Leaves from the tall trees fall onto their faces, but neither moves to brush them off. When a dog walker in a local Virginia park finds the bodies of a mother and daughter, Detective Amanda Steele is first on the scene. Her own daughter has a toy just like the girl's elephant and seeing the child like this is her worst nightmare come true. Heartbroken, she vows to get justice. They quickly get an ID—Jill Archer and six-year-old Charlotte were reported missing last week, but interviewing Jill's husband, Roy, Amanda's gut tells her he is hiding something. [The Dancing Girls: An Absolutely Gripping Crime Thriller with Nail-biting Suspense](#) May 16 2021 'Loved it, loved it, loved it!!... If I could give it 6 stars I would! In this current climate of 'twists you will never see coming' - believe me... you will never see this coming!... Cannot wait for the next book!... Best book I have read for some time.' NetGalley Reviewer, 5 stars The light in her wide brown eyes dimmed as she drew her last breath. She might have been beautiful lying there on the floor, if it wasn't for the purple marks on her neck and the angry red line on her finger where her wedding band used to be... When Jeanine Hammond is found dead in a hotel in the picture-perfect town of Oakhust, newly-promoted Detective Jo Fournier is thrown into a disturbing case. Who would murder this shy,

loving wife and leave her body posed like a ballerina? Jo wants to know why Jeanine's husband is so controlling about money, and where Jeanine's wedding ring is, but before she and her team can get close to the truth, another woman is found strangled in a hotel, arms placed gracefully above her head like a dancer. While digging through old case files, Jo makes a terrifying link to a series of cold cases: each victim bears the same strangulation marks. But the FBI won't take Jo seriously, and if she disobeys direct orders by investigating the killings outside of her jurisdiction, it will mean the end of the career she's already sacrificed so much for, even her relationship. Just as Jo is beginning to lose hope, she finds messages on the victims' computers that make her question whether these small-town women were hiding big lies. Jo thinks this is the missing link, but she knows the murderer is moments away from selecting his next victim. Will it lead her to the most twisted killer of her career in time, or will another innocent life be lost? An absolutely unputdownable and brilliant new crime thriller series that fans of Robert Dugoni, Lisa Regan and Melinda Leigh will devour in one sitting. Before You Were Gone Jun 24 2019

The Burning Girls Apr 26 2022 The girl was beautiful, even in death. Her skin was

translucent beneath the sliver of moonlight peeking through the bare branches of the surrounding pines, and her chestnut hair had tumbled around her pale shoulders. Around her, smoke twisted in the air, curling into the inky sky. The remote town of Crooked Creek has barely recovered from its most recent tragedy when wildfires tear through the mountains. Detective Ellie Reeves is grappling with her own heartbreak--she has just discovered she was adopted and that her childhood was a lie. Under the scorching summer sun, Ellie is called to a river where a body has been found. She spots a lone woman's shoe caught in a nearby tangle of vines, and a pearl necklace scattered by the water's edge. The remains are surrounded by a circle of stones, which Ellie is certain means something. Was the victim--whoever she was--caught in the fire or is something more sinister at play? The Fourth of July usually means festivals and fireworks, but when another body turns up the town is left in tatters. A young girl with dark hair lies dead, surrounded by stones, smoke drifting in the air. Thanks to an engraved silver necklace, Ellie identifies the body as eighteen-year-old Katie Lee Curtis, and the diary she finds hidden under the teenager's mattress could get her close to the killer. With two victims in less than twenty-four hours, it's clear Ellie's up against a serial killer, and she vows that no more innocent girls will be sacrificed. For her, every day is a battle to come to terms with her past, but when this case becomes personal, will she win? A totally gripping and utterly addictive page-turner that will have you racing through and reeling at the twists. Perfect for fans of Melinda Leigh, Lisa Regan and Kendra Elliot, it's best read with the lights on! Readers absolutely love Rita Herron: "Wow!... I literally haven't been able to put this book down! This has completely gripped me and been utterly impossible to put down." Goodreads Reviewer, □□□□

[Watch Her Disappear](#) Feb 10 2021 The girl's prom dress, the color of champagne, shimmers in the dying light. A corsage of wilting pink sweetheart roses decorates her wrist. She is perfectly still, lying on the ground like a delicate china doll, trapped forever in a sleep from which she will never wake... When a call comes in about a young girl found dead at a high school

prom—her life drained away from a fatal stab wound—Detective Josie Quinn drops everything to attend the scene. Taking in the girl’s neatly braided hair, Josie feels a flicker of recognition. But no one comes forward to identify this innocent child, murdered on what should have been the happiest night of her life. Trawling missing persons files, Josie realizes where she has seen the girl before. Gemma Farmer disappeared a few months ago, shattering her family. But why would her body appear now, on her sixteenth birthday? Josie’s only clue is the five neat little cuts on Gemma’s pale arm. Days later, another missing girl shows up, tucked neatly into her bed on the morning of her birthday, her favourite teddy beside her, her skin as cold as ice—and the autopsy reveals scars on her arm matching Gemma’s. Her head spinning, Josie fears the marks are a serial killer’s twisted way of counting his victims. But where are the other girls he’s killed, and how many more could follow? The case takes a terrifying turn when a local teen goes missing just days before she turns sixteen. Clock ticking, Josie turns the town upside down in search of answers.
