**Divorce and the Special Needs Child Aug 29 2022** Going through a divorce is always tough, but when a child with special needs is involved it can be especially challenging. This book takes a clear and comprehensive look at every aspect of the legal divorce process, and addresses all of the legal issues that divorcing parents of children with special needs face. The author guides parents through the initial hurdles of choosing the right lawyer for their case, and explains exactly how to work with them to achieve the best possible outcome for all concerned. From agreeing upon child custody arrangements that meet the particular needs of the child, to making provision for child support payments, gathering together the documentation needed to prove a case, and dealing with financial issues such as debts and property distribution, no aspect of divorce is left uncovered. A set of checklists is included to ensure that parents consider everything they need to, and the book concludes with a useful list of further resources. Written by an experienced family lawyer who went through her own divorce when her son, who has autism, was six, this book offers much-needed guidance to divorcing parents of children with a variety of special needs.

**What Every Woman Should Know About Divorce and Custody (Rev) Feb 20 2022** Women are still discovering-the hard way-just how difficult and unpredictable child custody cases can be. The first and most comprehensive book of its kind, this is a complete insider's guide filled with crucial advice from judges, lawyers, therapists, and mothers who have experienced this challenging legal process. It is designed for women at every stage of divorce and covers a wide range of legal strategies, as well as financial and psychological issues. This updated edition describes how to use technology advantageously and pitfalls to avoid, as well as changes in interstate custody laws and essential topics such as: - Choosing a lawyer - What to expect before and in court - Blended families - Domestic violence risk factors for women - What makes a custody agreement good or bad - Dealing with your emotions - Parental kidnapping cases - An appendix of recommended reading

**Shared Physical Custody Dec 21 2021** This open access book provides an overview of the ever-growing phenomenon of children in shared physical custody thereby providing legal, psychological, family sociological and demographical insights. It describes how, despite the long evolution of broken families, only the last decade has seen a radical shift in custody arrangements for children in divorced families and the gender revolution in parenting which is taking place. The chapters have a national or cross-national perspective and address topics like prevalence and types of shared physical custody, legal frames regulating custody arrangements, stability and changes in arrangements across the life course of children, socio-economic, psychological, social well-being of various family members involved in different custody arrangements. With the book being an interdisciplinary collaboration, it is interesting read for social scientists in demography, sociology, psychology, law and policy makers with an interest family studies and custody arrangements.

**Making Divorce Easier on Your Child: 50 Effective Ways to Help Children Adjust Jan 28 2020** From the bestselling authors of Parenting the Strong-Willed Child, expert strategies and action steps for divorcing parents While there are many trade books on children and divorce, most tend to be filled with extensive discussions of the psychological impact on children, with little effective advice. You want immediate answers and quick access to expert strategies you can use to help your kids today and in the future. **Making Divorce Easier on Your Child** arms you with 50 effective strategies and action steps for helping your kids cope with divorce, packaged in a convenient, quick-bite format. It is based on the authors' years of clinical experience dealing with the children of divorce, as well as their extensive research into the causes and cures of divorce-related emotional problems. "Informative and sensible, offering realistic, clear-cut recommendations." Robert Brooks, Ph.D., Faculty, Harvard Medical School, and coauthor of **Raising Resilient Children** **Nolo's Essential Guide to Child Custody and Support Jan 10 2021** Custody and Support: Get the Answers You Need When you're getting divorced, you can make a tough time easier for yourself and your children if you work with the other parent to agree on a custody plan and child support. If you can't resolve these issues, you'll have to head to court and ask a judge to decide for you. Either way, **Nolo's Essential Guide to Child Custody & Support** can help. You'll learn: how negotiation and mediation can keep costs down and improve future dealings with your ex where to find your state's child support guidelines how judges make custody decisions how to enforce and change custody and support orders how court trials work how Covid-19 is affecting custody arrangements and family court hearings, and when you need a lawyer and how to work with one. You'll also find specifics about each state's laws, including what factors courts consider when they rule on custody arrangements and what happens when one parent wants to move away with the children.

