Presenting Science Concisely

Jul 07 2020 Imagine you are a scientist faced with presenting your research clearly and concisely. Where would you go for help? This book provides the answer. It shows how to use story structure to craft clear, credible presentations. In it you will find exercises to help you give both short and long presentations. Elevator pitches, lightning talks, Three Minute Thesis (3MT®), and

conference presentations are all covered as are suggestions for longer presentations. Separate chapters address good poster design, how to tailor your talk to an audience, and presentation skills. Throughout the book the focus is on creating surprising, memorable stories. Scientific presentations are true stories about new discoveries. They are surprising because every new discovery changes our understanding of the world, and memorable because they move audiences. With light-hearted illustrations by Jon Wagner this book will appeal to researchers and graduate students

in all areas of science, and other disciplines too. *ACCA Paper P6 Advanced Taxation FA2008 Practice and Revision Kit* May 05 2020 The Association of Chartered Certified Accountants (ACCA) is the global body for professional accountants. With over 100 years of providing world-class accounting and finance qualifications, the ACCA has significantly raised its international profile in recent years and now supports a BSc (Hons) in Applied Accounting and an MBA. BPP Learning Media is an ACCA Official Publisher. Paper P6, *Advanced Taxation*, requires you to extend the

core tax knowledge that you learnt for Paper F6. As well as widening your knowledge of the core taxes, you will need to study inheritance tax, stamp taxes and trusts for the first time. In this paper you will also be expected to comment on ethical issues. In Paper P6 all of the questions set will be scenario type questions as opposed to the purely computational questions that you met at Paper F6. The emphasis of the questions will be on the interpretation of a given situation. You may need to propose alternative strategies and compare and contrast the results. Marks will be specifically

awarded in the examination for the demonstration of effective communication skills. You will also need to demonstrate that you are aware that there may be non-tax matters that should be taken into account. The important point about this paper is that you need to develop your application skills. The best way to do this is to practise as many exam standard questions as possible. BPP Learning Media's *P6 FA2008 Practice and Revision kit* allows you to do just this. The *Practice and Revision kit* is new and has been specifically written for this paper. university or college studies. The material is suitable for a global audience and can be used in a wide range of contexts in the field of Communication Skills, English Language Teaching and English for Academic Purposes. The instructional and practice material included not only helps students to develop their presentation skills but also deals with broader topics of interest in a study-oriented context, such as research and plagiarism. The unique content emphasises higher level task-achievement rather than discrete language points, since experience shows that this is

the area most students find especially difficult. Each unit of Academic Presenting and Presentations focuses on a different presentation genre, building the students' awareness of how to present effectively whilst at the same time focusing attention on the specific requirements of addressing an audience in an academic environment. The accompanying videos form an integral component of this course and consist of two types of presentation: Learning Presentations, which give advice to students, and Sample
