta shudhi (enlivening energy centers), the Yantra Puja, Agni Prajvalitam (enkindling of sacred fire), the establishment of the Sanskrit alphabet in the body, the establishment of life, worship of the Divine Mother's body, the worship of her divine weapons, and much more. This book is an anthology of practices which accompany and augment the Chandi Path.

Kantha Sep 08 2020 This first book-length study on kanthas published outside of South Asia focuses on two premier collections, one assembled by the legendary historian of Indian art, Dr. Stella Kramrisch, the other by Jill and Sheldon Bonovitz, leading proponents of self-taught art. Created from worn-out garments imaginatively embroidered by women with motifs and tales drawn from a rich regional repertoire, kanthas traditionally were stitched as gifts for births, weddings, and other family occasions. Innovative essays by leading scholars explore the domestic, ritual, and historical contexts of the fascinating quilts in these collections--made between the mid-19th and mid-20th century in what is today Bangladesh and West Bengal, India--and trace their reinterpretation as emblems of national identity and works of art.

Travel Culture, Travel Writing and Bengali Women, 1870-1940 Jan 25 2022 This book chronicles travel writings of Bengali women in colonial India and explores the intersections of power, indigeneity, and the representations of the 'self' and the 'other' in these writings. It documents the transgressive histories of these women who stepped out to create emancipatory identities for themselves. The book brings together a selection of travelogues from various Bengali women and their journeys to the West, the Aryavarta, and Japan. These writings challenge stereotypes of the 'circumscribed native woman' and explore the complex personal and socio-political histories of women in colonial India. Reading these from a feminist, postcolonial perspective, the volume highlights how these women from different castes, class and ages confront the changing realities of their lives in colonial India in the backdrop of the independence movement and the second world war. The author draws attention to the personal histories of these women, which informed their views on education, womanhood, marriage, female autonomy, family, and politics in the late 19th and early 20th centuries. Engaging and insightful, this volume will be of interest to students and researchers of

literature and history, gender and culture studies, and for general readers interested in women and travel writing.

In Praise of the Goddess Aug 20 2021 About 16 centuries ago, an unknown Indian author or authors gathered together the diverse threads of already ancient traditions and wove them into a verbal tapestry that today is still the central text for worshippers of the Hindu Devi, the Divine Mother. This spiritual classic, the Devimahatmya, addresses the perennial questions of the nature of the universe, humankind, and divinity. How are they related, how do we live in a world torn between good

and evil, and how do we find lasting satisfaction and inner peace? These questions and their answers form the substance of the Devimahatmya. Its narrative of a dispossessed king, a merchant betrayed by the family he loves, and a seer whose teaching leads beyond existential suffering sets the stage for a trilogy of myths concerning the all-powerful Divine Mother, Durga, and the fierce battles she wages against throngs of demonic foes. In these allegories, her adversaries represent our all-too-human impulses toward power, possessions, and pleasure. The battlefields symbolize the field of human consciousness on which our lives' dramas play out in joy and sorrow, in wisdom and folly. The Devimahatmya speaks to us across the ages of the experiences and beliefs of our ancient ancestors. We sense their enchantment at nature's bounty and their terror before its destructive fury, their recognition of the good and evil in the human heart, and their understanding that everything in our experience is the expression of a greater reality, personified as the Divine Mother.

Islam in South Asia in Practice Nov 10 2020

This volume of Princeton Readings in Religions brings together the work of more than thirty scholars of Islam and Muslim societies in South Asia to create a rich anthology of primary texts that contributes to a new appreciation of the lived religious and cultural experiences of the world's largest population of Muslims. The thirty-four selections--translated from Arabic,

Persian, Urdu, Bengali, Tamil, Gujarati, Hindavi, Dakhani, and other languages--highlight a wide variety of genres, many rarely found in standard accounts of Islamic practice, from oral narratives to elite guidance manuals, from devotional songs to secular judicial decisions arbitrating Islamic law, and from political posters to a discussion among college women affiliated with an "Islamist" organization. Drawn from premodern texts, modern pamphlets, government and organizational archives, new media, and contemporary fieldwork, the selections reflect the rich diversity of Islamic belief and practice in South Asia. Each reading is introduced with a brief contextual note from its scholar-translator, and Barbara Metcalf introduces the whole volume with a substantial historical overview.

