Meeting Your Match Online 26 2022 Recent studies show that more than 20 million people will visit at least one online dating site a month. Internet dating has several advantages, among them the ability to discover everything about a potential partner before meeting them. You can learn their age, religious affiliations, education, expectations, interests, hobbies, and so on. Internet dating allows you to chat online and get to know someone before meeting them. There is also the ability to meet people on a varied schedule. You don't have to meet them face-to-face right away. Other advantages include protection of your personal identity, the exchange of photos, the ability to be yourself, less cost, and the ability to search by sexual or ethnic preference, all of which will increase the chance of finding that special someone. Aside from the many advantages, online dating has disadvantages as well. For example, you could be in an online relationship with someone who, in actuality, does not look like they do in their photos or their personality is not as they might have to be a long distance relationship, or they have a hidden criminal agenda. This is why you need the assistance of a groundbreaking new book that covers it all, allowing you to find the right partner and make your online dates safe and secure. It features many available online dating services, such as PerfectMatch, which employs a scientific method to locate matches. It also features a compatibility system that only pairs you with compatible singles. Yahoo Personals helps you choose from thousands of matches in your area. True.com is likely the only dating site that checks new members for criminal activity and marriage history. It guarantees you will meet someone special within six months or they will extend your membership by six months at no cost. Detailed are AmericanSingles.com, FriendFinder.com, Metrodate.com, Lavalife.com, Date.com, JDate.com, Great Expectations at Dating.com and Chemistry.com. Also included are true stories from couples and singles who have been through the online dating process and have found it either worked or didn't work for them. Killers of the King 01 2022 January, 1649. After seven years of fighting in the bloodiest war in Britain's history, Parliament overpowered King Charles I and now faced a problem: what to do with a defeated king, a king who refused to surrender? Parliamentarians resolved to do the unthinkable, to disregard the Divine Right of Kings and hold Charles I to account for the suffering and slaughter endured by his people. A tribunal of 135 men was hastily gathered in London, and although Charles refused to acknowledge the power of his subjects to try him, the death sentence was unanimously passed. On an icy winter's day on a Whitehall, in an event unique in English history, the King of England was executed. When the dead king's son, Charles II, was crowned the throne, he set about enacting a deadly wave of retribution against all those - the lawyers, the judges, the officers on the ground - responsible for his father's death. Some of the 'regicides' - the killers of the king - pleaded for mercy, while others stoically

sentence. Many went into hiding in England, or fled to Europe or America. Those who were caught and condemned suffered a degrading ends, while others saw out their days in hellish captivity. Bestselling historian Charles Spencer explores this violent ideals through the individuals whose fates were determined by that one, momentous decision. A powerful tale of revenge from heart of royal history and a fascinating insight into the dangers of political and religious allegiance in Stuart England, these are shocking stories of the men who dared to kill a king.
