[Inspire Your Home](#) Oct 21 2019 Instagram star and founder of Inspire Me! Home Décor shares her creative and elegant interior design secrets so you can create a glamorous yet cozy home without spending a fortune. Farah Merhi launched Inspire Me! Home Decor in 2012 as a creative outlet during a transitional time in her life. Farah was about to graduate college and planned to attend law school. Going through the motions and feeling unfulfilled in her career choice, she built up the courage to face her truth. Taking time off to figure herself out, Farah, through a remodel project in her home, had her “ah-ha” moment. The importance of taking care of your home, specifically in the way

you clean, organize, and design, was instilled in her at a young age, but she didn't realize how much of an impact her upbringing had until she owned her own home. Farah knew she had found her passion and calling, and was determined to inspire home owners to live their best lives in their homes. Farah believes that taking care of your home is essential to your peace of mind. Her design style is elegant and glamorous but infused with warmth and coziness, creating a welcoming feel with neutral color palletes, soft and inviting fabrics, and exquisite design details that can work in any room. She believes you can make a statement without sacrificing an inviting feel to your rooms. There is no right and wrong when it comes to designing your home and Farah encourages you to focus on the overall look and feel you desire, and her tips and advice will help guide you through the process. Starting with her most frequently asked questions about paint color versus wallpaper, lighting and rugs, home organization, and of course styling, Farah walks you through every room in the house from the mudroom to the kitchen and kids' bedrooms. Along the way, she includes quick seasonal updates on a budget, suggested routines for maintaining your space, and her unique reward system, which includes small styling vignettes around your home. Woven throughout are Farah's personal stories that will feel like you're getting design advice from a close friend. Everyone deserves to walk into a beautifully decorated home every day—now you can, with the inspiration and practical tips in Inspire Your Home.

**The New Natural House Book** Jan 24 2020 Practical and inspiring, this volume sets out the basic principles of the healing home and aims to show us how we can create a home that is healthy, harmonious and ecologically sound. The book examines the interior elements from air and light to furniture and furnishings. It looks at living spaces themselves - from sleeping to eating spaces - and how to introduce comfort and a sense of well-being into the home. A 16-page essay highlights organic

buildings, independent energy supplies and living off the grid, and the spiritual principles of the healing home.

**Creating the Artful Home** Jun 09 2021 Creating the Artful Home: the Aesthetic Movement and Its Influence on Home Decor covers the history of a movement that emphasized "art for art's sake"-and the influence it had on home decor. The Aesthetic Movement in America lasted just a few decades (1870-1900), and served mainly as a bridge between the high Victorian sensibility and the radical shift to the Arts & Crafts style. The movement germinated among artists who used opulent color, decorative patterning, and lavish materials simply for the aesthetic effects they could evoke. It was commonly held that a home that expressed an artful, harmonious soul would instill high aesthetic and moral merit in its inhabitants. The Aesthetic Movement in America helped to popularize the idea that everyone should be able to enjoy beautiful, well-made homes and furnishings-not just the very wealthy. Artful homes could be composed from brilliant antique store finds, discriminating department store purchases, and gems hand-made by the ladies of the house. It was the moment when people embraced the idea that only a beautiful home could be a happy home. Karen Zukowski delves into the movement's establishment, evolution, and main characters, and shows how today's homes can incorporate Aesthetic principles: Through suggestion rather than statement, sensuality, massive use of symbols, and synaesthetic effects-that is, correspondence between words, colors and music. How influential designers such as Clarence Cook and Charles Eastlake popularized the idea that beautiful homes with tasteful furnishings could be available to practically everyone How today's designers, manufacturers, and retailers deploy the very same stylistic markers of the Aesthetic Movement: rich color, layered pattern and texture, mixtures of historical motifs

Vastu Living Sep 12 2021 Feng shui, the ancient Chinese art and science of finding harmony with nature, has become widely adopted in the West. Like Buddhism, which migrated from India

eastward, feng shui is recognized by Eastern scholars as having originated not in China but in India, where it is referred to as Vastu Shastra, or the science of architecture. In *Vastu Living*, Kathleen Cox introduces readers to the art, science, and practice of vastu. Cox explains vastu's origins in the Vedas, its relationship to the Hindu gods, its principles and guidelines, and its traditional uses. *Vastu Living* shows readers how to practice vastu at home and in the workplace--from understanding its teachings on room layout and furniture placement to bringing the divine into every dimension of one's environment.