Offering Flowers, Feeding Skulls Feb 11 2021 The Indian state of West Bengal is home to one of the world's most vibrant traditions of goddess worship. The year's biggest holidays are devoted to the goddesses Durga and Kali, with lavish rituals, decorated statues, fireworks, and parades. In *Offering Flowers, Feeding Skulls*, June McDaniel provides a broad, accessibly written overview of Bengali goddess worship. McDaniel identifies three major forms of goddess worship, and examines each through its myths, folklore, songs, rituals, sacred texts, and practitioners. In the folk/tribal strand, which is found in rural areas, local tribal goddesses are worshipped alongside Hindu goddesses, with an emphasis on possession, healing, and animism. The tantric/yogic strand focuses on ritual, meditation, and visualization as ways of experiencing the power of the goddess directly. The devotional or bhakti strand, which is the most popular form, involves the intense love and worship of a particular form of the goddess. McDaniel traces these strands through Bengali culture and explores how they are interwoven with each other as well as with other forms of Hinduism. She also discusses how these practices have been reinterpreted in the West, where goddess worship has gained the values of sexual freedom and psychological

healing, but lost its emphases on devotion and asceticism. Offering Flowers, Feeding Skulls takes the reader inside the lives of practicing Shaktas, including holy women, hymn singers, philosophers, visionaries, gurus, ascetics, healers, musicians, and businessmen, and offers vivid descriptions of their rituals, practices, and daily lives. Drawing on years of fieldwork and extensive research, McDaniel paints a rich, expansive portrait of this fascinating religious tradition.

Thematizations of the Goddess in South Asian Cinema Aug 27 2019 This collection presents cross-disciplinary explorations of the tropes, themes and representational frameworks constellating around the figure of the Goddess in South Asian cinema. It critically approaches the Goddess theme in various genres of South Asian cinema, using analytical tools culled from gender studies, comparative cultural studies, and religious studies, as well as film semiotics. The films discussed here represent variegated thematizations of the Goddess across regions in South Asia, including Nepal, Bangladesh, Sri Lanka and various geo-cultural locations in India. As the volume highlights the regional and politico-cultural differences and commonalities in representational schemes between South Asian films of different genres through the Goddess motif, it will appeal to scholars of film studies, South Asian studies and comparative religion, and will hold a special appeal for those interested in Goddess cultures and theology.

Sri Sri Chandi (Durga Saptasati) Jan 05 2023 This is a scriptural commentary of Lahiri Mahasaya on Sri Sri Chandi, also known as Sri Durgasaptasati. In the dialogue, there is a point to answer. Where there are no words, there is

no need to talk. The Lord who stays within the heart causes a person to express the Message which reveals accordingly. There are many words of wisdom in this Scripture, but they have been condensed here to help the Kriyanwits increase their sincerity and devotion. The Rig Veda states: Whatever blissful feelings are generated by discussing and practicing Kriya are called Prema : Divine Love and Bhakti : Utmost sincerity and Devotion. The spontaneous Revelation of the

glories of the Goddess Durga is reflected in Her image, and the Yogis who witness this between the eyebrows transcend dualism (Dwaita) and monism (Adwaita) to establish themselves in Oneness with the ultimate Self. When the Yogi holds onto the state of the After-effect-poise of Kriya, then there is nothing to say. Whatever is expressed in Speech which comes out from the Tranquil Breath is the form and energy of Durga Gayatri. Everything is present in Her. Nama : Name and Rupa : Form are the same,

for everything is Her name and Her form. The cause of Liberation (Mukti) and cause of man is Divine Mother. In the Rig Veda, She is referred to in many ways such as Bhadrang, Bhagavating, Krisnang, Graha Nakshatra Malini, Sivang. Durgang, Twang, Samutpannang, Agnivarnang, Sutang, Soumyang, Idang, Sresthang and Jyotisang Jyotiruttamang. Such is the form of the Goddess Durga, and it is everybody's duty to worship Her, that is, to practice Kriya sincerely.
