I Don't Have Enough Faith to be an Atheist Feb 08 2021 I don't have enough faith to be an atheist argues that Christianity requires the least faith of all worldviews because it is the most reasonable. The authors lay out the evidence for truth, God, and the Bible in logical order and in a readable, non-technical, engaging style. A valuable aid to those interested in examining the reasonableness of the Christian faith, Geisler and Turek provide a firm challenge to the the prior beliefs of doubters and skeptics.

Word Concordance of the Tanakh Or the Hebrew Bible (Hebrew Old Testament) Oct 31 2022 This book lists all the words and variant word forms of the original Hebrew-Aramaic Old Testament text or Tanakh (Jewish Bible) with their respective instances of occurrences in the entire text body of the Hebrew Old Testament. It also includes references to biblical book names, chapters and verses. The relevant text corpus of this word concordance is based upon scholarly respected text editions like the Westminster Leningrad Codex. Since text concordances of original texts in original biblical languages are hard to find this book tries to fill a part of that gap.

Why Are These Books in the Bible and Not Others?: Volume One - A Translator's Perspective on the Canon of the Old Testament Jul 28 2022 This Volume One of a three volume set will study the books included in the Old Testament (OT) and consider other books that could have been included in it but were not. Each of the 39 books in the OT will be reviewed in detail, and it will be explained why they were included in the OT. Then the debate about the "extra" books found in Roman Catholic and Eastern Orthodox Bibles as compared to Protestant and Jewish Bibles will be addressed. Lastly, other books that some wonder why they are not included in the OT will be discussed. It will be explained why these books were rejected.

"This Is My Doctrine": The Development of Mormon Theology Apr 24 2022 The principal doctrines defining Mormonism today often bear little resemblance to those it started out with in the early 1830s. This book shows that these doctrines did not originate in a vacuum but were rather prompted and informed by the religious culture from which Mormonism arose. Early Mormons, like their early Christian and even earlier Israelite predecessors, brought with them their own varied culturally conditioned theological presuppositions (a process of convergence) and only later acquired a more distinctive theological outlook (a process of differentiation). In this first-of-its-kind comprehensive treatment of the development of Mormon theology, Charles Harrell traces the history of Latter-day Saint doctrines from the times of the Old Testament to the present. He describes how Mormonism has carried on the tradition of the biblical authors, early Christians, and later Protestants in reinterpreting scripture to accommodate new theological ideas while attempting to uphold the integrity and authority of the scriptures. In the process, he probes three questions: How did Mormon doctrines develop? What are the scriptural underpinnings of these doctrines? And what do critical scholars make of these same scriptures? In this enlightening study, Harrell systematically peels back the doctrinal accretions of time to provide a fresh new look at Mormon theology. "This Is My Doctrine" will provide those already versed in Mormonism's theological tradition with a new and richer perspective of Mormon theology. Those unacquainted with Mormonism will gain an appreciation for how Mormon theology fits into the

larger Jewish and Christian theological traditions.

The Gospel of Matthew, Volume 1 Jun 14 2021 Prof. George Wesley Buchanan PhD., Litt.D., D.S.L. Recognized in academic circles for being the first for the following: 1. use of insights from the Dead Sea Scrolls to solve biblical problems. 2. discover midrash (commentary on Scripture) in the First Testament. 3. publish intertextual commentaries both in the First Testament and in the New Testament. 4. discover the northern boundaries of the Promised Land. 5. discover independently (as one of two scholars) the true location of the temple at Zion. 6. discover the method for distinguishing the teachings of Jesus from the additions of the later church. Other scholars have followed Schweitzer in declaring that this could not be done. Other Biographical Data for Prof. Buchanan: Ordained elder in the United Methodist Church, pastor of churches for fourteen years. Horowitz Fellow, Scheuer Fellow, Rosenstiel Fellow, Association of Theological Schools Fellow, Claremont--Society of Biblical Literature Fellow, Recipient of the Alumni Achievement Award, Simpson College, Recipient of Numerous Research Grants

Ancient Apologetic Exegesis Jun 26 2022 Taking a radical new approach to second-century theology, 'Ancient Apologetic Exegesis' examines the work of Saint Theophilus of Antioch, with a full understanding of the man and his times. The second century is often dismissed by theologians, despite a near-living memory of Jesus and his apostles from only a generation or two prior, but Stuart E. Parsons shows that a distinctive biblical exegesis was used by those second-century apologists who challenged Greco-Roman pagan religionists. Current literature misunderstands second-century exegetical approaches, but by looking behind anachronistic views of ancient genre, literacy, and rhetoric, we can rediscover a forgotten form of early Christian exegesis.

Genesis 1-11 Sep 29 2022 There has been a recent trend to date many non-Priestly texts later than their Priestly counterparts, and this movement has significant synchronic, as well as diachronic, implications. The commentary engages these approaches, along with other recent proposals and methods, in providing a multi-layered reading of the diverse texts and strata of Genesis 1-11. This combination of diachronic and synchronic approaches yields new insights into these evocative and influential narratives at the outset of the Bible.
