Violent protest, widespread destruction, and politicians who insist on letting the disassociated vent their rage will bring America to her knees, threatening to decapitate the laws, principles, and values on which the country was founded. The revolution has been well-planned, but the socialists may have underestimated America's true patriots who refuse to give up without a fight. She has no idea who her biological father is and her adoptive dad walked out on his family for the sweet young thing at the office fifteen years ago. Children Under Fire Nov 14 2021 Longlisted for the PEN/John Kenneth Galbraith Award for Nonfiction Winner of the Goddard Riverside Stephan Russo Book Prize for Social Justice *A Newsweek Favorite Book of 2021 *An NPR 2021 "Books We Love" selection *A Washington Post Notable Work of Nonfiction *A Kirkus "2021's Best, Most Urgent Books of Current Affairs" selection Based on the acclaimed series—a finalist for the Pulitzer Prize—an intimate account of the devastating effects of gun violence on our nation's children, and a call to action for a new way forward In 2017, seven-year-old Ava in South Carolina wrote a letter to Tyshaun, an eight-year-old boy from Washington, DC. She asked him to be her pen pal; Ava thought they could help each other. The kids had a tragic connection—both were traumatized by gun violence. Ava's best friend had been killed in a campus shooting at her elementary school, and Tyshaun's father had been shot to death outside of the boy's elementary school. Ava's and Tyshaun's stories are extraordinary, but not unique. In the past decade, 15,000 children have

been killed from gunfire, though that number does not account for the kids who weren't shot and aren't considered victims but have nevertheless been irreparably harmed by gun violence. In *Children Under Fire*, John Woodrow Cox investigates the effectiveness of gun safety reforms as well as efforts to manage children's trauma in the wake of neighborhood shootings and campus massacres, from Columbine to Marjory Stoneman Douglas. Through deep reporting, Cox addresses how we can effect change now, and help children like Ava and Tyshaun. He explores their stories and more, including a couple in South Carolina whose eleven-year-old son shot himself, a Republican politician fighting for gun safety laws, and the charlatans infiltrating the school safety business. In a moment when the country is desperate to better understand and address gun violence, *Children Under Fire* offers a way to do just that, weaving wrenching personal stories into a critical call for the United States to embrace practical reforms that would save thousands of young lives.

In a world of bloody secrets and twisted legacies, only one truth remains: To prevail, one of them must die. But who will survive? The Fallen King, or his Tainted Heir? Please be advised that this book may cause shallow breathing, exploding ovaries and spontaneous disintegration of panties. Bunny Jan 24 2020 “The Secret History meets Jennifer’s Body. This brilliant, sharp, weird book skewers the heightened rhetoric of obsessive female friendship in a way I don’t think I’ve ever seen before. I loved it and I couldn’t put it down.” - Kristen Roupenian, author of *You Know You Want This: "Cat Person" and Other Stories* *The Vegetarian* meets *Heathers* in this darkly funny, seductively strange novel about a lonely graduate student drawn into a clique of rich girls who seem to move and speak as one. "We were just these innocent girls in the night trying to make something beautiful. We nearly died. We very nearly did, didn't we?" Samantha Heather Mackey couldn't be more different from the other members of her master's program at New England's elite Warren University. A self-conscious scholarship student who prefers the company of her imagination to that of most people, she is utterly repelled by the rest of her fiction writing cohort--a clique of unbearably twee rich girls who call each other "Bunny," and are often found entangled in a group hug so tight it seems their bodies might become permanently fused. But everything changes when Samantha receives an invitation to the Bunnies' exclusive monthly "Smut Salon," and finds herself drawn as if by magic to their front door--ditching her only friend, Ava, an audacious art school dropout, in the process. As Samantha plunges deeper and deeper into Bunny world, and starts to take part in the off-campus "Workshop" where they devise their monstrous creations, the edges of reality begin to blur, and her friendships with Ava and the Bunnies are brought into deadly collision. A spellbinding, down-the-rabbit-hole tale about loneliness and belonging, creativity and agency, and female friendship and desire, *Bunny* is the dazzlingly original second book from an author with tremendous "insight into the often-baffling complexities of being a woman" (*The Atlantic*).

