The Official CHFI Study Guide (Exam 312-49) Oct 08 2020 This is the official CHFI (Computer Hacking Forensics Investigator) study guide for professionals studying for the forensics exams and for professionals needing the skills to identify an intruder's footprints and properly gather the necessary evidence to prosecute. The EC-Council offers certification for ethical hacking and computer forensics. Their ethical hacker exam has become very popular as an industry gauge and we expect the forensics exam to follow suit. Material is presented in a logical learning sequence: a section builds upon previous sections and a chapter on previous chapters. All concepts, simple and complex, are defined and explained when they appear for the first time. This book includes: Exam objectives covered in a chapter are clearly explained in the beginning of the chapter, Notes and Alerts highlight crucial points, Exam's Eye View emphasizes the important points from the exam's perspective, Key Terms present definitions of key terms used in the chapter, Review Questions contains the questions modeled after real exam questions based on the material covered in the chapter. Answers to the questions are presented with explanations. Also included is a full practice exam modeled after the real exam. The only study guide for CHFI, provides 100% coverage of all exam objectives. CHFI Training runs hundreds of dollars for self tests to thousands of dollars for classroom training.

The Essential Max Brand - 29 Westerns in One Edition Sep 18 2021 Musaicum Books presents to you this carefully created volume of "The Essential Max Brand - 29 Westerns in One Edition". This ebook has been designed and formatted to the highest digital standards and adjusted for readability on all devices. Frederick Schiller Faust (1892-1944) was an American author known primarily for his thoughtful and literary Westerns under the pen name Max Brand. Brand also created the popular fictional character of young medical intern Dr. James Kildare in a series of pulp fiction stories. Prolific in many genres he wrote historical novels, detective mysteries, pulp fiction stories and many more. His love for mythology was a constant source of inspiration for his fiction, and it has been speculated that these classical influences accounted in some part for his success as a popular writer. Many of his stories would later inspire films. European Workshop on Structural Health Monitoring Aug 30 2022 This volume gathers the latest advances, innovations, and applications in the field of structural health monitoring (SHM) and more broadly in the fields of smart materials and intelligent systems, as presented by leading international researchers and engineers at the 10th European Workshop on Structural Health Monitoring (EWSHM), held in Palermo, Italy on July 4-7, 2022. The volume covers highly diverse topics, including signal processing, smart sensors, autonomous systems, remote sensing and support, UAV platforms for SHM, Internet of Things, Industry 4.0, and SHM for civil structures and infrastructures. The contributions, which are published after a rigorous international peer-review process, highlight numerous exciting ideas that will spur novel research directions and foster multidisciplinary collaboration among different specialists.

Requiem for the Conqueror May 15 2021 This rich and exciting sci-fi trilogy follows the search of one man—raised to be the ultimate general, the penultimate killing machine—for his own humanity and for the son he's never known. The final conflict is about to begin.... The Forbidden Borders form a seemingly unassailable gravity-powered barrier, cutting humankind off from the wider universe, confining rival empires to a few star systems, and leaving them to strive endlessly against one another for total control. But now the weakest have fallen, only two mighty empires remain, and each must once again turn to the man both fear more than they fear one another. The man each is determined to hire—or, failing that, to assassinate—Staffa kar Therma, Lord Commander of the Companions. Trained to be the ultimate killing machine, the penultimate general, Staffa has led his crack Companion mercenary troops to victory time and again. Throughout the human worlds, the Lord Commander is cursed as the Star Butcher, bringer of death and destruction. And never before has he turned his back from undertaking a new contract. But along with his most recent victory has come a discovery that will have repercussions throughout all the star systems within the Forbidden Borders. For Staffa has learned that the son stolen from him in infancy may still be alive, and nothing will stand between Staffa and the search for his son—even though his quest may well lead to his own destruction....

Regeneration Jan 11 2021 With the alien Dhryn cutting a pathway through the inhabited spaceways-bringing about the annihilation of many of the races who have the misfortune to lie along the star trail they are following-time is running out for all sentient life-forms. Can biologists Mackenzie Connor and Emily Mamami solve the riddle of the Dhryn before their part of the galaxy becomes as dead as the mysterious region known as the Chasm?

Midnight Fantasy Sep 30 2022 Dreamscape He was out of this world! Sensible, down-to-earth Ariel Hutton has always longed for adventure. For heart-stopping excitement...for soul-searing passion and romance. But being kidnapped by a sexy, blue-eyed stranger isn't exactly what she had in mind.... Suddenly, Ariel's life is turned upside down. She's stealing cars. She's running from the police. And she's falling in love with her abductor. But worse, she's losing her mind. Because Mac claims to be a time traveler, on a mission to save the world. And, God help her, she believes him....

