To Epictetus, all external events are beyond our control; we should accept calmly and dispassionately whatever happens. Williams, CEO, Aetna "Understand opportunities don't come in an envelope labeled "opportunities"; create value; be honest; have a vision; work hard." -Edward Zore, CEO, Northwestern Mutual "Success requires envisioning, embracing and driving change. The only way to turn potential into higher levels of achievements is to continuously change." -Susan M. Ivey, CEO, Reynolds American "Surround yourself with people smarter than you: People make it happen and great people are necessary to make any idea come alive." -Maggie Wilderotter, CEO, Frontier Communications "I believe hard work, dedication, and the willingness to take calculated risks, not only in my personal life, but in my career as well, have contributed to my success.