The Malay Archipelago Dec 15 2021

Ava's Man Oct 25 2022 NATIONAL BESTSELLER • With the same emotional generosity and effortlessly compelling storytelling that made *All Over But the Shoutin'* a beloved bestseller, Rick Bragg continues his personal history of the Deep South. This time he's writing about his grandfather Charlie Bundrum, a man who died before Bragg was born but left an indelible imprint on the people who loved him. Drawing on their memories, Bragg reconstructs the life of an unlettered roofer who kept food on his family's table through the worst of the Great Depression; a moonshiner who drank exactly one pint for every gallon he sold; an unregenerate brawler, who could sit for hours with a baby in the crook of his arm. In telling Charlie's story, Bragg conjures up the backwoods hamlets of Georgia and Alabama in the years when the roads were still dirt and real men never cussed in front of ladies. A masterly family chronicle and a human portrait so vivid you can smell the cornbread and whiskey, *Ava's Man* is unforgettable.

Deacon King Kong Mar 06 2021 ? NEW YORK TIMES BESTSELLER AND OPRAH'S BOOK CLUB PICK ? CHOSEN BY BARACK OBAMA AS A FAVOURITE READ ? TOP TEN BOOKS OF THE YEAR, NEW YORK TIMES & WASHINGTON POST 'Brilliantly imagined, larger than life, a tragicomic epic of intertwined lives.' JOYCE CAROL OATES 'Deeply felt, beautifully written and profoundly humane.' JUNOT DIAZ, New York Times Book Review The year is 1969. In a housing project in south Brooklyn, a shambling old church deacon called Sportcoat shoots - for no apparent reason - the local drug-dealer who used to be part of the church's baseball team. The repercussions of that moment draw in the whole community, from Sportcoat's best friend - Hot Sausage - to the local Italian mobsters, the police (corrupt and otherwise), and the stalwart ladies of the Five Ends Baptist Church. DEACON KING KONG is a book about a community under threat, about the ways people pull together in an age when the old rules are being rewritten. It is very funny in places, and heartbreaking in others. From a prize-winning storyteller, this New York Times bestseller shows us that not all secrets are meant to be hidden, and that the communities we build are fragile but vital.

_____ From the winner of a National Book Award and author of the bestselling memoir, *The Color of Water*, and *The Good Lord Bird*, a TV series starring Ethan Hawke 'A hilarious, pitch-perfect comedy set in the Brooklyn projects of the late 1960s. This alone may qualify it as one of the year's best novels.' The Washington Post What Goodreads readers are saying: ***** 'Deacon King Kong is one of those novels whose brilliance sneaks up on you. I haven't been this pleasantly surprised by a book in a while.' ***** 'I do believe I just finished one of my all time favorite books. I loved every minute spent with Sportcoat and his community. A good old fashioned yarn shot through with truth, spirit, and humor. I LOVED it!' ***** 'This book was a balm for my soul, a portrait of a black church community circa 1969 with sweet characters (well, most of them), interconnections that stretch back decades, and a plot with more than one mystery at its heart.' ***** "'Deacon' has the texture of folk lore and fable mixed with the

unexpected rhythms of jazz and the noisy streets of late 1960s Brooklyn.' *****
'The ending was one of those where you clutch your heart and want to hug the book (or your Kindle).'

Scars Like Wings Jan 16 2022 Relatable, heartbreaking, and real, this is a story of resilience--the perfect novel for readers of powerful contemporary fiction like *Girl in Pieces* and *Every Last Word*. Before, I was a million things. Now I'm only one. *The Burned Girl*. Ava Lee has lost everything there is to lose: Her parents. Her best friend. Her home. Even her face. She doesn't need a mirror to know what she looks like--she can see her reflection in the eyes of everyone around her. A year after the fire that destroyed her world, her aunt and uncle have decided she should go back to high school. Be "normal" again. Whatever that is. Ava knows better. There is no normal for someone like her. And forget making friends--no one wants to be seen with the Burned Girl, now or ever. But when Ava meets a fellow survivor named Piper, she begins to feel like maybe she doesn't have to face the nightmare alone. Sarcastic and blunt, Piper isn't afraid to push Ava out of her comfort zone. Piper introduces Ava to Asad, a boy who loves theater just as much as she does, and slowly, Ava tries to create a life again. Yet Piper is fighting her own battle, and soon Ava must decide if she's going to fade back into her scars . . . or let the people by her side help her fly. "A heartfelt and unflinching look at the reality of being a burn survivor and at the scars we all carry. This book is for everyone, burned or not, who has ever searched for a light in the darkness." --Stephanie Nielson, New York Times bestselling author of *Heaven Is Here* and a burn survivor