**Vicki Lansky's Divorce Book for Parents Jul 28 2022** Vicki Lansky's Divorce Book for Parents presents practical suggestions for parents who want to learn those new parenting techniques and is based on the author's own experiences, those of other divorced parents, and the expertise of professionals, Lansky offers sensible advice for almost every issue of parenting through divorce. Lansky identifies predictable behavior parents can expect from their kids and shows how to best respond to help them through the difficult transition. She suggests lists of age-appropriate books for children to read and shares valuable information for parents on custody options, money and the legalities of divorce. There are dozen of helpful references and resources (many online) on subjects discussed in each chapter. This book is a must for parents considering or experiencing divorce. **Solomon's Children Feb 29 2020**

**The Consequences of Divorce Sep 29 2022** This comprehensive volume brings to light little known implications of legal, economic, and custodial factors following a divorce. The Consequences of Divorce goes beyond the past decade's extensive focus on emotional and social adjustment outcomes to explore in-depth the post-divorce legal, economic, and custodial variables that impact the entire family. This important volume examines the economic conditions of both marriage partners after the divorce, the effect of legislative models on child support payment, child custody patterns and their impact on the family, and intervention strategies that take such custody problems into account. Teachers, counselors, researchers, and attorneys will be better prepared to offer support to family members after a divorce with the understanding of the economic and custodial conflicts that they will gain from this new book. The authoritative contributors examine statistics that show a marked decline in the economic well-being of women and children, which lead to questions of standards of adequacy for child support awards and an exploration of a new child support scheme from Australia. Different child custody arrangements are analyzed according to their consequences for each family member, providing valuable information for treating divorced families. Specific topics of interest include decreased parental involvement for fathers after a divorce, siblings separated by divorce, mothers without custody, and children's own viewpoints of custody arrangements. This informative book will lead to increased services to divorced families by expanding professionals' awareness of critical economic and legal issues that affect each member of the family.

**Renegotiating Family Relationships, Second Edition Jun 26 2022** Long recognized as the authoritative guide for clinicians working with divorcing families, this book presents crucial concepts, strategies, and intervention techniques. Robert E. Emery describes how to help parents navigate the emotional and legal hurdles of this painful family transition while protecting their children's well-being. The book is grounded in cutting-edge research on family relationships, parenting, and children's adjustment, including Emery's groundbreaking longitudinal study of the impact of divorce mediation versus litigation. It provides a detailed treatment manual for mediating custody and other disputes, developing collaborative parenting plans, and fostering positive postdivorce family relationships. New to This Edition\*Reflects the latest psychological research, as well as divorce and custody law.\*Chapters on understanding and addressing divorcing partners' anger and grief.\*Treatment manual chapters have been extensively revised.\*Incorporates the author's 12-year follow-up study.

**Renegotiating Family Relationships May 14 2021** The way in which relationships are renegotiated in the aftermath of divorce is critical to the future well-being of family members. When estranged parents are able to redefine boundaries in their own relationship, it allows their children to maintain a healthy relationship with both, and paves the way for a more intact and functional family system. Toward this end, the author presents a state-of-the-art overview of divorce, child custody, and mediation within the context of the latest psychological research and contemporary divorce law. Providing specific techniques and detailed case histories, he outlines an approach for estranged couples to renegotiate their relationship, defining new boundaries of intimacy and power between the various members of the family. The book illustrates how mediation can keep a large percentage of families out of court, increase parents' satisfaction with the process, encourage the involvement of both parents with the children, and break out of the "win-lose" mentality of the law and negotiate "win-win" settlements instead. **Renegotiating Family Relationships** opens with an examination of how gender bears on the attitudes both parents and children maintain toward divorce. It describes specific steps for separating marital and parental roles, as well as for dealing with cycles of love, anger, and sadness that characterize grief in divorce. The role of children in a divorced family system is explored, and strategies are provided for setting up visitation schedules, disciplinary tactics, joint physical custody, and other parenting arrangements. Ways to balance loyalties and alliances in the parent-child-parent triad are also discussed. Divorce and custody law and the implications they have for mediation are examined, with sections discussing such issues as financial settlements, property division, alimony, child support, taxes, remarriage, and post-divorce economics for single mothers. Theories of custody dispute resolution and tactics for bargaining and settling disputes are also presented, as are methods for negotiating agreements, including ways to determine settlement policies, and conduct mediation sessions with parents. Offering strategies for working with attorneys and judges, the book describes how to define problems; set up caucuses; focus on issues instead of emotions; and review areas of agreement and disagreement. Later chapters focus on custody mediation research and psychological research on children, parents, and divorce with an examination of precedent-setting mediation cases, issues of compliance, demographics of divorce, and how both children and parents adjust to the divorce process in light of changes in the family structure. Finally, the future of custody mediation is also discussed. Comprehensive in scope, this volume will interest a wide range of mental health professionals--psychologists, psychiatrists, social workers, and family counselors. It will inform legal professionals working with couples trying to renegotiate their relationship. It also serves as a text for graduate courses or advanced undergraduate courses related to either mental health or the law.