Darkest Blade Jul 05 2020 Darkest Blade is the second of the full-length Demon Steel novels, the world of heroes and living steel. Gwen Badura lives by instinct, tied to the pendant she has worn since she was a child. Michael MacKenzie is driven by the demon blade he carries, his soul slowly poisoned by its demands. They are both drawn to the city of Albuquerque by forces they do not understand... forces that require their submission—or their death. Thrown together by violence in a city being driven mad with hate, their connection—emotional and physical—is immediate, and fierce. They don't know the rules of this deadly game, only the penalty for losing. Gwen and Mac need to trust each other to survive—but the secrets they carry may destroy them first. === "Doranna Durgin is known for creating original stories with inventive plots...an adventurous paranormal tale of the fascinatingly unexpected." --Cataromance.com "...Fast-paced, exciting story." --RT Book Reviews "DARKEST BLADE follows a blood-fueled blade thru Albuquerque as it, & Mac its wielder, seeks both relief & respite..." --Samantha Jude's clever "Tweview" (Twitter review) From the Demon Steel Series: "Brilliant, original, imaginative, powerful, fun, fast, and furious... I was barely into SHATTERED BLADE when I realized that Doranna Durgin had created something very special indeed. This is a whole, convincing, and utterly fascinating new take on demons and how they might interact with humans.... I want more. Bigger. LONGER!!!! May this be only the beginning." --Julie Czerneda, author of A TURN OF LIGHT "...Starts out with a bang and just keeps going until the final page... Author Doranna Durgin writes what we want to read." --Fresh Fiction "Innovative premise...notably creative....filled with wonder." --Cataromance

Hot Soldier Cowboy Jun 27 2022 Susan Monroe never, ever, wants to see her big brother's best friend again. Small problem: a killer from her past has found her, and only the Blackjacks—including Special Forces operative, Mac Conlon—can save her. When Mac shows up at Susan's ranch to take over protection duty, he hopes he can make amends for leaving her the way he did ten years ago. But Susan has grown up, and she's having nothing to do with forgiving him. As a dangerous assassin chases them across the wilds of west Texas, Mac and Susan walk a fine line between life and death, love and hate.

The Tamperers Mar 13 2021 The Tamperers is a story of corruption, greed and prejudice in the criminal justice system. It happens in Marysville, Texas, a small city on the Mexican border where a politically motivated, racist Hispanic district attorney and sheriff concoct a scheme to indict Karen Somerfeld, a popular Anglo socialite, who is accused of murdering her husband. They believe convicting her will gain them any office they desire. She is convicted and sent to prison for life. Roger and Brandi learn of her plight four years later, suspect something is amiss and launch an investigation. Despite roadblocks thrown up by Judge Fuentes, the former DA, they are determined to free Karen.

The Art of Mac Malware Apr 25 2022 A comprehensive guide to the threats facing Apple computers and the foundational knowledge needed to become a proficient Mac malware analyst. Defenders must fully understand how malicious software works if they hope to stay ahead of the increasingly sophisticated threats facing Apple products today. The Art of Mac Malware: The Guide to Analyzing Malicious Software is a comprehensive handbook to cracking open these malicious programs and seeing what's inside. Discover the secrets of nation state backdoors, destructive ransomware, and subversive cryptocurrency miners as you uncover their infection methods, persistence strategies, and insidious capabilities. Then work with and extend foundational reverse-engineering tools to extract and decrypt embedded strings, unpack protected Mach-O malware, and even reconstruct binary code. Next, using a debugger, you'll execute the malware, instruction by instruction, to discover exactly how it operates. In the book's final section, you'll put these lessons into practice by analyzing a complex Mac malware specimen on your own. You'll learn to:

- Recognize common infections vectors, persistence mechanisms, and payloads leveraged by Mac malware
- Triage unknown samples in order to quickly classify them as benign or malicious
- Work with static analysis tools, including disassemblers, in order to study malicious scripts and compiled binaries
- Leverage dynamical analysis tools, such as monitoring tools and debuggers, to gain further insight into sophisticated threats
- Quickly identify and bypass anti-analysis techniques aimed at thwarting your analysis attempts

A former NSA hacker and current leader in the field of macOS threat analysis, Patrick Wardle uses real-world examples pulled from his original research. The Art of Mac Malware: The Guide to Analyzing Malicious Software is the definitive resource to battling these ever more prevalent and insidious Apple-focused threats.