**Design the Home You Love** Oct 01 2020 From the co-founders of Havenly comes “a perfect read for anyone looking to infuse more personality and style into their space—on their own time and budget, and in their own unique way” (Rachel Zoe). “Not only do Lee and Emily unpack all their tips for creating a space that looks as good as it feels, but they do it in a way that is made for real-life application.”—Bobby Berk, design expert and host of Netflix’s *Queer Eye* Interior design can be daunting, and as a result, many of us never even attempt to design our own homes. In *Design the Home You Love*, Havenly founders Lee Mayer and Emily Motayed break down the ambiguous world of home design. First you learn how to identify your own style (whether you’re a fan of Parisian Modern or California Casual) and then how to incorporate furniture that matches your style and fits your budget. *Design the Home You Love* takes you step-by-step and room-by-room through each part of the house to help you fulfill your home’s potential. Whether you’re looking to give your home a complete makeover, spruce up your rental apartment, or merely take your living room from blah to fab, Lee and Emily bring fresh ideas, advice, and inspiration to the table. Illustrated with eye-catching photography and livable inspiration from real-life clients, this is the interior design book that finally makes it possible for us all to achieve our design goals.

*A Home of Your Own* Aug 11 2021 When we describe a home as being 'full of character', we mean that it's individual or exceptional in some way. Character comes from a variety of sources: some from the property itself, and others from the people who live there, while the act of bringing character into a home is a layering process, one that starts with the bones of the building and finishes with the decor — the human element. In this new book, interiors expert Sally Coulthard explains just what it takes to turn an uninspiring space into a personality-packed

home, whether it's a cottage, an apartment, or a modern family house. Each chapter focuses on a particular element — for example, the importance of family and loved ones, and making an interior feel like a social space — and explains why this element matters and how to bring it into your home. Inspirational features, in the form of 'Keys to Character' boxes, offer tips on incorporating individuality into even the most unpromising of spaces, from making the most of period details and mixing old and new furnishings to introducing artwork and displaying photographs.

In *Restoration House*, author and designer Kennesha Buycks will encourage you to embrace your home and your story so you can create mindful spaces that give life to you, your loved ones, and all who enter. Tips from *Restoration House* have been featured in *Better Homes and Garden*, *Apartment Therapy*, *Design Sponge*, and *The Washington Post*. Kennesha will teach you how to: Make the best out of your living space, whether you're renting or a homeowner Create a home your visitors will feel comfortable in Decorate your home on a budget Make purposeful design decisions that are beautiful and functional *Restoration House* is ideal for: Christian women of all ages who want to make their houses feel more like home Housewarming gifts, Mother's Day, birthdays, and holiday gifting

**The Well-Loved House** May 28 2020 In her first book, Elle Decor A-List decorator Ashley Whittaker shares the secrets of her colorful, pattern-filled classic rooms. Ashley Whittaker's work is