**Louisiana Divorce Handbook Sep 25 2019** "Winning your Louisiana divorce and matters regarding child support, spousal support, community property, and more." **We The People's Guide to Divorce Oct 26 2019** WE THE PEOPLE No lawyers. The authors integrate research and policy perspectives of scholars in various disciplines to focus on the consequences of divorce for children, the parents' responsibilities after divorce, nonresidential parenting, and the

effects of a high divorce rate in society.

**Child Custody Nov 19 2021** For too long, divorce and remarriage literature has focused only on the outcome in the personal lives of the divorcees during and after divorce. But now, in *Child Custody: Legal Decisions and Family Outcomes*, you'll see that divorce is a chain reaction that begins in the courtrooms and branches out into the families of the world, changing the lives of children, parents, and grandparents alike. *Child Custody* is an incisive, up-to-date collection of studies that addresses both child custody decisions and the varied and often surprising outcomes for those children and their families. Divided into two main sections, one focusing on legislative guidelines and the other on family issues, this unique compilation of recent divorce and remarriage research gives you a rare view of the attitudes some judges have toward divorce. In addition, those people in both law and family research fields will have at their disposal the many aspects of the legal decision-making process and the legislative guidelines that currently hold sway over custody and post-divorce cases. Here are some of the topics you'll read about: the evolution of three types of residential custody arrangements--father, mother, and joint--followed over a two-year period legal reforms aimed at guaranteeing parental access to children how social research has shaped New Hampshire's child support policy divorced fathers and mothers in Greece the stigmas on lesbian mothers in custody cases how grandparent involvement shapes post-divorce families Meant as a catalyst for further research and study, this book begins to touch upon the intrinsic flaws in both legal and family systems that continue to exist. Too often, we think of divorce and child custody as merely legal decisions. In *Child Custody*, however, you'll find that what matters in court is also a family matter.

**Do Your Own Divorce Aug 17 2021** This book will save you money. Even if the divorce is completely straightforward, and there are no arrangements for children and finances to sort out, a solicitor will typically charge between GBP500 and GBP1000 to deal with the divorce for you, not including court fees. If there are arrangements for children or finances to sort out, then the solicitor's fees are likely to be many times that sum. This book is for the increasing number of people who have to go through divorce proceedings without legal assistance, and for those who just want to save legal costs. It includes: \*A guide to divorce proceedings, including completing all the required forms. \*Sorting out financial/property arrangements, whether by agreement or through the court. \*Making arrangements for children. \*Details of child support maintenance. \*Dealing with domestic violence, costs and mediation. \*Plus specimen forms, useful addresses and websites, and a detailed glossary of legal terms. This book is for anyone who is seeking or contemplating a divorce, or anyone whose spouse has issued divorce proceedings against them. Even if you are separating from your spouse and do not wish to divorce at this time, this book will be useful to you as many of the principles with regard to arrangements for children and sorting out finances are the same. Contents: 1. Divorce; 2. Children; 3. Child maintenance; 4. Finances and property; 5. Domestic violence; 6. Mediation; 7. Costs and legal aid; 8. Final thoughts; Appendix 1 - Example Documents; Appendix 2 - Useful Addresses and Websites; Appendix 3 - Glossary; Appendix 4 - List of Divorce County Courts; Index.

