**History of 1 Field Squadron Group, Royal Australian Engineers, Svn, 1965-1972 Nov 29 2022** Past Vietnam War histories have tended to record the sappers' work as peripheral. This book attempts to highlight the skill, ingenuity, and courage they displayed throughout the entire war. It chronicles their experiences—both good and bad—that are based around their operations, with an emphasis on the personal experiences of those involved.

**Indiana University Basketball Encyclopedia Dec 06 2020** The tradition of college basketball excellence that reigns at Indiana University can only be matched by a handful of other elite programs, while the fierce devotion of IU basketball fans has been selling out arenas and inspiring generation after generation of Hoosier fans for over a century. The Indiana University Basketball Encyclopedia captures the glory, the tradition, and the championships, from the team's inaugural games in the winter of 1901 all the way through the 2003-04 season. The most comprehensive book ever written about IU basketball, this encyclopedia covers every season and every game the Hoosiers have played throughout their illustrious history, including all of the program's Big Ten Conference championships and NCAA championships. It is a must-have for the library of every devoted IU basketball fan and a fitting guide to one of the most storied traditions in all of college basketball.
