Continuous contrast between prescriptive and emergent views of strategy highlights key debates within the discipline, whilst an emphasis on the practical throughout the book helps you turn theory into practice

Critical Thinking, Thoughtful Writing Sep 29 2019 CRITICAL THINKING, THOUGHTFUL WRITING begins with the premise that thinking well involves using language well, and vice versa. This rhetoric with readings--written by critical-thinking scholar John Chaffee and English professors Christine McMahan and Barbara Stout--provides thorough coverage of the writing process, going beyond the traditional rhetoric to teach students how to evaluate sources, images, and arguments. Each chapter focuses on a critical-thinking skill--such as problem solving or analysis of complex issues--that is explored through "Thinking-Writing Activities" and thematically linked readings. The text helps students develop these skills through carefully sequenced pedagogy and a cross-disciplinary approach that asks them to complete writing assignments and critically evaluate readings drawn from a variety of disciplines. The Fifth Edition offers new readings, a new "Thinking Critically About New Media" feature in each chapter, and more photos, which emphasize visual rhetoric.

Critical Thinking in Young Minds Jan 14 2021 How do you protect young minds from the everyday bombardment of "tabloid culture" - the malign cultural influences which are so prevalent in today's society? Originally published in 1997, stimulating and actively developing children's philosophical and critical thinking is one answer and an area in which Victor Quinn had enjoyed extraordinary success. Here he conveys to teachers, through successful lesson plans, some of the ideas and techniques that lie behind his achievements, helping them to succeed in this vital area of education. for teachers of early years, primary and early secondary school pupils.

Current Issues and Enduring Questions Dec 25 2021 The unique collaborative effort of a professor of English and a professor of philosophy, Current Issues and Enduring Questions is an extensive resource for teaching argument, persuasive writing, and rigorous critical thinking.