**Preserving Family Ties Jun 14 2021** Preserving Family Ties was not written to give you a formula for action. Rather, this is a guidebook for understanding. It was written to give a clearer understanding of the complexity in child custody when parents separate. This book provides you the historical context for the changes you experience, and what you may fear. I have written this book to offer parents and professionals that context in which the new reality unfolds. It was written to help you understand that one can move forward best when they a) acknowledge your feelings as you endure so many life changes, often abrupt and unexpected; b) recognize the obstacles and options in the child custody and divorce process; and c) seek support from family, friends, community resources to affect the best transition for you and your children. There is no magic wand to solve problems that parents may encounter, real or imaginary. However, our imagination can play havoc with this journey of family transition. The future we prefer for our children, for each parent, for grandparents and other extended family members, can be far better than imagined.

**Deadbeat Dads Oct 19 2021** Evaluates problems with the child care support system in the United States. Looks at reform movements and ways in which to ensure financial support from an absent parent.

**How to be a Good Divorced Dad Sep 05 2020** Positive advice for divorced dads and their families The country's leading authority on fathers' rights Jeffery M. Leving presents a definitive how-to resource for divorced dads of any age, background, and marriage history. Leving offers targeted guidance and suggests techniques for staying connected with children and dealing with ex-wives—and in some cases a new girlfriend or the wife's new boyfriend—during the divorce and afterwards. This upbeat book offers good news for divorced dads and counters many of the myths that paint divorcing fathers as alienated, irresponsible, or absent. Includes advice for overcoming limited access to children with cooperative responses and legal remedies if necessary Reveals how to avoid depression and feelings of guilt that can cause a divorced dad to give up and lose connection with his kids Offers ideas for responding to an ex-wife's remarriage, moving, unfounded accusations, and other common issues Contains guidance for engaging in new relationships and possibly remarriage How to Be a Good Divorced Dad is practical and down-to-earth and offers dozens of real life examples of dads who have discovered the importance of staying involved in their children's lives.

**Divorcing with Children Jun 22 2019** "This book is for separated, divorcing, and divorced parents who want to minimize or remove the fallout for the kids. Also, those just contemplating separation or divorce will find this text of great help to be proactive, to set a plan to avoid possible problems, and to deal with those that will inevitably surface."--Book jacket.

**LISTEN TO ME!!! May 26 2022** Dr. Daniel Gottlieb is a clinical psychologist and family therapist in Israel, where he serves as the director of Clinical Services at Shinui Institute: The Israeli Institute for Systemic Studies, Family, and Personal Change in the city of Herzliya. Dr. Gottlieb is frequently appointed by the courts as a custody evaluator and parent coordinator and has published several articles and lectured extensively on topics relating to family forensic psychology. Dr. Gottlieb received his doctoral degree from Yeshiva University's Ferkauf Graduate School of Psychology and his training in family therapy from the Ackerman Institute for the Family.

**Divorce and Children Dec 29 2019** Sometimes married couples do not get along and find that they are never going to make the marriage work. That is when a divorce comes into mind. A divorce is a legal action between married people to terminate their marriage relationship. It is a hard time for all that is involved.

**Child Custody Feb 08 2021**

**Divorce Mar 24 2022** DIV This comprehensive book provides a balanced overview of the current research on divorce. The authors examine the scientific evidence to uncover what can be said with certainty about divorce and what remains to be learned about this socially and politically charged issue. Accessible to parents and teachers as well as clinicians and researchers, the volume examines the impact of marital breakup on children, adults, and society. Alison Clarke-Stewart and Cornelia Brentano synthesize the most up-to-date information on divorce from a variety of disciplinary perspectives with thoughtful analysis of psychological issues. They convey the real-life consequences of divorce with excerpts from autobiographies by young people, and they also include guidelines for social policies that would help to diminish the detrimental effects of divorce./div

**Child Custody Made Simple Jun 02 2020** Discusses a variety of issues concerning child custody, including court structures, living arrangements, recommendations on avoiding court battles, and advice on working with lawyers.

