Not long after she's gone, the crew of the yacht reports having found a dinghy in the port, and within it, a disfigured corpse. Also at anchor is an eighty-five-foot luxury boat with a somewhat shady crew. Both boats will have to stay in Vigàta until the investigation is over—the unidentified man was poisoned, it seems. Kabbalah for Beginners: An Introduction to Jewish Mysticism Oct 24 2019 The Kabbalah has long languished in darkness, unknown outside the confines of Jewish Mysticism and the communities who practiced it. But today, the Kabbalah is well-known but often misunderstood. The story of Kabbalah is as old as Judaism itself, with many of the ideas present in the Hebrew Scriptures interpreted in the canon of Kabbalah. Applying Jewish theological premises and Neo-Platonist cosmology, the Kabbalists created a systematic interpretation of familiar Creation Narrative in the Book of Genesis, which today illuminates and serves Judaism. At the same time, Kabbalistic concepts have entered mainstream consciousness with great interest expressed in mainstream Christianity and even in modern science.

Maybe a phrase, a line, a hint somewhere would reveal a reason, any reason, for the elderly couple's disappearance . . . A young Don Juan is found murdered in front of his apartment building early one morning, and an elderly couple is reported missing after an excursion to the ancient site of Tindari – two seemingly unrelated cases for Inspector Montalbano to solve amid the daily complications of life at Vigàta police headquarters. But when Montalbano discovers that the couple and the murdered young man lived in the same building, his investigation stumbles onto Sicily's brutal 'New Mafia', which leads him down a path more evil and more far-reaching than any he has been down before. *Excursion to Tindari* is followed by the sixth novel in the Inspector Montalbano series, *The Scent of the Night*.

The Wings of the Sphinx Mar 22 2022 “You either love Andrea Camilleri or you haven’t read him yet. Each novel in this wholly addictive, entirely magical series, set in Sicily and starring a detective unlike any other in crime fiction, blasts the brain like a shot of pure oxygen. Aglow with local color, packed with flint-dry wit, as fresh and clean as Mediterranean seafood — altogether transporting. Long live Camilleri, and long live Montalbano.” A.J. Finn, #1 New York Times bestselling author of *The Woman in the Window* Things are not going well for Inspector Salvo Montalbano. His relationship with Livia is once again on the rocks and—acutely aware of his age—he is beginning to grow weary of the endless violence he encounters. Then a young woman is found dead, her face half shot off and only a tattoo of a sphinx moth giving any hint of her identity. The tattoo links her to three similarly marked girls—all victims of the underworld sex trade—who have been rescued from the Mafia night-club circuit by a prominent Catholic charity. The problem is, Montalbano's inquiries elicit an outcry from the Church and the three other girls are all missing.

Are the two deaths connected? Catalanotti scrupulously kept notes and comments on all the actors he worked with as well as strange notebooks full of figures, dates and names . . . Inspector Montalbano finds all of Catalanotti's dossiers and plays, the notes on the characters and the notes on his final drama, *Dangerous Turn*. It is in the theatre where he feels the solution lies.

Montalbano's First Case and Other Stories Apr 30 2020 Montalbano's First Case and Other Stories is a brilliant collection of short stories, personally chosen by Andrea Camilleri. It follows Inspector Montalbano from his very first case in Vigàta, in which he stumbles upon a young girl lurking outside a courthouse with a pistol in her handbag. When she is taken in for questioning and won't utter a single word, Montalbano must find another way to learn who she is trying to kill, and why . . . Other cases include a missing woman who has run away from the love of her life; an old married couple who appear to be rehearsing their suicides; and a crime so dark there's only one person the inspector can call for help. With twists and turns aplenty, these short stories have all the wit, mystery and culinary gusto that Camilleri's fans have come to love him for.