No Rest for the Weary May 27 2022 Sometimes success could be the best revenge. However, what do you do when someone from your past feels like your success is owed to them, and will stop at nothing to get what they feel they're due? For Brian (BJ) Johnson an urban fiction writer, life couldn't be more complete. He has a beautiful wife and kids, an up and coming publication company, and a bestselling novel in stores. Nonetheless, when Brian returns to his hometown for a book signing he finds himself caught up in a situation that could cost him everything....including his life. Anthony (Mac) McKinney is a slick talking womanizer with more game than Michael Jordan in his prime when it comes to women. Mac has only one goal in life, that is to have a wild unrestricted threesome, that's until he finds himself in the dead center of a dangerous love triangle where sex become the last thing on his mind.

Bridge Evaluation, Repair and Rehabilitation Sep 26 2019 Evaluation, repair and rehabilitation of bridges are increasingly important topics in the effort to deal with the deteriorating infrastructure. For example, in the

United States about 40 percent of the nation's 570,000 bridges are classified, according to the Federal Highway Administration's (FHWA) criteria, as deficient and in need of rehabilitation and replacement. In other countries the situation is similar. FHWA estimates the cost of a bridge replacement and rehabilitation program at 50 billion dollars. The major factors that have contributed to the present situation are: the age, inadequate maintenance, increasing load spectra and environmental contamination. The deficient bridges are posted, repaired or replaced. The disposition of bridges involves clear economical and safety implications. To avoid high costs of replacement or repair, the evaluation must accurately reveal the present load carrying capacity of the structure and predict loads and any further changes in the capacity (deterioration) in the applicable time span. Accuracy of bridge evaluation can be improved by using the recent developments in bridge diagnostics, structural tests, material tests, structural analysis and probabilistic methods. There is a need for an international exchange of advanced experience to increase the research efficiency. The Workshop is organized on the premise that the exchange of existing American and European experience in the area of bridge evaluation, repair and rehabilitation is beneficial for both parties involved.

The Secrets of Successful Copywriting Nov 08 2020 The Secrets of Successful Copywriting focuses on basic principles in writing compelling copies for copywriters and provides informative insight on advertising. This field is, in every respect, uncompromising. The first and overriding principle of advertising is that it is all about selling and shifting product. The topics covered include an elaborate discussion on the job of a copywriter; agencies and their clients; fundamentals about creating an ad; and copy philosophy. This book also discusses the importance of headline; copy proper; setting a good example; words, campaigns, research, and things; and radio and television. Final analysis, exercise conclusions, and getting and keeping a copywriting job are also presented in this book. This text also provides a glossary of advertising terms. This book is essential for advertising students and those individuals aiming a copywriting career.

Solar Storm: Book 1 Jun 03 2020 Jay Cantrell will find his family...or die trying. He had the perfect life as a small-town librarian: married just over a year to his second wife, an airline pilot, he also has a daughter in college studying to be an astrophysicist. He's ready to celebrate the first year of his new marriage as he adjusts to an empty nest and a new stage in life. But the sun had other plans and sent a coronal mass ejection as an anniversary present. Awakened before dawn one morning in mid-December by northern lights that blanket the sky—in central Illinois—Jay's world changes in the blink of an eye. Flying a planeload of passengers to Hawaii, his wife Kate experiences the CME in a whole other light and must fight to stay alive every step of the way. Leah, Jay's daughter, witnesses the impact through the eyes of a student far from home. Jay must decide to stay and wait for news of his wife or leave before things get worse to find his daughter. The problem is, with no electricity, he doesn't know how bad it is...anywhere. Will he set out to rescue his daughter and make a harrowing journey through a post-apocalyptic wasteland only to find the power is still on, two states away? In a world where electricity is a thing of the past, can there be any hope for the future? After all, it's not a matter of if a CME will strike the earth, but when.

The Planter Dec 30 2019 This is The Planter. Yes, there are gazillions of other gray, terracotta planters, but the one you hold in your hand is the one this story is about. Several folks who read the manuscript said, I wish I could go to Brown Mountain Road and look at that planter, but, in some ways, reading the book and hearing the story are as close as you get. But it may be close enough. Maybe if you like this planter, you can feel yourself capable of far more good than you have done so far, far more that you could do in concert with others. Maybe not. Maybe all you will get from reading this book is more joy from walking in the woods. Either way, this book was written primarily because lots of people want you to feel better and more joyful and more peaceful. Start there and have a wonderful life. Take a deep breath. You deserve it and the people around you deserve it, too.