distinctively classic and sophisticated, but also inviting and warm. Dubbed a neo-traditionalist, she fearlessly marries adventurous colors and patterns in rooms yet still manages to retain a sense of elegance and restraint. In *The Well-Loved House*, she shares a selection of dwellings, from gracious Connecticut estates to chic Manhattan pieds-à-terre to waterfront beach houses on the Florida coast, most exclusively photographed for this book, including her own house never before seen. Whittaker believes houses are meant to be beautiful, but also lived in and enjoyed, and she shares her knowledge and strategies for achieving this interplay. Within each house, Whittaker offers guidance on furniture plans, complementing the architecture of a space, playing with color, and mixing pattern. She explains why it is important to have consistent threads throughout a home, but also contrast and juxtaposition. The results are stunning: Bohemian patterns mix with classic palettes; rich, saturated color mingles with highly polished finishes. Lacquered blue walls show off a collection of blue-and-white porcelain. An inviting L-shaped sofa and games table reinvent an unused library into a favorite space for socializing. Whittaker's houses all share both a sense of drama and a sense of comfort—they are homes that welcome you at the end of a long day, homes for living, homes to love.

**SoulSpace** Jul 10 2021 "Expertly designed and decorated homes don't necessarily feel like havens to their dwellers or reflect, inspire, and celebrate what is essential about their inhabitants. Lauded designer and architectural conservator Xorin Balbes created the eight-stage SoulSpace transformation process to help his clients do just that. Through the stages -- assess, release, cleanse, dream, discover, create, elevate, and celebrate -- readers explore not only the design of their living spaces but also their own interiors: the ways they think, feel, and sense. Through client stories, exercises, Q & As, and bountiful photos and illustrations, Balbes guides readers to decode clues to what they wish for, deny, and need to move forward. Empowered with this self-knowledge, they are free to declutter, refresh, and enhance their living spaces. Suitable for any budget and for one wall or one room, apartments or mansions, Balbes's wonderfully unique technique nurtures and transforms both souls and their spaces"--

Creating a National Home Mar 06 2021 For tens of thousands of Union veterans, Patrick Kelly argues, the Civil War never ended. Many Federal soldiers returned to civilian life battling the lifelong

effects of combat wounds or wartime disease. Looking to the federal government for shelter and medical assistance, war-disabled Union veterans found help at the National Home for Disabled Volunteer Soldiers. Established by Congress only weeks prior to the Confederate surrender, this network of federal institutions had assisted nearly 100,000 Union veterans by 1900. The National Home is the direct forebear of the Veterans Administration hospital system, today the largest provider of health care in the United States. Kelly places the origins of the National Home within the political culture of U.S. state formation. Creating a National Home examines Congress's decision to build a federal network of soldiers' homes. Kelly explores the efforts of the Home's managers to glean support for this institution by drawing upon the reassuring language of domesticity and "home." He also describes the manner in which the creators of the National Homes used building design, landscaping, and tourism to integrate each branch into the cultural and economic life of surrounding communities, and to promote a positive image of the U.S. state. Drawing upon several fields of American history--political, cultural, welfare, gender--Creating a National Home illustrates the lasting impact of war on U.S. state and society. The building of the National Home marks the permanent expansion of social benefits offered to citizen-veterans. The creation of the National Home at once defined an entitled group and prepared the way for the later expansion of both the welfare and the warfare states.

*Creating Home* Oct 25 2022 From acclaimed architect and designer Keith Summerour comes an alluring new book of carefully crafted dwellings that redefine the idea of home for today. When we think about what home is, many of us would say a house that is soulful and welcoming, a place with an inviting porch and a lush garden, a welcoming entryway and well-crafted living spaces that will nurture our private moments and expand to welcome guests. In this alluring new book, Keith Summerour shares nine houses, exploring their architecture, interiors, and grounds, to illustrate a new idea of home. Reinterpreting and making new his own Southern legacy that speaks both of aristocratic charm and homespun appeal, these homes range from rustic retreats that draw their power from the land to elegant manor houses, but all share extraordinary character and charm that nod to history while reflecting the way people wish to live in the world today. Enriched by the work of some of the top interior decorators working today, including Beth Webb, Barbara Westbrook, Circa Interiors, and Liza Bryan, as well as world-renowned landscape designers Jeremy Smearman and John Howard, and beautifully illustrated with all-new photography, *Creating Home* is the ultimate dream book.
