Organic Crafts May 18 2021 Parents, teachers, and caregivers looking for ideas on how to get children outdoors and instill in them a love of nature can find more than 75 creative crafts, games, and activities using objects that kids can collect from nature in this idea book. As children make race cars out of rocks, create paint from plants, and assemble funny grass masks, they learn to be environmentally friendly—absorbing information on recycling, reducing waste, and inspiring others to protect nature. Organized by the various natural materials needed, the crafts offer a new twist on perennial homemade gifts and school projects.

Wild and Free Handcrafts AFF Feb 24 2022 The companion to *The Call of the Wild + Free*: styled in the lush aesthetic of the *Wild + Free* brand, a four-color book offering crafts, activities, and essays, that parents, educators, and caregivers can use to inspire their children. *Wild + Free Handcrafts* is a beautiful, four-color resource book for parents, educators, and caregivers to enjoy doing hands-on activities with kids. A handcraft engages one's hands, requires a level of learned skill, encourages children to do their best work, and produces an end product that is useful. It has been used in homeschool settings for decades as one way to encourage them to work with their hands and discover a skillful craft they love to practice. It also is a great way for traditionally educated kids who are home for the summer, or in afterschool programs, or with their families on the weekends, to do fun activities that will stimulate their imaginations and creativity. This book will feature crafts such as: Felted acorns Paper beads Nature wreaths Cocoa mint lip balm Woven willow hearts Finger knit bracelets Eco-dyed kitchen towels Fairy tale treehouse Flower crowns Bug hotel With the same lush photography as *The Call of*

the Wild + Free, this book includes step-by-step pictures that show parents how to do the craft, and essays on the usefulness and purpose of handcrafts as a tool to spark children's curiosity and wonder.

The Craft Kingdom Jan 02 2020 Crafting and making art is very individual. These moments are completely yours. Even if you don't have access to all of the materials, you can be creative and experiment. If you prefer to use one type of material over the other, or if you prefer glue over sewing, do so. The main purpose is to enjoy it and create your vision at every moment. There is no need for any special skills for the projects in this book. However, those who sell artwork and wish to obtain the maximum results should stick to the projects and supplies as written. With that being said, there is no right or wrong way to craft and to make art, it comes down to having fun and express yourself. This book contains 92 DIY, crafts and art projects. Under each category, you will find the required supply for each project and a tutorial. At the end of the book, you will find stencils that will help you trace shapes and silhouettes for the projects. This book is the ultimate guide to DIY and Craft projects, organized by subjects. Contains step-by-step photographs and detailed instructions, features - Colors, Nature Craft, Stamps, Washi Tape, Soap Making, Candle Making, Recycling Art, Repurposing, Accessories, Fabric and Textile, Buttons, Paper and Paper Napkins.

Nature Crafts for Children Jul 20 2021 Keep your kids' boredom at bay with 35 environmentally-friendly ideas they'll love to make. Designed with the environment in mind, this brilliant collection of craft projects will keep kids entertained for hours. It features decorations, toys, jewelry, gifts, and more, every one of them incorporating natural materials—woodland folk are created from pine cones and seed pods, a length of bark is the base for an animal painting, and a piece of slate is transformed into a pretty brooch or badge. The fun ideas range from bark rubbings for budding artists to herb head flowerpots for junior gardeners and are

sure to give kids the creative bug. Best of all, finding the project materials encourages kids to get outside! They can gather shells on the beach to make the shell mice, or collect leaves and twigs on a countryside walk to make a printed fox wall hanging. Even their own backyard will become an exciting source of crafty materials.

The Organic Artist for Kids Jun 26 2019 Immersed in the natural world, The Organic Artist for Kids inspires creativity by connecting kids and their adults to our wilderness roots. In addition to offering a wide variety of fun, collaborative projects using nature as a source for art supplies and inspiration, this book also introduces the concepts of awareness and perception that are fundamental to the creative process. Children will be encouraged to learn new skills, build resilience, and be resourceful as part of an urgent struggle to prevent and undo Nature Deficit Disorder. Rooted in experimentation and an understanding that fun is fundamental to learning, kids will refine their drawing skills, as well as increase their appreciation for the visual arts and the natural landscape. Just some of the projects and skills covered include: Making pens and wild inks Making paint from stones and rocks Crafting your own paintbrushes Making simple stencils and rubbings The Organic Artist for Kids encourages you to return to the days when art was made with all-natural materials like charcoal and birch bark.