**Children of Divorce Nov 27 2019** Featuring excerpts of essays collected from over one thousand young adults while in the throes of divorce, this book paints a picture of the pain and the hope shown by the storytellers. By framing the narratives with an analysis of the most recent divorce literature, the authors provide readers with a greater and more vivid understanding of the effects of divorce. Challenging the contention that most children will be irretrievably hurt by their parents' divorce, some stories clearly demonstrate the strength and resilience many have learned in dealing with a divorce in the family. Emphasis is placed on how hope about the possibilities of having close relationships - as well as a willingness to create stronger families in their own lives - represent abiding motivations in this sample of young people. The authors hope that the use of the raw input of respondents will make the experiences more realistic and ultimately help people deal with major loss events in their lives. Highlights of the new edition include: A new chapter (7) that demonstrates the messiness of divorce (infidelity, dysfunctional interactions, multiple marriages/relationships, and the financial expense), the fading stigma of divorce, the latest divorce rates, the increased average age of first time marriages, and the recent hook-up phenomenon wherein young people are showing a reluctance to commitment Updated throughout with the most current demographic data, new findings from the top researchers in the field, and the latest intervention programs A review of the Divorce Variability and Fluidity Model (DVFM) that helps predict variability in adjusting to divorce More suggestions to help children adapt to divorce, including material on parenting education classes and mediation as a method for easing the process A list of readings and suggested websites for further review More tables and graphs to summarize key concepts. An ideal supplement for courses on divorce, family studies, close relationships, and loss and trauma taught in human development and family studies, and clinical, counseling, and social psychology, as well as communication, social work, and sociology, these engaging stories also appeal to practitioners and those interested in the effects of divorce in general.

**Hit Him Where It Hurts Oct 31 2022** You're getting divorced. You want out or he wants out, but either way you're tempted to bend over backward just to get it over with. The result: You get screwed. How screwed? Consider this: the average woman experiences a 45 percent drop in her standard of living after divorce; 45 percent of children living with a divorced mother live at or near the poverty line; only about 45 percent of custodial parents due child support payments receive the full amount. In *Hit Him Where It Hurts*, acclaimed matrimonial attorney Sherry Donovan shows you how to take the offensive in the bloody game we call divorce. With her take-no-prisoners approach, you can ensure that you will gain your freedom without sacrificing your health, your wealth, or your well-being—or that of your children.

**Great Answers to Difficult Questions about Divorce May 02 2020** Offers advice to parents on how to answer children's questions about divorce. Includes chapters on why parents separate and what will happen after the divorce.

**Child Support and Alimony .... Mar 12 2021**

**Marriage, Divorce, and Children's Adjustment Nov 07 2020** Emery reviews the psychological, social, economic, and legal consequences of divorce, and examines how children's risk or resilience is predicted by interparental conflict, relationships with both parents, financial strain, legal/physical custody, and other factors."--BOOK JACKET.

**The Season of Divorce, Coping, and Your Child Custody Jul 16 2021** The Endings are always sad, but to breakup a relationship in a law court dispute is a severe disaster. **Divorce Casualties Oct 07 2020** Details the effects of divorce on children and offers techniques for understanding the effects of alienation

**Forced Absence Screenplay Apr 12 2021** Imagine waking up one Saturday morning to the sound of loud banging at your door. You call out to your wife, "Sweetie, answer the door." But your spouse and the kids are gone. The knocks keep coming. You open the door and see two burly Sheriff's Deputies at your door who inform you that your spouse has filed a Protection From Abuse order against you and that you've got twenty minutes to get your things out of the house and vacate the premises. You are dumbfounded because you've never had a fight with her and violence was never part of the equation for you. You argue that there must be a mistake, but your pleas fall on deaf ears. You realize numbly that, to them, you sound just like the brutes who actually do abuse the ones they love. You get dressed, grab a few things, and frantically make some calls as you watch the Deputies

install padlocks on your doors. Eventually you leave and drive to your parents' house, hoping that you'll be back home in a couple of days after the matter has been resolved. Unbeknownst to you, you will never step foot in your home again. The truth is, your spouse has a new love in her life and used a PFA order to get rid of you and move the lover in. Your wife's new lover is now your children's new daddy. Welcome to the life of Tim Olson. Tim was a victim of this scenario, except that Tim wasn't the husband . . . he was the child. When Tim's mother accused his father of abuse that never happened, she drove Tim's father into financial and emotional ruin. When Tim grew up and learned the truth, he didn't just get mad he got even, with tragic results. Through interviews with actual litigants, mental health professionals, lawyers, and victims, we learn about the undercurrent of post-nuptial turmoil now boiling over in family courts across the country in the form of child custody and visitation battles, false allegations of abuse, corrupt judges, and unaffordable child support awards. The system is broken and the results it has on the families who go through it is devastating. The laws of various jurisdictions in the United States encourage and reward greed while discouraging civility and co-parenting. Forced Absence is a story of love and hatred, greed and vengeance, and the effects of a corrupt and inefficient family court system which is being exploited by husbands, wives, and live-in partners seeking to destroy one another. This documentary is an assembly of capsulized true events in the lives of several victims. To the extent possible, the participants are the actual individuals involved. To protect the innocent and their privacy, some re-enactments and technical changes were incorporated. This book, which is written in screenplay format, is a derivative of the feature motion picture.