The Untamed, The Night Horseman, The Seventh Man & Dan Barry's Daughter Feb 21 2022 In his Dan Barry novels, Max Brand tells the stirring story of the West, with a bigger-than-life character Whistling Dan Barry and his two rather strange companions, a wild and beautiful black stallion named Satan, and a ferocious wolf-dog called Black Bart. One of the most interesting characters in Western fiction, Whistling Dan is a hero of the west. He can fight several men and still win, he is the best gun fighter there is and he can shoot silver dollars in the air. With somewhat supernatural abilities he can control a mighty wild stallion and a vicious wolf-dog. Frederick Schiller Faust (1892-1944) was an American author known primarily for his thoughtful and literary Westerns under the pen name Max Brand. Brand also created the popular fictional character of young medical intern Dr. James Kildare in a series of pulp fiction stories. Prolific in many genres he wrote historical novels, detective mysteries, pulp fiction stories and many more. His love for mythology was a constant source of inspiration for his fiction, and it has been speculated that these classical influences accounted in some part for his success as a popular writer. Many of his stories would later inspire films.

I Looked Over Jordan, and Other Stories Oct 27 2019 This collection of stories gives a different dimension to the usual presentation of hospitals as the exclusive and immaculate domain of doctors. The reader will encounter a fuller, nitty-gritty view of a world seldom seen, rarely mentioned, and insufficiently appreciated.

Santana Rose Dec 10 2020 THE GOLDEN LADY Mercedes de Dreux, exquisite wife of a powerful Creole plantation owner, was the epitome of the gracious lady. But beneath her polished surface struggled a soul in torment, haunted by past sufferings, dedicated to the destruction of the evil man she was forced to wed when scarcely more than a child. And when a stranger with mesmerizing green eyes and hair turned silver from

sorrow touched Mercy's tender heart, she felt herself drawn irresistibly to the man they called... Fleetwood Mac's Tusk May 03 2020 After Rumours became the best-selling single album of all-time, Fleetwood Mac asked Warner Brothers Records to buy them a studio (the label refused, costing both Warner Brothers and the band significant cash in the long run) and then handed the reins to their guitarist and resident perfectionist Lindsey Buckingham. "You know," Buckingham said, "we had this ridiculous success with Rumours. We were poised to do another album, and I guess because the axiom 'If it works, run it into the ground' was prevalent then, we were probably poised to do Rumours II. I don't know how you do that, but somehow my light bulb that went off was, 'Let's just not do that. Let's very pointedly not do that.' " Here, Rob Trucks talks to Lindsey Buckingham, as well as members of Animal Collective, Camper Van Beethoven, the New Pornographers, Wolf Parade, and the USC Trojan marching band in order to chart both the story and the impact of an album born of personal obsession and a stubborn unwillingness to compromise.

Wyett Hughes: The Clash Changes Jul 29 2022 Wyett Hughes and his friends have never got along with the local gang of bullies, which is led by Billy Livedson. One fateful day their childhood clashes turn into a life and death struggle over the fate of man kind. Rated 3 of 4 stars by Onlinebookclub "I rate the book three out of four stars owing to the errors I encountered while reading. Whereas the story itself is uncomplicated, the skillful weaving of likable characters and other events onto it creates a memorable tale. The book is suitable for teens and young adults who enjoy fiction books with a touch of magic and divinity. Although the title on the bookshelf is Wyatt Hughes, it is actually Wyett Hughes, as written on the cover page. Other details in the book confirm it. I cannot wait to read its sequel."

Solar Storm: Book 3 Apr 13 2021 Sometimes a helping hand isn't so helpful... Jay Cantrell, worried that his hands, injured in their trek across the Midwest (Season 1), are infected, tries to keep the secret from his group. They'd survived the journal from Illinois to Indiana, returned home to Illinois, and crossed the Michigan border—worrying about his health wouldn't do anyone any good. Kate, tense from her harrowing trip across the country, is forced to take on the leadership of the group...while Mac prepares his compound for his friends' arrival and runs into unexpected complications in the form of suspicious neighbors. When the Cantrell vehicle breaks down, help comes in the form of a stranger with questionable ties of friendship. He offers assistance...for a price. Can the group afford...CONTACT?

First Time, Forever Aug 06 2020 She was the world's oldest virgin... But that didn't mean Kathleen Miles had no feelings. Or desires. Especially when this pureblood city woman came face-to-face with the most captivating cowboy this side of Hopkins Gulch. When warm, hard Evan Atkins looked at Kathleen, she felt like someone else. Someone who was daring. Passionate. Experienced. Yes, she was sure this dangerous man with the deep voice could convince her of anything...even becoming his wife and the mother of his baby son. But how could the bride convince the groom she wanted to be his—body and soul?
