Practice Problems for the Civil Engineering PE Exam Oct 02 2022

Of all the PE exams, more people take the civil than any other discipline. The eight-hour, open-book, multiple-choice exam is given every April and October. The exam format is breadth-and-

depth -- all examinees are tested on the breadth of civil engineering in the morning session; in the afternoon, they select one of five specialties to be tested on in-depth. Our civil PE books are current with the exam; they reflect the new format, and they reference all the same codes used on the exam. Practice Problems is a companion book that contains complete solutions to all the practice problems in the Reference Manual, explaining the most efficient way to reach the correct solution to each problem. -- Step-by-step solutions to all the practice problems in the Reference Manual