**Frequently Asked Questions About Divorce Aug 05 2020** Describes what happens when parents divorce, including what changes may occur within a family and how a child will be legally and emotionally affected by the divorce.

**Dividing the Child Jul 24 2019** Questions about how children fare in divided families have become as perplexing and urgent as they are common. In this landmark work on custody arrangements, the developmental psychologist Eleanor Maccoby and the legal scholar Robert Mnookin consider these questions and their ramifications for society. The first book to examine the social and legal realities of how divorcing parents make arrangements for their children, *Dividing the Child* is based on a large, representative study of families from a wide range of socioeconomic levels. Maccoby and Mnookin followed a group of more than one thousand families for three years after the parents filed for divorce. Their findings show how different divorce agreements are reached, from uncontested dealings to formal judicial rulings, and how various custody arrangements fare as time passes and family circumstances change. Numerous examples of joint custody and father custody are considered in this account, along with the mother-custody families more commonly studied; and in most cases the point of view of both parents is presented. Among families in which children spend time in both parental households, the authors identify three different patterns of co-parenting: cooperative, conflicted, and disengaged. They find that although divorcing parents seldom engage in formal legal disputes, they are generally unable to cooperate effectively in raising their children. Full of interesting findings with far-reaching implications, this book will be invaluable to the lawyers, judges, social workers, and parents who, more and more often, must make wise and informed decisions concerning the welfare and care of children of divorce.

**Regulating Divorce Jul 04 2020** Describes the present law of divorce and the debate about its reform in the context of changes in the law relating to children and child support. Based on recent research, it provides information and arguments for evaluating controversial issues concerning the law and family life.

**The Child Custody Book Dec 09 2020** "It is almost always in your children's best interest to settle a case--with or without mediation--rather than to litigate in court," said Judge Stewart. His book fully, clearly, and concisely explains the process of court child custody litigation. It shows how custody decisions are made, what can be expected at each stage of the process, and how parents can insure that their abilities are clearly presented to persons with influence over the custody decision. It is intended to eliminate surprises that could lead to costly mistakes along the way. Parents who settle custody disputes out of court will not only save tens of thousands of dollars, but will have avoided the rancor and hostility of a custody trial that makes future cooperation in raising the children almost impossible. With help from a capable and experienced attorney, this book will allow the reader to present her/his case for custody in its best possible light. A must-read for divorcing parents, custody evaluators, family psychologists, and marriage and family therapists.

**Louisiana Family Law Guide Sep 17 2021**

**Making Fathers Pay Jan 22 2022** Michigan's successful child-support collection process, based on jailing for nonpayment, is studied in an exploration of the economics of child support, characteristic differences between men who pay and those who don't, and alternatives to the use of jailing

**Divorce For Dummies Apr 24 2022** There's no such thing as an easy divorce. On top of the emotional turmoil, there are also numerous other concerns - from organising finances and splitting property, to breaking the news to children, and picking the best lawyer. This comprehensive guide shows that, with a clear-head and straight-talking advice, divorce can be swifter and easier than expected, letting you make a clean break and move on with confidence. *Divorce For Dummies* includes the most up-to-date information on: What to Do First When Things Start to Go Wrong Separation: A Healthy Breather or a Prelude to Divorce? Helping Your Children Get Through Your Divorce Pre-marital Agreements Same-sex and DIY divorces About the author Elizabeth Walsh is a legal expert and the Editor of Family Law, recently voted 'Legal Journal of the Year'. Thelma Fisher is a former chair of the UK College of Family Mediators and has been involved in mediation for over twenty years.
